PLAT COVENANTS COTTONWOOD CREEK AT GRAY EAGLE, SECTION 1

This instrument, executed by R.N. THOMPSON DEVELOPMENT CORPORATION, hereinafter referred to as "Developer" or as "Declarant", hereby establishes plat covenants, conditions, and restrictions for the real estate to be known as Cottonwood Creek at Gray Eagla, Section 1, which real estate is described in Exhibit 1 hereto. The term "Subdivision" as used herein shall mean Cottonwood Creek at Gray Eagle. Cottonwood Creek at Gray Eagle, Section 1 anall consist of 50 lots, numbered Lots 29 through 31, inclusive, Lots 41 through E7, inclusive, and Block "A". together with streets, easements and public ways shown on the plat.

In order to provide adequate protection to all present and future owners of lots in this subdivision, the following covenants, restrictions and limitations, in addition to those set forth in the Declaration of Covenants, Conditions and Restrictions for Gray Eagle (the "Master Declaration"), recorded with the Recorder of Hamilton County on April 7, 1998 as Instrument No. 98-17791, are hereby imposed upon and shall run with the land included in this subdivision and shall be binding upon the Developer and anyone at any time owning or using any part or portion of such land. Ownership of the real estate in this subdivision shall also be subject to rights, powers, duties, and obligations of the Gray Eagle Homeowners Association, Inc. (the "Association"), the Gray Eagle New Construction Committee ("New Construction Committee"), and the Gray Eagle Architectural Control Committee (the "Architectural Control Committee"), as set forth in the Declaration, and Design Guidelines promulgated by either Committee. All owners shall take their title subject to the terms and conditions of the Declaration.

If there is an irreconcilable conflict between any of the covenants and restrictions contained in this plat and the covenants and restrictions contained in the Declaration. the conflicting covenant or restriction contained in this plat shall govern and control, only to the extent of the irreconcilable conflict, it being the intent hereof that all such covenants and restrictions shall be applicable to said real estate to the greatest extent possible.

NOTICE: Prior to application for an improvement location permit from the appropriate governmental agency for the construction of a residence or other structure, site plans, landscaping plans and building plans shall have been approved in writing by the Gray Eagle New Construction Committee as defined in Article X of the Master Declaration. Such approval shall include but not be limited to; building design, color and location, private drives, tree preservation, and proposed landscaping and fencing, all in accordance with the requirements of the Gray Eagle Design Guidelines.

1. Lots are subject to the following: Drainage Easements, Utility Easements, Sewer Easements and Landscape Easements, either separately or in combination, as shown on the Plat. which casements are reserved for the use of the Declarant, the Gray Eagle Homeowners Association, Inc. (hereinafter referred to as the "Association"), public or private utility companies, and governmental agencies, as follows:

"Drainage Easements" are created as shown on the Plat to provide paths and courses for area and local storm drainage, either over land or in adequate underground conduit, to serve the needs of the subdivision and adjoining ground and/or the public or private drainage system. Under no circumstances shall drainage sasements be blocked in any manner by the construction or reconstruction of any improvement, nor shall any

- Pavement or concrete, including driveways and sidewalks, shall not be constructed on or within one (1) foot horizontal distance of any sanitary sewer manbols or cleanout casting.
- 3) The drip line of all trees must be located a minimum of ten (10) feet from the center of sanitary sewers and manholes and no trees shall be planted directly over building sewers (laterals). Any landscaping placed within easements or right-of-ways is at risk of being removed by Utilities without the obligation of replacement.
- 3) No mounding, lighting, fencing, signs, retaining, landscaping or entrance walls, irrigation lines, etc. shall be placed within ten (10) feet of the center of the sanitary sewer infrastructure. Any of the above listed items placed within easements or right-of-ways is at risk of being removed by Utilities without the obligation of replacement.
- 4) All homeowners not serviced by gravity sanitary sewer service are responsible for all maintenance, repair and replacement of all grinder/ejector pumps, force mains and gravity laterals from the residence to its connection to the sanitary sewer main.
- 5) No owner or occupant, and no lot or unit may discharge storm water or other clear water sources (foundation drains, sump pumps, roof drains, etc.) into the sanitary sewer system.
- $6)\,\,$ Grade changes across sanitary sawar facilities must be approved in writing by Hamilton Southeastern Utilities, Inc.

