Recitals

A. Developer is the purchaser and owner of all of the lands contained in the area shown on Exhibit "A", attached hereto and made a part hereof (the "Real Estate"), which lands will be subdivided for development of CARROLL FARMS, a single family housing development in Marion County, Indiana (the "Development"), and will be more particularly described on the plats of the various sections thereof recorded and to be recorded in the Office of the Recorder of Marion County, Indiana (the "Plats").

B. As provided herein, Developer has retained and reserved the right, privilege and option to submit to the provisions of this Declaration at a later time and from time to time as a part of the Development additional property and has retained and reserved the right to withdraw and remove any portion of the Real Estate from the control and provisions of this Declaration.

C. Developer is about to sell and convey the residential lots situated within the platted areas of the Development and before doing so desires to subject and impose upon all real estate within the platted areas of the Development mutual and beneficial restrictions, covenants, conditions, easements and charges contained herein and as set forth in the Plats (the "Declaration" or "Restrictions") under a general plan or scheme of improvement for the benefit and complement of the lots and lands in the Development and future owners thereof.

Terms:

NOW, THEREFORE, Developer hereby declares that all of the platted lots and lands located within the Development are held and shall be held, conveyed, hypothecated or encumbered, leased, rented, used, occupied and improved, subject to the Restrictions, all of which are declared and agreed to be in furtherance of a plan for the improvement and sale of said lots and lands in the Development, and are established and agreed upon for the purpose of enhancing and protecting the value, desirability and attractiveness of the Development as a whole and of each of said lots situated therein. All of the Restrictions shall run with the land and shall be binding upon Developer and upon the parties having or acquiring any right, title or interest, legal or equitable, in and to the real property or any part or parts thereof subject to the Restrictions, and shall inure to the benefit of Developer's successors in title to any real estate in the Development.

A Supplemental Declaration may also remove any portion of the Real Estate then owned by Developer from the control and provisions of this Declaration.

ARTICLE II DEVELOPMENT OF THE REAL ESTATE

Section 2.1 Development of the Real Estate. All Lots shall be and hereby are restricted exclusively to single-family residential use and shall be subject to the standards and restrictions set forth in this Declaration. Developer shall have the right, but not the obligation, during the Development Period, to submit additional real estate to or exclude any portion of the Real Estate from the provisions of this Declaration and to make and maintain improvements, repairs and changes to any Common Area and all Lots owned by Developer including without limitation: (a) installation and maintenance of improvements in and to the Common Areas; (b) changes in the location of the boundaries of any Lots owned by Developer, so long as such changes do not change the boundaries of any Lots previously sold by Developer; (c) installation and maintenance of any water, sewer, and other utility systems and facilities; (d) installation of security or refuse systems; and (e) additions or changes to the boundaries of any Common Areas or Easement Areas, so long as such changes do not change the boundaries of any Lots previously sold by Developer.

Section 2.2 Public Streets. The streets and public rights-of-way shown on the Plats are, upon recording of the Plats, dedicated to the public use, to be owned and maintained by the governmental body having jurisdiction, subject to construction standards and acceptance by such governmental body. All Lots shall be accessed from the interior streets of the Development.

Section 2.3 Development of Additional Property. Developer hereby reserves the right and option, to be exercised in its sole discretion and without further approval by any party, to submit at any time and from time to time during the Development Period, additional real estate to the provisions of this Declaration. This option may be exercised by Developer in accordance with the following rights, conditions, and limitations:

- (a) Additional real estate may be added to the Development at different times, and there are no limitations fixing the boundaries of the portions or regulating the order,

sequence, or location in which any of such portions may be added to the Development. No single exercise of Developer's option to submit additional real estate to the Declaration shall preclude any further exercises of this option thereafter and from time to time as to other real estate.

(b) The option to add additional real estate may be exercised by Developer by the execution of a Supplemental Declaration or Plat describing such additional real estate which shall be filed in the public records of the county in which the Declaration was originally recorded, together with a legal description of the additional real estate. The provisions of this Declaration shall then be construed as embracing the real property described in Exhibit " A " and such additional real estate so submitted to the terms hereof, together with all improvements located thereon.

Section 2.4 Annexation of Additional Real Estate by Members. After the Development Period, the Association may annex additional real property to the provisions of this Declaration and the jurisdiction of the Association. Such annexation shall require the affirmative vote of at least two-thirds (2/3) of the Members. Annexation by the Association shall be accomplished by the appropriate filing of record of a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the owner of the property being annexed and any such annexation shall be effective upon filing unless otherwise provided therein. The relevant provision of the By-Laws dealing with regular or special meetings, as the case maybe, shall apply to determine the time required for and the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section 2.4 and to ascertain the presence of a quorum at such meeting.

Section 2.5 Withdrawal of Property. Developer hereby reserves the right and option during the Development Period, to be exercised in its sole discretion and without further approval by any party, to withdraw and remove any portion of the Real Estate then owned by Developer from the control and provisions of this Declaration. Such removal by Developer shall be carried out generally by the execution and filing of a Supplemental Declaration or other document which shall be filed in the public records of county in which the Declaration was originally recorded, together with a legal description of the Real Estate being withdrawn.

ARTICLE III PROPERTY RIGHTS AND EASEMENTS

Section 3.1 General. Each Lot shall for all purposes constitute real property which shall be owned in fee simple and which, subject to the provisions of this Declaration, may be conveyed, transferred and encumbered the same as any other real property. The Owners of any Lot subject to this Declaration by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof whether from Developer or a subsequent Owner of such Lot shall accept such deed and execute such contract subject to each and every restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the new Owner acknowledges the rights and powers of Developer with respect to this Declaration and also for their heirs, personal representatives, successors and assigns. Each Owner shall be entitled to the exclusive ownership and possession of his Lot subject to the provisions of this Declaration,

including without limitation, the provisions of this Article III. The ownership of each Lot shall include and there shall pass with each Lot as an appurtenance thereto whether or not separately described a non-exclusive right and easement of enjoyment in and to the Common Areas as established hereunder and membership in the Association. Each Owner shall automatically become a member of the Association and shall remain a Member thereof until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically pass to his successor-in-title. Lots shall not be subdivided by Owners and the boundaries between Lots and between the Development and other neighborhoods shall not be relocated unless the relocation thereof is made with the approval of the Board and, during the Development Period, of Developer.

Section 3.2 Owner's Easement of Enjoyment. Every Owner, his family, tenants, and guests shall have a non-exclusive right and easement of use and enjoyment in and to the Common Areas, such easement to be appurtenant to and to pass with title to each Lot, subject to the provisions of this Declaration and the rules, regulations, fees, and charges from time to time established by the Board in accordance with the By-Laws and subject to the following provisions:

- (a) The right of the Association to mortgage all or any portion of the Common Areas for the purpose of securing a loan of money to be used to manage, repair, maintain, improve, operate, or expand the Common Areas.
- (b) The easements reserved elsewhere in this Declaration or in any Plat of all or any part of the Real Estate and the right of the Association to grant and accept easements as provided in this Article III. The location of any improvements, trees or landscaping within an easement area is done at the Owner's risk and is subject to possible removal by the Association or the grantee of such easement.
- (c) The right of the Association to dedicate or transfer fee simple title to all or any portion of the Common Areas to any appropriate public agency or authority, public, service district, public or private utility, or other person, provided that any such transfer of the fee simple title must be approved by a majority vote of the Members as provided in the By-Laws or by Developer during the Development Period.
- (d) The rights of the Association and Developer reserved elsewhere in this Declaration or as provided in any Plat of all or any part of the Real Estate.
- (e) The rights of the holder of any mortgage which is prior in right or superior to the rights, interests, options, licenses, easements, and privileges herein reserved or established.
- (f) The right of the Association to suspend an Owner's voting rights and the right to use any Common Areas for any period during which any assessment of the Association against that Owner's Lot remains unpaid, and for any violation by an Owner of the Association's rules and regulations, for the duration of the violation and for an additional period thereafter not to exceed thirty (30) days.

Section 3.3 Easements for Developer:

(a) During the Development Period, Developer shall have an easement for access to the Real Estate, including any Lot and all Common Areas, for the purpose of constructing structures and other improvements in and to the Lots and Common Areas and for installing, maintaining, repairing and replacing such other improvements to the Real Estate (including any portions of the Common Areas) as are contemplated by this Declaration or as Developer desires, in its sole discretion, including, without limitation, any improvements or changes permitted and described by Article II hereof, and for the purpose of doing all things reasonably necessary and proper in connection therewith, provided in no event shall Developer have the obligation to do any of the foregoing. In addition to the other rights and easements set forth herein and regardless of whether Developer at that time retains ownership of a Lot, Developer shall have an alienable, transferable, and perpetual right and easement to have access, ingress and egress to the Common Areas and improvements thereon for such purposes as Developer deems appropriate, provided that Developer shall not exercise such right so as to unreasonably interfere with the rights of Owners in the Development. Developer may at any time and from time to time grant the rights contained in this Section 3.3(a) to any person or entity, including Builder.

