DECLARATION OF  
COVENANTS, CONDITIONS AND RESTRICTIONS  
OF  
DELAWARE TRAILS CROSSING

THIS DECLARATION, made on the date hereinafter set forth by G & L DEVELOPMENT CORP. (hereinafter called "Declarant"), an Indiana corporation, having its principal office at 3510 E. 96th Street, Indianapolis, Indiana 46240.

WITNESSETH:

WHEREAS, Declarant is the owner of certain real estate in Indianapolis, County of Marion, State of Indiana, which is more particularly described on Exhibit "A" (subject to certain rights-of-way, easements, restrictions and Commitments of record), attached hereto and made a part hereof. The real estate described on Exhibit "A" is hereinafter called Delaware Trails Crossing or "Properties"; and

WHEREAS, Declarant intends to develop the Properties by subdividing the Properties into "Sections" that are to be used for residential purposes and will contain common area real estate that is owned by a homeowners association to which the owner of a dwelling in the Properties must belong and pay lien-supported maintenance assessments; and

WHEREAS, the subject of this Declaration consists of Section One of Delaware Trails Crossing. The legal description of Section One of Delaware Trails Crossing is described in Exhibit B, attached hereto and by this reference incorporated herein, and consists of a maximum of seven (7) Lots as more particularly defined in the Conditional Final Plat of the Lots in Section One approved by the Plats Committee of the Department of Metropolitan Development and recorded in the Office of Recorder of Marion County, Indiana as Instrument No. \_\_\_\_\_; and

WHEREAS, it is the intent of Declarant that there shall be a maximum number of seventy-two (72) Lots within the Properties described in Exhibit A subject to expansion provisions hereinafter defined. Further, an Association, Delaware Trails Crossing, Inc., shall manage the Common Area, Limited Common Area and Recreational Common Area, and the Association shall establish the budgeting and assessment procedures for the use and maintenance thereof. In addition, the Association shall handle the billing and collection of assessments for maintenance and

replacement of the Common Area, Limited Common Area and Recreational Common Area; and

WHEREAS, prior to the conveyance of any Lot in the Properties to an Owner, Declarant intends to record a final plat and convey that part of the Section, exclusive of such Lot or Lots as hereinafter defined, for the common use and enjoyment of the Owners (subject to the terms of this Declaration), which portion of the Properties shall hereinafter be called "Common Area", "Limited Common Area", and "Recreational Common Area"; and

WHEREAS, at the time of the conveyance of any Lot in a Section to an Owner, the Declarant intends to make available the common amenities of the Properties that are built in that Section, and at time of completed development, the entire Properties described in Exhibit "A", excluding the Lots shall be conveyed without cost or charge to the Association; and

WHEREAS, inasmuch as the Declarant, by this Declaration, is committing only Section One containing not more than seven (7) Lots on 2.777 acres in the plat of Delaware Trails Crossing, Section One, the annexation of all or any part of the additional Sections contained in Exhibit "A" may be automatically included within this Declaration by a simple Amendment to the Declaration as executed and recorded by Declarant, and such action shall require no approvals or other action by either the Owner or the Board of Directors or the members of the Association, as hereinafter more particularly defined. Provided, however, the total land area described in Exhibit "A" shall contain not more than a maximum of seventy-two (72) Lots; and

WHEREAS, simultaneous with the conveyance of any Lot in any Section of development of the Properties to an Owner, the Declarant shall convey the Common Area, Limited Common Area and Recreational Common Area to the Association as designated within each final plat of the Section of the Properties for the use and enjoyment of the Owners (subject to the terms of this Declaration), which Common Area, Limited Common Area and Recreational Common Area will be more specifically identified and described in the final plats of each Section of Delaware Trails Crossing; and

WHEREAS, as each Section is developed in Delaware Trails Crossing containing Recreational Common Area, if any, such Recreational Common Area shall be conveyed with the recreational improvements planned therein in accordance with the sales schedule hereinafter set forth for their mutual use and enjoyment.