A Swimming Pool and Tennis Club is planned for a portion of Block "A". This will be a private club, and it will not be owned by the Gray Eagle Homeowners Association. The parcel of land on which the Swimming Pool and Tennis Club is located will be separated from the balance of this Block and deeded to the owner of the Club. In the event that a parking lot which serves both the Common Area belonging to the homeowners association and the Swimming Pool and Tennis Club is on the Common Area property, the Swimming Pool and Tennis Club will be granted an easement to share the parking lot.

The Developer shall retain the right to display marketing and promotional signs within this subdivision, including within any right of way island, both for the Developer and for any Builder approved by the Developer, until the sale of the last lot in the Gray Eagle Community, including Sections not yet platted, to an Owner other than a Builder.

The owners of lots in this subdivision shall take and hold title to their lots subject to all of the foregoing Easements, to the rights of the public utility companies, governmental agencies, the Developer, the Association and others therein (which rights also include the right of ingress and egress in, along, across and through said Easements), to the jurisdiction of the proper authorities and to the covenants herein granted and reserved.

2. <u>DRAINAGE PLAN</u>. It shall be the responsibility of the owner of any Lot or parcel of land within the area of this plat to comply at all times with the provisions of the drainage plan as approved for this plat by the Town of Fishers, Hamilton County, Indiana and the requirements of all drainage permits for this plat issued by said Department.

Plat Covenants Cottonwood Creek at Gray Eagle Section 1

It shall also be the duty of every Owner of every Lot in this Subdivision on which any part of an open storm drainage ditch or swale is situated to keep such portion thereof as may be situated upon his Lot continuously unobstructed and in good repair.

In the event that the Owner does not comply with the drainage plan or does not maintain the storm drainage ditch or swale upon their Lot or any portion of a drainage pond upon their Lot, after written notice and a thirty day opportunity to do so, the Association shall have an easement to come upon such Owner's property to make any necessary corrections or repairs, and the Association shall be entitled to reimbursement for its costs and shall have a lien upon such Owner's property therefor, collectable as provided in Section 11.9 of the Declaration. In the event of an emergency, the thirty day requirement above shall not be required, but the Association shall give the Owner such notice as is practical under the circumstances.

- 3. <u>DEDICATION OF STREETS</u>. The rights-of-way of the streets as shown on this plat, if not heretofore dedicated to the public, are hereby dedicated to the public for use as a public right-of-way, subject however to a reservation of ingress-egress for the maintenance to medians in the subdivision and also subject to an easement for utility services as provided in paragraph 1 of these Plat Covenants.
- 4. <u>BUILDING LOCATION AND SIZE</u>. All building locations must comply with the zoning ordinances and zoning commitments for this subdivision. Subject to other provisions contained nerein, building setback lines are hereby established as shown on this plat, and no building or structure shall be erected or maintained between the setback lines and the property lines of the lots. The owners of all lots shall be required to submit a drainage plan, including a minimum building elevation, to the governmental agency which issues building permits. The minimum pad or building elevation as so approved by the New Construction Committee and the governmental agency shall constitute the minimum elevation for all buildings on said lot.

Except with the advanced written approval of the New Construction Committee and subject to easements shown on the plat, no building, structure or accessory building shall be erected closer than eight feet (8') to any side lot line, and in no case shall aggregate side yards between homes be less than sixteen feet (16') No building, structure or accessory building shall be erected closer to the right-of-way of any street than thirty feet (30') on local streets and thirty five feet (35') on collector streets. Where buildings are erected on more than one single lot (or parts thereof), these restrictions shall apply to the combined lots (or parts thereof) as if they were one single lot, and the restrictions applied based on the distance from the buildings, structures or other improvements to the adjacent lot lines adjoining the combined lot.

Each one story residence shall be not less than one thousand five hundred (1.500) square feet of finished and livable floor area, exclusive of open porches and garages, and each multiple story structure shall be not less than one thousand eight hundred (1.800) square feet, in the aggregate, of finished and livable floor area, exclusive of open porches and garages. The Design Guidelines may also specify the minimum square footage requirements for the first floor of any multiple story residence.

Each residence shall have an attached garage of a size to accommodate at least two cars. No garage may be converted to a livable apace without prior approval of the Architectural Control Committee and the construction of another attached garage.

