11. CANAL PLACE PROPERTY OWNER'S ASSOCIATION

A. In General. There has been or will be created, under the laws of the State of Indiana, a not-for-profit corporation to be known as Canal Place Property Owner's Association, which is referred to as the "Association". Every owner of a residential lot in the Development shall be a member of the Association and shall be subject to all the requirements and limitations imposed in these Restrictions on other owners of residential lots within the Development and on members of the Association, including those provisions with respect to the payment of a semi-annual charge.

B. Classes of Membership. The Association shall have two classes of voting membership.

Class A. Class A members shall be all owners with the exception of the Developer and shall be entitled to one vote for each lot owned. When more than one person holds an interest in any lot, all such persons shall be members. The vote for such lot shall be exercised as they themselves determine, but in no event shall more than one vote be cast with respect to any lot.

Class B. The Class B member(s) shall be the Developer, who shall be entitled to three (5) votes for each lot owned. The Class B membership shall cease and be converted to Class A membership on the occurrence of either of the following event.

(i) On the date the Developer sells the last lot and no longer owns any residential lots or land in the Development or;

(ii) January 1, 2030.

C. Board of Directors. The members shall elect a Board of Directors of the Association as prescribed by the Association's By-Laws. The Board of Directors shall manage the affairs of the Association.

D. Professional Management. No contract or agreement for professional management of the Association shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause without termination fee by written notice of ninety (90) days or less.

E. Responsibilities of the Association.

(i) The Association shall maintain and repair the Common Area Blocks and

Landscape Easements or Blocks shown on the plat(s) including improvements thereof.

(ii) The Association shall maintain the landscaping located in Landscape Easement, Common Area Blocks, and the landscaping and any entrance treatments located in the right-of-way at the entrance and shall keep such areas in a neat, clean and presentable condition at all times.

(iii) The Association may procure and maintain casualty insurance for the Common Areas, liability insurance and such other insurance as it deems necessary or advisable.

(iv) The Association may contract for such services as management, snow removal, security control, trash removal, and such other services as the Association deems necessary or advisable.

(v) The Association shall provide a means for the promulgation and enforcement of regulations necessary to govern the use and enjoyment of Common Areas.

(vi) The Association may be required to care for, maintain and repair and rebuild common drives, private drives or walkways within the project that are not subject to maintenance by governmental authority. (A private drive is a drive which serves more than one dwelling unit.)

12. COVENANT FOR MAINTENANCE ASSESSMENTS.

A. Creation of the Lien and Personal Obligation of Assessments. Each owner of any lot in the subdivision, except the Developer, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual or semi-annual assessments or charges; and (2) special assessments for capital improvements and operating deficits; such assessments to be established and collected as hereinafter provided. The annual or semi-annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. No charge or assessment shall ever be levied by the Association against the Developer.

B. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents in the properties and for the improvement and maintenance of the Common Area and

improvements, operated or maintained by the Association, and the landscape easements on the Development and other purposes as specifically provided herein.

C. Special Assessments for Capital Improvements and Operating Deficits. In addition to the semi-annual assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain or for operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

D. Private Drives. The Developer and/or Canal Place Property Owner's Association may levy special assessment against the owners with regard to private drives for capital repair and improvement.

E. Notice and C/D Quorum for Any Action Authorized Under Sections C. and D. Written notice of any meeting called for the purpose of taking any action authorized under Section C or D shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

G. Date of Commencement of Semi-Annual Assessments; Due Dates. The annual or semi-annual assessment provided for herein shall commence for each lot on the date of conveyance to the owner by deed or on the date the owner signs a land contract to purchase a lot. The Board of Directors shall fix any increase in the amount of the assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any lot shall be binding upon the Association as of the date of its issuance.

