LAW INSTRUMENT AND REQUEST FOR  
NOTICE OF OTHER OWNERS

The undersigned, L.G. D.N., an Indiana corporation, the owner of the real estate shown and described in this lot the "Real Estate", hereby certifies that he has laid off, platted and sub-divided, and does hereby lay off, plant and reserve said Real Estate in accordance with this plan. This Subdivision shall be known and designated as "Scha Pointe Section II" consisting of Lots 55 thru 96 and 113 thru 117 inclusive, an addition in Marne County, Indiana, containing 47 acres.

In order to provide adequate protection to all present and future owners of lots in this Subdivision, the following covenants and restrictions are hereby imposed upon the Real Estate and shall run with the said Estate.

1. There are areas of ground on this plat marked "Utility Easements" and "Drainage Easements", either separately or in combination. The Utility Easements are hereby created and reserved for the use of all public utility companies (not including transportation corporations), and governmental agencies for access to and installation, maintenance, repair or removal of poles, pipes, ducts, drains, lines, wire, cables and other equipment and facilities for the furnishing of utility services, including cable television services. The Drainage Easements are hereby created and reserved (i) for the use of Creekers during the development of the subdivision for access to and for the installation, repair and removal of a drainage system, either by surface drainage or appropriate underground structures, for the local Estate and adjoining property and (ii) for the Department of Public Works of the City of Indianapolis for access to maintenance, repair and replacement of such drainage system. Further, it is the owner's intent that in this Subdivision subject to a Drainage Easement shall be required to keep the portion of said Drainage Easement on his lot free from obstructions so that the surface water drainage will be uninterrupted. The delineation of the Utility Easement and Drainage Easement areas on this plan shall not be deemed a limitation on the rights of any entity for whose use any such easement is created and reserved to go on and be subject to such reasonable temporary to the extent reasonably necessary for the exercise of the rights granted to it by this law except. No permanent structures shall be erected or maintained upon such easements. The owners of lots in this Subdivision shall take and hold title to the lots subject to the Utility Easements and Drainage Easements herein created and reserved.

rights granted to it by this paragraph. No permanent structures shall be erected or maintained upon said easements. The owners of lots in this Subdivision shall take and hold title to the lots subject to the Utility Easements and Drainage Easements herein created and reserved.

2. The right-of-way of the streets as shown on this plat, if not otherwise dedicated to the public, are hereby dedicated to the public for use as a public right-of-way, subject however to a reservation of right-of-way for the maintenance in the median as detailed under Item 14 hereof.

3. Building setback lines and set-back lines are as depicted in red on the plat. No building or structure shall be erected or maintained between said set-back lines or the front or rear lot line than the greater of any of said lots. In addition, no building or structure shall be erected or maintained closer to any side lot line of any lot than seven (7) feet, with each lot having an aggregate side yard requirement of fifteen (15) feet. Where two or more contiguous lots are used as a site for a single dwelling, this side yard requirement shall apply to the combined lots as if they were a single lot. Whenever a dimension is referred to or represented in this item it is strictly for convenience and information and in no manner is to be construed as a permanent and/or restriction.

4. No residence constructed on a lot herein shall have less than eighteen (18') square feet of finished residential floor area in aggregate for a two story residence or less than eighteen (18') square feet in the aggregate for a multi-story residence, exclusive of open porches and porches. A minimum square foot of one hundred and (100) square feet for the ground floor shall be required for a multi-story residence as is to conform to the Zoning District Ordinance of Marion County.

5. Residential lots required to have a garage which will accommodate two (2) automobiles.

6. Every driveway in this Subdivision shall be of concrete or asphalt material with no individual parking permitted as is other than the existing driveway. No driveway shall be installed or used to exit upon Pennsylvania Street, Sunnyside Road and 3rd Street.

7. No trade lot, back, front, basement, garage or other out building may be erected at any time as a residence, temporary or permanent; nor may any structure of a tenancy character be used as a residence, except for short term as a liability during the construction of a residence, and building on the property, temporary structures shall be promptly removed upon completion of construction of the building.