Section:

- 5. <u>DRIVEWAYS</u>. Each driveway in this Subdivision shall be of concrete or asphalt material, and no additional parking shall be permitted on a Lot other than the existing driveway, except with the prior approval of the Architectural Control Committee. No Lot may have a driveway on more than one street.
- 6. RESIDENTIAL USE ONLY. All Lots in this Subdivision shall be used solely for residential purposes except for residences used as model homes during the sale and development of this Subdivision. No business buildings shall be erected on said Lots, and no business may be conducted on any part thereof, other than home occupations approved by the Gray Eagle Board. No residence shall be erected, altered, placed or permitted to remain on any Lot herein, other than one detached single-family residence not to exceed two and one-half stories in height.

No trailer, shack, tent, boat, garage or outbuilding may be used at any time as a residence, temporary or permanent, nor may any structure of a temporary character be used as a residence. With the consent of the Declarant, a builder may have a temporary structure during the construction of a residential building on the property, which temporary construction building or trailer shall be promptly removed upon completion of construction of the publishing. building.

- 7. <u>LIMITATION ON VEHICLES</u>. No inoperative or unlicensed vehicle shall be parked or repaired anywhere within the Subdivision, including on any Lot or on the driveway thereof. No camper, trailer, mobile home, boat, truck or school bus may be parked in the Subdivision, including on any Lot or on the driveway thereof, except:
- a. Personal automobiles, vans and pick-up trucks (not larger than 3/4 ton) may, subject to rules and regulations established in the Master Declaration or by the Gray Eagle Board of Directors, be parked on a private Declaration or by the Gray Eagle Board of Directors, be parked on a private driveway, and
 b. A camper, trailer, mobile home, or boat may be stored in an enclosed attached garage of average residential proportions, and
 c. The Gray Eagle Board of Directors may establish rules prohibiting or regulating parking on the public streets within the Subdivision.

- 8. LIMITATIONS REGARDING TRASH. Garbage and trash shall be kept in approved containers, kept in a clean and sanitary condition, and kept in a location which is not visible from the street, except on collection day or the evening before collection day. No Lot shall be used or maintained as a dumping ground for rubbish or other waste materials and trash shall be regularly removed from the Property.
- 9. ARCHITECTURAL DESIGN AND ENVIRONMENTAL CONTROL. No structure or improvement -- including but not limited to residences, accessory structures, landscaping, fences, walls, mounds, ponds, pools, satellite dishes, antennae, patios, basketball goals and other permanent structures for sports and recreation -- shall be erected, placed or altered on any Lot in this Community until the building plans, specifications and plot plan showing the location. materials, and appearance of the planned improvement have been submitted to and approved by the Architectural Control Committee or by the New Construction Committee, as appropriate, regarding conformity and harmony of external design, topography, and finished ground elevations.

The provisions of Article X of the Gray Eagle Master Declaration shall be followed and complied with by every owner, builder, contractor and any other person or entity residing in this subdivision or making any

Flat Covenants Cottonwood Creek at Gray Ragio Section 1

improvement to any lot or structure within this subdivision.

Each Owner or builder of a new home on a Lot shall submit a detailed landscape plan to the New Construction Committee, in conjunction with its application for initial approval, which plan shall include sodding the front yard of each residence and the side yards to the back line of the residence. The landscape plan shall be completed on or before the transfer of title of said bot to the first occupant of such residence, or funding therefore shall be escrowed with an approved title company. A corner lot shall be considered to have two front yards. In the event that the owner's back yard lawn treatment does not result in full grass coverage within one year of initial occupancy, the Declarant may require the Owner to install sod in all areas of inadequate coverage.

Any exception as to method or timing of front yard treatment must be approved by the Developer in writing prior to beginning construction. In the event that title passes to a homeowner without meeting the above requirements, the homeowner and general contractor will become jointly responsible for meeting this requirement.

The Design Guidelines may establish special restrictions regarding fences for Lots adjacent to. or visible from, the lakes or the golf course.