H. Effect of Non-Payment of Assessments; Remedies of the Association. Any charge levied or assessed against any lot, together with interest and other charges or costs as hereinafter provided, shall become and remain a lien upon that lot until paid

in full and shall also be a personal obligation of the owner or owners of that lot at the time the charge fell due. Such charge shall bear interest at the rate of twelve percent (12%) per annum until paid in full. If, in the opinion of the Board of Directors of the Association, such charge has remained due and payable for an unreasonably long period of time, the Board may, on behalf of the Association, institute such procedures, either at law or in equity, by foreclosure or otherwise, to collect the amount owing in any court of competent jurisdiction. The owner of the lot or lots subject to the charge, shall, in addition to the amount of the charge at the time legal action is instituted, be obliged to pay any expense or costs, including attorneys' fees, incurred by the Association in collecting the same. Every owner of a lot in the Development and any person who may acquire any interest in such lot, whether as an owner or otherwise, is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in the Development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Restrictions.

I. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due to the Association. Provided, however, the sale or transfer of any lot pursuant to the foreclosure of any first mortgage on such lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer.

J. Suspension of Privileges of Membership. Notwithstanding any other provision contained herein, the Board of Directors of the Association shall have the right to suspend the voting rights, if any, and the services to be provided by the Association together with the right to use the facilities of the Association, of any member (i) for any period during which any of the Association's charges or any fines assessed under these Restrictions owed by the member remains unpaid, (ii) during the period of any continuing violation of the restrictive covenants for the Development, after the existence of the violation shall have been declared by the Board of Directors of the Association; and (iii) during the period of any violation of the Articles of Incorporation, By-Laws or regulations of the Association.

13. REMEDIES.

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, but neither the Developer nor the Association shall be liable for damages of any kind to any person for

failing either to abide by, enforce or carry out any of these Restrictions. If a legal action is instituted to enforce any restriction that results in Attorney fees, the lot owner or owners shall be required to pay any expenses incurred to resolve the issue.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these Restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, reoccurrence or continuance of such violation or violations of these Restrictions.

14. EFFECT OF BECOMING AN OWNER.

The owners of any lot subject to these Restrictions by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the owner acknowledges the rights and powers of the Developer, Committee and of the Association with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such owners covenant and agree and consent to and with the Developer, Committee and the Association and to and with the owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

15. TITLES.

The titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provision of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

16. AMENDMENT.

The Declaration may be amended, from time to time as follows:

A. Class B Members. Developer reserves, for the benefit of the Developer the right and power and each Owner by acceptance of a deed to a Lot is deemed to and does grant to each of the Developer a Power of Attorney coupled with an interest, the burden of which interest shall run with the title to the Lot, and shall be irrevocable except by Developer for a period of seven (7) years from the date hereof, to amend this Declaration to the extent necessary to conform to any requirements imposed or

requested by any governmental agency, public authority or financial institution, (including the U.S. Department of Housing and Urban Development, the U.S. Veteran's Administration, Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, or similar agency), without the approval of the Lot Owners, or to the extent necessary to enable Developer to meet any other reasonable need or requirement including those associated with completion of the development of the Property and to facilitate the making and marketing of first mortgages upon any of the Lots. Any amendment must be recorded and shall be effective upon recording.

B. Lot Owners. This Declaration may be amended at any time by and instrument executed by persons or entities able to exercise seventy-five percent (75%) of the voting power of all classes of the Association and approved by eligible first mortgage holders representing Lots having at least fifty-one percent (51%) of the voting power; provided, however, that rights of Developer hereunder may not be amended or altered without the prior written consent of Developer. Any amendment must be recorded and shall be effective upon recording.

17. DURATION.

The foregoing Covenants and Restrictions are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 2061, at which time said Covenants and Restrictions shall be automatically extended for successive periods of ten (10) years, unless changed in whole or in part by vote of those persons who are then the owners of a majority of the numbered lots in the Development.

18. SEVERABILITY.

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of an from every other one of the Restrictions, and of and from every combination of the Restrictions. Any violation of the above rights and obligations with respect to the blocks, private drives and maintenance of boat docks, or ingress and egress easements shall give the developer and/or the association the right to seek immediate injunctive relief to preclude such activities and, in addition, may collect reasonable attorneys fees for violation of the above restrictions.

Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

IN TESTIMONY WHEREOF, witness the signature of the Declarant this 18
day of ~~March~~, 2000.