(b) In addition to the easement set forth in Section 3.3 (a), Developer hereby retains, reserves and is granted an exclusive perpetual easement over, above, across, upon, along, in, through, and under the Utility Easement Areas, as such is defined in Section 3.4, below (i) for the purpose of owning, installing, maintaining, repairing, replacing, relocating, improving, expanding and otherwise servicing any utility or service including, without limitation, electricity, gas, sewer, telephone; television and computer link by line, wire, cable, main, duct, pipe conduit, pole, microwave, satellite or any other transfer or wireless technology, and any related equipment, facilities and installations of any type bringing such utilities or services to each Lot or Common Area; (ii) to provide access to and ingress and egress to and from the Real Estate for the purposes specified in subsection (i); and (iii) to make improvements to and within the Real Estate to provide for the rendering of public and quasi-public services to the Real Estate. The easements, rights and privileges reserved to Developer under this Section 3.3(b) shall be transferable by Developer to any person or entity solely at the option and benefit of the Developer, its successors and assigns and without notice to or the consent of the Association, the Owners or any other person or entity. Developer may at any time and from time to time grant similar or lesser easements, rights, or privileges to any person or entity, including Builder. By way of example, but not by limitation, Developer and others to whom Developer may grant such similar or lesser easements, rights or privileges, may so use any portion of the Real Estate to supply exclusive telecommunications services to each Lot. The easements, rights and privileges reserved under this Section shall be for the exclusive benefit of Developer, its successors and assigns and may not be impaired, limited or transferred, sold or granted to any person or entity by the Association or any of the Owners.

Section 3.4 Drainage, Utility and Sewer Easements ("DU&SE"):

(a) There is hereby reserved for the benefit of Developer, the Association, and their respective successors and assigns, the perpetual right and easement, as well as the power, to

hereafter grant and accept ^{ALK} nonexclusive easements to and from utility service providers and/or the City of ^{INDIANAPOLIS} Lawrence and their respective successors and assigns, upon, over, under, and across (i) all of the Common Areas; and (ii) those portions of all Lots designated on the Plat as "DU&SE" and as otherwise are reasonably necessary (such areas herein referred to collectively as the "Utility Easement Areas") for installing, replacing, repairing, and maintaining electric, water, sewer, natural gas, telephone, and cable service facilities.

The Developer, the Association, and their successors and assigns shall also have the perpetual right and easement, as well as the power, to hereafter grant and accept nonexclusive easements within the Utility Easement Areas to and from any public authority or agency, public service district, public or private utility or other person for the purpose of installing, replacing, repairing, maintaining, and using storm sewers, drainage systems, and retention ponds and facilities for the Development or any portion thereof. Any other grant or acceptance of any easement other than those specified above for any other utility service, including but not limited to, master television antenna and/or cable systems, security and similar systems, shall be made by Developer in accordance with the rights reserved to Developer under Section 3.3(b), above. To the extent possible, all utility lines and facilities serving the Development and located therein shall be located underground. By virtue of any such easements and facilities, it shall be expressly permissible for the providing utility company or other supplier or service provider, with respect to the portions of the Development so encumbered, (i) to erect and maintain pipes, lines, manholes, pumps, and other necessary equipment and facilities, (ii) to cut and remove any fences, trees, bushes, or shrubbery, (iii) to grade, excavate, or fill, or (iv) to take any other similar action reasonably necessary to provide economical and safe installation, maintenance, repair, replacement, and use of such utilities and systems.

(b) Developer hereby grants to such governmental authority or agency as shall from time to time have jurisdiction over the Development with respect to law enforcement and fire protection, the perpetual, nonexclusive right and easement upon, over, and across all of the Common Areas for purposes of performing such duties and activities related to law enforcement and fire protection in the Development as shall be required or appropriate from time to time by such governmental authorities under applicable law.

(c) There shall be created sanitary sewer easements in those areas designated on the Plat which easements shall run in favor of Developer and any governmental or private entity needing such access for the purpose of installation and maintenance of the pipes, lines, manholes, pumps and other equipment necessary for the sanitary sewer system.

Section 3.5 Drainage Easements. There is hereby reserved an easement within the Utility Easement Areas for the benefit of Developer, the Association, and their respective successors and assigns for access to and installation, repair, or removal of a drainage system, either by surface drainage or appropriate underground installations, for the Real Estate; provided, however, that the Owner of any Lot subject to a drainage easement shall be required to maintain the portion of said drainage easement on his Lot (as shown on any Plat) in the condition originally provided by Developer and free from obstructions so that the surface water drainage will be unimpeded. No changes shall be made to said area by the Owner without the written consent of the applicable governmental agency; provided, however, that Developer, in its sole

discretion, may make any changes. No permanent structures shall be erected or maintained upon said drainage easements.

Section 3.6 Landscape Easements ("LE"). Landscape Easements, as designated on a Plat of all or any part of the Real Estate, are hereby created and reserved for the use of Developer, Builder, and the Association for access to and installation, maintenance, repair, and replacement of signs, walls, earth mounds, trees, foliage, landscaping and other improvements. Except as installed by Developer, Builder, or the Association no improvements or permanent structures, including without limitation, fences, patios, decks, driveways, and walkways, shall be erected or maintained in or upon said Landscape Easements without the written consent of the Board and provided such are in accordance with all applicable zoning laws. Notwithstanding the reservation of this easement, the Owners of Lots subject to an LE which does not extend along adjoining streets or roads shall have the exclusive right to use such area, subject to any other easement affecting such Lot.

Section 3.7 Lake Maintenance Access Easement and Emergency Access Easement:

There may be strips of grounds as shown on the Plat marked Lake Maintenance Access Easement (L.M.A.E.) and Emergency Access Easement (E.A.E.), which are created and reserved: (a) for the use of the Developer during the Development Period for access to the Common Area or the Lakes and (b) for the nonexclusive use of the Association or any applicable governmental authority for access to the Common Areas or the Lakes. The Owner of any Lot which is subject to an LMAE or EAE shall be required to keep the portion of his Lot which is subject to such easement free from obstructions so that access will be unimpeded.

Section 3.8 Sales and Construction Offices. Notwithstanding any provisions or restrictions herein to the contrary, during the Development Period, and for a reasonable time thereafter, there is hereby reserved and created for the use of Developer, and its successors and assigns, Builder, and other persons constructing improvements within the Development, an easement for access to the Real Estate for the maintenance of signs, sales offices, construction offices, business offices, and model houses, together with such other facilities as in the sole opinion of Developer may be reasonably required, convenient, or incidental to the completion, improvement and/or sale of Lots and the Common Areas.

Section 3.9 Maintenance Easement. There is hereby reserved and created for the use of Developer, the Association and their respective agents, employees, successors and assigns, a maintenance easement to enter upon any Lot for the purpose of mowing, removing, clearing, cutting, or pruning underbrush, weeds, stumps, or other unsightly growth and removing trash so as to maintain a community-wide standard of health, fire safety, and appearance within the Development, provided that such easements shall not impose any duty or obligation upon Developer or the Association to perform any such actions.

Section 3.10 Tree Preservation Areas ("TPA "). Tree Preservation Areas, also known as TPAs, are designated on the Plat of the Real Estate. Except as installed by Developer or the Association, no improvements or permanent structures, including without limitation, fences, patios, decks, driveways, and walkways, shall be erected or maintained in or upon any TPA

without the written consent of the Board, provided such are otherwise in accordance with all applicable zoning laws.

ARTICLE IV
ORGANIZATION AND DUTIES OF ASSOCIATION

Section 4.1 Organization of Association. The Association shall be organized as a nonprofit corporation under the laws of the State of Indiana, to be operated in accordance with the Articles of Incorporation of the Association ("Articles of Incorporation") which have been filed or will be filed by Developer, and the Code of By-Laws of the Association ("By-Laws"). If a Lot is owned by one or more individuals, or a trust, corporation, or other entity, they shall be treated collectively as one Member for voting purposes, so that as to any matter being considered by the Association, only one vote appertains to each Lot. Notwithstanding anything herein to the contrary, until control has been transferred in accordance with Section 4.6 hereof, Developer shall appoint the Board and elect all officers of the Association, and during the Development Period, all actions of the Association shall otherwise require the prior written approval of the Developer.

Section 4.2 General Duties of the Association. The Association is hereby authorized to act and shall act on behalf of, and in the name, place, and stead of, the individual Owners in all matters pertaining to the maintenance, repair, and replacement, of the Common Areas, the determination of Common Expenses, and the collection of annual and special Assessments. The Association shall also have the right, but not the obligation to act on behalf of any Owner or Owners in seeking enforcement of the terms, covenants, conditions and restrictions contained in the Plats. Neither the Association nor its officers or authorized agents shall have any liability whatsoever to any Owner for any action taken under color of authority of this Declaration, or for any failure to take any action called for by this Declaration, unless such act or failure to act is in the nature of a willful or reckless disregard of the rights of the Owners or in the nature of willful, intentional, fraudulent, or reckless misconduct.