- 10. <u>INTERSECTION VISIBILITY</u>. No fence, wall, hedge, shrub or planting which obstructs sight lines at elevations between two (2) and six (6) feet above the street, shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting points twenty-five (25) feet from the intersection of said street lines, or in the case of a rounded property corner, from the intersection of the street lines extended. The same sight line limitations shall apply to any Lot within ten (10) feet from the intersection of a street line with the edge of a driveway pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of the sight line.
- 11. LANDSCAPE EASEMENTS PRO RATA MAINTENANCE OBLIGATION. If, for any reason, the Gray Bagle Homeowners Association would cease to exist or cease to function, the areas designated on the plat as Blocks, landscape easements or landscape and utility easements shall be maintained by the title owner of the Lot upon which the easement exists. Whoever has the maintenance responsibility herein detailed shall have the right of contribution to the extent of money so expended (including reasonable costs for administration) from each Lot owner on an equal proratable basis for all Lots in all of the sections of this Subdivision. Each Lot owner's obligation may be collected in advance of the expenditure in a reasonable amount, shall mature thirty (30) days after the date of receipt of notice of his or her obligation, and shall draw interest at twelve percent (12%) per annum after the obligation matures with reasonable attorney fees if such services are required to secure payment.

12. MISCELLANEOUS PROVISIONS.

- a. Each residence shall have a single mailbox, standardized in size, appearance and color, according to the Design Guides, and maintained in good condition at all times. The size, design and color shall be specified by the Declarant and shall be purchased, installed and maintained by the Homeowner.
- b. Each residence shall have at least one coach light attached and hard wired to the garage and/or the front entry of the house which is illuminated by a photo cell, as set forth in the Design Guidelines, which shall be

- c. Except as may be specifically approved by the Architectural Control Committee, window air conditioning units may not be installed on any lot.
- d. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed on any Lot unless it is an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the Architectural Control Committee.
- e. No matchitte receiving dish greater than one meter in diameter shall be erected or installed on any Lot. No antenna shall exceed twelve (12) feet above roof peak. If an acceptable quality mignal can be achieved with a single matchite dish and or a single antenna, no lot shall have more than one satellite dish and one antenna without the prior approval of the Architectural Control Committee. To the extent that acceptable reception may be obtained, any matchine in the back of the house. The Design Guidelines may impose requirements (which the back of the house. The Design Guidelines may impose requirements (which do not impair reception or result in significant additional expense) for painting or screening of matchine dishes and antenna, location, and other restrictions on antenna and matchine dishes.
- f. No fuel storage tanks shall be permitted on the Property, except during the initial construction of any home, and then only with the express written consent of the Developer.
- g. Sump pumps serving individual residences shall not outfall or empty onto grass swales between lots, but only into major drainage swales or storm structures included in the storm drainage system for the subdivision.
- h. The discharge of firearms within Gray Eagle, except for the protection of an individual from personal attack or injury, is prohibited. The term "firearms" includes bows and arrows, slingshots, "B-B" guns, pellet guns, and other firearms of all types, regardless of size. Notwithstanding anything to the contrary contained herein or in the By-Laws, the Association shall not be obligated to take action to enforce this Section.
- i. Some of the lots in this Community will have frontage on the Gray Eagle Golf Course. All of the provisions of Article XIII and any other applicable sections of the Master Declaration will apply to these lots, including the License and easements under Sections 13.4 and 13.5 and the waiver of liability under Section 13.6. Further, owners of lots adjoining the golf course may have special restrictions regarding fencing, lighting, noise and other matters which could affect the use and enjoyment of the golf course, and matters relating to lawn treatment, landscaping and other matters affecting maintenance of the golf course.
- 13. SWIMMING POOLS, HOT TUBS AND OTHER STRUCTURES. No above ground swimming pools shall be erected, constructed or installed on any Lot. Below ground pools, hot tubs, spas, jacuzzis or similar water recreational facilities may be installed with prior approval of the Architectural Control Committee. The Committee may consider lot size and available room on the lot for such facilities as one of its considerations. The Committee may impose a fencing requirement for such facilities which is greater than what is required by governmental entities.

Any attached garage, tool shed, storage building or any other attached building erected or used as an accessory to a residence shall be of a

Plat Covenants Cottonwood Creek at Gray Bagle Section 1

permanent type of construction and shall conform to the general architecture and appearance of such residence.

Detached garages, tool sheds or minibarns may not be erected on any Lot. Other detached structures, including enclosures for approved swimming pools, not tubs or spas and enclosures for pets, shall be limited (or prohibited) as determined by the Committee, and plans shall be submitted to the Committee for approval prior to construction. The Master Declaration contains additional provisions relating to such structures.

