Special Note

Some of this subparagraph is a direct result of Assurances given by Declarant to the City of Franklin in zoning Cause No. PC2002-43 set out in full in recorded minutes of such proceedings dated April 28, 2003 which is incorporated herein by reference.

(i) "Common Areas" denominated by such title on recorded plats of this community and will ultimately be transferred in legal title to the HOA by the Declarant and thereafter be commonly owned by the HOA Members. Common areas limited in use to less than all of the owners are labeled "Limited Common Area." Illustrative of same are areas totally surrounded by lots and not accessible to dedicated streets. All other common areas not labeled Limited Common Areas are general common areas available to all lot owners in the project.

The HOA at all times herein has rights as respects these common areas to regulate the use thereof, to make and/or remove improvements thereon, including but not limited to landscaping, to provide utilities thereto with the attendant responsibility to care for and maintain same.

Illustrative of such areas are detention ponds and surrounding designated realty. IN NO EVENT DOES THIS OBLIGATION AS RESPECTS THE DETENTION PONDS REQUIRE A CERTAIN WATER LEVEL TO BE MAINTAINED THEREIN.

The Declarant expects to convey legal title to Common Areas to the HOA as soon after the Applicable Date as any mortgage thereon is satisfied in full but reserves the right to transfer such title earlier in Declarant's sole discretion. The Board, after the initial Board is replaced, is empowered to accept title subject to a mortgage if it is satisfied with assurances of payment thereof by Declarant.

(j) "Common Expenses" shall refer to expenses of administration of the HOA and for their exercised rights and obligations detailed in the Definitions "Common Areas" and Maintenance Expense Areas and shall also include the cost of overseeing areas designated on recorded plats of the Cumberland Commons Community labeled "open space" preservation areas."

(l) "Conceptual Site Plan" (Exhibit D), the Conceptual Site Plan, the Exhibit A, Exhibit B, and Exhibit C real estate for the initial and possible final Cumberland Commons Community. Declarant reserves the right to relocate and/or reconfigure the detention ponds and

open space and/or open space preservation areas shown on Exhibit D as precise engineering for the site may dictate.

(m) "Declarant"/"Developer" shall mean and refer to Meadows at Simon Farms Development, Inc., an Indiana corporation, and any successors and their assigns whom it designates in one or more written recorded instruments to have the rights of Declarant hereunder, including, but not limited to, any mortgagee acquiring title, to any portion of the Real Estate pursuant to the exercise of rights under, or foreclosure of, a mortgage executed by Declarant;

(n) "Dwelling Unit" shall refer to a single free-standing residential structure on an individual or multiple lots;

(o) "Initial Tract" the Exhibit A real estate to be platted as Cumberland Commons Section One.

(p) "Lot" means any plot of ground designated as such upon the recorded Final Plat of Cumberland Commons Section One, and upon which one (1) Dwelling Unit is constructed or is to be constructed. When Lot is used it shall be deemed to include the Dwelling Unit, if any, located thereon;

(q) "Maintenance Expense Areas." Certain aesthetic, informational and other amenities influenced by the natural features of the Real Estate have been used in the development design to differentiate this community from other communities. As a consequence thereof, easement areas or improvements in dedicated rights-of-ways have or will be created shown on recorded plats that reserve to the HOA certain rights and/or responsibilities. Illustrative of some is the care and maintenance of the 8 foot wide walking paths around the detention pond in the northwest portion of Section One and also the one side of Cumberland Drive with its complement of landscaping and mounding and, if the next section of the project is developed, a like walking path running east-west, on one side of a proposed street as depicted on Exhibit E (Cumberland Commons - Section One), possible signage and utilities for landscaping and signage in such areas, including but not limited to both ends of the north entry to Cumberland Drive as shown on Exhibit D and at the northeast entry to the Exhibit C reality on Harvest Ridge Circle at the east property line of the Exhibit C reality, with the title and ownership of any such signage being in the name of the HOA. The cost of any such care, replacement and maintenance shall be included in the definitions of "Common Expenses."

(r) "Member" means a Member of the Association.

(s) "Mortgages" shall mean and refer to the holder of a recorded first mortgage lien on a Lot or Dwelling Unit;

(t) "Open Space Areas/Open Space Preservation Areas," In addition to the detention ponds being open space areas, other space labeled as noted is contemplated, some of which will be limited common area with others being restricted to preserve open space on portions of platted lots.

(u) "Owner" shall mean and refer to the record Owner, whether one or more Persons, of the fee simple title to any Lot, but in any event shall not include or mean or refer to a

Section 12. Bond. The Board of Directors may provide surety bonds and may require the Managing Agent (if any), the treasurer of the Association, and such other officers as the Board deems necessary, to provide surety bonds, indemnifying the Association against larceny, theft, embezzlement, forgery, misappropriation, wrongful abstraction, wilful misapplication and other acts of fraud or dishonesty, in such sums and with such sureties as may be approved by the Board of Directors and any such bond shall specifically include protection for any insurance proceeds received for any reason by the Board. The expense of any such bonds shall be a Common Expense.

Section 13. Initial Management. Notwithstanding anything to the contrary contained in this Declaration, Declarant shall have, and Declarant hereby reserves to itself, the exclusive right to manage or designate a Managing Agent for the Rent Estate and Common Areas, and to perform all the functions of the Association, until the Applicable Date. Declarant may, at its option, engage a Managing Agent affiliated with it to perform such functions and, in either case, Declarant or such Managing Agent shall be entitled to reasonable compensation for its services.

ARTICLE VII

ARTICLE VIII

VERSUS LOT OWNERS' MAINTENANCE, ETC. OBLIGATIONS**

Section 1. **Homeowners' Obligations.** Maintenance of the Common Area, unless the same is otherwise the responsibility or duty of Owners of Lots shall be provided by the Corporation, however, this duty shall not include or be deemed or interpreted as a requirement that the Corporation, the Board or any Managing Agent must provide any on-site or roving guards, security service or security system.

The Declarant Developer made assurances as part of the zoning pursuit through the City of Franklin, Indiana in case #PC2002-43, which if the entire project was developed (as generally depicted on Exhibit E), that the project would have a minimum of open space of 15 acres. Some of the open areas are retention ponds and surrounding acreage; others are open areas (not part of platted lots), a future playground and green park area and open areas by preservation easements located within the perimeter of platted lots.

Re: Detention Ponds. Cumberland Commons Section One has retention ponds on either side of Cumberland Drive and, along with access really surrounding same, are common areas. The Retention Pond in the north west portion only will be surrounded by an 8 foot wide walking trail to be installed by the Declarant but maintained by the HOA. Other Retention Ponds that may be installed as the project develops will be likewise designated as common area and maintained by the HOA.