(a) *Maintenance by Association.* The Association shall maintain and keep in good repair the Common Areas. The maintenance shall include, but need not be limited to, maintenance, repair and replacement of all landscaping and other flora, structures, play equipment, and improvements, including all private streets situated upon the Common Areas, landscaping easements along the primary roads through the Development, entry features for the Development, and such portions of any other real property included within the Common Areas as may be provided in this Declaration, or by a contract or agreement for maintenance with any other person or entity, by the Association.

(b) *Maintenance by Owners.* Unless specifically identified herein, each Owner shall maintain and repair the interior and exterior of his or her Lot and Dwelling Unit, and all structures, parking areas, lawns, landscaping, grounds and other improvements comprising the Lot and Dwelling Unit in a manner consistent with all applicable covenants,

(c) *Association's Remedies if Owner Fails to Maintain Lot.* In the event that Developer or the Association determines that: (i) any Owner has failed or refused to

discharge properly his obligations with regard to the maintenance, cleaning, repair, or replacement of items for which is his responsibility hereunder, or (ii) that the need for maintenance, cleaning, repair, or replacement which is the responsibility of the Association hereunder is caused through the willful or negligent act of an Owner, his family, tenants, guests, or invitees, and is not covered or paid for by insurance in whole or in part, then in either event, Developer or the Association, except in the event of an emergency situation, may give such Owner written notice of Developer's or the Association's intent to provide such necessary maintenance, cleaning, repair, or replacement, at the sole cost and expense of such Owner. Said Owner shall have ten (10) days within which to complete such maintenance, cleaning, repair or replacement in a good and workmanlike manner, or in the event that such maintenance, cleaning, repair or replacement is not capable of completion within said ten (10) day period, to commence said maintenance, cleaning, repair or replacement and diligently proceed to complete the same in a good and workmanlike manner. In the event of emergency situations or the failure of any Owner to comply with the provision hereof after such notice, Developer or the Association may provide (but shall not have the obligation to so provide) any such maintenance, cleaning, repair or replacement at the sole cost and expense of such Owner and said cost (together with the cost of attorneys fees, if any, in the enforcement of the Owner's obligations and collection of the charge to the Owner) shall become a lien against the individual Owner's Lot (with respect to any matter relating to an individual Owner's responsibility) and such cost shall become a part of the costs of the Association (until such time as reimbursement is received from the individual Lot Owner). In the event that the Developer undertakes such maintenance, cleaning, repair or replacement, the Association shall promptly reimburse the Developer for the Developer's costs and expenses, including reasonable attorneys' fees and filing fees.

Section 4.3 Insurance. The Association shall maintain in force adequate public liability insurance protecting the Association against liability for property damage and personal injury. The Association may, but need not, maintain in force adequate officers and directors insurance covering the officers and directors of the Association. If appropriate, the Association shall also maintain in force adequate fire and extended coverage insurance, insuring all Common Areas against fire, windstorm, vandalism, and such other hazards as may be insurable under standard "extended coverage" provisions, in an amount equal to the full insurable value of such improvements and property. The Association shall notify all mortgagees which have requested notice of any lapse, cancellation, or material modification of any insurance policy. All policies of insurance shall contain an endorsement or clause whereby the insurer waives any right to be subrogated to any claim against the Association, its officers, Board members, the Developer, any property manager, their respective employees and agents, the Builder, the Owners and occupants, and also waives any defenses based on co-insurance or on invalidity arising from acts of the insured, and shall cover claims of one or more parties against other insured parties.

The Association may maintain a fidelity bond indemnifying the Association, the Board and the Owners for loss of funds resulting from fraudulent or dishonest acts of any director, officer, employee or anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The fidelity bond should cover the maximum amount of funds which will be in the custody of the Association or its management agent at any time, but in no event shall such fidelity bond coverage be less than

the sum of one (1) years' assessment on all Lots in the Development, plus the Association's reserve funds.

The Association shall cause all insurance policies and fidelity bonds to provide at least ten (10) days written notice to the Association, and all mortgages who have requested such notice, before the insurance policies or fidelity bonds can be canceled or substantially modified for any reason.

Section 4.4 Owners' Insurance Requirements. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all-risk casualty insurance on the Lot(s) and structures constructed thereon. The Board may require all Owners to furnish copies or certificates thereof to the Association. Each Owner further covenants and agrees that in the event of a partial loss or damage resulting in less than total destruction of structures comprising his Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article IX of this Declaration and all applicable zoning, building and other governmental regulations. The Owner shall pay any costs of repair or reconstruction which are not covered by insurance proceeds. In the event that the structure is totally destroyed, the Owner may decide not to rebuild or to reconstruct, in which case the Owner shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and thereafter the Owner shall continue to maintain the Lot in a neat, safe, and attractive condition.

Section 4.5 Condemnation or Destruction. In the event that any of the Common Areas shall be condemned or taken by any competent public authority, or in the event the same shall be damaged or destroyed by any cause whatsoever, the Association shall represent the interests of the Owners in any proceedings, negotiations, insurance adjustments, settlements or agreements in connection with such condemnation, damage, or destruction. Any sums recovered by the Association shall be applied, first, to the restoration and repair of any Common Areas condemned, damaged, or destroyed to the extent such restoration or repair is practicable, and the balance of such sums shall either be held as a reserve for future maintenance of the Common Areas or turned over to the Owners in proportion to their Pro-rata Shares (as hereinafter defined), whichever may be determined by a majority vote of the members of the Association. Each Owner shall be responsible for pursuing his own action for damages to his Lot, either by reason of direct damage thereto or by reason of an impairment of value due to damage to the Common Areas. The Association shall notify all mortgagees of Lots of which it has notice of any condemnation, damage or destruction of any Common Areas.

Section 4.6 Transfer of Control of Association. Developer shall transfer control of the Association to the Members and its right to elect the Board and officers of the Association shall terminate as soon as is practical upon the transfer of a number of Lots equal to ninety percent (90%) of the Lots in the Development; provided, however, that Developer may transfer control of the Association at an earlier date in its sole discretion. Notwithstanding such transfer of control, during the Development Period, all actions of the Association shall continue to require the prior written approval of the Developer.

Section 4.7 Interim Advisory Committee. Developer may, in its sole discretion, establish and maintain until such time as Developer shall transfer control of the Association pursuant to Section 4.6 hereof, an Interim Advisory Committee (the "Advisory Committee"). If established: (a) The Advisory Committee shall serve as a liaison between the Owners (other than the Developer) and the Association and advise the Association from time to time during such period; (b) The Advisory Committee shall consist of three (3) members, each of whom must be an Owner (other than Developer, or an officer, director or employee of Developer); (c) The members of the Advisory Committee shall serve without compensation. The Advisory Committee shall be elected for a term of one (1) year by the Owners (other than Developer) at a meeting thereof called for such purpose; and (d) The Owners (other than Developer) may remove any member of the Advisory Committee with or without cause, and elect a successor at a meeting thereof called for such purpose.

Section 4.8 Mortgagees' Rights. Any mortgagees of any Owners shall have the right, at their option, jointly or severally, to pay taxes or other charges which are in default or which may or have become a charge against the Common Areas and to pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for the Common Areas, and mortgagees making such payment shall be owed immediate reimbursement therefore from the Association. In addition, neither the Owners nor the Association shall materially impair the right of any mortgagee holding, insuring, or guaranteeing any mortgage on all or any portion of the Real Estate.

Section 4.9 Services. The Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall determine to be necessary or desirable for the proper operation of the Development, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom or with which it contracts. The Association may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Development or the enforcement of this Declaration. The Association may, but shall not be required to, arrange as an Association expense with third parties to furnish water, trash collection, sewer service, snow removal, security, lawn and landscaping service and other common services to each Lot.

Section 4.10 Personal Property and Real Property for Common Use. The Association, through action of its Board of Directors, may acquire, hold and dispose of tangible and intangible personal property and real property for the use of all Owners.

ARTICLE V ASSESSMENTS

Section 5.1 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of preserving the values of the Lots within the Development and promoting the health, safety, and welfare of the Owners, users, and occupants of the Development and, in particular, for the Association's obligations relating to the improvement, repairing, operating, and maintenance of the Common Areas, including, but not limited to, the payment of taxes and insurance thereon, enforcement of the Restrictions and for the cost of labor, equipment, material, and management furnished with respect to the Common Areas;

provided that the Association shall not be responsible for the replacement, repair or maintenance of any Common Areas which are or hereafter may be dedicated to the public. Each Owner (except the Developer and Builder) hereby covenants and agrees to pay to the Association:

(a) A Pro-rata: Share (as hereinafter defined) of the annual Assessment fixed, established, and determined from time to time, as hereinafter provided.

(b) A Pro-rata Share (as hereinafter defined) of any special Assessments fixed, established, and determined from time to time, as hereinafter provided.

