Each Owner shall be entitled to cast his Percentage Vote for the election of the Board of Directors, except for such Initial Board of Directors who shall serve for the period provided in the By-Laws. -8-

14. Alterations, Additions and Improvements. No Owner shall make any alterations or additions to or which would affect the Common Areas or Limited Areas without the prior written approval of the Board of Directors, nor shall any Owner make any alteration in or to his respective Condominium Unit and within the boundaries thereof which would affect the safety or structural integrity of the Building in which the Condominium Unit is located. reserves the right to change the interior design and arrangement of all Condominium Units and alter the boundaries between Condominium Units so long as Declarant owns the Condominium Units so altered. No such change shall increase the number of Condominium Units nor change the Percentage Interest applicable to such Condominium Units. If Declarant shall make any changes in the Condominium Units so authorized, such changes shall be reflected by a supplement to the Plans and such supplement to the Plans need not be approved by the Association or any other Owners.

15. Insurance. The Co-owners, through the Association, shall purchase a master casualty insurance policy affording fire and extended coverage insurance insuring the Property in an amount consonant with the full replacement value of the improvements which, in whole or in part, comprise the Common Areas. If the Board of Directors can obtain such coverage for reasonable amounts they shall also obtain "all risk" coverage. The Board of Directors shall be responsible for reviewing at least annually the amount and type of such insurance and shall purchase such additional insurance as is necessary to provide the insurance required above. If deemed advisable by the Board of Directors, the Board of Directors may cause such full replacement value to be determined by a qualified appraiser. The cost of any such appraisal shall be a Common Expense. Such insurance coverage shall be for the benefit of each Owner, and, if applicable, the Mortgagee of each Owner upon the following terms and conditions: S4 35490

All proceeds payable as a result of casualty losses sustained which are covered by insurance purchased by the Association as hereinabove set forth shall be paid to it or to the Board of Directors, who shall act as the insurance trustees and hold such proceeds for the benefit of the insured parties. In the event that the Board of Directors has not posted surety bonds for the faithful performance of their duties as such managers or if such bonds do not exceed the funds which will come into its hands, and there is a damage to a part or all of the Property resulting in a loss, the Board of Directors shall obtain and post a bond for the faithful performance of its duties as insurance trustee in an amount to be determined by a majority of the Owners but not to exceed 125% of the loss, before the Board of Directors shall be entitled to

-10-

receive the proceeds of the insurance payable as a result of such loss. The sole duty of the insurance trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated herein, and for the benefit of the Owners and their respective Mortgagees. The proceeds shall be used or disbursed by the Association or Board of Directors, as appropriate, only in accordance with the provisions of this Declaration.

The interest of each damaged Owner in the trust fund of insurance proceeds shall be the ratio of the direct damage of each damaged Owner to the damages of all Owners directly damaged by any event insured under the said master casualty insurance policy.

Such master casualty insurance policy, and "all risk" coverage if obtained, shall (to the extent the same are obtainable) contain provisions that the insurer (a) waives its right to subrogation as to any claim against the Association, the Board of Directors, its agents and employees, Owners, their respective agents and guests, and (b) waives any defense based on the invalidity arising from the acts of the insured, and providing further, if the Board of Directors is able to obtain such insurance upon reasonable terms, (i) that the insurer shall not be entitled to contribution against casualty insurance which may be purchased by individual Owners as hereinafter permitted, and (ii) that notwithstanding any provision thereof giving the insurer an election to restore damage in lieu of a cash settlement, such option shall not be exercisable in the event the Owners do not elect to restore pursuant to paragraph 16 84 35490 of this Declaration.

The Co-Owners, through the Association, shall also purchase a master comprehensive public liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive public liability insurance policy shall cover the Association, the Board of Directors, any committee or organ of the Association or Board of Directors, any managing agent appointed or employed by the Asociation, all persons acting or who may come to act as agents or employees of any of the foregoing with respect to Cobblestone II, all Owners of Condominium Units and all other persons entitled to occupy any Condominium Unit or other portions of Cobblestone II.

