

EAGLE VILLAGE

SECTION ONE

DESCRIPTION OF EAGLE VILLAGE, SECTION ONE:

I, the undersigned, Furthermore (Name) formerly, owner of the above described real estate, do hereby certify that we have sold off, platted and subdivided the same into lots in accordance with the above plan.

This subdivision shall be known and designated as EAGLE VILLAGE, SECTION ONE, being located in Homestead County, Indiana. All streets not heretofore established are dedicated to the public.

Front yard set back lines, and side yard set back lines or corner lots are to be as shown on the plan, between which lines and the property lines of the adjacent lots there shall be no building or structures erected or maintained.

"Public easements" as shown shall be reserved for the use of the public utilities for the installation of water, sewer, gas, tile, and/or electric lines, poles, ducts, pipes etc., as may, under, and to paid assessments for legal public use. These easements are not for the use of and shall not be used for high voltage electric transmission lines or high pressure liquid transmission pipe lines, except by written permission of the owners of the land at the time said transmission line is to be constructed.

12. REMOVAL OF HIL AND APRONS - Except this subsection, the elevation of a drainage Canal construction or the Environment Canal and such construct

13. MAINTENANCE of the road, road and lot lot, and agree of construction, in connection with of earth, so as to maintainable manner

DESCRIPTION OF SUBDIVISION, SECTION I.

I the undersigned, Ferdinand (Ed) Farley, owner of the above described real estate, do hereby certify that we have laid off, platted and subdivided the same into lots in accordance with the above plan.

This subdivision shall be known and designated as BIRCH VILLAGE, SECTION I, being located in Mendocino County, California. All streets and boundaries delineated are dedicated to the public.

Front yard set back three, and side yard and back yard or corner lots are to be as shown on the plan, between which lines and the property lines of the street there shall be no building or structures erected or maintained.

"Utility Components" as shown shall be required for the use of the public utilities for the installation of water, sewer, gas, tile, and/or electric lines, poles, tanks, pipes etc., to street, under, and to said components for local public use. These components are not for the use of and shall not be used for high voltage electric transmission lines or high pressure liquid transmission pipe lines, except by written permission of the owners of the land at the time said transmission line is to be constructed.

"Drainage Components" reserved as drainage easements, and said easements are to be maintained by our owner such that water from my adjacent lot shall have adequate drainage along such easement. All "Components" shown as "Utility Components" are also to be considered drainage easements and are subject to all restrictions of drainage components.

The area indicated as "Retention Basins Component" is to be used for retaining storm water and shall not be filled in any way. All restrictions governing drainage components shall also be in effect to these areas.

No permanent or other structures are to be erected or maintained upon any easement shown on the plan and owners of lots shall have their titles subject to the right of the above described components.

The Doctors Pipeline Company Easement is for the restricted as follows: The grantee herein reserves the right to use the above described land except so much as may reasonably interfere with the enjoyment by the grantee of the right of way herein granted, and the grantor agrees that, without the written consent of the grantee, no building or other structure will be erected, created or constructed within 10 1/2 feet of said pipe line or lines. The grantee hereby agrees to pay any damages which may arise from the construction, maintenance, operation, alteration, repair or removal of said pipe lines; said damages, if not mutually agreed upon, to be ascertained and determined by three disinterested persons, one thereof to be appointed by the grantor, their heirs or assigns, one by the grantee, his successors or assigns, and the third by the two so appointed as aforesaid, and the award of such three persons, or any two of them, shall be final and conclusive.

The Texas Eastern Pipeline Easement is restricted as follows: The said grantee is to fully use and enjoy the said premises, except for the purposes granted to the said lessee and provided the said grantee shall not from the date hereof construct nor permit to be constructed any house, structures or obstructions in or over, or that will interfere with the construction, maintenance or operation of, any pipe line or appurtenances constructed hereunder, and will not change the grade more than five feet.

The "Protective Covenants" are to remain in full force and shall be binding on all parties and all persons claiming under them until January 1, 2065, at which time said covenants shall be automatically extended for successive portions of 10 years unless otherwise by a vote of the owners of the building sites covered by these covenants in whole or in part. Invalidation of any one of the covenants, by judgment or court order, will in no way affect the other covenants which shall remain in full force and effect.