- 14. MAINTENANCE. It shall be the duty of each owner in the subdivision to maintain the house and any additional structures on their lot. In the event the owner of any lot fails to do so in a manner satisfactory to the Association, the Association shall have the right (but not the obligation) through its agents and employees, to enter upon said lot and to repair, maintain and restore the lot and\or the exterior of the improvements erected thereon. The cost of such exterior maintenance shall be and constitute a special assessment against such lot and the owner thereof, to be assessed, collected and enforced as provided in the Gray Eagle Declaration.
- 15. <u>USE OF THE LAKES</u>. Only Lots with frontage one of the Lakes shall have a right to use the Lake for fishing purposes, and only from within the property lines of their lot. The lakes shall not be used for swimming, boating or other uses not permitted by the Association, and no person shall have a right to use the lakes for any purpose from the common area, easements benefitting the Association or from the public rights of way.
- 16. <u>DURATION OF COVENANTS</u>. These covenants and restrictions shall run with the land and shall be binding upon all persons or entities from time to time having any right, title or interest in the Real Estate, or any part thereof, and on all persons or entities claiming under them, until twenty (20) years after the date of recording hereof. After the initial 20 years, these covenants and restrictions shall be automatically extended for successive periods of ten (10) years each, unless prior to the commencement of any such extension period, by a vote of at least seventy percent (70%) of the then owners of the Lots in Cottonwood Creek at Gray Eagle Subdivision, it is agreed that said covenants and restrictions shall terminate in whole or in part, provided, however, that no termination of said covenants and restrictions shall affect any easement hereby created and reserved unless all persons entitled to the beneficial use of such easement shall consent thereto.

Lot owners may amend these covenants in whole or in part by an affirmative vote of 70% of the Lot Owners. No amendment to these covenants may be made without Developer's approval and consent, until the Developer has sold all of the lots in any section of this Subdivision. Any amendment or termination shall be evidenced by a written instrument, signed by the Lot owner or owners concurring therein, which instrument shall set forth facts sufficient to indicate compliance with this paragraph and shall be recorded in the office of the Recorder of Hamilton County, Indiana.

17. ENFORCEMENT. Violation or threatened violation of these covenants and restrictions shall be grounds for an action by Developer, any person or entity having any right, title or interest in the Real Estate (or any part thereof), or any person or entity having any right, title or interest in a Lot in the Subdivision and all persons or entities claiming under them, against the person or entity violating or threatening to violate any such covenants or restrictions. Available relief in any such action shall include recovery of damages or other sums due for such violation, injunctive relief against any such violation or threatened violation, declaratory relief, and the recovery

Plat Covenante Cottonwood Creek at Gray Gagie Rection 1

of costs and attorneys' fees incurred by any party successfully enforcing these covenants and restrictions; provided, however, that the Developer shall not be liable for damages of any kind to any person for failing to enforce or carry out such covenants or restrictions.

The Board shall have the authority to assess a fine or penalty, not exceeding fifty dollars (\$50) per incident, against any Owner violating the Covenants and Restrictions in these Plat Covenants or in the Declaration or any rule established by the Board. A continuing violation may be assessed an additional fine, not exceeding fifty dollars (\$50) each week until corrected, at the discretion of the Board. Any such fine will be considered to be a special assessment against the Owner and the Owner's Lot or Unit, and collectable as provided in Section 11.9 of the Master Declaration.

- 18. <u>SEVERABILITY</u>. Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions.
- 19. DECLARATION. A Declaration of Covenants and Restrictions for the entire Gray Eagle Community and establishing the rights and obligations of the Gray Eagle Homeowners Association, Inc. was recorded in the office of the Recorder of Hamilton County, Indiana on April 7. 1998 as Instrument No. 98-17791. Every Owner of a Lot in Cottonwood Creek at Gray Eagle will automatically be and become a member of the Gray Eagle Homeowners Association. Every Owner will be required to pay all duly established annual and special assessments, including temporary assessments in the event that the annual assessment is not timely established. All unpaid assessments will become a lien on the Owner's Lot, which may be foreclosed pursuant to the procedures established in the Declaration. No Owner may exempt himself or herself from the obligation to pay assessments by abandoning the Lot, the common areas or otherwise.

In the event that the Declaration is invalidated for any reason, every Owner nevertheless assumes a responsibility for a pro-rata portion of all common expenses, including maintenance, taxes, insurance, legal, accounting, management fees, and reserves for replacements and contingencies as a member of the Association, for regular annual assessments and for special assessments, and a lien shall attach upon the Lot owned by an Owner for such assessments. Further, an Owner who fails or refuses to pay such common expenses and assessments on a timely basis shall incur a late charge determined by the Board of up to ten percent of the unpaid assessment plus interest of one and one half percent per month beginning thirty days after the date due, plus costs and attorney fees incurred in collection.