NOW, THEREFORE, Declarant hereby declares that all of the real estate described on Exhibit "A" (subject to previously noted exceptions) shall be held, sold and conveyed subject to the

dimensions of the structure by one (1) inch; and shall include the Lot's side in the instance of an attached dwelling of one-half (1/2) of any party wall dividing a dwelling structure on a Lot from any other dwelling structure or Lot. Additionally, each Lot may include a "patio" area and/or balcony or porch on the Properties contiguous and appurtenant to the aforementioned Lot. Further, the Final Plat of each Section may include for each platted Lot in each Section, areas specifically reserved for landscape gardening, storage and such other uses specifically authorized by the Association.

Section 7. "Dwelling" shall mean and refer to a single family residence erected on a Lot within the Project Real Estate.

Section 8. "Common Area" shall mean all the real estate (including improvements thereto) owned by the Association for the common use and enjoyment of the Owners. Common Area shall include the "Initial Common Area" and the "Final Common Area" as hereinafter defined in Sections 10 and 11, respectively.

Section 9. "Limited Common Area" shall mean all the real estate (including improvements thereto) owned by the Association but restricted in use to the Lot appurtenant thereto such as patios, driveways, parking areas and storage areas and other similar uses, and more particularly identified by designation on the Final Plat of each Section.

Section 10. "Initial Common Area" shall include all the real estate (including improvements thereto) contained within a Section excepting the Lots therein and shall be conveyed to the Association as soon as the Dwelling on the last Lot within each Section is built thereon. Such Initial Common Area, located within each Section, is illustrated on the Final Plat of each Section.

Section 11. "Final Common Area", if any, shall include all the real estate (including improvements thereto described in Exhibit "A", including lake and all other amenities other than Initial Common Area, located within each Section, as described on the recorded Final Plat documents for each Section. The Final Common Area shall be available to each Lot Owner as he purchases a Lot.

Section 12. "Recreational Common Area" means any amenities built and maintained for the mutual use and enjoyment of the Owners in Delaware Trails Crossing, which shall be owned and maintained by the Association, as hereinafter defined.

following easements, restrictions, covenants and conditions, which are for the purpose of protecting the value and desirability of, and which shall run with, the real estate and be binding on all parties having any right, title or interest in the described Properties and/or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof.

Section 4. "Properties" shall mean and refer to the certain real estate described on Exhibit "A" (subject to easements servicing the Properties), except streets, and such additions thereto as may hereafter be brought within the jurisdiction of the Association.

Section 5. All Sections of development shall be placed or record no later than five (5) years from date of recording this Declaration. Declarant has planned a maximum of seventy-two (72) detached or attached Dwellings, or a combination of both, on Lots within the Properties. Each Lot shall contain a single family residential dwelling. Each Lot shall contain an area which exceeds the exterior face of the foundation wall

ARTICLE II  
Property Rights

Section 1. Owner's Easements of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

a) The right of the Association to suspend the voting rights and right to the use of the recreational facilities, if any, by an Owner for any period during which any assessment against his Lot remains unpaid; and for a period not to exceed sixty (60) days for any infraction of the Association's published rules and regulations;

b) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument signed by two-thirds (2/3) of each Class Member agreeing to such dedication or transfer has been recorded and Mortgagees' rights are complied with as set forth in Article VIII, below.

c) The right of individual Owners to the exclusive use of parking spaces as provided in this Article.

Section 2. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Area to the members of his family, his tenants, guests or contract purchasers who reside on a Lot.

Section 3. Parking Rights. Ownership of each Lot shall entitle the Owner or Owners thereof to the use of one or more parking spaces, in the area of the common drive immediately outside the Lot's garage facility, together with the right of ingress and egress in and upon said parking space. The parking space shall be in addition to the garage space and shall be permanently designated by the Association for the exclusive use of the Owner of the Lot or his guest or invitee as Limited Common Area. Additional parking spaces may be provided as part of the Common Area for the use of the guests or invitees of the Owners. The Association may restrict the Owners' rights to use any additional parking spaces not specifically designated for the Owners' use.