1. DEFINITIONS:

- A. The word "Lot" shall mean any one lot, located within the above-described property;
- B. The word "Structure" shall mean any building, fence, enclosure, swimming pool, tennis courts, solar or energy devices, antennas, dish antennae, exterior lighting, or other items constructed on a lot, and all additions or alterations to any of the foregoing.

2. ONE AND ONLY BUILDING TYPE - The lots shall be used for residential purposes only. No dwelling shall be erected, altered, placed or permitted to remain on any lot other than one detached, single family dwelling, no attached private garage and no garage for cars, and normal and customary accessory structures, exclusive of barn, stable, external storage, detached room, etc. Such dwelling shall not exceed two stories in height exclusive of the basement, and shall be used for private dwelling purposes only, by one family only. Such dwelling shall contain the following minimum amount of finished interior living area (exclusive of porches, patios, decks, patios, garages, porches); for a one story dwelling, one thousand eight hundred (1,800) square feet; for a two story dwelling, two thousand four hundred (2,400) square feet.

3. PERMANENT CONSTRUCTION - No foundation or basement of a building shall be constructed on any lot except as an integral part of a continuous process of constructing the main structure of such building, which construction must proceed uninterrupted until the structure is completed (extending, without limitation, all landscaping and exterior painting) within 180 days after the commencement. No dwelling shall be occupied until it is completed.

4. STANDARDS OF QUALITY OF HANDWORKING AND MATERIALS - With respect to construction of improvements on any lot, it is required that the standard of architectural design, materials and craftsmanship be of superior quality.

5. APPROVAL OF PLANS AND SPECIFICATIONS BY ENVIRONMENT COMMITTEE - No structure shall be erected, placed or (externally) altered on any lot until the plans and specifications therefore (including elevations, materials, colors, textures, landscaping, and site plan showing the location of the structure with grading modifications) shall have been filed with the Environment Committee, and approved in writing by each Committee as to quality of material, harmony of landscaping and no duplication of adjacent exterior design, colors and finishes with existing structures and the surrounding location with respect to topography and finish grade elevation; protection of existing trees; and conformity with the requirements and the intent of this Declaration. The Environment Committee shall be entitled to retain permanent the submitted copy of such plans and specifications, and all work shall be accomplished in conformity therewith. If, forty-five (45) days after submission of all such plans and specifications, the Environment Committee shall have failed to issue a written approval, or disapproves of the same then approved by the Environment Committee shall not be required.

21. LEVEL OF RESTRICTIONS - THE EACH OF THESE RESTRICTIONS OR THE CASES OF OWNERSHIP, SUCH AS CHAIRPERSON OF THE ENVIRONMENT COMMITTEE.

22. INFRINGEMENT - Enforcement of in equity against any person or a failure to restrain such violation prosecuted by the Declarant, his heirs, executors, or both. Without regard to his successors or assigns, in from a court of competent jurisdiction exists and similarly to abate or remove the owner of such property. No entry shall be deemed liable for these covenants or restrictions, costs and attorney's fees.

23. REVOCABILITY - Implementation of the other provisions hereof.

24. EXCLUSIONS - Notwithstanding prevent the Declarant or any other owner and remain on the street or all to the extent reasonable and

IN WITNESS WHEREOF, the undersigned,

I the undersigned, Fatherback (John) Parker, owner of the above described real estate, do hereby certify that we have laid off, platted and subdivided the same lots lots in accordance with the above plan.

This subdivision shall be known and designated as BROOK VILLAGE, INDIANA; being located in Hendricks County, Indiana. All streets not hereinbefore designated are dedicated to the public.

Front yard set back lines, and side yard set back line so corner lots are to be as shown on the plat, between which lines and the property lines of the street there shall be no building or structure erected or maintained.