Re: Additional Walking Trail. If the next phase south of Section One is developed and made subject to this Declaration, the Declarant will install (within right-of-way) a walking trail 8 foot wide running east-west on one side of a collector street in which event the maintenance thereof is in the HOA and is a common expense.

Re: Boulevard Mounding, Landscaping and 8 Foot Walkway. As each Section of this project is developed, the Declarant shall install (within the right-of-way of Cumberland Drive) on one side thereof, an 8 foot wide hard surface walk with complementary mounding and landscaping to effect a boveloved appearance. The obligations to maintain same is in the HOA and shall include weather treatment to such surface as the HOA shall reasonably determine giving due regard to its financial ability to react.

All walking trails aforesaid shall be subject to the Rules and Regulations of the HOA.

Re: Playground and Open Park. If the area immediately south of Section One is developed and made subject to this Declaration, the Declarant will install all playground and open park area as generally depicted on Conceptual Site Plan (Exhibit E). The Declarant shall secure and place thereon playground equipment to be owned by the HOA. All of the above is to be completed within one (1) year of the plat recording date for the Section including this area. This area is also a "Common Area" with the obligation of maintenance and if necessary replacement of equipment to be in the HOA all as common expenses hereunder. Use of the above is subject to Rules and Regulations of the HOA.

Re: Open Areas &/or Open Space Areas (not within platted [redacted]) No such areas are contemplated within Section One but some with the word "welland" (herein are contemplated as the project is developed, all as shown on the Conceptual Site Plan Exhibit E. These are common areas to be maintained by the HOA, but are limited common areas limited in their use to surrounding lot owners subject to Rules and Regulations of the HOA.

Re: Open Space Preservation Areas. Some of these areas exist in Section One while others are contemplated as the project is developed. These areas are NOT common areas but are to be restricted by easements so as to remain preserved open areas with the removal or placement of any plantings, structures, etc., subject to the approval of the Architectural Control Committee. The HOA has overseeing responsibilities for these spaces but no maintenance obligation as the duty to manue the areas will repose in the lot owner involved. The HOA overseeing obligation is a common expense. Since title remains in the lot owner, use thereof within the confines of a lot inure to the applicable Lot owner subject to Rules and Regulations specifically adopted for these areas by the HOA.

Section 2. Maintenance of Individual Lots. Except as otherwise noted, each Owner shall be responsible for maintaining and keeping his Lot and all improvements thereon not provided by the Association in a good, clean and sanitary condition, with an appearance which is complementary to the Subdivision. If any Owner shall fail to maintain and keep his property or any part thereof in a good, clean and sanitary condition with an exterior appearance up to the general standards of the Cumberland Commons Subdivision, the Corporation may perform any work necessary and charge the Owner thereof for such cost which shall be immediately due, and shall be secured by the Corporation's lien on the Owner's property in like manner to liens created for Assessments hereunder. Each Owner, by his acceptance of a deed to any Lot, irrevocably grants to the Corporation, its agents and employees, the right to enter upon, across and over the Lot owned by such Owner under such conditions as are reasonably necessary to effect the maintenance, cleaning, repair or other work permitted herein.

Section 3. Damage to or Abuse of Common Area. If, due to the willful, intentional or negligent acts or omissions of an Owner, or of a member of the Owner's family, or of a guest, tenant, or invitee or other occupant or visitor of the Owner, damage is caused to Common Areas or repairs and maintenance are accelerated relative to the Association's obligations and some maintenance or repairs are required, the Owner shall be required to pay for such damage. Upon demand by the Board, the cost of such repairs shall be immediately due and payable, and if not paid, a lien in like manner to the lien under Assessments may attach to the Owner's property, and costs of collection and reasonable attorney fees shall be added to any judgment entered on behalf of the Corporation.

Section 4. Access to Lots and Easements. The authorized representatives of the Declaration, the Association, the Board and the Managing Agent for the Association (if any) shall be entitled to reasonable access to any Lot as may be required in connection with maintenance, repairs or replacements of or to the Common Areas and items, including, but not limited to, access to any easements reserved, granted or created by any Cumberland Commons subdivision plat or of any portion of the Real Estate for such purposes.

ARTICLE IX

ARCHITECTURAL STANDARDS

THIS ARTICLE SHALL NOT APPLY TO THE ACTIVITIES OF THE DECLARANT, NOR TO CONSTRUCTION OR IMPROVEMENTS OR MODIFICATIONS TO THE COMMON AREAS BY OR ON BEHALF OF THE ASSOCIATION.

THIS ARTICLE MAY NOT BE AMENDED WITHOUT THE DECLARANT'S WRITTEN CONSENT SO LONG AS THE DECLARANT OWNS ANY LAND SUBJECT TO THIS DECLARATION.

Section 1. Architectural Control Committee. There shall be, and hereby is, created and established the "Cumberland Commons Architectural Control Committee" ("Committee") which shall have exclusive jurisdiction over all construction on any portion of the Properties **UNTIL 100% OF THE PROPERTIES HAVE BEEN DEVELOPED AND CONVEYED TO PURCHASERS** in the normal course of development and sale, the DECLARANT or not more than five, nor less than three, persons designated by it, **SHALL CONSTITUTE THE COMMITTEE AND SHALL SERVE AT THE DISCRETION OF THE DECLARANT**. THERE SHALL BE NO SURRENDER OF THIS RIGHT PRIOR TO THAT TIME EXCEPT IN A WRITTEN INSTRUMENT IN RECORDABLE FORM EXECUTED BY THE DECLARANT. After the sale of 100% of the Properties, the Committee shall be a standing committee of the Association, consisting of not more than five, nor less than three, persons as may, from time to time, be provided in the Bylaws. If the Bylaws do not at any time provide for the Committee, then the Board shall be and constitute the Committee.

Section 2. Approval Process. The Committee has prepared and promulgated, on behalf of the Board of Directors, design and development guidelines and application and review procedures. Copies are on file in the office of the Declarant (or the Association, as the case may be) which are incorporated into this Declaration by reference. The guidelines and procedures shall be those of the Association, and the Committee shall have sole and full authority to prepare and to amend them. It shall make the guidelines and procedures available to Owners, builders, and developers who seek to engage in development of or construction, modification, addition or alteration made on or to any existing structure, upon all or any portion of the Properties and such Owners and builders shall conduct their operations strictly in accordance therewith. The Committee, or its designee, must give written approval for any building contractor selected by the Lot Owner for construction.