Section 4. Title to Initial Common Area. The Declarant shall convey the Initial Common Area in a Section to the Association at the time of the first conveyance of a Lot in the Section, such conveyance to be subject to taxes for the year of

conveyance, to restrictions, conditions, limitations and easements of record and public utilities.

Section 5. Title to Final Common Area. The Declarant shall convey the Final Common Area, if any, (other than Common Area previously conveyed) to the Association, in fee simple absolute at the time of the final platting of all Lots on the Properties; such conveyance to be subject to taxes for the year of conveyance, and to restrictions, conditions, limitations and easements of record.

ARTICLE III  
Membership and Voting Rights

Section 1. Every Owner of a Lot which is subject to assessment, and defined in Article IV, Section 1, shall be a member of the Association. For purposes of determining classes of membership, a Class A Member shall be the Owner of any conveyed Lot containing a Dwelling, and a Class B Member shall be the Owner of any unconveyed, platted or unplatted, Lot, and each reference to a Lot in Section 2(a), 2(b) or 2(c) of this Article shall be deemed to be a conveyed Lot containing a Dwelling or an unconveyed, platted or unplatted, Lot, respectively.

Section 2. The Association shall have two (2) classes of Membership:

(a) Class A. Every person, group of persons or entity, other than the Declarant, who is a record Owner of a fee interest in any Lot which is or becomes subject, by covenants of record, to assessment by the Association, shall automatically be a Class A Member; provided, however, that any such person, group of persons or entity who holds such interest solely as security for the performance of an obligation shall not be a Member. A Class A Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership. In the event that more than one person, group of persons or entity is the record owner of a fee interest in any Lot, then the vote for the membership appurtenant to such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot. In the event agreement is not reached, the vote attributable to such Lot shall not be cast.

(b) Class B. The Class B Member shall be the Declarant and shall be entitled to three (3) votes for each platted and unplatted Lot owned. For purposes of determining voting rights and duties, it shall be assumed there is a total of seventy-two

900080848

(72) platted and unplatted Lots within the Properties and Declarant shall have the automatic right to plat and record Sections, not to contain in excess of seventy-two (72) Dwellings without the consent or approval of the Association or any other person, firm or corporation. The Class B Membership shall cease and be converted to a Class A Membership on the happening of either of the following events, which ever occurs earlier:

i) Whenever the total votes outstanding of Class A Membership equal the total votes outstanding in Class B Membership, or

ii) Five (5) years from date of recording this Declaration, in the event all the Lots have not been conveyed to the Owners or the Class B Memberships have not been surrendered by the then holders thereof for cancellation on the books of the Association. In this latter event, Class B Memberships shall automatically terminate and become Class A Memberships, excepting there shall be no assessments on undeveloped Lots but Declarant shall bear the burden of maintenance, property taxes and liability insurance thereon.

iii) During the development of Delaware Trails Crossing, the Association shall be operated and controlled by Declarant. The Board of Directors shall consist of persons appointed by Declarant, and each Owner shall give and shall be deemed to have given to Declarant an irrevocable proxy to vote on any and all matters on which the Owners are entitled to vote under this Declaration or under the Articles of Incorporation or the By-Laws of the Association. The control of the Association shall be transferred to the Owners no later than the earlier of the following dates:

- a) One hundred twenty (120) days after the date on which a total of seventy-five percent (75%) of the Lots have been conveyed to Owners; or
- b) Five (5) years from date of recording this Declaration.

The irrevocable proxy in Declarant shall terminate as of the date of such transfer.