The Developer hereby covenants and agrees to pay to the Association during the Development Period an amount equal to the difference, if any, between the expenditures of the Association made pursuant to this Section 5.1 and the aggregate amount of the annual Assessments collected by the Association.

Section 5.2 Liability for Assessment. Each Assessment, together with any interest thereon and any costs of collection thereof, including attorneys' fees, shall be a charge on each Lot other than Lots owned by the Developer and Builder and shall constitute a lien from and after the due date thereof in favor of the Association upon each such Lot. Each such Assessment, together with any interest thereon and any costs of collection thereof, including attorneys' fees, shall also be the personal obligation of the Owner of each such Lot at the time when the Assessment is due. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such Assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof, nor shall any sale or transfer relieve any Owner of the personal liability hereby imposed. The personal obligation for delinquent Assessments shall not pass to any successor in title unless such obligation is expressly assumed by such successor.

Section 5.3 Pro-rata Share. The Pro-rata Share of each Owner for purposes of this Article V shall be the percentage obtained by dividing one by the total number of Lots shown on the Plats of the Development ("Pro-rata Share").

Section 5.4 Basis for Annual Assessments. The Board shall establish an annual budget prior to the beginning of each fiscal year setting forth estimates of all Common Expenses for the coming fiscal year, together with a reasonable allowance for contingencies and reserves of the Association. A copy of this budget shall be mailed or delivered to each Owner not less than thirty (30) days prior to the beginning of each fiscal year of the Association. Such budget shall serve as the basis for establishing the annual assessments. Commencing after the Development Period, the annual Assessment shall not increase in any fiscal year by more than ten percent (10%) without the approval of two-thirds (2/3) of the Members.

Section 5.5 Basis of Special Assessments. Should the Board at any time during the fiscal year determine that the Assessment levied with respect to such year are insufficient to pay the Common Expenses for such year the Board may, at any time, and from time to time levy such special Assessments as it may deem necessary for meeting the Common Expenses. In addition, the Board shall have the right to levy at any time, and from time to time one or more special

Assessments for the purpose of defraying, in whole or in part, any unanticipated Common Expense not provided for by the annual Assessments.

Section 5.6 Fiscal Year and Date of Commencement of Assessments. The fiscal year of the Association shall be established by the Association and may be changed from time to time by action of the Association. The annual Assessment shall commence as to a particular Lot on the first day of the month following the conveyance of such Lot by the Developer to an Owner (other than Builder), or by Builder to an Owner who is an end-user. The first annual Assessment within the Development shall be made for the balance of the Association's fiscal year in which such Assessment is made and shall become due and payable commencing on any date fixed by the Association. The annual Assessment for each year after the first assessment year shall be due and payable on the first day of each fiscal year of the Association. Annual Assessments shall be due and payable in full as of the above date, except that the Association may from time to time by resolution authorize the payment of such Assessments in installments. Until January 1 of the year immediately following the conveyance of the first Lot in the Development to an Owner other than Builder, the maximum annual Assessment shall be \$250.00 per Lot.

Section 5.7 Duties of the Association Regarding Assessments:

(a) The Board shall keep proper books and records of the levy and collection of each annual and special Assessment, including a roster setting forth the identification of each and every Lot and each Assessment applicable thereto, which books and records shall be kept by the Association and shall be available for the inspection and copying by each Owner (or duly authorized representative of any Owner) at all reasonable times during regular business hours of the Association. The Board shall cause written notice of all Assessments levied by the Association upon the Lots and upon the Owners to be mailed or delivered to the Owners or their designated representatives as promptly as practicable and in any event not less than thirty (30) days prior to the due date of such Assessment or any installment thereof. In the event such notice is mailed or delivered less than thirty (30) days prior to the due date of the Assessment to which such notice pertains; payment of such Assessment shall not be deemed past due for any purpose if paid by the Owner within thirty (30) days after the date of actual mailing or delivery of such notice.

(b) The Association shall promptly furnish to any Owner or any mortgagee of any Owner upon request a certificate in writing signed by an officer of the Association setting forth the extent to which Assessments have been levied and paid with respect to such requesting Owners or mortgagees. As to any person relying thereon, such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid. The Association may assess an administrative fee for such certificate not to exceed the sum of \$25.00.

(c) The Association shall use its best efforts to notify any mortgagee from which it has received a request for notice of any default in the performance by any Owner of any obligation under the By-laws or this Declaration which is not cured within sixty (60) days, provided, however, failure to provide said notice shall not affect the status of said default.

Section 5.8 Non-payment of Assessments; Remedies of Association.

(a) If any Assessment is not paid on the date when due, then such Assessment shall be deemed delinquent and shall, together with any interest thereon and any cost of collection thereof, including attorneys' fees, become a continuing lien on the Lot against which such Assessment was made, and such lien shall be binding upon and enforceable as a personal liability of the Owner of such Lot as of the date of levy of such Assessment, and shall be enforceable against the interest of such Owner and all future successors and assignees of such Owner in such Lot, and shall be collected in the same manner as the Assessments described in subparagraph (b) hereof; provided, however, that such lien shall be subordinate to any mortgage on such Lot recorded prior to the date on which such Assessment becomes due.

(b) If any Assessment upon any Lot is not paid within thirty (30) days after the due date, such Assessment and all costs of collection thereof, including attorneys fees, shall bear interest at the rate of twelve percent (12%) per annum until paid in full. In addition to such interest, the Association shall assess a late fee, as from time to time determined by the Board of Directors of the Association. The Association may bring an action in any court having jurisdiction against the delinquent Owner to enforce payment of the same and/or to foreclose the lien against said Owners Lot, and there shall be added to the amount of such Assessment all costs of such action, including the Association's attorneys fees, and in the event a judgment is obtained, such judgment shall include such interest, late fees, costs, and attorneys' fees.

Section 5.9 Adjustments. In the event that the amounts actually expended by the Association for Common Expenses in any fiscal year exceed the amounts budgeted and assessed for Common Expenses for that fiscal year, the amount of such deficit shall be carried over and become an additional basis for Assessments for the following fiscal year. Such deficit may be recouped either by inclusion in the budget for annual Assessments or by the making of one or more special Assessments for such purpose, at the option of the Association. In the event that the amounts budgeted and assessed for Common Expenses in any fiscal year exceed the amount actually expended by the Association for Common Expenses for that fiscal year, a Pro rata Share of such excess shall be a credit against the Assessment(s) due from each Owner for the next fiscal year(s).

ARTICLE VI ARCHITECTURAL STANDARDS AND REQUIREMENTS

Section 6.1 Purpose. In order to preserve the natural setting and beauty of the Development, to establish and preserve a harmonious and aesthetically pleasing design for the Development, and to protect and promote the value of the Real Estate, the Lots and all improvements located therein or thereon shall be subject to the restrictions set forth in this Article VI and in Article VII. Notwithstanding the foregoing, neither this Article nor Article VII shall apply to the activities of the Developer, nor to construction or improvements or modifications to the Common Areas by or on behalf of the Association. The Board shall have the authority and standing, on behalf of the Association, to enforce in courts of competent jurisdiction decisions of the Committee.

Section 6.2 Development Control Committee. After the Development Period or upon such earlier date as permitted by Developer, the Board shall establish a Development Control Committee to consist of three (3) persons, all of whom shall be appointed by and shall serve at the discretion of the Board. Members of the Committee may include persons who are not

Members of the Association. Members of the Committee may or may not be members of the Board. During the Development Period, the Developer shall have all of the powers and authority of the Committee and the Board shall not separately establish said Committee.

The regular term of office for each member of the Committee shall be one year, coinciding with the fiscal year of the Association. Any member appointed by the Board may be removed with or without cause by the Board at any time by written notice to such appointee, and a successor or successors appointed to fill such vacancy shall serve the remainder of the term of the former member. The Committee shall elect a Chairman and Vice Chairman and he, or in his absence, the Vice Chairman, shall be presiding officer at its meetings. The Committee shall meet at least once in each calendar month, as well as upon call of the Chairman, and all meetings shall be held at such places as may be designated by the Chairman. A majority of the members shall constitute a quorum for the transaction of business and the affirmative vote of a majority of those present in person or by proxy at a meeting of the Committee shall constitute the action of the Committee on any matter before it. The Committee is authorized to retain the services of consultants, including but not limited to architects, landscape architects, urban designers, engineers, inspectors, and/or attorneys in order to advise and assist the Committee in performing its functions set forth herein. Such costs associated with the use of consultants shall be considered a Common Expense, unless the Committee determines that such costs are the responsibility of the applying Owner.

The Committee shall have exclusive jurisdiction over original construction and subsequent modifications, additions, or alterations made on or to existing Lots or structures containing Lots and the open space, if any, appurtenant thereto (other than original construction and improvements to be made by Builder which have already been approved by Developer). Nothing contained herein shall be construed to limit the right of an Owner to remodel the interior of his Dwelling Unit, or to paint the interior of his Dwelling Unit any color desired. The Committee shall approve or disapprove such plans within thirty (30) days after submission of completed plans, proposals, specifications or drawings.