Prior to any construction on any Lot, the approval of the Committee must be obtained after written application has been made to the Committee by the Owner of the Lot requesting

authorization from the Committee. Such written application shall be made in the manner and form prescribed from time to time by the Committee in its guidelines and procedures which will contain requirements to promote the standard of quality of workmanship and design and harmony of external design with existing structures, location in relation to surrounding structures, topography and finish grade elevation as determined by the Committee.

Section 3. Power of Disapproval. The Committee may refuse to grant permission to construct, place or make the requested improvement, when:

- (a) the plans, specifications, drawings or other material submitted are, themselves, inadequate or incomplete, or show the proposed improvement to be in violation of these Declarations, the plat restrictions or any rules, regulations or guidelines adopted by the Committee;
- (b) the design or color scheme of a proposed improvement or the materials proposed to be used are not in harmony with the general surroundings of the Lot or with adjacent buildings or structures in the sole opinion of the Committee;
- (c) the proposed improvement, or any part thereof, would, in the sole opinion of the Committee, be contrary to the interest, welfare or rights of all or part of other Owners; or
- (d) the removal or placement of landscaping or structures in the open space preservation easements.

Section 4. Duties of Committee. The Committee shall approve or disapprove proposed improvements within fifteen (15) calendar days after all required information shall have been submitted to it. One copy of submitted material shall be retained by the Committee for its permanent files. All notifications to applicants shall be in writing, and in the event that such notification is one of disapproval, it shall specify the reason or reasons therefor. In the event that the Committee fails to provide written notice of approval or to request written notice for additional information within 45 days after submission of all required or requested information, the plans shall be deemed and presumed denied.

Section 5. No Waiver of Future Approvals. The approval of the Committee of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such Committees, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

Section 6. Variances. The Committee may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and applicable zoning laws, ordinances and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) estop the Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the

issuance of any permit, the terms of any financing, or the initiation of work without the required approval of the Committee shall not be considered hardships warranting a variance.

Section 7. Compliance with Guidelines. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of the guidelines and procedures promulgated by the Committee may be excluded by the Board from the properties without liability to any person, subject to the notice and hearing procedures contained in the Bylaws. Further, if any approval required by this Declaration is not granted in writing with respect to any item prior to its installation, the respective Owner thereof shall remove promptly the unapproved item or structure, upon request by Declarant or the Association.

Section 8. Non-Liability of Declarant, Committee. Neither the Declarant nor the Committee shall be responsible in any way for any defect in any plans, specifications or other materials submitted to it, nor for any defects in any work done according thereto. Further, the Committee or the Declarant does not make, and shall not be deemed by virtue of any action of approval or disapproval taken by it to have made, any representation or warranty as to the substitutability or advisability of the design, the engineering, the method of construction involved, or the materials to be used or as to the compliance of any plans submitted for approval with these Restrictions, any recorded plat governing the Real Estate or any applicable code, regulation or law.

Section 9. Inspection. The Committee and the Declarant may inspect work being performed to assure compliance with these Restrictions, the plat restrictions and applicable regulations. However, neither the Committee, nor any Member thereof, nor the Declarant, nor any agent or contractor employed or engaged by the Committee or the Declarant, shall be liable or responsible for defects, nonconformity or deficiencies in any work inspected or approved by it or them, or on its or their behalf. Further, no such inspection or approval given by or on behalf of the Committee or the Declarant shall be taken or deemed to be or constitute a warranty or guarantee of the work so inspected or approved.

Section 10. No Compensation. Neither the Committee nor any of its Members shall be entitled to any compensation for performing its duties or obligations set forth in this Declaration.

ARTICLE X USE RESTRICTIONS/COVENANTS AND REGULATIONS

The following covenants and restrictions contained in Exhibit F attached and made a part hereof concerning the use and enjoyment of the Lots, Dwelling Units, Common Areas and Open Space Preservation Easements (Article VIII) are in addition to any other covenants or restrictions contained herein and in the Final Plat(s) of Cumberland Commons. All such covenants and restrictions are for the mutual benefit and protection of the present and future Owners and shall run with the land and future to the benefit of and are enforceable by an Owner, or by the Association. In addition to any other remedies herein provided, present or future Owners or the Association shall be entitled to injunctive relief against any violation or attempted violation of any such covenants and restrictions, and shall, in addition, be entitled to damages for any injuries

or losses resulting from any violations thereof including reasonable attorney fees, but there shall be no right or reversion or forfeiture resulting from such violation.

Notwithstanding anything to the contrary contained herein or in the Articles or By-laws, including, but not limited to, any covenants and restrictions set forth herein or otherwise, Declarant shall have the right to use and maintain any Lots and Dwelling Units owned by Declarant in and on the Real Estate (other than individual Dwelling Units and Lots owned by persons other than Declarant), all of such number and size and at such locations as Declarant in its sole discretion may determine, as Declarant may deem advisable or necessary in its sole discretion to aid in the construction of Dwelling Units and the sale of Lots and Dwelling Units or for the conducting of any business or activity attendant thereto, including, but not limited to model Dwelling Units, storage areas, construction yards, signs, construction offices, sales offices, management offices and business offices. Declarant shall have the right to relocate any or all of the same from time to time as it desires. Declarant shall have the right to remove the same from the Real Estate and Additional Property at any time.

ARTICLE XI ASSESSMENTS

Section 1. *Annual Accounting.* Annually, after the close of each fiscal year of the Association and prior to the date of the annual meeting of the Association next following the end of such fiscal year, the Board shall cause to be prepared and furnish the Owners with a financial statement of operations by the Association, which statement shall show all receipts and expenses received, incurred and paid during the preceding fiscal year.