IN WITNESS WHEREOF, the undersigned, as the Developer of the above described real estate, has hereunto caused his name to be subscribed this 21 day of AUGUST, 2001.

improvement to any lot or structure within this subdivision.

Each Owner or builder of a new home on a Lot shall submit a detailed landscape plan to the New Construction Committee, in conjunction with its application for initial approval, which plan shall include sodding the front yard of each residence and the side yards to the back line of the residence. The landscape plan shall be completed on or before the transfer of title of said Lot to the first occupant of such residence, or funding therefore shall be escrowed with an approved title company. A corner lot shall be considered to have two front yards. In the event that the owner's shall be considered to have two front yards. In the event that the owner's back yard lawn treatment does not result in full grass coverage within one year of initial occupancy, the Declarant may require the Owner to install sod in all areas of inadequate coverage.

Any exception as to method or timing of front yard treatment must be approved by the Developer in writing prior to beginning construction. In the event that title passes to a homeowner without meeting the above requirements, the homeowner and general contractor will become jointly responsible for meeting this requirement.

The Design Guidelines may establish special restrictions regarding fences for Lots adjacent to. or visible from, the lakes or the golf course.

- 10. INTERSECTION VISIBILITY. No fence, wall, hedge, shrub or planting which obstructs sight lines at elevations between two (2) and six (6) feet above the street, shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting points twenty-five (25) feet from the intersection of said street lines, or in the case of a rounded property corner, from the intersection of the street lines extended. The same sight line limitations shall apply to any Lot within ten (10) feet from the intersection of a street line with the edge of a driveway pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of the sight line.
- 11. LANDSCAPE EASEMENTS PRO RATA MAINTENANCE OPLICATION. If, for any reason, the Gray Eagle Homeowners Association would cease to exist or cease to function, the areas designated on the plat as Blocks, landscape easements or landscape and utility easements shall be maintained by the title owner of the Lot upon which the easement exists. Whosver has the maintenance responsibility herein detailed shall have the right of contribution to the extent of money so expended (including reasonable costs for administration), from each Lot owner on an equal proratable basis for all lots in all of the sections of this Subdivision. Each Lot owner's obligation may be collected in advance of the expenditure in a reasonable amount, shall mature thirty (30) days after the date of receipt of notice of his or her obligation, and shall draw interest at twelve percent (12%) per annum after the obligation matures with reasonable attorney fees if such services are required to secure payment.

MISCELLANEOUS PROVISIONS.

- a. Each residence shall have a single mailbox, standardized in size, appearance and color, according to the Design Guides, and maintained in good condition at all times. The size, design and color shall be specified by the Declarant and shall be purchased, installed and maintained by the Homeowner.
- b. Each residence shall have at least one coach light attached and hard wired to the garage and/or the front entry of the house which is illuminated by a photo cell, as set forth in the Design Guidelines, which shall be

The term "firearms" includes bows and arrows, slingshots, "B-B" guns, pellet guns, and other firearms of all types, regardless of size. Notwithstanding anything to the contrary contained herein or in the By-Laws, the Association shall not be obligated to take action to enforce this Section.
- i. Some of the lots in this Community will have frontage on the Gray Eagle Golf Course. All of the provisions of Article XIII and any other applicable sections of the Master Declaration will apply to these lots, including the license and easements under Sections 13.4 and 13.5 and the waiver of liability under Section 13.6. Further, owners of lots adjoining the golf course may have special restrictions regarding fencing, lighting, noise and other matters which could affect the use and enjoyment of the golf course, and matters relating to lawn treatment, landscaping and other matters affecting maintenance of the golf course.
- 13. SWIMMING POOLS, HOT TUBS AND OTHER STRUCTURES. No above ground swimming pools shall be erected, constructed or installed on any Lot. Below ground pools, hot tubs, spae, jacuzzie or similar water recreational facilities may be installed with prior approval of the Architectural Control Committee. The Committee may consider lot size and available room on the lot for such facilities as one of its considerations. The Committee may impose a fencing requirement for such facilities which is greater than what is required by governmental entities.