ARTICLE IV  
Covenant For Maintenance Assessments  
Class A & Class B Members

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

All sums assessed by the Association shall be established by using generally accepted accounting principles applied on a consistent basis and may include the establishment and maintenance of a replacement reserve fund for capital expenditures and replacement and repair of the Common Areas and facilities, which funds shall be used for those purposes and not for usual and ordinary expenses of the Common Areas and facilities. This fund for capital expenditures shall be maintained in a separate interest bearing account with a bank or savings and loan association authorized to conduct business in the county in which the Association is established. The accountant selected to initially set up the books of account shall determine the appropriate allocation of assessments between usual and ordinary expense and the replacement reserve fund.

Inasmuch as the annual budget for usual and ordinary expenses of the Association may have a deficit until all Lots are platted, assessments during the build-out period shall be paid to Declarant and Declarant shall be financially responsible to pay all deficits in Association operating expenses until Class B Memberships become Class A Memberships as above defined. Declarant, however, shall not be required to pay assessments on unplatted Lots until such time as these Lots are platted and dwellings erected thereon and the Common Areas within such plats are conveyed to the Association and the Association assumes the obligation of taxes, insurance and maintenance.

The annual and special assessments, together with interest, costs and reasonable attorney's fees from date of delinquency in payment thereof, shall be a charge on the Lot and shall be a continuing lien upon the property against which each such assessment is made subordinated only to the lien of a first mortgage, real property taxes and assessments for municipal improvements. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in

title unless expressly assumed by them, but such delinquent accounts shall remain a lien upon the Lot subject to foreclosure.

Section 2. Purpose of Assessments. The assessments levied by the Association on a Lot shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area, and of the Dwellings situated upon the Properties.

Section 3. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein, shall commence as to all Lots as of date of transfer of title. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessment on a Lot is binding upon the Association on the date of its issuance.

Section 4. Uniform Rates of Assessment. Both annual and special assessments shall be fixed at a uniform rate for all Lots. Annual assessments may be paid on a monthly, quarterly, semi-annual or annual basis, but, if paid on other than an annual basis, default in the payment of any one installment, shall cause the entire unpaid assessment for the year in which the delinquency occurs to become immediately due and payable

Section 5. Maximum Annual Assessment. Until June 30, 1991, the maximum annual assessment shall be Nine Hundred Dollars (\$900.00) payable in monthly increments of Seventy-Five Dollars (\$75.00). Thereafter, annual assessments shall be established by the Board of Directors as set forth in Section 3, above. However, any increases shall be documented by normal accounting procedures and distributed to the Membership to demonstrate that such increases are attributable to increases in operating expenses and no portion of such increases shall inure to the benefit of the Declarant and the monies received shall be entirely expended on Association expense.

(a) In the event that the amounts actually expended by the Association for Common Expenses in any fiscal year exceed the

amounts budgeted and assessed for Common Expenses for that fiscal year, the amount of such deficit shall be carried over and become an additional basis for Assessments for the following fiscal year, except that so long as the Declarant controls the Association, Declarant shall be responsible for such deficit. Thereafter, such deficit may be recouped either by inclusion in the budget for Annual Assessments or by the making of one or more Special Assessments for such purpose, at the option of the Association. In the event that the amounts budgeted and assessment for Common Expenses in any fiscal year exceed the amount actually expended by the Association for Common Expenses for that fiscal year, a pro-rata share of such excess shall be a credit against the Assessments(s) due from each Owner for the next fiscal year(s), in such amounts as the Board of Directors shall deem appropriate.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment per Lot may be increased above the maximum percentage determined in Paragraph a) of this Section by a vote of two-thirds (2/3) of the Class A Members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment per Lot at an amount not in excess of the maximum.

Section 6. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area not funded by the replacement reserve fund, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of Class A Members.