"Utility Covenants" as shown shall be reserved for the use of the public utilities for the installation of water, sewer, gas, (etc.), and/or electric lines, pipes, ducts, poles etc., as over, under, and to said covenants for local public use. These covenants are not for the use of and shall not be used for high voltage electric transmission lines or high pressure liquid transmission pipe lines, except by written permission of the owners of the land at the time said transmission line is to be constructed.

"Drainage Covenants" referred to drainage outlet, and said outlet are to be maintained by any owner such that water from any adjacent lot shall have adequate drainage along such outlet. All covenants shown as Utility Covenants" are also to be considered drainage covenants and are subject to all restrictions of drainage covenants.

The area indicated as "Retention Basins Covenants" is to be used for retaining storm water and shall not be filled in any way. All restrictions governing drainage covenants shall also be in effect to these areas.

No permanent or other structures are to be erected or maintained upon any covenant shown on the plat and owners of lots shall take their titles subject to the right of the above described covenants.

The Indiana Pipeline Company Covenant is for the restricted as follows: The grantor herein reserves the right to use the above described land except so such use may unreasonably interfere with the enjoyment by the grantee of the right of way herein granted, and the grantee agrees that, without the written consent of the grantee, no building or other structure will be erected, created or constructed within 10 1/2 feet of said pipe line or lines. The grantee hereby agrees to pay any damages which may arise from the construction, maintenance, operation, alteration, repair or removal of said pipe lines; said damages, if not mutually agreed upon, to be ascertained and determined by three disinterested persons, one thereof to be appointed by the grantee, their heirs or executors, one by the grantee, his successors or assigns, and the third by the two so appointed as aforesaid, and the award of such three persons, or any two of them, shall be final and conclusive.

The Texas Eastern Pipeline Covenant is restricted as follows: The said trustee is to fully own and enjoy the said premises, except for the purposes granted to the said trustee and provided the said trustee shall not from the date hereof construct nor permit to be constructed any houses, structures or buildings or over, or that will interfere with the construction, maintenance or operation of, any pipe line or appurtenances constructed herewith, and will not change the grade above such pipe line.

The "Protection Covenants" are to remain in full force and shall be binding on all parties and all persons claiming under them until January 1, 2006, at which time said covenants shall be automatically extended for successive periods of 10 years unless changes by a vote of the majority of the then owners of the building sites covered by these covenants in whole or in part. Inactivation of any one of the covenants, by judgment or court order, will in no way affect the other covenants which shall remain in full force and effect.

1. DEFINITIONS:

1. The word "Lot" shall mean any one of the lots included with the above-described property.
2. The word "structure" shall mean any building, fence, wall, screen, enclosure, swimming pool, tennis court, cedar or energy arbor, arborvitae, deck, extension, exterior lighting, or other items constructed on a Lot, and all additions or alterations to any of the foregoing.

2. USE AND BUILDING TYPE - The Lots shall be used for residential purposes only. No building shall be erected, altered, placed or permitted to remain on any Lot other than one detached, single family dwelling, or attached private garage not to exceed four cars, and normal and customary accessory structures, exclusive of barn, stable, external storage, detached room, etc. Such dwelling shall not exceed two stories in height exclusive of the basement, and shall be used for private dwelling purposes only, by one family only. Such dwelling shall contain the following minimum amount of finished interior living area (excluding all dormeris, porches, decks, patios, garages, carports): for a one story dwelling, one thousand eight hundred (1,800) square feet; for a two story dwelling, two thousand four hundred (2,400) square feet.

3. PERMIT CONSTRUCTION - The foundation or basement of a building shall be constructed on any Lot except as an integral part of a continuous process of constructing the main structure of such building, which construction must proceed uninterrupted until the structure is completed (extending, without limitation, all landscaping and exterior painting) within 180 days after its commencement. No dwelling shall be occupied until it is completed.

4. STANDARD OF QUALITY OF WORKMANSHIP AND MATERIALS - With respect to construction of improvements on any Lot, it is required that the standard of architectural design, materials and craftsmanship be of superior quality.

