

PROTECTIVE COVENANTS

The undersigned, owners of the above described real estate, hereby certify that they do lay off, plat and subdivide the same in accordance with this plat and certificate.

This subdivision shall be known and designated as "Executive Estates, First Section", an addition in Hamilton County, Indiana.

The streets, if not heretofore dedicated, are hereby dedicated to the public.

All lots in this subdivision and all improvements thereon shall be classified as, and shall conform to the requirements specified for, a 51 Residence District to the Zoning Ordinance of Carmel, Indiana, -1959, as amended, but wherever the requirements of such classifications are inconsistent with or exceeded by the following provisions hereof, the following provisions shall govern.

There are strips of ground 10 & 20 feet in width as shown on this plat and marked drainage and utility strips which are hereby reserved for the use of public utilities, not including transportation companies, for the installation and maintenance of poles, mains, ducts, drains, lines and wires, subject, at all times to the proper authorities and to the easements herein granted and reserved. No permanent structures are to be erected or maintained upon said utility easements. Owners of lots in this subdivision shall take title, subject to the rights of the public utilities, said rights also including the right of ingress, and egress, in, along, across and through said utility easements, and to the rights of owners of the other lots in this addition.

Building set-back lines are hereby established on this plat, between which lines and the property lines of the streets, shall be erected or maintained no building or structure. No structure shall be constructed that does not provide a 30 foot rear yard.

No building structure or accessory building shall be erected closer to the side of any lot than 10 feet. However, any proposed construction closer than 15 feet to the side of any lot must be approved by the Building Committee where buildings are erected on more than one single lot, this restriction shall apply to the side lines of the extreme boundaries of the multiple lots.

All lots in this subdivision shall be known and designated as residential lots. No structure shall be erected, altered, placed or permitted to remain on any residential lot herein, other than one detached single-family dwelling not to exceed two and one-half stories in height, and private garage for not more than 3 cars and residential accessory buildings.

The ground floor area of the main structure, exclusive of one-story open porches and garages, shall not be less than 1900 sq. ft. in the case of a one-story structure, nor less than 1200 sq. ft. in the case of a multiple story structure, provided no structure of more than one-story shall have less than an aggregate of 2000 sq. ft. of finished and liveable floor area.
