(i) Installation and replacement of such fences, walls, foliage, landscaping, signs and other improvements in and upon the Greenbelt, and the Common Areas as the Association deems necessary or appropriate and maintenance of the Greenbelt and Common Areas and any installation thereon in a clean and attractive condition and in good repair.

(ii) Management and control of retention (if any) in and upon the Common Areas and easement areas (shown and identified as such on any subdivision plat of the Real Estate now or hereafter recorded in the office of the recorder of Johnson County, Indiana) for maintenance of the same in a clean, attractive and sanitary condition; installation and replacement of such improvements in and upon said Common Areas and easements as the Association deems necessary or appropriate; and maintenance of any such improvements installed by Developer or the Association in good condition and repair. Without limiting the generality of the foregoing, such maintenance obligations shall include maintenance to protect the Common Areas from erosion, algae control and maintenance of levels, if applicable. It is intended that such actions shall be taken in accordance with recommendations regarding the

same from applicable governmental agencies having jurisdiction, but nothing herein shall constitute an undertaking or duty to exceed the requirements of applicable law.

(iii) Replacement of a drainage system in and upon the Utility and Drainage Easements (shown and identified as such on any subdivision plat of the Real Estate now or hereafter recorded in the office of the Recorder of Johnson County, Indiana) as the Association deems necessary or appropriate and the maintenance of any drainage system installed in or upon said Utility and Drainage Easements by Developer or the Association in good condition and repair, subject, however, to the obligation of the Owner of a Lot subject to a Utility and Drainage Easement to keep the portion of the Utility and Drainage Easement on his Lot free from obstructions so that the surface water drainage will be unimpeded.

(iv) Procuring and maintaining for the benefit of the Association, its Board of Directors and the Owners the insurance coverages required under this Declaration and such other insurance as the Association deems necessary or advisable.

(v) Payment of taxes, if any, assessed against and payable with respect to the Common Areas.

(vi) Assessment and collection from the Owners of Regular or Special Assessments, sufficient in amount to pay the Common Expenses.

(vii) Contracting for such services as management, snow removal, security control, trash removal or other services as the Association deems necessary or advisable.

(viii) From time to time, adopting, amending or rescinding such reasonable rules and regulations (not inconsistent with the provisions of this Declaration) governing the use and enjoyment of the Common Areas by the Owners of Lots, and the management and administration of the Association, as the Association deems necessary or advisable, and enforcement of the same. As part of such rules and regulations, the Association may provide for reasonable interest and late charges on past due installments of any Regular or Special Assessments or other charges against any Lot. Copies of such rules and regulations shall be furnished by the Association to the Owners prior to the time when the same shall become effective.

(ix) Replacement and maintenance of any street identification signs within and upon the Real Estate designated as street signs, except in the event the same is the responsibility of any governmental agency or subdivision.

(x) Procuring and maintaining for the benefit of the Association, its Board of Directors, Developer, and the Owner, a general liability insurance policy in an amount not less than Three Million Dollars (\$3,000,000.00) providing coverage for injury to person or property arising out of the Common Areas, and the easement areas.

(xi) Insuring compliance with each and every commitment set forth in that certain "Commitments Concerning the Use and Development of Real Estate made in Connection with Rezoning of Property", dated October 16, 1989 and recorded in Book 061, Page 881, as Instrument No. 89015313 in the office of the Recorder of Johnson County, Inc. ann.

5.8. Compensation. No Director of the Association shall receive compensation for his services as such Director, except to the extent expressly authorized by a majority vote of the Owners.

5.9. Non-Liability of Directors and Officers. The Directors and Officers of the Association shall not be liable to the Owners or any other persons for any error or mistake of judgment in carrying out their duties and responsibilities as Directors or Officers of the Association, except for their own individual willful misconduct or gross negligence. The Association shall indemnify and hold harmless and defend each person, his heirs, assigns or legal representatives, who is or was a Director or Officer of the Association against any and all liability to any person, firm or corporation arising out of contracts made by or at the direction of the Board of Directors (or its managing agent, if any) of the Association, unless any such contract shall have been made in bad faith. It is intended that the Directors and Officers of the Association shall have no personal liability with respect to any contract made by them on behalf of the Association except in their capacity as Owners.