5. APPROVAL OF PLANS AND SPECIFICATIONS OR ENVIRONMENT COMMITTEE - No structure shall be erected, placed or (externally) altered on any Lot until the plans and specifications therefore (including elevations, materials, colors, textures, landscaping, and site plan showing the locations of the structure with grading modifications) shall have been filed with the Environment Committee, and approved in writing by such Committee as to quality of material, harmony of landscaping and no duplication of adjacent external design, colors and finishes with existing structures and the surroundings; location with respect to topography and finish grade elevation; protection of existing trees; and conformity with the requirements and the intent of this Declaration. The Environment Committee shall be entitled to retain permanently the submitted copy of such plans and specifications, and all work shall be accomplished to conformity therewith. If, forty-five (45) days after submission of all such plans and specifications, the Environment Committee shall have failed to issue a written approval or disapproval of the same this approved by the Environment Committee shall not be required.

6. TEMPORARY STRUCTURES, BOATS AND TRAILERS - No structure of a temporary character, commercial or public vehicle, recreational vehicle, boat, home trailer, camping trailer, campout lot, short or long, except for children's play tools and tree houses, shall be erected, placed or allowed to remain on any Lot; provided, that a boat, a commercial or public vehicle, a camping trailer, a truck-mounted camper, a recreational vehicle, or similar vehicle may be kept on a Lot if it is enclosed in a garage, in a manner approved in writing by the Environment Committee.

7. NOISES - No noises or offensive activity shall be carried on in any area of the subdivision, nor shall anything be done or permitted to remain on any Lot, which may be or become a nuisance to a neighboring owner or resident.

8. USE OF LOTS - No Lot or any part thereof shall be used for the conduct of any business, commerce, or profession, except that, professional use and home occupations as permitted under applicable ordinances of Hendricks County, Indiana, shall be permitted, subject to the requirement of compliance with such ordinances.

9. LIVESTOCK AND FOWLING - No animal, livestock, or poultry of any kind shall be raised, bred, or kept on any lot, except family pets, which may be kept, provided they are not kept, bred, or maintained for commercial purposes, and not to create or constitute a nuisance.

10. SIGNS - No signs, billboards or advertising matter shall be erected or displayed on any Lot, except as follows:

A. During construction of a dwelling, one nonilluminated sign, not exceeding three feet by four feet in dimensions, may be displayed on a Lot for the identification of the builder.

B. A temporary, nonilluminated sign, not over than four square feet in area, advertising the property for

use. **AND ATTACHED - Except for necessary e** this Declaration of Improvements of the elevation of any portion thereof Environment Committee. No cause of obstruction or diversion of the the Environment Committee. Construction and such construction shall not in

12. REMOVAL OF IMPROVEMENTS FROM LOT; SURFACE OF MATERIAL, COMPOST OR LINT; CONSTRUCTION OR REMOVAL OF IMPROVEMENTS AND APPENDAGES - Except for necessary excavations and grading in connection with construction (in conformity with this Declaration) of improvements on a lot, no dirt, dirt, rock or rock shall be removed from any lot, nor shall the elevation of any portion thereof be changed in any manner, without the prior written approval of the Environment Committee. No owner of a lot shall cause, suffer or permit the alteration by unnatural means, obstruction or diversion of the flow of surface water across his lot, without prior written consent of the Environment Committee. Construction of driveway entrances and ramps shall be the responsibility of the lot owner, and such construction shall not interfere with surface water drainage in or onto the road.

13. MAINTENANCE OF LOT AND PROTECTION OF ADJACENT PROPERTY DURING CONSTRUCTION - Each lot owner shall protect the road, road shoulders, and utility structures from damage related to construction activities with respect to his lot, and agrees to keep the roads and driveways clear of equipment and building materials. During all periods of construction, the lot owner shall maintain measures, acceptable to the Declarant, to protect trees from damage. In connection with any construction, the lot owner shall take appropriate precautions in excavation and removal of earth, so as to prevent siltation and unnecessary erosion, and he shall also comply at his expense with all applicable governmental laws and regulations regarding siltation control. The roads within the subdivision shall be cleaned by the lot owner whenever construction activity on his lot results in a significant accumulation of dirt or debris; and if the lot owner should fail to do so, after notification from the Declarant that such cleaning is required, then the Declarant may perform such cleaning and charge the reasonable cost thereof to the lot owner.