Section 7. Notice and Quorum for any Action Authorized Under Sections 5 and 6. Written notice of any meeting called for the purpose of taking any action authorized under Sections 5 or 6 shall be sent to all Class A and Class B Members not less than fifteen (15) days nor more than thirty (30) days in advance of the meeting. At the first such meeting called, the presence of Class A and Class B Members or of proxies entitled to cast seventy-five percent (75%) of all the votes of the Class A and Class B Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment for a Class A or Class B Membership not paid within thirty (30) days after the due date shall become delinquent. If an assessment is not paid within thirty (30) days after the due date, the assessment shall bear a late charge of one and one-half per cent (1-1/2%) per month. The Association may bring an action at law against the Owner personally obligated to pay the same and foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area, Limited Common Area, Recreational Common Area, or abandonment of his Lot. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for in this Article shall be subordinate to the lien of a first mortgage, real property taxes and assessments for municipal improvements. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Ownership. Ownership in the Common Area, Limited Common Area and Recreational Common Area shall vest in the Association as each Section therein is platted in the following manner:

(a) Each Owner shall have an undivided interest in the Common Area, Limited Common Area and Recreational Common Area with all other Owners equal to his Lot's Percentage Interest. Title to the Common Area, Limited Common Area and Recreational Common Area shall be conveyed to the Association for the uses and purposes set forth in this Declaration. Each Lot's Percentage Interest in the Common Area, Limited Common Area and Recreational Common Area shall be determined in accordance with the following formula.

(b) If the Property consists only of Section One, each Lot's Percentage Interest shall be that as each Lot bears to all Lots in the Section. If any additional Sections are annexed, as permitted and contemplated by this Declaration, upon execution of the applicable Amendment to the Declaration, the Percentage Interest of each Lot in the Section or Sections which are a part of the Properties prior to such annexation will automatically reduce in accordance with the formula. The Owners of Lots in the Section or Sections which are a part of the Properties prior to

such annexation shall automatically receive a Percentage Interest in the Common Area, Limited Common Area and Recreational Common Area of such Section of the additional Section being annexed, the precise Percentage Interest to be determined and designated in the Amended Declaration of annexation.

(c) The Percentage Interest appurtenant to each Lot shall be the Percentage Interest in the Properties allocable to the Owner thereof in all matters with respect to the Properties. Each Owner of a Lot shall be a member of the Association and shall be entitled to one vote per Lot.

As each Section is developed, Declarant shall record an Amendment to the Declaration as hereinbefore described annexing and adding such Section to this Declaration making it a part of the Delaware Trails Crossing development. Each Owner, by acceptance of a deed to a home, acknowledges, consents and agrees as to each Amendment to the Declaration that is recorded as follows:

(a) The Section described in each Amendment to the Declaration shall be governed in all respects by the provisions of this Declaration.

(b) Common Area, Limited Common Area and Recreational Common Area shall automatically be conveyed to the Association.

(c) The recording of an Amendment to the Declaration shall not alter the amount of the lien for Common Expenses assessed to a Lot prior to such recording.

(d) Each Owner, by acceptance of the deed conveying his Lot, agrees for himself and all those claiming under him, including mortgagees, that this Declaration and each Amendment to the Declaration is and shall be deemed to be in accordance with the law and, for the purposes of this Declaration, any changes in the conveyance of additional Common Area, Limited Common Area and Recreational Common Area to the Association resulting from an Amendment to the Declaration and additional platting shall be deemed to be made by agreement of all Owners.

(e) Each Owner agrees to execute and deliver any documents as are necessary or desirable to cause the provisions of this paragraph to comply with the law as it may be amended from time to time.

Section 11. Real Estate Taxes. Real estate taxes are to be separately taxed to each Lot. Real estate taxes upon Common Area, Limited Common Area and Recreational Common Area shall be paid by Declarant until such time as they are transferred in title to the Association who thereafter shall pay such taxes.

Section 12. Utilities. Each Owner shall pay his own utilities which are separately metered. Utilities which are not separately metered shall be treated as and paid as part of the common expenses in each Section unless otherwise agreed by a majority of the Owners of each Section.