5.10. Additional Indemnity of Directors and Officers. The Association shall indemnify, hold harmless and defend any person, his heirs, assigns and legal representatives (collectively, the "Indemnitee"), made or believed to be made a party to any action, suit or proceeding by reason of the fact that he is or was a Director or Officer of the Association, against all costs and expenses, including attorneys' fees, actually and reasonably incurred by the Indemnitee in connection with the defense of such action, suit or proceeding, or in connection with any appeal therein, except (unless otherwise specifically provided herein) in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Indemnitee is liable for gross negligence or willful misconduct in the performance of his duties. The Association shall also reimburse any such Indemnitee for the reasonable costs of settlement or judgment rendered in any action, suit or proceeding, if it shall be found by a majority vote of the Owners that such Director or Officer was not guilty of gross negligence or willful misconduct. In making such findings and notwithstanding the adjudication in any action or suit or proceeding against an Indemnitee, no Director or Officer shall be considered or deemed to be guilty of or liable for gross negligence or willful misconduct in the performance of his duties where, acting in good faith, such Director or Officer relied on the books and records of the Association or statements or advice made by or prepared by the managing agent of the Association (if any) or any officer or employee of the Association, or any accountant, attorney or other person, firm or corporation employed by the Association to render advice or services, unless such Director or Officer had actual knowledge of the falsity or incorrectness thereof; nor shall a Director be deemed guilty of or liable for gross negligence or willful misconduct by virtue of the fact that he failed or neglected to attend a meeting or meetings of the Board of Directors of the Association. The costs and expenses incurred by an Indemnitee in defending any action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the Indemnitee to repay the amount paid by the Association if it shall ultimately be determined that the Indemnitee is not entitled to indemnification as provided in this paragraph 5.10.

5.11. Bond. The Board of Directors of the Association may provide surety bonds and may require the managing agent of the Association (if any), the treasurer of the Association, and such other officers as the Board of Directors deems necessary, to provide surety bonds, indemnifying the Association against larceny, theft, embezzlement, forgery, misappropriation, wrongful abstraction, willful misapplication, and other acts of fraud or dishonesty, in such sums and with such sureties as may be approved by the Board of Directors, and any such

bond shall specifically include protection for any insurance proceeds received by any reason by the Board of Directors. The expense of any such bonds shall be a Common Expense.

ARTICLE VI.

FOXMOOR ARCHITECTURAL CONTROL COMMITTEE

6.1. Creation. There shall be, and hereby is, created and established the Foxmoor Architectural Control Committee to perform the functions provided for herein. Until the Applicable Date, the Committee shall consist of three (3) members appointed, from time to time, by Developer and who shall be subject to removal by Developer at any time with or without cause. After the Applicable Date, the Committee shall be a standing committee of the Association, consisting of three (3) persons appointed, from time to time, by the Board of Directors of the Association.

6.2. Purposes and Powers of Committee. The Committee shall regulate the external design, appearance and location of residences, buildings, structures or other improvements placed on any Lot, and the installation and removal of landscaping on any Lot, in such a manner as to preserve and enhance the value and desirability of the Rent Estate for the benefit of each Owner and to maintain a harmonious relationship among structures and the natural vegetation and topography.

(i) In General. No residence, building, structure or improvement of any type or kind shall be constructed or placed on any Lot, or repaired, without the prior written approval of the Committee. Such approval shall be obtained only after written application has been made to the Committee by the Owner of the Lot requesting authorization from the Committee. Such written application shall be in the manner and form prescribed from time to time by the Committee and, in the case of construction or placement of any improvement, shall be accompanied by two (2) complete sets of plans and specifications for any such proposed construction or improvement. Such plans shall include plot plans showing the location of all improvements existing upon the Lot and the location of the improvement proposed to be constructed or placed upon the Lot, each property and clearly designated. Such plans and specifications shall set forth the color and composition of all exterior materials proposed to be used and any proposed landscaping, together with any other material or information which the Committee may require. When required by the Committee, plot plans shall be prepared by either a registered land surveyor, engineer or architect. Plot plans submitted for the Building Permit shall bear the stamp or signature of the committee acknowledging the approval thereof.

(ii) Power of Disapproval. The Committee may refuse to grant permission to repaint, construct, place or make the requested improvement, when:

(a) The plans, specifications, drawings or other material submitted are inadequate or incomplete, or show the proposed improvement to be in violation of any restrictions in this Declaration or any subdivision plat of the Rent Estate recorded in the office of the Recorder of Johnson County, Indiana;

(b) The design or color scheme of a proposed repainting or improvement is not in harmony with the general surroundings of the Lot or with adjacent buildings or structures;

or

(c) The proposed repairing or improvement, or any part thereof, would, in the opinion of the Committee, be contrary to the interests, welfare or rights of any other Owner.