14. GARBAGE AND REFUSE DISPOSAL - Refuse and refuse containers shall not be permitted to remain in public view except on days of trash collection. No accumulation of storage of litter, construction debris, or trash of any other kind, shall be permitted on any lot.

15. CARETAKERS OF DOGS - All dogs shall be confined and kept quiet and also securely restrained and leashed at all times.

16. USE OF TRAILERS, HOMES AND EQUIPMENT BY LOT OWNERS - The use of chain saws, lawn mowers and other noisy equipment out of doors before 10:00 A.M. on Sundays shall be kept to a reasonable minimum.

17. LANDSCAPING - No tree, hedge or shrub planting shall be maintained in such a manner as to obstruct sight lines for vehicular traffic.

18. USE OF OUTDOOR CLOTHING RAILS - No clothing, laundry or wash shall be aired or dried on any portion of any lot visible from the road or from another lot.

19. FENCES - No fences of any kind may be erected or constructed on any portion of any lot, with the following exceptions:

A. Fences for enclosing pools; provided that such fences shall comply with all Hendricks County ordinances and shall be approved by the Environment Committee.

20. ENVIRONMENT COMMITTEE - The Environment Committee shall consist of Declarant until such time as all lots are sold by Declarant to third parties, at which time the Environment Committee shall consist of all lot owners. However, at any time prior to the sale of all lots, the Declarant, in his sole discretion, may appoint one or more additional members of the Environment Committee one or more of the owners of the lots then sold, which combination of Declarant and such additional lot owners designated by Declarant shall comprise the Environment Committee until such time as all lots are sold to purchasers, after which time the Environment Committee shall consist of all lot owners.

Each lot owner shall be entitled to one vote for each lot owned. When a lot is owned by more than one person, the vote for such lot shall be exercised as they (or a majority of them) determine, but in no event shall more than one vote be cast with respect to any lot. Moreover, consent, approval, or other action of the Environment Committee is required under any provision of this Declaration, such requirement shall be deemed satisfied if, thirty (30) days after proper and complete presentation of the matter to such Committee, it shall have failed to issue its decision in writing. Voting on Committee matters may be done in person or by proxy (provided the proxy is in writing and authorized.)

21. POWER OF RESTRICTION - The Environment Committee shall have the absolute right to make, from time to time, such of these restrictions as it may deem best, as to any one or more of the lots in the said subdivision, in cases of unusual hardship, such notice shall be evidence by a written document signed and acknowledged by the Chairperson of the Environment Committee and the owner or owners of such lot or lots.

22. ENFORCEMENT - Enforcement of the restrictions and covenants herein contained shall be by proceeding at law or in equity against any person or persons violating or attempting to violate the same, which proceeding may be either to restrain such violations or to recover damages or both; and such proceedings may be brought or prosecuted by the Declarant, its successors or assigns, or by any person or persons owning any lot or interest therein, or both. Without restricting the generality of the foregoing, any such owner or owners, or the Declarant or its successors or assigns, in law or in addition to any other legal or equitable remedy, may seek an order from a court of competent jurisdiction permitting it or them to enter upon the property whereof such violation exists and summary to obtain or remove the same, using such force as may be reasonably necessary, at the expense of the owner of such property. Whether the person or persons entering and the person or persons directing the entry shall be deemed liable for any damage or expense for such action. In any proceeding to enforce any of these covenants or restrictions, the party against whom enforcement is obtained shall pay the enforcing parties' costs and attorney's fees.

23. SEVERABILITY - Implementation of any of these covenants by a judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

24. EXCLUSIONS - Notwithstanding any other provisions of the Declaration, nothing herein shall be construed to prevent the Declarant or any other party constructing improvements in conformity and construction equipment to enter and remain on the street or on the lot being improved, or from storing materials and supplies on such lot, all to the extent reasonable necessary to facilitate such construction.

In witness whereof, the undersigned has set his hand and seal this _____ day of _____ 19____.

J. D. [Signature]