ARTICLE V  
Exterior Maintenance, Insurance and Taxes

Section 1. Exterior Maintenance. In addition to maintenance upon the Common Area, including private drives and signs, the Association shall provide exterior maintenance upon each Lot which is subject to assessment hereunder, as follows: paint, repair, replacement and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, walks and other exterior improvements. Such exterior maintenance shall not include glass surfaces, doors and windows. In the event the need for maintenance or repair of a Lot or the improvement thereon is caused through the willful or negligent act of its Owner, or through the willful or negligent act of the family, guests or invitees of the Lot needing such maintenance or repair, the cost of such exterior maintenance shall be added to and become a part of the assessment to which such Lot is subject. Any additions, improvements, structures, fencing or landscaping authorized by the Declaration, Bylaws and Rules and Regulations of the Association shall be separately maintained by that Lot Owner and not by the Association unless otherwise agreed to by the Association.

Section 2. Insurance. The Board of Directors, in behalf of the Owners through the Association of Owners, shall purchase a master liability policy in an amount required by the Bylaws or revised from time to time by a decision of the Board of Directors, which policy shall cover the Association of Owners, the executive organ, if any, the management agent, if any, all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the Properties, all Owners and all other persons entitled to occupy any attached or detached Dwelling or other portions of the Properties. Such other policies as may be required in the interest of the Owners and the Association may be obtained by the Board of Directors for the Association, including, without limitation, workmen's compensation insurance, liability insurance on motor vehicles owned by the Association, and specialized policies covering lands or improvements on which the Association has or shares ownership or other rights and officers' and directors' liability policies.

Owners shall purchase and maintain fire and extended coverage insurance on every dwelling in an amount equal to the full replacement value of the improvements. Such insurance shall contain a replacement cost endorsement and inflation guard endorsement (if

obtainable).

When any policy of insurance has been obtained by or on behalf of the Association, written notice of the obtainment thereof and of any subsequent changes therein or termination thereof shall be promptly furnished to each Owner or mortgagee whose interest may be affected thereby by the officer required to send notices of meetings of the Association.

In case of fire or any other casualty or disaster, other than complete destruction of all buildings containing the Dwellings, the improvements shall be reconstructed and the insurance proceeds applied to reconstruct the improvements.

In the event of complete destruction of all of the buildings containing Dwellings, the buildings shall not be reconstructed, except as otherwise provided, and the insurance proceeds, if any, shall be divided among the Owners and/or their Mortgagees proportionately according to the fair market value of all the Dwellings immediately before the casualty as compared with all other Dwellings, and the property shall be considered as to be removed from this Declaration unless by a vote of two-thirds (2/3) of all of the Owners a decision is made to rebuild the buildings, in which case the insurance proceeds shall be applied and any excess of construction costs over insurance proceeds shall be contributed as provided herein in the event of less than total destruction of the buildings.

A determination of total destruction of the buildings containing Dwellings shall be determined by a vote of two-thirds (2/3) of all Owners at a special meeting of the Association called for that purpose.

Where the improvements are not insured or where the insurance proceeds are not sufficient to cover the cost of repair or reconstruction and the Property is not to be removed from this Declaration, the Owners shall contribute the balance of any such costs in the percentage by which an Owner owns an undivided interest in the Common Area and facilities as expressed in the Declaration plus an equitable allocation of the sales price of each Dwelling destroyed as compared to the total cost of replacement of all destroyed buildings. Such amount shall be assessed as part of the common expense and shall constitute a lien from the time of assessment.

If it is determined by the Owners not to rebuild after a casualty or disaster has occurred, then in that event:

(a) The property shall be deemed to be owned in common by all Owners;

Also, the Owners causing restoration shall be entitled to all costs, including reasonable attorneys' fees, from an adjoining property wall Owner who fails to pay his contributive share.

Section 2. Rights of First Refusal. No first mortgagee, its successor or assign, of a Lot who comes into possession of that Lot pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, a deed or assignment taken in lieu of foreclosure shall be subject to any rights of first refusal which the Owner may have given to the Association or other Owners of the Lots.