(iii) Rules and Regulations. The Committee may, from time to time, make, amend and modify such additional rules and regulations as it may deem necessary or desirable to guide Owners as to the requirements of the Committee for the submission and approval of items to it. Such rules and regulations may set forth additional requirements to those set forth in this Declaration or any subdivision plat of the Real Estate recorded in the office of the Recorder of Johnson County, Indiana, as long as the same are not inconsistent with this Declaration or such subdivision plat(s).

6.3. Duties of Committee. The Committee shall approve or disapprove proposed repairing, construction or improvements within fifteen (15) days after all required information shall have been submitted to it. One (1) copy of submitted material shall be retained by the Committee for its permanent files. All notifications to applicants shall be in writing and, in the event that such notification is one of disapproval, it shall specify the reason or reasons for such disapproval.

6.4. Liability of Committee. Neither the Committee, Developer, the Association nor any agent of any of the foregoing shall be responsible in any way for any defects in any plans, specifications or other materials submitted to it, nor for any defects in any work done according thereto.

6.5. Inspection. The Committee may inspect work being performed to assure compliance with this Declaration and the materials submitted to it pursuant to this Article VI. However, no such inspection, or failure to inspect, by the Committee shall result in any liability on the part of the Committee, nor shall the Owner be relieved of any obligation to permit, construction or improvements in accordance with the approved plans herefor.

6.6. Nonapplication to Developer. Notwithstanding the provisions of this Article VI or any other provisions of this Declaration requiring the approval of the Committee, Developer and any entity related to Developer shall not be required to apply for or secure the approval of the Committee in connection with any construction, installation, painting or repainting by Developer, or any entity related to Developer of any residence, building, structure, or other improvement on the Real Estate or the installation or removal of any trees, shrubs or other landscaping on the Real Estate.

#### ARTICLE VII.

##### ASSESSMENTS

7.1. Creation of Lien and Personal Obligation. Developer, for each Lot now or hereafter conveyed by it, hereby covenants, and each Owner of a Lot by acceptance of a deed herefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association (i) regular assessments for Common Expenses ("Regular Assessments") and (ii) special assessments for capital improvements and operating deficits and for special maintenance and repairs ("Special Assessments"). Such assessments shall be established, shall commence upon such dates and shall be collected as hereinafter provided. All such assessments, together with interest, costs of collection and reasonable attorneys fees, shall be a continuing lien upon the Lot against which such assessment is made prior to all other liens except only (i) tax liens on any Lot in favor of any unit of government or special taxing

distinct and (ii) the lien of any first mortgage of record. Each such assessment, together with interest, costs of collection and reasonable attorneys' fees, shall also be the personal obligation of the Owner of the Lot at the time such assessment became due and payable. Where Owner constitutes more than one person, the liability of such persons shall be joint and several. The personal obligation for delinquent assessments (as distinguished from the lien upon the Lot) shall not pass to such Owner's successor(s) in title unless expressly assumed by such successor(s). The Association shall, upon request of a Lot, furnish to such Mortgagee or purchaser having a contractual right to purchase a Lot, furnish to such Mortgagee or purchaser a statement setting forth the amount of any unpaid Regular Assessment, Special Assessment and other charge of the Association against the Lot. Such statement shall be binding upon the Association as of the date of such statement.

**7.2. Purpose of Assessments.** The Regular or Special Assessments levied by the Association shall be used exclusively (i) to promote the health, safety and welfare of the residents occupying the Real Estate, (ii) for the improvement, maintenance and repair of the Common Areas and Greenbelt shown and identified as such on any subdivision plat of the Real Estate now or hereafter recorded in the office of the Recorder of Johnson County, Indiana, (iii) for the performance of the responsibilities and duties of the Association and (iv) for such other purposes as are specifically or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of any capital improvements which the Association is required to maintain.

**7.3. Regular Assessments.** The Board of Directors of the Association shall have the right, power and authority, without any vote of the members of the Association, to fix, from time to time, the Regular Assessment against each Lot at any amount not in excess of the maximum Regular Assessment hereinafter provided.