E. All lots in this Subdivision shall be used solely for residential purposes except for buildings used as rental homes during the sale and development of this Subdivision. No business buildings shall be erected on said lots, and no business may be conducted on any lots thereof, other than the home occupations permitted in the Dwelling District's Zoning Ordinance of Marion County, Indiana. No residence shall be erected, altered, placed or permitted to remain on any lot herein, unless there are detached single-family residences not to exceed two and one-half stories in height and permanently attached residential accessory building. Any attached garage, tool shed, storage building or any other attached building erected or used as an accessory to a residence shall be of a permanent type of construction and shall conform to the general architecture and appearance of such residence. Detached garages, tool sheds or storage buildings may be erected on any lot subject to the approval of the Architectural Control Committee as to type, appearance and placement within a lot, which approval procedure is detailed in Item 19 hereof.

F. All home construction sites shall be kept free of any unnecessary trash and equipment and in a clean and orderly fashion.

G. Architectural Design and Environmental Control: No building, fence, walls, or other structure shall be erected, placed and altered on any building lot in this Subdivision until the building plans, specifications and plot plan showing the location of such structures have been approved as to the conformity and harmony of external design with existing structure herein and as to the building with respect to topography and finished ground elevations by an Architectural and Environmental Control Committee. This Committee shall require a dusk to dawn light, plus a standardized lantern for each residence with a further requirement to land the front yard of each residence under unanimously decided at heretofore by this Committee. The destruction of trees and vegetation and any other such matter as may affect the environment and ecology of the "Echo Point" area shall be the lesser concern of the Committee. This Committee shall be comprised of the undersigned members of the herein described firm estate, or by their duly authorized representatives. The Committee's opinion, or disapproval, as required in this covenant shall be in writing. In the event that said written agreement is not received from the Committee within fourteen (14) days from the date of submission, it shall be deemed that the Committee has approved the presented plan. Neither the Committee members nor the designated representatives shall be entitled to any compensation for services performed pursuant to this covenant.

This Architectural and Environmental Control Committee shall establish a design material and print specification for materials which shall be standard for all structures in this subdivision.

This Architectural and Environmental Control Committee shall establish a design manual and point specification for a militia which shall be standard for all buildings in this subdivision.

11. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above the street, shall be placed or permitted to remain on any property lot within the triangular area formed by the street property lines and a line connecting points twenty-five (25) feet from the intersections of said street lines, or in the case of a rounded property corner, from the intersection of the street lines extended. The same sight line limitations shall apply to any lot within ten (10) feet from the intersection of a street line with the edge of a driveway pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight line.
  12. No sign of any kind shall be displayed to the public view on any lot, except that one sign of not more than six (6) square feet may be displayed at any time for the purpose of advertising the property for sale or rent, except Developers and Builders may use larger signs but only during the fair and development of this subdivision.
  13. No farm animals, fowls or domestic animals for commercial purposes shall be kept or permitted on any lot or lots in this Subdivision. No animals, unawful, or otherwise offensive animals shall be owned out on any lot in this Subdivision; nor shall anything be done thereon which may be or may tend to an annoyance or nuisance to the neighborhood.
  14. The areas designated on the plat in the tract ready to the entire subdivision known as Bell Pointe as building easements or boundaries and utility easements shall be maintained as respects the boundary and utility easements shall be maintained as respects the Subdivision and structure within all of the title owner of the lot which same exists, provided however, if the property owners within all of the sections of the subdivision create a homeowners organization to which at least thirty percent (30%) of the lot owners in the subdivision belong then, and in that event, the maintenance responsibility herein mentioned shall instead be that of the homeowners organization. Whichever lot the maintenance responsibility belongs to shall have the right of contribution to the extent of money expended from such lot owner on an equal proportion basis for all lots in all of the sections of this subdivision.
- Each of the lot owners in this subdivision shall also be severally liable for the utility and maintenance cost associated with the lights and light fixtures and the permanent and maintenance of landscaping in the medium with the public right-of-way in this subdivision.

12. No sign of any kind shall be displayed to the public view on any lot, except that one sign of not more than six (6) square feet may be displayed at any time for the purpose of advertising the property for sale or rent, except Fire Dept and Mailbox may use larger signs but only during the annual development of this subdivision.