Section 2. *Proposed Annual Budget.* Annually, on or before the date of the annual or special meeting of the Association at which the budget is to be acted upon, the Board of Directors shall cause to be prepared a proposed annual budget for the next ensuing fiscal year estimating the total amount of the Common Expenses for such next ensuing fiscal year and shall furnish a copy of such proposed budget to each Owner at or prior to the time the notice of such annual or special meeting is mailed or delivered to such Owners. The annual budget shall be submitted to the Owners at the annual or special meeting of the Association for adoption and, if so adopted, shall be the basis for the Regular Assessments (hereinafter defined) for the next ensuing fiscal year. At such annual or special meeting of the Owners, the budget may be approved in whole or in part or may be amended in whole or in part by a majority vote of the eligible Owners represented at such meeting; provided, however, that in no event shall such annual or special meeting of the Owners be adjourned until an annual budget is approved and adopted at such meeting, either the proposed annual budget or the proposed annual budget as amended. The annual budget, the Regular Assessments and all sums assessed by the Association shall be established by using generally accepted accounting principles applied on a consistent basis. The annual budget and the Regular Assessments shall, in addition, be established to include the establishment and maintenance of a replacement reserve fund for capital expenditures and replacement and repair of the Common Areas, which replacement reserve fund shall be used for those purposes and not for usual and ordinary repair expenses of the Common Areas. Such replacement reserve fund for capital expenditures and replacement repair of the Common Areas shall be maintained by the Association in a separate interest bearing account or accounts with one or more banks; or savings and loan associations authorized to conduct business in Johnson

County or Marion County, Indiana selected from time to time by the Board. The failure or delay of the Board of Directors to prepare a proposed annual budget and to furnish a copy thereof to the Owners shall not constitute a waiver or release in any manner of the obligations of the Owners to pay the Common Expenses as herein provided, whenever determined. Whenever, whether before or after the annual or special meeting of the Association at which the budget is to be acted upon, there is no annual budget approved by the Owners as herein provided for the current fiscal year, the Owners shall continue to pay Regular Assessments based upon the last approved budget or, at the option of the Board, based upon one hundred and one hundred ten percent (110 %) of such last approved budget, as a temporary budget.

Section 3. Regular Assessments. The annual budget as adopted by the Owners shall, based on the estimated cash requirement for the Common Expenses in the fiscal year covered thereby as set forth in said budget, contain a proposed assessment against each Lot, which shall be the same amount for each Lot, provided, immediately following the adoption of the annual budget, each Owner shall be given notice of the assessment against his respective Lot (herein called the "Regular Assessment"). In the event the Regular Assessment for a particular fiscal year is initially based upon a temporary budget, each Regular Assessment shall be revised, within fifteen (15) days following adoption of the final annual budget by the Owners, to reflect the assessment against each Lot based upon such annual budget as finally adopted by the Owners. The aggregate amount of the Regular Assessments shall be equal to the total amount of expenses provided and included in the final annual budget, including reserve funds as hereinabove provided. The Regular Assessment against each Lot shall be paid in annual installments payable in advance by a date specified by the Board which date shall not be earlier than fifteen (15) days after the written notice of such Regular Assessment is given to the Owners. Payment of the Regular Assessment, whether in one payment or in any other manner, shall be made to the Board of Directors or the Managing Agent, as directed by the Board of Directors.

In the event the Regular Assessment for a particular fiscal year of the Association was initially based upon a temporary budget,

- (a) if the Regular Assessment based upon the final annual budget adopted by the Owners exceeds the amount of the Regular Assessment based upon the temporary budget, that portion of such excess applicable to the period from the first day of the current fiscal year to the date of the next payment of the Regular Assessment which is due shall be paid with such next payment and such next payment, and all payments thereafter during such fiscal year, whether annual or quarterly, shall be increased so that the Regular Assessment as finally determined shall be paid in full by the remaining payments due in such fiscal year, or
- (b) if the Regular Assessment based upon the temporary budget exceeds the Regular Assessment based upon the final annual budget adopted by the Owners, such excess shall be credited against the next payment or payments of the Regular Assessment coming due, whether annual or quarterly, until the entire amount of such excess has been so credited; provided, however, that if an Owner had paid his Regular Assessment in full in advance, then the adjustments set forth under (a) above or (b) shall be made by a cash payment by, or refund to, the Owner or the first day of the second month following the determination of the Regular Assessment based upon the annual budget finally adopted by the Owners. The Regular Assessment for each fiscal year of the Association shall become a lien on each separate Lot as of

the first day of each fiscal year of the Association, even though the final determination of the amount of such Regular Assessment may not have been made by that date. The fact that an Owner has paid his Regular Assessment for the current fiscal year in whole or in part based upon a temporary budget and thereafter, before the annual budget and Regular Assessment are finally determined, approved and adjusted as herein provided, sells, conveys or transfers his Lot or any interest therein, shall not relieve or release such Owner or his successor as Owner of such Lot from payment of the Regular Assessment for the Lot as finally determined, and such Owner and his successor as Owner of such Lot shall be jointly and severally liable for the Regular Assessment as finally determined. Any statement of unpaid assessments furnished by the Association pursuant to Section 2 of Article XII hereof prior to the final determination and adoption of the annual budget and Regular Assessment for the year with respect to which such statement is made shall state that the matters set forth therein are subject to adjustment upon determination and adoption of the final budget and Regular Assessment for such year, and all parties to whom any such statement may be delivered or who may rely thereon shall be bound by such final determinations. Annual or quarterly (if so determined by the Board) installments of Regular Assessments shall be due and payable automatically on their respective due dates without any notice from the Board or the Association, and neither the Board nor the Association shall be responsible for providing any notice or statements to Owners for the same. The initial Regular Assessment is \$150.00 per year (based on and proratable at \$12.50 per month) payable in advance.

(c) Declarant is not obligated for Regular Assessment nor shall Builders who purchase Lots for constructing residences thereon be obligated for Regular Assessment except such Builders will be excused from this obligation for a given Lot for a period of six (6) months from the date of the Builder securing title to said Lot.

Section 4. Special Assessments. From time to time Common Expenses of an unusual or extraordinary nature or not otherwise anticipated may arise. At such time and without the approval of the Owners, unless otherwise provided in this Declaration, the Articles, the Bylaws or the Act, the Board of Directors shall have the full right, power and authority to make special assessments which, upon resolution of the Board, shall become a lien on each Lot, but not on Lots owned by Declarant, pro rata in equal shares (herein called "Special Assessment"). Without limiting the generality of the foregoing provisions, Special Assessments may be made by the Board of Directors from time to time to pay for capital expenditures and to pay for the cost of any repair or reconstruction of damage caused by fire or other casualty or disaster to the extent insurance proceeds are insufficient therefore under the circumstances described in this Declaration. THE DECLARANT SHALL ONLY BE RESPONSIBLE FOR SPECIAL ASSESSMENTS AFTER THE "APPLICABLE DATE" OCCASIONED BY EXTRAORDINARY REPAIRS TO ORIGINALLY INSTALLED INFRASTRUCTURE, BUT SHALL NOT BE RESPONSIBLE FOR NEW INFRASTRUCTURE OR AMENITIES DESIRED BY OTHER OWNERS UNLESS DECLARANT SPECIFICALLY AGREES OTHERWISE IN WRITING.

Section 5. Failure of Owner to Pay Assessments.