-11-

The Co-owners, through the Association, shall also obtain any other insurance required by law to be maintained, including but not limited to workmen's compensation insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate, including but not limited to, liability insurance on vehicles owned by the Association and officers' and directors' liability policies. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of each Owner, the Association, the Board of Directors and any managing agent acting on behalf of the Association. Each Owner shall be deemed to have delegated to the Board of Directors his right to adjust with the insurance companies all losses under policies purchased by the Board of Directors.

The premiums for all such insurance hereinabove described shall be paid by the Association as part of the Common Expenses and shall be assessed to each Unit Owner pro-rata based on the square footage of the respective units. When any such policy of insurance hereinabove described has been obtained by or on behalf of the Association, written notice of the obtainment thereof and of any subsequent changes therein or termination thereof shall be promptly furnished to each Owner or Mortgagee whose interest may be affected thereby, which notice shall be furnished by the officer of the Association who is required to send notices of meetings of the Association.

In no event shall any distribution of proceeds be made by the Board of Directors directly to an Owner where there is a mortgagee endorsement on the certification of insurance. In such event any remittance shall be to the Owner and his Horgageee jointly.

Each owner shall be solely responsible for and may obtain such additional insurance as he deems necessary or desirable at his own expense affording coverage upon his personal property, the contents of his Condominium Unit (including, but not limited to, all floor, ceiling and wall coverings and fixtures, betterments and improvements installed by him) and his personal property stored elsewhere on the Property, and for his personal libability, but all such insurance shall contain the same provisions for waiver of subrogation as referred to in the foragoing provisions for the

-12-

master casualty insurance policy to be obtained by the Association. Each Owner may obtain casualty insurance at his own expense upon his Condominium Unit but such insurance shall provide that it shall be without contribution as against the casualty insurance purchased by the Association. If a casualty loss is sustained and there is a reduction in the amount of the proceeds which would otherwise be payable on the insurance purchased by the Association pursuant to this paragraph due to proration of insurance purchased by an Owner under this paragraph, the Owner agrees to assign the proceeds of this latter insurance, to the extent of the amount of such reduction, to the Association to be distributed as herein provided.

16. Casualty and Restoration.

- (a) Except as hereinafter provided, damage to or destruction of any Building due to fire or any other casualty or disaster shall be promptly repaired and reconstructed by the Association and the proceeds of insurance, if any, shall be applied for that purpose; provided, however, that repair and reconstruction shall not be compulsory in the event of "complete destruction of all of the Buildings" (bereinafter defined) and shall only be done in accordance with the provisions hereinafter set forth. As used herein, the term "complete destruction of all of the Buildings" means a determination, made by a vote of two-thirds (2/3) of all Co-owners at a special meeting of the Association called for the purpose of making such determination. That total destruction of all of the Buildings has occurred. A special meeting of the Association shall be called and held within ninety (90) days after any fire or any other casualty or disaster damaging or destroying any of the Buildings for the purpose of making the determination of whether or not there was been a complete destruction of all of the Buildings. If such a special meeting is not called and held within such ninety (90) day period, then it shall be conclusively presumed that the Co-owners determined that there was not a complete destruction of all of the Buildings, and the Association shall proceed with repair and reconstruction as 84-35490herein provided.
 - (b) If the insurance proceeds, if any, received by the Association as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and

-13-

reconstruction, or in the event there are no insurance proceeds, and If the Property is not to be removed from the Horizontal Property Regime, the cost for restoring the damage and repairing and reconstructing the Building or Buildings so damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if any) shall be paid by all of the Owners of Condominium Units in proportion to the ratio that the Percentage Interest of each Condominium Unit bears to the total Percentage Interest of all Condominium Units. Any such amounts payable by the Co-owners shall be assessed as part of the Common Expenses and shall constitute a lien from the time of assessment as provided herein and in the Act.