(i) Until January 1, 1991, the maximum Regular Assessment on any Lot shall not exceed Twenty and no/100 Dollars (\$20.00) per month; and

(ii) From and after January 1, 1991, the maximum Regular Assessment on a Lot may not be increased by more than fifteen percent (15%) above the annual Regular Assessment for the previous calendar year without the approval of two-thirds (2/3) of those members of each class of members of the Association who cast votes in person or in proxy at a meeting of the members of the Association duly called for such purpose.

**7.4. Special Assessments.** In addition to regular Assessments, the Association, except as provided below, may make Special Assessments against each Lot for the purpose of reconstructing, repairing or replacing any capital improvement which the Association is required to maintain or to recover any operating deficits which the Association may from time to time incur, only with the assent of two-thirds (2/3) of the members of each class of members of the Association who cast votes in person or by proxy at a meeting of the members of the Association duly called for such purpose.

**7.5. Uniform Rate of Assessment.** The Regular Assessments and Special Assessments levied by the Association shall be uniform for all Lots except that all of the provisions of this Declaration notwithstanding, Developer shall not be liable for the payment of Regular Assessments and Special Assessments.

7.6. Date of Commencement of Regular Assessments; Due Dates. The Regular Assessment shall commence as to each Lot on the first day of the first calendar month following the first conveyance of such Lot to a Nonaffiliated Owner.

The Board of Directors of the Association shall fix the amount of the Regular Assessment at least thirty (30) days in advance of each annual assessment period. Written notice of the assessment notices as the Board of Directors shall deem appropriate shall be sent to each Owner subject hereto. The due dates for all assessments shall be established by the Board of Directors of the Association. The Board of Directors may provide for reasonable interest and late charges on past due installments of assessments.

7.7. Failure of Owner to Pay Assessments.

(i) No Owner may exempt himself from paying Regular Assessments and Special Assessments, or from contributing toward the Common Expenses and toward any other expense lawfully agreed upon, by abandonment of the Lot belonging to him. If any Owner shall fail, refuse or neglect to make any payment of any assessment or periodic installment of an assessment, if applicable when due, the lien for such assessment on the Owner's Lot may be filed and foreclosed by the Board of Directors of the Association for and on behalf of the Association in the same manner as a mortgage on real property or as otherwise provided by law. Upon the failure of any Owner to make timely payments of any assessment or a periodic installment of an assessment, if applicable when due, the Board may in its discretion accelerate the entire balance of any unpaid assessments and declare the same immediately due and payable notwithstanding any other provisions hereof to the contrary. In any action to foreclose the lien for any assessment, the Owner and any occupant of the Lot shall be jointly and severally liable for the payment to the Association of reasonable rental for such Lot, and the Board of Directors shall be entitled to the appointment of a receiver for the purpose of preserving the Lot and to collect the rentals and other profits therefrom for the benefit of the Association to be applied to the unpaid assessments. The Board of Directors of the Association may, at its option, bring a suit to recover a money judgment for any unpaid assessment without foreclosing or waiving the lien securing the same. In any action to recover an assessment, whether by foreclosure or otherwise, the Board of Directors of the Association, for and on behalf of the Association, shall be entitled to recover from the Owner of the respective Lot costs and expenses of such action incurred (including but not limited to reasonable attorneys' fees) and interest from the date such assessments were due, until paid.

(ii) Notwithstanding anything contained in this paragraph 7.7 or elsewhere in this Declaration, any sale, or transfer of a Lot to a Mortgagee pursuant to a foreclosure of its mortgage or conveyance in lien thereof, or a conveyance to any person at a public sale in the manner provided by law with respect to mortgage foreclosures, shall extinguish the lien of any unpaid assessments (or periodic installments, if applicable) which became due prior to such sale, transfer or conveyance; provided, however, that the extinguishment of such lien shall not relieve the prior Owner from personal liability hereafter.

ARTICLE VIII.

INSURANCE

8.1. Casualty Insurance. The Association shall purchase and maintain fire and extended coverage insurance in an amount equal to the full replacement cost of all improvements, if any, which the Association is required to maintain hereunder. If the Association obtains such coverage for a reasonable amount, it shall also obtain "all risk coverage." The Association may also insure any other property, whether real or personal, owned by the Association against loss or damage by fire and such other hazards as the Association may deem desirable. Such insurance coverage shall name the Association as the insured. Such insurance policy or policies shall contain provisions that (1) the insurer waives its rights to subrogation as to any claim against Developer, the Association, its Board of Directors, officers, agents and employees, any committee of the Association or of the Board of Directors, and all Owners and their respective agents and guests and (2) waives any defense based on invalidity arising from the acts of the insured. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was earned.