(a) No Owner may exempt himself from paying Regular Assessments and Special Assessments, or from contributing toward the expenses of administration and of maintenance

and repair of the Common Areas and items deemed Maintenance Expense Areas for purposes of maintenance, and toward any other expense lawfully agreed upon, by waiver of the use or enjoyment of the Common Areas or by abandonment of the Lot belonging to him. Each Owner shall be personally liable for the payment of all Regular and Special Assessments against his Lot. Where the Owner constitutes or consists of more than one Person, the liability of such Persons shall be joint and several. Regular and special assessments should constitute a lien against the Lots and Dwelling Units thereon. If any Owner shall fail, refuse or neglect to make any payment of any Regular Assessments or Special Assessments against his Lot when due, the lien for such Assessment on the Owner's Lot and Dwelling Unit may be filed and foreclosed by the Board for and on behalf of the Association as a mechanic's lien on real property and enforced in like manner as mechanic liens. Upon the failure of an Owner to make timely payments of any such Regular Assessments or Special Assessments, when due, the Board may, in its discretion, accelerate the entire balance of the unpaid Assessments and declare the same immediately due and payable, notwithstanding any other provisions hereof to the contrary. The Board may, at its option, bring a suit to recover a money judgment for any unpaid Regular Assessment or Special Assessment without foreclosing (and without thereby waiving) the lien securing the same. In any action to recover a Regular Assessment or Special Assessment, or any other charges due the Association, whether by foreclosure or otherwise, the Board, for and on behalf of the Association, shall be entitled to recover from the Owner of the respective Lot and Dwelling Unit all of the costs and expenses of such action incurred (including but not limited to reasonable attorneys' fees), and interest from the date such Assessments or charges were due, until paid, at a rate equal to the "prime interest rate" then in effect as publicly announced or published by Bank One or its successors (or if said Bank is no longer in existence, then such rate charged by another national bank in Marion County, Indiana selected by the Board) plus 4% but in no event more than the maximum rate allowable under applicable usury laws.

(b) Notwithstanding anything contained in this Section or elsewhere in this Declaration, the Articles or the Bylaws, any sale or transfer of a Lot and Dwelling Unit to a Mortgagee pursuant to a foreclosure on its mortgage or conveyance in lien thereof, or a conveyance to any person at a public sale in the manner provided by law with respect to mortgage foreclosures, shall extinguish the lien of any unpaid installment of any Regular Assessment or Special Assessment or other charges as to such installments which became due prior to such sale, transfer or conveyance; provided, however, that the extinguishment of such lien shall not relieve the prior Owner from personal liability therefor. No such sale, transfer or conveyance shall relieve the Lot and Dwelling Unit or the purchaser at such foreclosure sale, or grantee in the event of conveyance in lien thereof, from liability for any installments of Regular Assessments or Special Assessments or other charges thereafter becoming due or from the lien therefor. Such unpaid share of any Regular Assessments or Special Assessments or other charges, the lien for which has been divested as aforesaid, shall, if not collected from the party personally liable therefor, be deemed to be a Common Expense, collectible from all Owners (including the party acquiring the subject Lot and Dwelling Unit from which it arose).

(c) In addition to the remedies above stated for failure to pay assessments, the Association may disqualify a delinquent Owner from his right to vote and to hold office or communities membership in the Association while Assessment are delinquent in addition to charging a late fee of \$5.00 per day of delinquency to among other things, cover the

administrative expenses of addressing the delinquency and also deny such Member the use of the Common Areas for a period not exceeding 60 days for each separate non-payment.

Section 6. Initial Budgets and Assessments. Notwithstanding anything to the contrary contained herein, in the Articles in the Bylaws, in the Act or otherwise, until the Applicable Date the annual budget and all Regular Assessments and Special Assessments shall be established by the Initial Board without meetings of or concurrence of the Owners. The agency, power of attorney and proxy granted to the Declarant by each Owner pursuant to Section 2 of Article V hereof shall be deemed to cover and include each Owner's right to vote on and approve the annual budget and any Regular Assessments and Special Assessments until the Applicable Date.

Further, until the Applicable Date and notwithstanding the foregoing or anything else contained herein, no Regular Assessments, Special Assessments or other charges shall be owed or payable by Declarant with respect to any Lot or other portion of the Real Estate owned by Declarant while the same is owned by Declarant, nor shall any such Assessments or Charges become a lien on any such Lot or other portion of the Real Estate owned by Declarant, nor shall any such Assessments or charges become a lien on any such Lot or other portion of the Real Estate owned by Declarant, except as specifically detailed in the last paragraph of subsection 3 herein. Assessments against a Lot shall commence to accrue from the date each Lot is conveyed by Declarant to another Person, and a prorated portion of the Regular Assessment for the balance of the fiscal year of the Association against each Lot so conveyed by Declarant shall be paid by each purchaser upon such conveyance.

Section 7. Initial Working Capital and Start-Up Fund. Upon the closing of the initial conveyance of each Lot by Declarant to another Person, the purchaser of such Lot shall pay to the Association, in addition to any other amount then owed or due to the Association, as a contribution to its working, capital and start-up fund, an amount equal to one-sixth (1/6th) of the then current annual Regular Assessment against such Lot, which payment shall be nonrefundable and shall not be considered as an advance payment of any Assessment or other charge owed the Association with respect to such Lot. Such working capital and start-up fund shall be held and used by the Association for payment of, or reimbursement to Declarant for advances made to pay expenses of the Association for its early period of operation of the Real Estate, to enable the Association to have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary by the Board.

ARTICLE XII MORTGAGES

Section 1. Notice to Association. Any Owner who places a first mortgage lien upon his Lot, or the Mortgagor, may notify the Secretary of the Association thereof and provide the name and address of the Mortgagor. A record of each such first mortgage, and name and address of the Mortgagor, shall be maintained by the Secretary and any notice required to be given to the Mortgagor pursuant to the terms of this Declaration, the Bylaws or otherwise shall be deemed effectively given if mailed to such Mortgagor at the address shown in such record or in the time provided. Unless notification of any such mortgage and the name and address of Mortgagor are furnished to the Secretary, either by the Owner or the Mortgagor, no notice to any Mortgagor as

may be otherwise required by this Declaration, the Bylaws or otherwise shall be required and no Mortgagor shall be entitled to vote on any matter to which he otherwise may be entitled by virtue of this Declaration, the Bylaws, a proxy granted to such Mortgagor in connection with the mortgage, or otherwise.

The Association shall, upon written request of a Mortgagor who has furnished the Association with its name and address as hereinabove provided, furnish such Mortgagor with written notice of any default in the performance by its borrower of any obligations of such borrower under this Declaration or the Bylaws which is not cured within sixty (60) days.