- (a) Foreclose or take title to a Lot pursuant to the remedies provided in the mortgage or
- (b) Accept a deed or assignment in lieu of foreclosure in the event of default by the Owner, or
- (c) Sell or lease a Lot acquired by such mortgagee.

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Properties of Common Area or improvements located thereon which are owned directly or indirectly by the Association for the benefit of the Lots. The granting of easements for public utilities or for other public purposes consistent with the intended use of the Properties by the Association shall not be deemed a transfer within the meaning of this clause.

(b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot or Owner.

(c) By act or omission, change, waive or abandon any scheme of regulation or enforcement thereof pertaining to the architectural design or exterior appearance of the Dwellings on Lots, the exterior maintenance of the Dwellings on Lots, the maintenance of party walls or common fences, driveways or the upkeep of lawns and plantings in the Properties.

First mortgagees of Dwellings may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Area or Limited Common Area and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such Common and Limited Common Area and first mortgagees making such payments shall be owed immediate reimbursement therefor from the Association. Entitlement to such reimbursement shall be reflected in an agreement in favor all first mortgagees duly executed by the Association, and an original or certified copy of such agreement shall be possessed by the Seller.

Section 6. Insurance Proceeds and Condemnation Awards. No provision of the constituent documents shall give a Lot or Dwelling owner or any other property, priority over any rights of first mortgagees of Dwellings within the Properties pursuant to their mortgages in the case of a distribution to Lot or Dwelling Owners of insurance proceeds or condemnation awards for losses to or a taking of Common Area, Limited Common Area or Recreational Common Area.

Except for original construction or as otherwise in these covenants provided, no building, fence, sidewalk, drive, walk, or other structure shall be erected, placed, altered or maintained upon the Properties nor shall any exterior addition to or change (including any change in color) or alteration therein be made until the proposed building plans, specifications, exterior color and finish, plot plans (showing the proposed location of such building or structure, drives and parking areas), general contractor and all subcontractors, and construction schedule shall have been submitted to and approved in writing by the Board of Directors of the Association, or by any architectural control committee composed of not less than three (3) members appointed by said Board of Directors. Refusal of approval of plans, location or specification by said Board of Directors or architectural control committee may be based upon any ground, including, without limitation, lack of harmony of external design, color, location or relation to surrounding structures and topography and purely aesthetic considerations which, in the sole and uncontrolled discretion of said Board of Directors or architectural control committee shall seem sufficient. No alterations may be made in such plans after approval by the Board of Directors or architectural control committee is given except by and with their prior written consent. One copy of all plans, specifications and related data shall be furnished the Board of Directors or architectural control committee for its records. In

the event the Board of Directors, or its designated committee, fails to approve or disapprove such design and location with thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this article will be deemed to have been fully complied with. Notice of disapproval shall be by certified mail, return receipt requested and if service is refused, then notice shall be given personally or by First Class U.S. Mail.

Section 2. Fences. Except for original construction, no fence, hedges or wall shall be constructed upon the Properties without the prior written approval of the Architectural Control Committee.

Section 3. Prohibited Uses and Nuisances. Except for the activities of the Declarant during original construction:

(b) The maintenance, keeping, boarding and/or raising of animals, livestock or poultry of any kind, regardless of number, shall be and is hereby prohibited on any Lot or within any Dwelling situated upon the Properties, except that this shall not prohibit the keeping of dogs, cats and/or caged birds or other unobjectionable domestic pets provided they are not kept, bred or maintained for commercial purposes.

(c) No burning of any trash and no accumulation or storage of litter, new or used building materials, or trash of any kind shall be permitted on any Lot.

(d) Except as herein elsewhere provided, no junk vehicles, motorcycles, commercial vehicles, trailer trucks, campers, camp trucks, house trailers, boats or the like, shall be kept upon the Properties (except in enclosed garages) nor (except for bona fide emergencies) shall the repair or extraordinary maintenance of automobiles or other vehicles be carried out thereon. The Association may, in the discretion of its Board of Directors, provide and maintain a suitable area designated for the parking of such vehicles or the like.