Section 6.3 No Waiver of Future Approvals. The approval by the Committee of any proposals or plans and specification or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

Section 6.4 Architectural Approval. To preserve the architectural and aesthetic appearance of the Development, no construction of improvements of any nature whatsoever with the exception of vegetative landscaping shall be commenced or maintained by an Owner, other than the Developer (or Builder as to improvements which have been approved by Developer), with respect to the construction or affecting the exterior appearance of any Dwelling Unit or with respect to any other portion of the Real Estate, including, without limitation, the construction or installation of sidewalks, driveways, parking lots, mail boxes, decks, patios, courtyards, swimming pools, tennis courts, greenhouses, playhouses, tree houses, playground equipment or similar structures, awnings, walls, fences, exterior lights, garages, or outbuildings, nor shall any exterior addition to or change or alteration therein be made (excluding repainting in the original

color but otherwise including, without limitation, painting or staining of any exterior surface) unless and until two (2) copies of the plans and specifications and related data (including, if required by the Committee, a survey showing the location of trees of six (6) inches in diameter at a height of four (4) feet and other significant vegetation on such Lot) showing the nature, color, type, shape, height, materials, and location of the same shall have been submitted to and approved in writing by the Committee as to the compliance of such plans and specifications with such standards as may be published by the Committee from time to time including the harmony of external design, location, and appearance in relation to surrounding structures and topography. One copy of such plans, specifications and related data so submitted shall be retained in the records of the Committee, and the other copy shall be returned to the Owner marked "approved", "approved as noted", or "disapproved".

(a) *Power of Disapproval.* The Committee may refuse to grant permission to construct, place or make the requested improvement, when: (i) The plans, specifications, drawings or other material submitted are themselves inadequate or incomplete, or show the proposed improvements to be in violation of the restrictions contained in this Declaration; (ii) The design, proposed material or color scheme of a proposed improvement is not in harmony with the general surroundings of the Lot or with adjacent buildings or structures, including trim, siding, roof and brick colors, or with the Development in general; (iii) The proposed improvement or any part thereof would architecturally, in the reasonable judgment of the Committee, be contrary to the interests, welfare or rights of all or any other Owners; and/or (iv) The Committee is otherwise authorized to disapprove the requested improvement in this Declaration or in the CICID.

(b) *Powers Following Approval.* Following approval of any plans and specifications by the Committee, representatives of the Committee shall have the right during reasonable hours to enter upon and inspect any Lot, or other improvements with respect to which construction is underway to determine whether or not the plans and specifications therefore have been approved and are being complied with. In the event the Committee shall determine that such plans and specification have not been approved or are not being complied with, the Committee shall be entitled to enjoin further construction and to require the removal or correction of any work in place which does not comply with approved plans and specifications.

Section 6.5 Non Vegetative Landscaping Approval. To preserve the aesthetic appearance of the Development, no material modification to the grading, excavation, or filling of any Lot shall be implemented by an Owner (other than Builder). The provisions hereof regarding time for approval of plans, right to inspect, right to enjoin and/or require removal, etc. shall also be applicable to approvals required under this Section.

Section 6.6 Approval Not a Guarantee. No approval of plans and specifications and no publication of standards shall be construed as representing or implying that such plans, specifications, or standards will, if followed, result in properly designed improvements. Such approvals and standards shall in no event be construed as representing or guaranteeing that any improvement built in accordance therewith will be built in a good and workmanlike manner. Neither the Developer, the Association, nor the Committee shall be responsible or liable for: (a) any defects in any plans or, specifications submitted, revised, or approved pursuant to the terms

of this Article VI; (b) loss or damages to any person arising out of the approval or disapproval of any plans or specifications; (c) any loss or damage arising from the noncompliance of such plans and specifications with any governmental ordinances and regulations; nor (d) any defects in construction undertaken pursuant to such plans and specifications.

Section 6.7 Building Restrictions. All improvements shall be constructed in compliance with any and all applicable state, county and municipal zoning and building restrictions. Prior to any such grading, clearing, construction of impervious surface, building, or other construction activity, the Owner of any Lot which is subject to such rules, regulations, guidelines or restriction shall make such filings, and obtain such authorizations and permits as are required there under, and further, shall receive the prior written approval of the Committee (other than improvements to be made by Builder which have already been approved by Developer).

ARTICLE VII Use Restrictions

The Association, acting through its Board, shall have the authority to make and to enforce standards and restrictions governing the use of the Real Estate, in addition to those contained herein, and to impose reasonable user fees for use of Common Areas. Such regulations and use restrictions shall be binding upon all Owners and occupants until and unless overruled, canceled or modified in a regular or special meeting of the Association by a majority of Members entitled to vote thereon, subject to the prior written consent of the Developer during the Development Period or amended by Developer in accordance with Article IX hereof.

Section 7.1 Use of Lots. Except as permitted by Section 7.24 hereof, each Lot shall be used for residential purposes only, and no trade or business of any kind may be carried therein. The use of a portion of a Dwelling Unit as an office by an Owner, or his tenant shall not be considered to be a violation of this covenant if Owner is in compliance with Section 7.24 below. No building or structure shall be located on any Lot outside of the setback lines designated on the Plats.

Section 7.2 Awnings and Window Screens. No foil or other reflective material shall be used on any windows for sunscreens, blinds, shades, or other purposes nor shall any window-mounted heating or air conditioning units be permitted. No metal, fiberglass or similar type awnings or patio covers shall be permitted. Collapsible or retractable clotheslines, not to exceed fifteen feet in length will be allowed with proper Committee approval. Permanent clotheslines will not be approved. While not in use, the clothes lines must always be kept collapsed or retracted. Clothing, rugs, or other items which are visible to others in the Development shall not be hung on any railing, fence, hedge or wall.

Section 7.3 Signs. No signs of any kind shall be erected within the Development, or permitted within any windows, without the written consent of the Board, except for (i) such signs as may be required by legal proceedings, (ii) a single standard real estate "for sale" or "for rent" sign may exist on a Lot if such does not exceed six (6) square feet in area, and (iii) any signs utilized by Developer or approved by the Developer for use by Builder. Developer may use such signs, as it deems necessary or appropriate during the Development Period. No business signs, flags, banners or similar items except those placed and used by Developer advertising or

providing directional information shall be erected by any Owner. If permission is granted to any person to erect a sign, including name and address signs within the Development, the Board reserves the right to determine the size and composition of such sign as it, in its sole discretion, deems appropriate.

Section 7.4 Parking and Prohibited Vehicles:

(a) *Parking.* Vehicles shall be parked in the garages or on the driveways serving the Lots while an Owner is utilizing the amenities located therein. Designated parking areas which are a part of any Common Area shall be used only for temporary parking in connection with the use of such Common Area, and not for the benefit of any individual Lot. No motor vehicle, whether or not utilized by an Owner, shall be parked on any street or public right-of-way, except on a temporary and non-recurring basis (other than construction vehicles in connection with Builder's construction activities); provided that such exception for temporary and non-recurring parking shall not apply with regard to parking in connection with the use of the amenities at or other enjoyment of any Common Area. Garages shall be used for parking of vehicles and no other use or modification thereof shall be permitted which would reduce the number of vehicles which may be parked therein below the number for which the garage was originally designed.

No Owners or other occupants of any portion of the Development shall repair or restore any vehicles of any kind upon or within any Lot or within any portion of the Common Areas, except (i) within enclosed garages or workshops, or (ii) for emergency repairs and then only to the extent necessary to enable the movement thereof to a proper repair facility.

(b) *Prohibited Vehicles.* Commercial vehicles primarily used or designed for commercial purposes, trucks larger than $\frac{3}{4}$, tractors, busses, mobile homes, recreational vehicles, trailers (either with or without wheels), campers, camper trailers, boats and other watercraft, and boat trailers shall be parked only in enclosed garages or areas, if any, designated by the Board, except for construction vehicles used in connection with Builder's construction activities. Stored vehicles and vehicles which are either obviously inoperable or do not have current operating licenses shall not be permitted on the Real Estate except within enclosed garages. Notwithstanding the foregoing, service and delivery vehicles may be parked in the Real Estate during daylight hours for such period of time as is reasonably necessary to provide service or to make a delivery to a Lot or the Common Areas. Any vehicles parked in violation of this Section or parking rules promulgated by the Board may be towed at the expense of the Owner.

Section 7.5 Animals and Pets. No farm animals, fowls or domestic animals for commercial purposes shall be kept or permitted on any lot or lots in the Development. All pets shall remain under the control and supervision of an adult Owner and shall not be permitted off of such Owner's respective Lot unless on a leash or other restraint. The Owner of any pet shall be responsible to clean up or repair any waste or damage caused by such pet, and assure that such pet does not create any unreasonable disturbance.