Section 2. Notice of Unpaid Assessments. The Association shall, upon request of a Mortgagor, a proposed mortgagor, or a proposed purchaser who has a contractual right to purchase a Lot, furnish to such Mortgagor or purchaser a statement setting forth the amount of the unpaid Regular Assessments or Special Assessments or other charges against the Lot, which statement shall be binding upon the Association and the Owner, and any Mortgagor or grantee of the Lot shall not be liable for nor shall the Lot conveyee be subject to a lien for any unpaid assessments or charges in excess of the amounts set forth in such statement except as such assessments may be adjusted upon adoption of the final annual budget, as referred to in Section 3 of Article XI hereof.

If the Board of Directors can obtain such

coverage for reasonable amounts they shall also obtain "all risk" coverage. The Board of Directors shall be responsible for reviewing at least annually the amount and type of such insurance and shall purchase such additional insurance as is necessary to provide the insurance required above. If deemed advisable by the Board, the Board may cause such full replacement value to be determined by a qualified appraiser. The cost of any such appraisal shall be a Common Expense. Such insurance coverage shall name the Association as the insured, for the benefit of each Owner (to the extent, if any, that individual Owners have an independent interest in the property covered thereby).

All proceeds payable as a result of casualty losses sustained which are covered by insurance purchased by the Association as hereinabove set forth shall be paid to it or to the Board of Directors. In the event that the Board of Directors has not posted surety bonds for the faithful performance of their duties as such Directors or if such bonds do not exceed the funds which will come into its hands, and there is damage to a part or all of the Common Areas resulting in a loss, the Board of Directors shall obtain and post a bond for the faithful performance of its duties in an amount to be determined by the Board, but not less than 1.50% of the loss, before the Board shall be entitled to receive the proceeds of the insurance payable as a result of such loss. The sole duty on the Board in connection with any such insurance proceeds shall be to receive such proceeds as are paid and to hold the same for the purposes elsewhere stated herein, and for the benefit of the Owners. The proceeds shall be used or distributed by the Association or the Board, as appropriate, only in accordance with the provisions of this Declaration.

Such master casualty insurance policy, and "all risk" coverage if obtained, shall (to the extent the same are obtainable) contain provisions that the insurer (a) waives its right to subrogation as to any claim against the Association, the Board of Directors, its agents and employees, Owners, their respective agents and guests, and (b) waives any defense based on the invalidity arising from the acts of the insured, and providing further, if the Board of Directors is able to obtain such insurance upon reasonable terms (i) that the insurer shall not be entitled to contribution against casualty insurance which may be purchased by individual Owners, and (ii) that notwithstanding any provision thereof giving the insurer an election to restore damage in lieu of a cash settlement, such option shall not be exercisable in the event the Association does not elect to restore.

Section 2. Public Liability Insurance. The Association shall also purchase a master comprehensive public liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time, but in any event with a minimum combined limit of \$1,000,000.00 per occurrence. Such comprehensive public liability insurance policy shall cover all of the Common Areas and shall insure the Association, the Board of Directors, Officers, any committee or organ of the Association or Board, any Managing Agent appointed or employed by the Association, the Declarant and all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the Real Estate, all Owners of Lots and all other persons entitled to occupy any Lot or Dwelling Unit. Such public liability insurance policy shall contain a "severability of interest" clause or endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association or other Owners.

Section 3. Other Insurance. The Association shall also obtain any other insurance required by law to be maintained, including but not limited to workers' compensation and occupational disease insurance, and such other insurance as the Board of Directors may from time to time deem necessary, advisable or appropriate, including but not limited to, liability insurance on vehicles owned or leased by the Association and officers' and directors' liability policies. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall insure to the benefit of each Owner, the Association, the Board of Directors and any Managing Agent acting on behalf of the Association. Each Owner shall be deemed to have delegated to the Board of Directors his right to adjust with the insurance companies all losses under the policies purchased by the Board of Directors the proceeds of which are payable to the Board or the Association.

Section 4. General Provisions. The premiums for all insurance hereinabove described shall be paid by the Association as part of the Common Expenses. Upon request of any Owner or Mortgagee whose interest may be affected thereby, the Association shall provide such Owner or mortgagee with a description of the insurance coverage maintained by the Association.

In no event shall any distribution of insurance proceeds be made by the Board of Directors directly to an Owner where there is a mortgage endorsement on the certificate of insurance or insurance policy as it applies to such Owner's share of such proceeds. In such event any remittances shall be to the Owner and his Mortgagee jointly. The same method of distribution shall also apply to the distribution of any condemnation awards in connection with any taking of any of the Common Areas. Notwithstanding the foregoing, under no circumstances shall any distribution of insurance proceeds or condemnation awards be made by the Association to any Owners or Mortgagors if to do so would be in violation of the Act or if the same would constitute a distribution of earnings, profits or pecuniary gain to the Members of the Association; in any such event, any such insurance proceeds or condemnation awards shall be retained by the Association for use in the payment of its expenses of operation.

Section 5. Insurance by Owners. Each Owner shall be solely responsible for and may obtain such additional insurance as he deems necessary or desirable, at his own expense, affording coverage upon his personal property, his Lot, his Dwelling Unit, the contents of his Dwelling Unit, his personal property stored anywhere on the Real Estate, and for his personal liability, but all such insurance shall contain the same provisions for waiver of subrogation as referred to in the foregoing provisions for the master casualty insurance policy to be obtained by the Association.

ARTICLE XIV

CASUALTY AND RESTORATION

In the event of damage to or destruction of any of the Common Areas due to fire or any other casualty or disaster, the Association shall promptly cause the same to be repaired and reconstructed. The proceeds of insurance carried by the Association, if any, shall be applied to the cost of such repair and reconstruction.

If the insurance proceeds, if any, received by the Association as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and reconstruction of

these areas, or in the event there are no insurance proceeds, the cost for restoring the damage and repairing and reconstructing these areas so damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if any) shall be assessed by the Association against all of the Owners in equal shares. Any such amounts assessed against the Owners shall be assessed as part of the Common Expenses and shall constitute a lien from the time of assessment as provided herein.

For purposes of this Article, repair, reconstruction and restoration shall mean construction or rebuilding the Common Areas and/or maintenance expense areas (if any) to as near as possible the same condition as they existed immediately prior to the damage or destruction and with the same architecture and materials.

Immediately after a fire or other casualty or disaster causing damage to any property for which the Board of Directors or Association has the responsibility of maintenance and repair hereunder, the Board shall obtain reliable and detailed estimates of the cost to replace the damaged property in a condition as good as that before the casualty. Such costs may include professional fees and premiums for such bonds as the Board of Directors desires or deems necessary.