- (c) For purposes of subparagraph (a) and (b) above, repair, reconstruction and restoration shall mean construction or rebuilding of the Condominium Units to as near as possible the same condition as they existed prior to the damage or destruction and with the same type of architecture.
- (d) If, under subparagraph (a) above, it is determined by the Co-owners at a special meeting of the Association referred to therein that there has been a complete destruction of all of the Buildings, the Co-owners shall, at said same special meeting, vote to determine whether or not such complete destruction of the Buildings shall be repaired and reconstructed. The Buildings shall not be reconstructed or repaired if it is the determination of the Co-owners at said special meeting that there has been a complete destruction of all of the Buildings unless by a vote of two-thirds (2/3) of all of the Co-owners vote and decide that the Buildings are to be rebuilt, reconstructed and repaired, the insurance 35490proceeds, if any, received by the Association shall be applied and any excess of construction costs over insurance proceeds, if any, received by the Association shall be contributed and paid as hereinabove provided in subparagraphs (a) and (b).
- (e) If, in any case of the complete destruction of all of the Buildings, less than two-thirds (2/3) of all of the Co-owners vote in favor of the rebuilding, reconstruction and repair of the Buildings, the Buildings shall not be rebuilt, reconstructed or repaired and, in such event, the Property shall be deemed and considered as to be removed from the provisions of the Act under

-14-

Section 28 of the Act and, in accordance with Sections 19 and 21 of the Act:

- (i) the Property shall be deemed to be owned in common by the Condominium Unit Owners;
- (ii) the undivided interest in the Property owned in common which shall appertain to each Condominium Unit Owner shall be the percentage of undivided interest previously owned by such owner in the Common Areas;
- (iii) any liens affecting any of the Condominium Units shall be deemed to be transferred in accordance with the existing priorities to the percentage of the undivided interest of the Condominium Unit Owner in the Property; and
- (iv) the insurance proceeds on the buildings containing Condominium Units shall be divided among the Co-owners proportionately according to the fair market value of all the Condominium Units immediately before the casualty as compared with all other Condominium Units.
- (v) the Property shall be subject to an action for partition at the suit of any Condominium Unit Owner, in which event the net proceeds of sale, together with the remaining net proceeds of the insurance on the Property, if any, shall be considered as (1) fund and shall be divided among all the Condominium Unit Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Property, after first paying out of the 'i respective shares of the Condominium Unit Owners, to the extent sufficient for the purpose, all liens on the undivided interest in the Property owned by each Condominium Unit Owner.
- (f) Immediately after a fire or other casualty or disaster causing damage to any property for which the Board of Directors or Association has the responsibility of maintenance and repair, the Board of Directors shall obtain reliable and detailed estimates of the cost to place the damaged property in condition as good as that before the casualty. Such costs may include professional fees and premiums for such bonds as the Board of Directors desires.
- (g) The proceeds of insurance collected on account of any such casualty, and the sums received by the Board of Directors from collections of assessments against Owners on account of such

-15-

casualty, shall constitute a construction fund which shall be disbursed, if the Building or Buildings are to be reconstructed and repaired, in payment of the costs of reconstruction and repair in the following manner:

(i) If the amount of the estimated cost of reconstruction and repair is less than Five Thousand Dollars (\$5,000.00), then the construction fund shall be disbursed in payment of such costs upon order of the Board of Directors; provided, however, that upon request of a Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner hereinafter provided in the following paragraph (ii).

(ii) If the estimated cost of reconstruction and repair of the Building or other improvement is more than Five Thousand Dollars (\$5,000.00), then the construction fund shall be disbursed in payment of such costs upon approval of an architect qualified to practice in Indiana and employed by the Board of Directors to supervise such work, payment to be made from time to time as the work progresses. The architect shall be required to furnish a certificate giving a brief description of the services and materials furnished by various contractors, subcontractors, materialmen, the architect, or other persons who have rendered services or furnished materials in connection with the work, (1) that the sums requested by them in payment are justive due and owing and that said sums do not exceed the value of the services and materials furnished; (2) that there is no other outstanding indebtedness known to the said architect for the services and materials described; and (3) that the costs as estimated by said architect for the work remaining to be done subsequent to the date of such certificate, does not exceed the amount of the construction 81 - 35490fund remaining after payment of the sum so requested.