Any attached garage, tool shed, storage building or any other attached building erected or used as an accessory to a residence shall be of a

- 15. USE OF THE LAKES. Only Lots with frontage one of the Lakes shall have a right to use the Lake for fishing purposes, and only from within the property lines of their lot. The lakes shall not be used for swimming, boating or other uses not permitted by the Association, and no person shall have a right to use the lakes for any purpose from the common area, easements benefitting the Association or from the public rights of way.
- 16. <u>DURATION OF COVENANTS</u>. These covenants and restrictions shall run with the land and shall be binding upon all persons or entities from time to time having any right, title or interest in the Real Estate, or any part thereof, and on all persons or entities claiming under them, until twenty (20) thereof, and on all persons or entities claiming under them, until twenty (20) years after the date of recording hereof. After the initial 30 years, these years after the date of recording hereof. After the initial 30 years, these periods of ten (10) years each, unless prior to the commencement of any such extension period, by a vote of at least sevency percent (70%) of the then owners of the Lots in Cottonwood Creek at Gray Eagle Subdivision, it is agreed that said covenants and restrictions shall terminate in whole or in part, provided, however, that no termination of said covenants and restrictions shall affect any easement hereby created and reserved unless all persons entitled to the beneficial use of such easement shall consent thereto.

Lot owners may amend thase covenants in whole or in part by an affirmative vote of 70% of the Lot Owners. No amendment to these covenants may be made without Developer's approval and consent, until the Developer has sold all of the lots in any section of this Subdivision. Any amendment or termination shall be evidenced by a written instrument, signed by the Lot owner or owners concurring therein, which instrument shall set forth facts sufficient to indicate compliance with this paragraph and shall be recorded in the office of the Recorder of Hamilton County, Indiana.

17. ENFORCEMENT. Violation or threatened violation of these covenants and restrictions shall be grounds for an action by Developer, any person or entity having any right, title or interest in the Real Estate (or any part thereof), or any person or entity having any right, title or interest in a Lot in the Subdivision and all persons or entities claiming under them, against the person or entity violating or threatening to violate any such covenants or the person or entity violating or threatening to violate any such covenants or damages or other sums due for such violation, injunctive relief against any such violation or threatened violation, declaratory relief, and the recovery such violation or threatened violation, declaratory relief, and the recovery

of costs and attorneys' fees incurred by any party successfully enforcing these covenants and restrictions; provided, however, that the Developer shall not be liable for damages of any kind to any person for failing to enforce or carry out such covenants or restrictions.

The Board shall have the authority to assess a fine or penalty, not exceeding fifty dollars (\$50) per incident, against any Owner violating the Covenants and Rescrictions in these Plat Covenants or in the Declaration or any rule established by the Board. A continuing violation may be assessed an additional fine, not exceeding fifty dollars (\$50) each week until corrected, at the discretion of the Board. Any such fine will be considered to be a special assessment against the Owner and the Owner's Lot or Unit, and collectable as provided in Section 11.9 of the Master Declaration.

- 18. <u>SEVERABILITY</u>. Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions.
- 19. DECLARATION. A Declaration of Covenants and Restrictions for the entire Gray Eagle Community and establishing the rights and obligations of the Gray Eagle Homeowners Association, Inc. was recorded in the office of the Recorder of Hamilton County. Indiana on April 7, 1998 as Instrument No. 98-17791. Every Owner of a Lot in Cottonwood Creek at Gray Eagle will automatically be and become a member of the Gray Eagle Homeowners Association. Every Owner will be required to pay all duly established annual and special assessments, including temporary assessments in the event that the annual assessment is not timely established All unpaid assessments will become a lien on the Owner's Lot, which may be foreclosed pursuant to the procedures established in the Declaration. No Owner may exempt himself or herself from the obligation to pay assessments by abandoning the Lot, the common areas or otherwise.

In the event that the Declaration is invalidated for any reason, every Owner nevertheless assumes a responsibility for a pro-rate portion of all common expenses, including maintenance, taxes, insurance, legal, accounting, management fees, and reserves for replacements and contingencies as a member of the Association, for regular annual assessments and for special assessments, and a lien shall attach upon the Lot owned by an Owner for such assessments. Further, an Owner who fails or refuses to pay such common expenses and assessments on a timely basis shall incur a late charge determined by the Board of up to ten percent of the unpaid assessment plus interest of one and one half percent per month beginning thirty days after the date due, plus costs and attorney fees incurred in collection.

IN WITNESS WHEREOF, the undersigned, as the Developer of the above described real estate, has hereunto caused his name to be subscribed this 21 37 day of AUGUST , 2001.