Encroachments upon any Lot which may be created as a result of such reconstruction or repair of any of the Common Areas shall not constitute a claim or basis of a proceeding or action by the Owner upon whose Lot such encroachment exists, provided that such reconstruction was either substantially in accordance with the plans and specifications or as the Common Areas were originally constructed.

ARTICLE XV

AMENDMENT OF DECLARATION

Section 1. Generally. Except as otherwise provided in this Declaration, amendments to this Declaration shall be proposed and adopted in the following manner:

- (a) Notice. Notice of the subject matter of any proposed amendment shall be included in the notice of the meeting at which the proposed amendment is to be considered.

- (d) Adoption. Any proposed amendment to this Declaration must be approved by a vote of not less than seventy percent (70% in the aggregate of the votes of all Owners). In the event any Lot or Dwelling Unit is subject to a first mortgage, the Mortgagee shall be notified of the meeting and the proposed amendment in the same manner as an Owner if the Mortgagor has

given prior notice of its mortgage interest to the Board of Directors in accordance with the provisions hereof.

(e) Special Amendments. No amendment to this Declaration shall be adopted which changes (1) the applicable share of an Owner's liability for the Common Expenses, or the method of determining the same, or (2) the provisions of Article XIII of this Declaration with respect to casualty insurance to be maintained by the Association, or (3) the provisions of Article XIV of this Declaration with respect to reconstruction or repair of the Common Areas in the event of fire or any other casualty or disaster, or (4) the provisions of this Declaration establishing the Committee and providing for its functions, without, in each or any of such circumstances, the unanimous approval of all Owners and of all Mortgagees whose mortgage interests have been made known to the Board of Directors in accordance with the provisions of the Declaration.

(f) Recording. Each amendment to the Declaration shall be executed by the President and Secretary of the Association and shall be recorded in the office of the Recorder of Johnson County, Indiana, and such amendment shall not become effective until so recorded.

Section 2. Amendments by Declarant Only. Notwithstanding the foregoing or anything else contained herein, the Declarant shall have and hereby reserves the right and power acting alone and without the consent or approval of the Owners, the Association, the Board of Directors, any Mortgagees or any other Person to amend or supplement this Declaration at any time and from time to time if Declarant records the modification in the Office of the Recorder of Johnson County, Indiana, and if such amendment or supplement is made (a) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Association, the Department of Housing and Urban Development, the Veterans Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities, (b) to induce any of such agencies or entities to make, purchase, sell, insure or guarantee first mortgages covering Lots and Dwelling Units, (c) to bring this Declaration into compliance with any governmental requirements, (d) to comply with or satisfy the requirements of any insurance underwriters, insurance rating bureaus or organizations which perform (or may in the future perform) functions similar to those performed by such agencies or entities, to subject additional property to these restrictions, (f) to correct clerical or typographical errors in this Declaration or any Exhibit hereto or any supplement or amendment thereto, (g) to clarify, further define or limit any easement, or otherwise exercise any rights reserved herein, or (h) change the substance of one or more covenants, conditions, terms or provisions hereof, but (A) does not materially increase the obligation(s) of any Owner under any covenant, condition, term or provision without such Owner's consent or (B) is necessary to comply with a bona fide governmental requirement, including applicable laws, ordinances, regulations or orders of any municipality or court having jurisdiction. In furtherance of the foregoing, a power coupled with an interest is hereby reserved by (and granted by each Owner to) the Declarant to vote in favor of, make, or consent to any amendments described in this Section 2 or behalf of each Owner as proxy or attorney-in-fact, as the case may be. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Lot or Dwelling Unit and the acceptance thereof shall be deemed to be a grant and acknowledgement of, and a consent to the reservation of, the power to the Declarant to

vote in favor of, make, execute and record any such amendments. The right of the Declarant to act pursuant to rights reserved or granted under this Section 2 shall terminate at such time as the Declarant no longer holds or controls title to any part or portion of the Real Estate.

ARTICLE XVI

All present and future Owners, Mortgagors, tenants and occupants of the Lots and Dwelling Units, and other Persons claiming by, through or under them, shall be subject to and shall comply with the provisions of this Declaration, the Articles, the Bylaws and the rules, regulations and guidelines as adopted by the Board of Directors and (to the extent of its jurisdiction) the Committee, as each may be amended or supplemented from time to time. The acceptance of a deed of conveyance of the act of occupancy of any Lot or Dwelling Unit shall constitute an agreement that the provisions of this Declaration, the Articles, the Bylaws and rules, regulations and guidelines, as each may be amended, or supplemented from time to time, are accepted and ratified by such Owner, tenant or occupant, and all such provisions shall be covenants running with the land and shall bind any Person having at any time any interest or estate in an Lot or Dwelling Unit or the Real Estate, all as though such provisions were recited and stipulated at length in each and every deed, conveyance, mortgage or lease thereof. COVENANTS AND RESTRICTIONS OF
THE CUMBERLAND COMMONS COMMUNITY

Section 1. Declarant's and the Association's Right to Perform Certain Maintenance and Removal. In the event that any Owner of a Lot shall fail to maintain his Lot and any improvements, or remove any unauthorized item or structure, situated thereon in accordance with the provisions of these Restrictions and the provisions of any recorded plat of the Real Estate, the Declarant, until the Applicable Date, and, thereafter, the Association through its agents and employees or contractors, should have the right to enter upon said Lot and repair, mow, clean, remove or perform such other acts as may be reasonably necessary, to make such Lot and improvements situated thereon, if any, conform to the requirements of these Restrictions and the provisions contained in any such plat. The cost thereof to the Declarant or the Association shall be collected as a special assessment against such Owner and his Lot in the manner provided for herein for the collection of Common Expenses. Neither the Declarant nor the Association, nor any of its agents, employees or contractors, shall be liable for any damage which may result from any maintenance work performed hereunder.

Section 2. Ditches and Swales and Erosion Control. It shall be the duty of the Owner of any Lot, on which any part of an open storm drainage ditch or swale is situated to keep such portion thereof as may be situated upon his Lot continuously unobstructed (both by improvements and plant material) and in good repair, and to provide for the installation of such culverts upon said Lot as may be reasonably necessary. It shall be the duty of the Owner of any Lot to establish as needed and to maintain all erosion control on his or her respective Lot.

Section 3. Drilling. No oil or water drilling, oil development operations, oil refining, quarries or mining operations of any kind shall be permitted upon or in any Lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil, water or natural gas shall be erected, maintained or permitted on any Lot.