Section 7.6 Quiet Enjoyment. No portion of the Real Estate shall be used, in whole or in part, for the storage of any property or thing that will cause it to appear to be in an unclean or untidy condition, except for the storage of equipment, materials and other property by Builder in connection with its construction activities. No noxious or illegal activity shall be carried on upon any portion of the Real Estate. No hunting of any nature shall be permitted within the Development. No outside burning of wood, leaves, trash, garbage or household refuse shall be permitted within the Real Estate. The Developer or the Association may order the relocation of any woodpiles which are unsightly. No horns, whistles, bells or other sound devices, except security and fire alarm devices used exclusively for such purposes, shall be located, used, or placed within the Development.

Section 7.7 Unsightly or Unkempt Conditions; Lawn Care; Dumping. It shall be the responsibility of each Owner to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on his or her Lot. All lawns and other landscaping materials shall be maintained on a regular basis. In no event shall the grass on any Lot exceed the length of six inches (6"). All dead trees shall be cut down and removed by the Owner of the Lot where the dead tree is located. The pursuit of hobbies or other activities, specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken on any part of the Real Estate. Nothing which would result in a cancellation of any insurance for any portion of the Development, or which would be in violation of any law or governmental code or regulation shall be permitted in the Development. Any Owner, or his family, tenants, guests, invitees, servants, or agents, who dumps or places any trash or debris upon any portion of the Development (excluding materials used by Builder during the normal course of construction) shall be liable to the Association for the actual costs of removal thereof or the sum of \$150.00, whichever is greater, and such sum shall be added to and become a part of that portion of any assessment next becoming due to which such Owner and his Lot are subject.

Section 7.8 Antennas, Aerials and Satellite Dishes. No exterior antennas, aerial, satellite dishes, or other apparatus larger than thirty-six (36) inches in diameter and intended for the reception of television, radio, satellite or other signals of any kind shall be placed, allowed, or maintained upon any portion of any Lot. Any such antennas, aerials, satellite dishes or other such apparatus that do not exceed thirty-six (36") in diameter shall be permitted on a Lot only if such will be aesthetically concealed by landscaping or otherwise and shall be installed so as not to be visible from front elevation street view or constitute a nuisance or offensive effect on other Lot Owners. Under no circumstances shall any such antennas, aerials, satellite dishes, or other such apparatus be installed without the approval of the Committee. No radio or television signals, nor electromagnetic radiation, shall be permitted to originate from any Lot which may unreasonably interfere with the reception of television or radio signals within the Development, provided however that the Developer and/or the Association shall have the right without obligation to erect an aerial, satellite dish, or other apparatus or master antenna or cable system for the benefit of all or a portion of the Real Estate should any such master system or systems be utilized by the Association and require any such exterior apparatus.

Section 7.9 Garbage Cans, Tanks, Etc. No storage tanks of any kind shall be allowed upon a Lot except for LP gas tanks on residential use gas grills. No rubbish, trash or garbage

containers shall be stored or maintained outdoors except for such temporary storage necessary for immediate pick up of the trash and in that event, trash shall be stored in appropriate containers.

Section 7.10 Pools. No above ground swimming pools shall be erected constructed or installed on any Lot; provided nothing herein shall preclude installation and use of hot tubs, spas or in ground pools with prior approval of the Committee as provided herein.

Section 7.11 Storage Sheds and Temporary Structures. Except as may be utilized by Developer or Builder during the Development Period, no tent, shack, trailer, or other similar detached structure shall be placed upon a Lot or the Common Areas. Storage sheds and mini-barn may be constructed in the rear yard with prior written approval of the Committee or the Developer a minimum of five feet from the property line or easement. Notwithstanding the above, party tents or similar temporary structures may be erected for special events with prior written approval of the Committee or the Developer and children's overnight camping tents will be allowed as long as they are not up longer than forty-eight (48) hours.

Section 7.12 Drainage, Water Wells and Septic Systems:

(a) Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No person other than the Developer may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains.

(b) No private water wells may be drilled or maintained and no septic tanks or similar sewerage facilities may be installed or maintained on any Lot.

Section 7.13 Traffic Regulation and Sight Distance at Intersections. All Lots located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain wherein it would create a traffic or sight problem. All vehicular traffic on the private streets and roads in the Development shall be subject to the provisions of the laws of the State of Indiana, and any other applicable governmental agency, concerning operation of motor vehicles on public streets. The Association is hereby authorized to promulgate, administer, and enforce reasonable rules and regulations governing vehicular and pedestrian traffic, including modifications of those in force on public streets, within the Development. The Association shall be entitled to enforce same by establishing such enforcement procedures as it deems necessary, including levying fines for the violation thereof. Only drivers licensed to operate motor vehicles by the State of Indiana or by any other state in the United States may operate any type of motor vehicle within the Development. All vehicles of any kind and nature which are operated on the streets in the Development shall be operated in a careful, prudent, safe and quiet manner and with due consideration for the rights of all residents of the Development.

Section 7.14 Utility Lines. No overhead utility lines, including lines for cable television, shall be permitted within the Development, except for temporary lines as required during construction and high voltage lines if required by law for safety purposes.

Section 7.15 Air Conditioning Units. Except as may be permitted by the Board, no window air conditioning units may be installed in any Lot.

Section 7.16 Mailboxes/Address Numbers. Each Owner of a Lot shall maintain the mailbox and structure which was originally installed by Builder, and shall replace same as necessary with a mailbox and structure which is substantially the same in appearance as that which was originally provided to the Dwelling Unit. Nothing may be attached to the mailbox structure which will affect the uniformity thereof with other such structures in the Development. The Committee shall have the discretion to require the replacement of any mailbox within the Development at the expense of the Owner of the Lot served thereby. Address numbers shall be permanently affixed to the front elevation of the residential structures in a uniform manner throughout the development and to the mailboxes, unless the U.S. Postal Service requires a group mailbox.

Section 7.17 Solar Panels. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed on any Lot.

Section 7.18 Homeowner Landscape Requirement. Within six (6) months of closing, the homeowner is responsible for installing two shade trees of at least one and one-half (1-1/2) caliper inch.

Section 7.19 Sodding/Seeding of Yards. Within thirty (30) days of initial occupancy of a Dwelling Unit, the Owner thereof shall cause (i) the front yard of said Lot to be sodded, and (ii) the rear yard of such Lot to be seeded with grass of a type generally used in the Development. The initial sodding/seedling may be delayed if the occupancy date occurs between November 1 and the following March 31, or if, as of the date of occupancy, the final grading has not been completed, however, in either of such events, the initial sodding/seedling shall be completed on or before (a) May 1 following the date of occupancy, or (b) thirty (30) days following completion of final grading; whichever ever is later.

Section 7.20 Exterior Flags and Sculpture. Exterior sculptures, fountains, flags, and similar items must be approved by the Committee.

Section 7.21 Driveways and Sidewalks. All driveways will be constructed by Builder of the Dwelling Unit which it serves. Owners shall maintain and replace the driveway of their Lot thereafter so as to maintain the same appearance as provided at the time of original construction, ordinary wear and tear excepted. Each Dwelling Unit shall have a continuous sidewalk from the driveway to the front porch or entry.

Section 7.22 Wetlands, Lakes and Water Bodies. All wetlands, lakes, ponds, and streams within the Real Estate, if any, shall be aesthetic amenities only, and no other use thereof, including without limitation, fishing, swimming, boating, playing or use of personal flotation devices, shall be permitted except as provided in Section 7.30. The Association shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of lakes, ponds or streams within the Real Estate.

Section 7.23 Fences. No fencing shall be installed on any Lot without the prior review and approval of the Committee provided that nothing in this section shall apply to Developer or any

fencing installed by the Developer. No fence shall be higher than six (6) feet unless such fence is proposed for the rear yard of a Lot which abuts or is adjacent to a Lake or detention pond, in which event such fence shall not be higher than four (4) feet; provided, however, that in the discretion of the Committee, the portion of such fence closest to the rear side of the residence may be six (6) feet in height but may not, at the six (6) foot height, extend more than ten (10) feet from the rear corner(s) of the residence. In exercising its discretion, the Committee shall take into account the affect such proposed fence would have on the use and enjoyment of the lake or pond areas by other Owners within the Subdivision. Notwithstanding the foregoing, no fence may be constructed within twenty-five (25) feet of the shoreline of any Lake or detention pond. No fencing shall extend forward at a point, which is ten (10) feet behind the front corner of the residence. Fencing on any corner Lot shall be at least five (5) feet from the sidewalk. All fencing shall be constructed of wrought iron, wood, vinyl, or vinyl coated chain link. All chain link fencing shall have a black or brown finish and cannot exceed four (4) feet in height.

No enclosures, structures or "runs" which are designed primarily for the outside keeping of pets or other animals and which are made in whole or part from chain link fencing material, including but not limited to dog runs, kennels, or other similar enclosures, shall be permitted; provided, however, the Committee shall have the discretion to approve such an enclosure or structure if such is surrounded by a wooden privacy fence which minimizes the visibility of such structure by adjoining property owners.