(iii) Encroachments upon or in favor of Condominium Units which may be created as a result of such reconstruction or repair shall not constitute a claim or basis of a proceeding or action by the Owner upon whose property such encroachment exists, provided that such reconstruction was either substantially in accordance with the plans and specifications or as the Buildings

-16-

were originally constructed. Such encroachments shall be allowed to continue in existence for so long as the Buildings stand.

- (iv) In the event that there is any surplus of monies in the construction fund after the reconstruction or repair of the damage has been fully completed and all costs paid, such sums may be retained by the Board of Directors as a reserve or may be used in the maintenance and operation of the Common areas, or, in the discretion of the Board of Directors it may be distributed to the Owners in the Buildings affected and their Mortgagees who are the beneficial owners of the fund. The action of the Board of Directors in proceeding to repair or reconstruct damage shall not constitute a waiver of any rights against another Owner for committing willful or malicious damage.
 - restrictions applicable to the use and enjoyment of the Condominium Units and the Common Areas and Limited Areas are set forth in the By-Laws, including the limitation that each of the Condominium Units shall be limited to residential use. These covenants and restrictions are for the mutual benefit and protection of the present and future Uwners and shall run with the land and inure to the benefit of and be enforceable by any Owner, or by the Association. Present or future Owners or the Association shall be entitled to injunctive relief against any violation or attempted violation of these provisions and shall be entitled to damages for any injuries resulting from any violations thereof, but there shall be no right of reversion or forfeiture of title resulting from such

Notwithstanding anything to the contrary contained herein or in the By-Laws, including but not limited to any covenants and restrictions set forth in the By-Laws, Declarant shall have, until the date described in Paragraph 21 hereof as the date upon which Declarant's right to expand the Property and Cobblestone II terminates, the right to use and maintain any Condominium Units owned by Declarant, such other portions of the Property (other than individual Condominium Units owned by persons other than Declarant) and any portions of the Real Estate not then part of the Property, all of such number and size and at such locations as Declarant in its sole discretion may determine, as Declarant may deem advisable

-17-

The maximum number of Condominium Units which may be developed on the Real Estate, including Condominium Units on the Tract as defined in this original Declaration, shall be one hundred and nicety-two (192) Subject to said limit as to the maximum number of Condominium Units to be developed on the Real Estate, Cobblestone II may be expanded by Declarant to include additional portions of the Real Estate in one (1) or more additional phases by the execution and recording of one (1) or more amendments or supplements to this Declaration; provided, however, that no single exercise of such right and option of expansion as to any part or parts of the Real Estate shall

-20-

Such reallocation of Percentage Interests shall vest when the amendment or supplement to the Declaration incorporating those changes has been recorded.
- (d) When the amendment or supplement to the Declaration incorporating the addition of Condominium Units or expansion of Common Areas, or both, is recorded, all liens including, but not limited to, mortgage liens shall be released as to the Percentage Interests in the Common Areas described in the Declaration and shall attach to the reallocated Percentage Interests in the Common

<u>Assessments</u>

Section 5.01. Annual Accounting. Annually, after the close of each fiscal year of the Association and prior to the date of the annual meeting of the Association next following the end of such fiscal year, the Board shall cause to be prepared and furnished to each Owner a financial statement prepared by a certified public accountant or firm of certified public accountants then serving the Association, which statement shall show all receipts and expenses received, incurred and paid during the preceding fiscal year.

Assessments shall, in addition, be established to include the establishment and maintenance of a replacement reserve fund for capital expenditures and replacement and repair of the Common Areas, which replacement reserve fund shall be used for those purposes and not for usual and ordinary repair expenses of the Common Areas. Such replacement reserve fund for capital expenditures and replacement and repair of the Common Areas shall be maintained by the Association in a separate interest bearing account or accounts with one or more banks or savings and loan associations authorized to conduct business in Marion County. Indiana selected from time to time by the Board. The failure or delay of the Board of Directors to prepare a proposed annual budget and to furnish a copy thereof to the Owners shall not constitute a waiver or release in any manner of the obligations of the Owners to pay the Common Expenses as herein provided, whenever determined. Whenever, whether before or after the annual meeting of the Association, there is no annual budget approved by the Owners as herein provided for such current fiscal year, the Owners shall continue to pay Regular Assessments based upon the last approved budget or, at the option of the Board, based upon one hundred and ten percent (110%) of such last approved budget, as a temporary budget.