Section 4. Ground Elevations and Erosion Control. It shall be the Lot Owner's responsibility to maintain and comply with all building and site finish ground elevations and erosion control as finally required and approved by the City of Franklin, Indiana and the Department of Planning and Zoning as evidenced upon the final construction plans for the development of this subdivision.

Section 5. Insurance Impact. Nothing shall be done or kept by an Owner in any Dwelling Unit, or on any Lot, or on any of the Common Areas, which will cause an increase in the rate of insurance on any Common Areas. No Owner shall permit anything to be done or kept in his Dwelling Unit or on his Lot which will result in a cancellation of insurance on any part of the Common Areas, or which would be in violation of any law or ordinance or the requirements of any insurance underwriting or rating bureau.

Section 6. Landscape Easements. There are strips and areas of ground shown titled as various easements on the Final Plat for the Real Estate which are hereby reserved for the use

of owners of lots to the extent and limited for the purposes set forth in the Declaration and for the use of Declarant and Association for the installation, maintenance, repair and replacement of the matters detailed in Item 10) requiring maintenance. Except as installed and maintained by lot owners, pursuant to the requirements of the Declarations, or by Declarant and the Association, no permanent or other structure (except walls, sidewalks and fences otherwise permitted hereby or by the Declarant and approved by the Committee) shall be erected or maintained on said strips and areas by the owner of any lot subject to any such "Landscape Basement", and the owners of such lots affected by any such "Landscape Basement" shall take and hold title to their lots subject to the foregoing rights of the Declarant and the Association and shall not do or permit to be done anything which will obstruct or interfere with or remove any installations or landscaping made by the Declarant or Association in any such "Landscape Basement". The foregoing grant of rights to the Declarant shall not impose an obligation on the Declarant to undertake such maintenance unless it elects to do so.

Section 7. Maintenance of Lots and Improvements. It shall be the responsibility of each Owner to prevent the occurrence of any unclean, unhealthy, unsightly, or unkempt condition on his or her Lot. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken on any part of the Properties. No waste shall be committed in any Dwelling or on any Lot. Each Owner shall:

- (a) Remove all debris or rubbish;
- (b) Prevent the existence of any other condition that reasonably tends to detract from or diminish the aesthetic appearance of the Real Estate;
- (c) Cut down and remove dead trees;
- (d) Where applicable, prevent debris and foreign material from entering drainage areas; and
- (e) Keep the exterior of all improvements in such a state of repair or maintenance as to avoid their becoming unsightly.

Section 8. Occupancy and Residential Use of Partially Completed Dwelling House Prohibited. No Dwelling Unit constructed on any of the Lots shall be occupied or used for residential purposes or human habitation until it shall have been substantially completed. The determination of whether the Dwelling Unit shall have been substantially completed shall be made by the Committee and such decision shall be binding on all parties, however, if an Occupancy Permit from government is involved the issuance thereof shall be deemed substantial completion.

Section 9. Occupants Bound. All provisions of this Declaration, Bylaws and of any rules and regulations or use restrictions promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all occupants, guests and invitees of any Owner. Every Owner shall cause all occupants of his or her Lot to

comply with the Declaration, Bylaws and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations and losses to the Common Areas caused by such occupants, notwithstanding the fact that such occupants of a Lot are fully liable and may be sanctioned for any violation of the Declaration, Bylaws and rules and regulations adopted pursuant thereto.

Section 10. Quiet Enjoyment. No portion of the Properties shall be used, in whole or in part, for the storage or any property or thing that will cause it to appear to be in an unclean, or unidy condition or that will be obnoxious to the eye, nor shall any substance, thing, or material be kept upon any portion of the Properties that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious, illegal, or offensive activity shall be carried on upon any portion of the Properties. For greater clarification, no Owner shall knowingly or willfully make or create any unnecessary, excessive or offensive noise or disturbance which destroys the peace, quiet and/or comfort of the Owners or allow any such noise or disturbance to be made on his or her Lot, including any noise by the use of musical instruments, radio, television, loud speakers, electrical equipment, amplifiers or other machines or equipment. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way obnoxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Properties. No outside burning of wood, leaves, trash, garbage or household refuse shall be permitted within the Properties. Also, excessive grass clippings from the mowing of lawns or other lawn/tree rubbish will not be allowed to be left on any street within the development.

Section 11. Residential Use. The Properties shall be used only for single family residential purposes, provided, however, that such restriction shall not apply to any Lot or part thereof or any other part of the Properties at any time owned by the Association which constitutes a part of the Common Areas and upon which no Dwelling Unit is located.

Section 12. Business Use. No garage sale, moving sale, rummage sale or similar activity and no trade or business may be conducted in or from any Lot, except that an Owner or occupant of a Lot may conduct business activities within the Unit so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Unit; (b) the business activity conforms to all zoning requirements for the Properties; (c) the business activity does not involve persons coming onto the Properties who do not reside in the Properties or door to door solicitation of residents of the Properties; and (d) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Board.

Section 13. Firearms. The discharge of firearms within the Properties is prohibited. The term "Firearms" includes bows and arrows, slingshots "B" guns, pellet guns, paint ball guns and other firearms of all types, regardless of size. Notwithstanding anything to the contrary, contained herein or in the Bylaws, the Association shall not be obligated to take action to enforce this Section.

Section 14. Tents, Trailers and Temporary Structures. Except as may be permitted by the Declarant or the Committee during initial construction within the Properties, no tent,

utility shed, shack, trailer or other structure of a temporary nature shall be placed upon a Lot or the Common Maintenance Areas. Notwithstanding the above, party tents or similar temporary structures may be erected for special events for a period not longer than 48 hours unless otherwise consented to by the Board of Directors of the Declarant.

Section 15. Model Homes. No Owner of any Lot shall build or permit the building upon his Lot or any dwelling house that is to be used as a model home or exhibit house without permission to do so from the Declarant.

The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time; (ii) such activity is intended to or does generate a profit; or (iii) a license is required therefor. Notwithstanding the above, the leasing of a Lot shall not be considered a trade or business within the meaning of this section. This section shall not apply to any activity conducted by the Declarant or a builder approved by the Declarant with respect to its development and sale of the Properties or its use of any Lots which such entity owns within the Properties.

Section 16. Non-Applicability to Association. Notwithstanding anything to the contrary contained herein, the covenants and restrictions set forth in this Exhibit shall not apply to or be binding upon the Association in its ownership, management, administration, operation, maintenance, repair, replacement and upkeep of the Common Areas to the extent the application thereof could or might hinder, delay or otherwise adversely affect the Association in the performance of its duties, obligations and responsibilities as to the Common Areas.

Section 17. Sales Office.