Section 7.24 Coach Lights. Each Dwelling Unit shall have a coach light (a freestanding light located in the front yard of the Lot) which will be lit daily from dusk to dawn. All coach lights will be installed by the builder of the Dwelling Unit of such Lot. Owners shall maintain and replace the coach light thereafter so as to maintain the coach light in the operating condition as required hereunder.

Section 7.25 Business Uses. No trade or business may be conducted in or from any Lot, except that an Owner or occupant residing in a Dwelling Unit may conduct business activities within the Dwelling Unit so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Dwelling Unit; (b) the business activity conforms to all zoning requirements for the Real Estate; (c) the business activity does not involve persons coming onto the Real Estate who do not reside in the Real Estate or door-to-door solicitation of residents of the Development; and (d) the business activity is consistent with the residential character of the Development and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Real Estate, as may be determined in the sole discretion of the Board.

The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involve the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time; (ii) such activity is intended to or does generate a profit; or (iii) a license is required therefore. Notwithstanding the above, the leasing of a Lot or Dwelling Unit shall not be considered a trade or business within the meaning of this section. This section shall not apply to any commercial property within the Development nor shall it apply to any activity conducted by

the Developer or Builder approved by the Developer with respect to its development and sale of the Real Estate or its use of any Lots or Dwelling Units which it owns within the Real Estate for development and sales purposes.

Section 7.26 Basketball Goals. No permanent basketball goals shall be permitted on any lot without the prior review and approval of the Committee. No basketball goals shall be permitted to be used along any curb on or in any street of the Community.

Section 7.27 Playground Equipment. No playground equipment shall be installed on any Lot without the prior review and approval of the Committee. All such equipment shall be located at least ten (10) feet from any adjacent property lines and in the rear yard of a Lot (being the portion of such Lot behind the rear corners of the residence on such Lot). Notwithstanding the foregoing, in the event such Lot is located on a corner in the Community, the Committee may, in its discretion, approve a location for such equipment other than a rear yard provided such is not closer than ten (10) feet from any public sidewalk.

Section 7.28 On-Site Fuel Storage. No on-site storage of gasoline, heating or other fuels shall be permitted on any part of the Real Estate except that up to five (5) gallons of fuel may be stored on each Lot for emergency purposes and operation of lawn mowers and similar tools or equipment and residential use gas grills, and the Association shall be permitted to store fuel for operation of maintenance vehicles, generators and similar equipment.

Section 7.29 Contiguous Lots. Whenever two or more contiguous Lots shall be owned by the same Owner, such Owner shall not be permitted to use two or more of said Lots as a site for a single dwelling. Each Lot shall be, and shall remain, improved with a single Dwelling Unit, and each Lot shall be subject to the Assessments.

Section 7.30 Control of Lakes and Common Areas.

(a) *Control by the Association.* As part of its general duties, the Association shall regulate the Lakes and Common Areas and shall provide for the maintenance thereof in such a manner so as to preserve and enhance values and to maintain a harmonious relationship among structures in the vicinity thereof and the natural or other vegetation and topography of the Lakes and Common Areas. No improvements, excavation, changes in grade or other work shall be done upon the Lakes or Common Areas by any Owner, nor shall the Lakes or Common Areas be changed by any Owner from its natural or improved existing state, without the prior written approval of the Committee.

(b) *Restrictions of Use of Lakes and Common Areas.* The following covenants and restrictions on the use and enjoyment of the Lots, the Lakes, and the Common Areas shall be in addition to any other covenants or restrictions contained herein or in the Plats and all such covenants and restrictions are for the mutual benefit and protection of the present and future Owners and shall run with the land and inure to the benefit, of and be enforceable by any Owner or by the Association. Present or future Owners or the Association shall be entitled to injunctive relief against any violation or attempted violation of any of such covenants and restrictions, and shall, in addition, be entitled to damages for any injuries or losses resulting from any violations

thereof, but there shall be no right of reversion or forfeiture resulting from such violation. These covenants and restrictions are as follows:

(i) No one other than Owners who are Members in good standing with the Association, or such an Owner's occupant, tenants, guests or invitees, may use the Lakes or the Common Areas.

(ii) No nuisance shall be permitted to exist on any Lot and no waste shall be committed on any Lot which shall or might damage or cause injury to the Lakes or the Common Areas.

(iii) All Owners and members of their families, their guests, or invitees, and all occupants of any Lot or the Properties or other persons entitled to use the same and to use and enjoy the Lakes and the Common Areas shall observe and be governed by such rules and regulations as may from time to time be promulgated and issued by the Board governing the operation, use and enjoyment of the Lakes and the Common Areas.

(iv) No Owner shall be allowed to plant trees, landscape or do any gardening in any part of the Lakes or the Common Areas, except with express permission from the Committee.

(v) The Lakes and the Common Areas shall be used and enjoyed only for the purposes for which they are designed and intended, and shall be used subject to the rules and regulations from time to time adopted by the Board. Without limiting the generality of the foregoing, the Lakes are and will be an integral part of the storm water drainage system serving the Development, and are intended to be used for such purpose and primarily as a visual and aesthetic amenity and not as a recreational amenity. Accordingly, no use shall be made of the lakes which in any way interferes with their proper functioning as part of such storm water drainage system. No boating, swimming, diving, skiing, ice skating or other recreational activity shall be permitted in or on the Lakes. No sewage, garbage, refuse, or other solid, liquid, gaseous or other materials or items (other than storm and surface water drainage) shall be put into the Lakes, except the Association may take steps to clear and purify the waters thereof by the addition of chemicals or other substances commonly used for such purposes or by providing therein structures and equipment to aerate the same. Fishing from the shoreline area of the Lakes by an Owner, his occupants, his invited guests and family, shall be permitted subject to rules determined by the Association and compliance with all applicable fishing and game laws, ordinances, rules and regulations. No Owner or other person shall take or remove any water from or out of the Lakes, or utilize the water contained therein for any purposes, including, without limitation, connection with any sprinkler or irrigation systems. No piers, docks, retaining walls, rafts or other improvements shall be built, constructed or located on any Lot or on the Real Estate except by Developer or the Association.

Section 7.31 Laws and Ordinances. Every Owner and occupant of any Lot or Dwelling Unit, their guests and invitees, shall comply with all laws, statutes, ordinances and rules of federal, state and municipal governments applicable to the Real Estate and any violation thereof may be

considered a violation of this Declaration; provided, however, the Board shall have no obligation to take action to enforce such laws, statutes, ordinances and rules.

Section 7.32 Sales and Construction. Notwithstanding any provisions or restrictions contained in this Declaration to the contrary, it shall be expressly permissible for the Developer and its agents, employees, successors, and assigns and the Builder to maintain and carry on such facilities and activities as may be reasonably required, convenient, or incidental to the completion, improvement, and sale of Lots and Dwelling Units or the developing of Lots, Dwelling Units and Common Areas, including, without limitation, the installation and operation of sales and construction trailers and offices, signs and model houses, all as may be approved by the Developer from time to time, provided that the location of any construction trailer of any assignees of the Developer's rights under this Section 7.32 shall be subject to the Developer's approval. The right to maintain and carry on such facilities and activities shall include specifically the right to use Dwelling Units as model residences, and to use any Dwelling Unit as an office for the sale of Lots and Dwelling Units and for related activities.

Section 7.33 Occupants Bound. All provisions of the Declaration, By-Laws and of any rules and regulations or use restrictions promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all occupants, guests and invitees of any Lot Owner. Every Owner shall cause all occupants of his or her Lot to comply with the Declaration, By-Laws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations and losses to the Common Areas caused by such occupants, notwithstanding the fact that such occupants of a Lot are fully liable and may be sanctioned for any violation of the Declaration, By-Laws and rules and regulations adopted pursuant thereto.

Section 7.34 Damaged Structures. No improvement which has partially or totally been destroyed by fire or otherwise shall be allowed to remain in such state for more than three (3) months from the time of such destruction or damage.

ARTICLE VIII RULEMAKING AND REMEDIES FOR ENFORCEMENT

Section 8.1 Rules and Regulations. Subject to the provisions hereof, the Board may establish reasonable rules and regulations concerning the use of Lots and Dwelling Units. Any amendments thereto shall be furnished by the Association to all Members prior to the effective date. All said rules and regulations shall be binding upon the Owners, their families, tenants guests, invitees, servants and agents until and unless any such rule or regulations be specifically overruled, cancelled, or modified by the Board or in a regular or special meeting of the Association by a majority of the Members as set forth in the By- Laws, subject to Developer's consent during the Development Period.

Section 8.2 Authority and Enforcement.

(a) Upon the violation of this Declaration, the By-Laws, or any rules and regulations duly adopted hereunder, including, without limitation, the failure to timely pay any Assessments, the

Association shall have the power, after fifteen (15) days written notice to the Owner or the occupant of said violation, and failure by said Owner or occupant to cure the violation within said time frame: (i) to cause the Association to correct the violation at its own cost and expense, which said cost and expense shall constitute a continuing lien upon the Lot of the Owner or the occupant who is guilty of such violation; (ii) to suspend an Owner's right to vote in the Association; and (iii) to suspend an Owner or occupant's right (and the right of his or her family, guests, and tenants) to use any of the Common Areas.