Section 5.03. Regular Assessments. The annual budget as adopted by the Owners shall, based on the estimated each requirement for the Common Expenses in the current fiscal year as set forth in said budget, contain a proposed assessment against each Condominium Unit which may be based in part or in whole on the proportionate size of each Condominium Unit. finally adopted by the Owners. The aggregate amount of the Regular Assessments shall be equal to the total amount of expenses provided and included in the final annual budget, including reserve funds as hereinabove provided. The Regular Assessment against each Condominium Unit shall be paid in advance in equal monthly installments, commencing on the first day of the first month of each fiscal year and monthly thereafter through and including the first day of the last month of such fiscal year. Payment of the monthly installments of the Regular Assessment shall be made to the Board of Directors or the Managing Agent, as directed by the Board of Directors; provided, however, Owners may elect to pay monthly assessments, quarterly, semi-annually or annually, in advance. At the election and option of the Board, the Regular Assessment may be required to be paid by the Owners in advance in equal quarterly installments rather than monthly installments. In the event the Regular Assessment for a particular fiscal year of the Association was initially based upon a temporary budget,

a) if the Regular Assessment based upon the final annual budget adopted by the Owners exceeds the amount of the Regular Assessment based upon the temporary budget, that portion of such excess applicable to the period from the first day of the turrent fiscal year to the date of the next payment of the Regular Assessment which is due shall be paid with such next payment and such next payment, and all payments thereafter during such fiscal year, whether quarterly or monthly, shall be increased so that the Regular Assessment as finally determined shall be paid in full by the remaining payments due to such fiscal year, or

(b) if the Regular Assessment based upon the temporary budget exceeds the Regular Assessment based upon the final annual budget adopted by the Owners, such excess shall be credited against the next payment or payments of the Regular Assessment coming due, whether quarterly or monthly, until the entire amount of such excess has been so credited; provided, however, that if an Owner had paid his Regular Assessment either semi-annually or annually in advance, then the adjustments set forth under (a) or (b) above shall be made by a cash payment by, or refund to, the Owner on the first day of the second month following the determination of the Regular Assessment based upon the annual budget finally adopted by the Owners.

The Regular Assessment for the current fiscal year of the Association shall become a lien on each separate Condominium Unit ${\bf 51-35490}$

as of the first day of each fiscal year of the Association, even though the final determination of the amount of such Regular Assessment may not have been made by that date. The fact that an Owner has paid his Regular Assessment for the current fiscal year in whole or in part based upon a temporary budget and thereafter, before the annual budget and Regular Assessment are finally determined, approved and adjusted as herein provided, sells, conveys or transfers his Condominium Unit or any interest therein. shall not relieve or release such Owner or his successor as owner of such Condominium Unit from payment of the Regular Assessment for such Condominium Unit as finally determined, and such Owner and his successor as owner of such Condominium Unit shall be jointly and severally liable for the Regular Assessment as finally determined. Any statement of unpaid assessments furnished by the Association pursuant to Section 8.02 hereof prior to the final determination and adoption of the annual budget and Regular Assassment for the year in which such statement is made shall state that the matters set forth therein are subject to adjustment upon determination and adoption of the final budget and Regular Assessment for such year, and all parties to whom any such statement may be delivered or who may rely thereon shall be bound by such final determinations. Quarterly or monthly (if so determined by the Board) installments of Regular Assessments shall be due and payable automatically on their respective due dates without any notice from the Board or the Association, and neither the Board nor the Association shall be responsible for providing any notice or statements to Owners for