13. No farm animals, fowls or domestic animals for tenanted purposes shall be kept or permitted on any lot or lots in this Subdivision. No noxious, unwholesome or otherwise offensive activity shall be carried out on any lot in this Subdivision; nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

14. The areas designated on the plat at the entranceways to the entire subdivision known as Bell Pointe as bounded by roads and utility easements shall be maintained as respects the landscape and utility easements shall be maintained as respects the landscape and entrance ways by the title owner of the lot upon which same exists, provided however, if the property owners within all of the sections of the subdivision create a homeowners organization to which at least thirty percent (30%) of the lot owners in the subdivision belong, then, and in that event, the homeowners responsibility herein mentioned shall instead be that of the homeowners organization. However, less the responsibility respectively herein detailed shall have the right of contribution in the amount of money contributed from each lot owner on an equal proportion basis for all lots in all of the sections of this subdivision.

Each of the lot owners in this subdivision shall also be severally liable for the utility and maintenance cost associated with the lights and light fixtures and the preservation and maintenance of landscaping in their sections with the public right-of-way in this subdivision.

Each lot owner's obligation shall expire thirty (30) days after date of receipt of notice of his obligation and shall cease interest at twelve percent (12%) after the obligation matures with reasonable attorney fees if such services are required to secure payment.

15. Any party other than L.D.G., Inc., when severs title to a lot in this subdivision prior to complete construction of any residence on or before one (1) year from the date such construction commences on said lot. Failure to honor this provision shall result in a claim on Purchaser and lot and improvements thereon for costs of re-purposing or removing such unconstructed lot written notice from L.D.G., Inc. to the owners of said lot within sixty (60) days of the expiration of the referred 1 year period.

The appraised price shall be agreed upon within ten (10) days of the last owners receipt of the above written notice and if then is not payable the last owner and L.D.G., Inc. agree to submit the question of appraisal value to appraiser and be bound by same as follows:

- (a) Each party shall select an appraiser and the two or parties shall select a third, and this third appraiser shall provide to determine the value of the lot and rights thereto. All parties agree to make their respective payment within fifteen (15) days of the date of the aforesaid written notice.
- (b) The appraiser(s) shall be made within twenty-five (25) days of the date of the aforesaid written notice and the results of such notice be made available to both parties and Purchaser a copy thereof to each of the parties within five (5) days thereafter.
- (c) Each party shall pay one-half (1/2) of the cost of the appraiser first and shall be reimbursed by the other for its contribution.

16. These covenants and restrictions shall run with the land and shall be binding upon all persons or entities from time to time having any right, title or interest in the Home Estate, or any part thereof, and all persons or entities claiming under them, legal or otherwise, during the entire term hereof, at which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years and so long as prior to the commencement of any such extension provided by a vote of a majority of the freeholders of the lots in the Subdivision, it is agreed that said covenants and restrictions shall terminate in their entirety. Notwithstanding, however, that no termination of said covenants and restrictions shall affect any covenant hereby entered into, tenancy established in the before-said use of such covenants shall terminate whenever, Any such termination shall be evidenced by a written instrument, signed and sealed and by the owner of such tenancy, which instrument shall set forth facts sufficient to induce trust between the parties to the instrument and shall be recorded in the Office of Marion County, Indiana.

17. Violation or threatened violation of these conditions and restrictions is to be grounds for an action by Developers, any person or entity having any right, title or interest in the land, to institute for just thereof, or may restrain or restrict having any right, title or interest in or to in the Subdivision Rule<sup>14</sup> persons or entities claiming under them, except the person or entity violating or threatening to violate such conditions or restrictions. As above, relief is by such action as will make recovery of damages or other sums due for such violation injunctive relief against any such violation or threatened violation, damages relief and the recovery of costs and expenses incurred by any party successfully enforcing these conditions and restrictions concerned. However, that the Developer shall pay his liability for damages of any kind to any person, for failing to enforce or carry out such conditions or restrictions.

18. The Mysore-Government Development Commission, its successors and assigns, shall have the right to power or authority to enforce any restrictions, commitments, covenants or other limitations contained in this Act other than the of curtailments, restrictions, restrictions or limitations that may be put in force of the Mysore-Government Development Commission; provide further, that nothing herein shall be construed to prevent the Mysore-Government Development Commission from exercising any powers of the said Government under the Mysore-Site Act<sup>15</sup>, as amended, or any conditions attached to any project of this Act by the said Commission.