The Board shall have the power to impose all or any combination of these sanctions. Such sanctions are in addition to the Association's remedies under Section 4.2, above, relating to maintenance. An Owner or occupant shall be subject to the foregoing sanctions in the event of such a violation by him or her, his or her family, guests, or tenants. Any such suspension of rights may be for the duration of the infraction and or any additional period thereafter, such additional period not to exceed thirty (30) days per violation.

(b) Notwithstanding subsection (a) above, a violation or threatened violation of any of the covenants and restrictions contained in this Declaration and the provisions contained in the Articles of Incorporation and By-Laws of the Association, or any rules and regulations adopted hereunder, shall be grounds for an action at law or equity instituted by the Developer, the Association, or any Owner against any person violating or threatening to violate any such covenant, restriction, rule, or regulation. Available relief in any such action shall include the recovery of damages; injunctive relief, either to restrain the violation or threatened violation or to compel compliance with the covenants, restrictions, rules or regulations; declaratory relief; the enforcement of any lien created by these covenants, restrictions, rules, or regulations; and the recovery of costs and reasonable attorneys' fees incurred by any party successfully enforcing such covenants, restrictions, rules, or regulations. Failure by the Developer, the Association, or any Owner to enforce any covenant, restriction, rule, or regulation shall in no event be deemed a waiver of the right to do so thereafter; provided, however, that no action shall be brought against either the Developer or the Association for failing to enforce or carry out any such covenants, restrictions, rules, or regulations.

Section 8.3 Self-Help. In addition to any other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon a Lot or any portion of the Common Area to abate or remove, using such force as may be reasonably necessary, any erection, thing or condition which violates this Declaration, the Bylaws, the rules and regulations, or the use restrictions. Unless an emergency situation exists, the Board shall give the violating Lot Owner five (5) days' written notice of its intent to exercise self-help. All costs of self-help, including reasonable attorney's fees actually incurred shall be assessed against the violating Owner and shall be collected as provided for herein for the collection of assessments.

Section 8.4 Right of Entry. The Association shall have the right, in addition to and not in limitation of all the rights it may have, to enter into structures and upon Lots for emergency, security, or safety purposes, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers, and all police officers, firefighters, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after reasonable notice to the Owner or occupant of the Lot.

ARTICLE IX
GENERAL PROVISIONS

Section 9.1 Term. The covenants and restrictions of this Declaration shall run with and bind the Real Estate, and shall inure to the benefit of and shall be enforceable by the Association or the Owner of any property subject to this Declaration, their respective legal representatives, heirs, successors, and assigns, for a term of sixty (60) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years each, unless an instrument in writing, signed by more than seventy-five percent (75%) of the then Owners has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated as specified therein. The number of ten (10) year renewal periods shall be unlimited.

Section 9.2 Amendment. Prior to the conveyance of the first Lot to an Owner, the Developer may unilaterally amend this Declaration. After such conveyance, the Developer may unilaterally amend this Declaration at any time and from time to time if such amendment is (a) necessary to bring any provision hereof into compliance with any applicable governmental statutes, rules or regulations, or judicial determination; (b) necessary to enable any reputable title insurance company to issue title insurance coverage on the Lots and the dwellings; (c) required by an institutional or governmental agency or lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to acquire or purchase mortgage loans on the Lots and the Dwellings; (d) necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the Lots; (e) to annex additional real estate to the Development; (f) to correct clerical or typographical errors in this Declaration or any exhibit hereto, or any supplement or amendment thereto; provided, however, any amendment permitted under subsections (a) through (f) of this Section 9.2 shall not adversely affect the title to any Lot unless the Owner shall consent thereto in writing. Additionally, during the Development Period, the Developer may unilaterally amend this Declaration for any purpose, provided the amendment has no material adverse effect upon any right of the Owners.

Thereafter and otherwise, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of voting Members representing at least seventy-five percent (75%) of the Members entitled to vote thereon. Any amendment to be effective must be recorded in the public records of the County in which this Declaration was recorded.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority so to consent and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

No amendment may remove, revoke, or modify any right or privilege of Developer without the written consent of the Developer or the assignee of such right or privilege.

Section 9.3 Indemnification. The Association shall indemnify every officer, director, and Committee member against any and all expenses, including counsel fees, reasonably incurred by

or imposed upon such officer, director, or Committee member in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he or she may be a party by reason of being or having been an officer, director or Committee member. The officers, directors and Committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers, directors and Committee members shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association and the Association shall indemnify and forever hold each such officer, director and Committee member free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director, or Committee member or former officer, director or Committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers and directors, liability insurance to fund this obligation, if such insurance is reasonably available.

Section 9.4 Limitation on Developer's Liability. Notwithstanding anything to the contrary herein, it is expressly agreed, and each Owner, by accepting title to a Lot and becoming an Owner acknowledges and agrees that neither Developer (including without limitation any assignee of the interest of Developer hereunder) nor any director, officer or shareholder of Developer (or any partner, officer, director or shareholder in any such assignee) shall have any personal liability to the Association, or any Owner, or other person, arising under, in connection with, or resulting from (including without limitation resulting from action or failure to act with respect to) this Declaration or the Association. If any judgment is ever levied against Developer (or its assignee), the same is hereby agreed to be limited to the extent of Developer's (or such assignee's) interest in the Development; and, in the event of a judgment no execution or other action shall be sought or brought thereon against any other assets, nor be a lien upon any other assets of Developer (or its assignee).

Section 9.5 Interpretation. In all cases, the provisions set forth or provided for in this Declaration shall be construed together and given that interpretation or construction which, in the opinion of the Developer or the Board will best effect the intent of the general plan of development. The provisions hereof shall be liberally interpreted and, if necessary, they shall be so extended or enlarged by implication as to make them fully effective. The provisions of this Declaration shall be given full force and effect notwithstanding the existence of any zoning ordinance or building codes which are less restrictive. The effective date of this Declaration shall be the date of its filing in the public records. The captions of each Article and Section hereof as to the contents of each Article and Sections are inserted only for limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer. This Declaration shall be construed under and in accordance with the laws of the State of Indiana.

Section 9.6 Right of Entry. The Association, and during the Development Period the Developer, shall have the right, but not the obligation, to enter onto any Lot for emergency, security, and safety reasons and to inspect for the purpose of ensuring compliance with this Declaration, the By-Laws, and the Association rules, which right may be exercised by the Association's Board, officers, agents, employees, managers, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective

duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner or occupant directly affected thereby. This right of entry shall include the right of the Association to enter a Lot and Dwelling Unit to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after request by the Board.

Section 9.7 Perpetuities. If any of the covenants, conditions, restrictions, or other provisions of this Declaration would be unlawful, void, or voidable for violation of the common law rule against perpetuities, then such provisions shall continue on for the maximum amount of time as allowed by Indiana Code 32-17-8-1, et seq. as amended from time to time.

Section 9.8 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote representing at least two-thirds (2/3) of the Members entitled to vote thereon. However, this Section shall not apply to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) actions brought for collection of assessments, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the Association in proceedings instituted against it.

Section 9.9 Notice of Sale or Transfer of Title. In the event that any Owner (other than Builder) desires to sell or otherwise transfer title to his or her Lot, such Owner shall give the Board at least seven (7) days prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. Until such written notice is received by the Board, the transferor shall continue to be jointly and severally responsible for all obligations of the Owner of the Lot hereunder, including payment of assessments, notwithstanding the transfer of title to the Lot.

Section 9.10 Gender and Grammar. The singular wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provision hereof apply either to corporations or other entities or to individuals, men or women, shall in all cases be assumed as though in each case fully expressed.

Section 9.11 Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of the Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and to this end the provisions of this Declaration are declared to be severable.

Section 9.12 Rights of Third Parties. This Declaration shall be recorded for the benefit of the Developer, the Owners and their mortgagees as herein provided, and by such recording, no adjoining property owner or third party shall have any right, title or interest whatsoever in the Development except as provided for herein or in the operation or continuation thereof or in the enforcement of any of the provisions hereof, and subject to the rights of the Developer and the mortgagees as herein provided, the Owners shall have the right to extend, modify, amend or otherwise change the provisions of this Declaration in accordance with the provisions hereof without the consent, permission or approval of any adjoining owner or third party.

IN WITNESS WHEREOF, the Developer has caused this Declaration of Covenants, Conditions and Restrictions for CARROLL FARMS to be executed as of the date written above.

The Corporation shall pay for or reimburse the reasonable expenses incurred by an Indemnatee in connection with any such proceeding in advance of final disposition thereof in accordance with the procedures and subject to the conditions specified in the Act. The Corporation shall indemnify as a matter of right an Indemnatee who is wholly successful, on the merits or otherwise, in the defense of any such proceeding against reasonable expenses incurred by the person in connection with the proceeding without the requirement of a determination as set forth in the first sentence of this paragraph.