Section 5.04. Special Assessments. From time to time Common Expenses of an unusual or extraordinary nature or not otherwise anticipated may arise. At such time and without the approval of the Owners, unless otherwise provided in these By-Laws, the Declaration or the Act, the Board of Directors shall have the full right, power and authority to make special assessments which, upon resolution of the Board, shall become a lien on each Condominium Unit, provated in accordance with the Percentage Interest of each Condominium Unit (herein called "Special Assessment"). Without limiting the

generality of the foregoing provisions. Special Assessments may be made by the Board of Directors from time to time to pay for capital expenditures, to pay for the cost of any repair or reconstruction of damage caused by fire or other casualty or disaster to the extent insurance proceeds are insufficient therefor under the circumstances described in the Declaration, and to pay for any Condominium Units purchased by the Association pursuant to its right of first refusal set forth in the Declaration under the circumstances described in the Declaration.

Section 5.05 Failure of Owner to Pay Assessments.

(a) No Owner may exempt himself from paying Regular Assessments and Special Assessments, or from contributing toward the expenses of administration and of maintenance and repair of the Common Areas and, in the proper case, of the Limited Areas, of the Buildings, and toward any other expense lawfully agreed upon, by waiver of the use or enjoyment of the Common Areas or by abandonment of the Condominium Unit belonging to him. Each Owner shall be personally liable for the payment of all Regular and Special Assessments. Where the Owner constitutes more than one person, the liability of such persons shall be joint and several, If any Owner shall fail, refuse or neglect to make any payment of any Regular Assessments or Special Assessments when due, the lien for such Assessment on the Owner's Condominium Unit may be filed and foreclosed by the Board for and on behalf of the Association as provided by law. Upon the failure of an Owner to make timely payments of any Regular Assessments or Special Assessments, when due, the Board may in its discretion, accelerate the entire balance of the unpaid Assessments and declare the same immediately due and payable, notwithstanding any other provisions hereof to the contrary. In any action to foreclose the lien for any Assessments. the Owner and any occupant of the Condominium Unit shall be jointly and severally liable for the payment to the Association of reasonable rental for such Condominium Unit, and the Board shall be entitled to the appointment of a receiver for the purpose of preserving the Condominium Unit and to collect the rentals and other profits therefrom for the benefit of the Association to be 34 35490

applied to the unpaid Regular Assessments or Special Assessments. The Board may, at its option, bring a suit to recover a money judgment for any unpaid Regular Assessment or Special Assessment without foreclosing or waiving the lien securing the same. In any action to recover a Regular Assessment or Special Assessment, whether by foreclosure or otherwise, the Board, for and on behalf of the Association, shall be entitled to recover costs and expenses of such action incurred, including but not limited to reasonable attorneys' fees, from the Owner of the respective Condominium

(b) Notwithstanding anything contained in this Section or elsewhere in the Declaration and these By-Laws, any sale or transfer of a Condominium Unit to a Mortgagee pursuant to a foreclosure on its mortgage or conveyance in lieu thereof, or a conveyance to any person at a public sale in the manner provided by law with respect to mortgage foreclosures, shall extinguish the lien of any unpaid installment of any Regular Assessment or Special Assessment as to such installments which become due prior to such sale, transfer or conveyance; provided, however, that the extinguishment of such lien shall not relieve the prior owner from personal liability therefor. No such sale, transfer or conveyance shall relieve the Condominium Unit or the purchaser at such foreclosure sale, or grantee in the event of conveyance in lieu thereof, from liability for any installments of Regular Assessments or Special Assessments thereafter becoming due or from the lien therefor. Such unpaid share of any Regular Assessments or Special Assessments, the lien for which has been divested as aforesaid, shall be deemed to be a Common Expense, collectible from all Owners (including the party acquiring the subject Condominium Unit from which is arose), as provided in the Act.

Section 5.06. Initial Budgets and Assessments. Notwithstanding anything to the contrary contained herein, in the Declaration, in the Act, in the Statute or otherwise, until the Applicable Date the annual budget and all Regular Assessments and Special Assessments shall be established by the Initial Board without meetings of or concurrence of the Co-owners.