(e) Trash and garbage containers shall not be permitted to remain in public view except on days of trash collection.

(f) In order to facilitate the free movement of passing vehicles, no automobiles belonging to Owners shall be parked on the paved portion of any joint driveway or private streets,

except during bona fide emergencies.

(g) No sound hardwood trees measuring in excess of three (3) inches in diameter two (2) feet above the ground shall be removed from any portion of the Properties without written approval of the Association acting through its Board of Directors or duly appointed committee.

(i) Except for entrance signs, directional signs, community "theme structures" and the like, no signs of any character shall be erected, posted or displayed upon, in or about any Lot situated upon the Properties, provided, however, if specifically permitted by a written resolution adopted by the Board of Directors.

(j) No structure, planting or other material other than driveways or sidewalks shall be placed or permitted to remain upon any portion of the Properties which may damage or interfere with any easement for the installation or maintenance of utilities, or which may change, obstruct or retard direction or flow of any drainage channels.

(k) Garage doors and the doors of any other storage room or the like shall be maintained in a closed position when not being used for immediate ingress and egress.

(l) No outside television or radio aerial or antenna, or other aerial, antenna or satellite dish for reception or transmission shall be maintained upon any Lot without the prior written consent of the Board of Directors unless such structure is a part of the basic design of a Dwelling or group of Dwellings.

(m) There shall be no violation of any rules for the Common Area, Limited Common Area and Recreational Common Area, which may from time to time be adopted by the Board of Directors or promulgated among the membership by them in writing, and the Board of Directors is hereby and elsewhere in the Bylaws, authorized to adopt such rules.

(n) In addition to the foregoing restrictions, all restrictions of the Plat as to the use of the Properties are incorporated by reference herein as restrictions of this Declaration.

(o) The Property shall be developed and used only for single family detached or attached residential uses and for the use and maintenance of non-commercial recreational facilities constructed as an amenity to and owned in common by the owners of single family residences thereon.

(p) No more than seventy-two (72) single family detached or attached dwelling units shall be constructed upon the Properties; however, it is permitted that amenities may be constructed so long as such facilities are not made available for public use.

(q) Each dwelling unit shall be separately platted in such a manner as will permit it to be individually sold as a part of a permanent home community.

Section 4. Right of Association to Remove or Correct Violations of this Article. The Association may, in the interest of the general welfare of all the Owners of the Lots and after reasonable notice to the Owner, enter upon any Lot or the exterior of any Dwelling at reasonable hours on any day for the purpose of removing or correcting any violations or breach or any attempted violation of any of the covenants and restrictions contained in this Article, or for the purpose of abating anything herein defined as a prohibited use or nuisance, provided, however, that no such action shall be taken without a resolution of the Board of Directors of the Association or by an architectural control committee composed of three (3) or more members appointed by the Board.

Section 5. Perpetual Easement for Encroachments. If any portion of the common area shall encroach upon any Lot, or if any Lot or any improvement, building, overhang, fixture or other structure or improvements of whatever type shall for any reason encroach upon any other Lot or upon any portion of the Common Area as a result of the construction of the building or improvements, a valid, perpetual easement for the encroachment and for its maintenance is retained by the Declarant for its benefit and for the benefit of the Association and any Owner of a Lot whose Lot is affected thereby and shall exist perpetually. In the event the building or the improvement shall be partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, and then rebuilt, any resulting encroachment shall be permitted, and a valid easement for such encroachments is hereby reserved by the Declarant for its benefit and for the benefit of the Association and any Owner of a Lot whose Lot is affected thereby and shall exist perpetually. An easement is further granted to all emergency vehicles and personnel including police, fire protection, ambulances and utilities to enter upon the streets and Common Area in the performance of their duties.