8.2. Liability Insurance. The Association shall also purchase and maintain a master comprehensive public liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time, but in any event with a minimum combined limit of One Million Dollars (\$1,000,000.00) per occurrence. Such comprehensive public liability insurance shall cover all of the Common Areas and easement areas (shown and identified as such upon any subdivision plat of the Real Estate now or hereafter recorded in the office of the Recorder of Johnson County, Indiana) and shall insure Developer, the Association, its Board of Directors, officers, agents and employees of any of the foregoing with respect to the Real Estate, all Owners and all other persons entitled to occupy any Lot. Such public liability insurance policy shall include a "separability of interest" clause or endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association, Developer or other Owners.

8.3. Other Insurance. The Association shall also purchase and maintain any other insurance required by law to be maintained, including but not limited to workmen's compensation and occupational disease insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate, including but not limited to officers' and directors' liability insurance.

ARTICLE IX.

MAINTENANCE AND DECORATION

9.1. Maintenance of Lots and Improvements. Except to the extent such maintenance shall be the responsibility of the Association under any of the foregoing provisions of this Declaration, it shall be the duty of the Owner of each Lot to keep the grass on the Lot properly cut and keep the Lot free of weeds and trash and otherwise neat and attractive in appearance, including, without limitation, the proper maintenance of the exterior of any structures on such Lot. In the event the Owner of any Lot fails to do so in a manner satisfactory to the Association, the Association, after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right (but not the obligation), through its agents, employees and contractors, to enter upon said Lot and to repair, maintain and restore the Lot and the

exterior of the improvements erected thereon. The cost of such exterior maintenance shall be an additional assessment against such Lot and the Owner thereof, to be collected and enforced in the manner provided in this Declaration for the collection and enforcement of assessments in general. Neither the Association nor any of its agents, employees or contractors shall be liable for any damage which may result from any maintenance work performed hereunder.

9.2. Additional Restrictions Concerning Residences and Other Structures.

- (i) No change shall be made in the exterior color of any residence or accessory buildings located on a Lot, including the roofs thereof, without the prior written approval of the Committee;
- (ii) Existing or newly planted trees on any Lot shall not be removed by an Owner, after his occupancy, without the prior written approval of the Committee; provided, however, that nothing herein shall prevent the removal of trees by Developer, or any entity related to Developer, during the development of the Real Estate and during the construction by Developer, or any entity related to Developer, of a residence or accessory building on any Lot; and
- (iii) In order to preserve the aesthetic appearance of the Real Estate, any mailbox must be approved by the Committee as to size, location, height or appearance before it is installed.

**ARTICLE X.**

MORTGAGES

10.1. Notice to Association. Any Mortgagee who places a first mortgage lien upon a Lot may notify the Secretary of the Association of the existence of such mortgage and provide the name and address of such Mortgagee. A record of such mortgage and name and address shall be maintained by the Secretary of the Association and any notice required to be given to the Mortgagee pursuant to the terms of this Declaration, the By-Laws of the Association or otherwise shall be deemed effectively given if mailed to such Mortgagee at the address shown in such record in the time provided. Unless notification of any such mortgage and the name and address of Mortgagee are furnished to the Secretary, as herein provided, no notice to any Mortgagee as may be otherwise required by this Declaration, the By-Laws of the Association or otherwise shall be required, and no Mortgagee shall be entitled to vote on any matter in which it otherwise may be entitled by virtue of this Declaration, the By-Laws of the Association, a proxy granted to such Mortgagee in connection with the mortgage, or otherwise.

10.2. Notice to Mortgagee. The Association, upon request, shall provide to any Mortgagee a written certificate or notice specifying unpaid assessments and defaults of the Owner of such Lot, if any, in the performance of such Owner's obligation under this Declaration or any other applicable documents, which defaults have not been cured within sixty (60) days.

ARTICLE XI.  
AMENDMENT

11.1. By the Association. Except as otherwise provided in this Declaration, amendments to this Declaration shall be proposed and adopted in the following manner.

- (i) Notice. Notice of the subject matter of any proposed amendment shall be included in the notice of the meeting of the members of the Association at which the proposed amendment is to be considered.
- (ii) Resolution. A resolution to adopt a proposed amendment may be proposed by the Board of Directors or by any Owner who is in good standing with the Association. An Owner shall be deemed in good standing if he has paid all assessments that are then due and payable.
- (iii) Meeting. The resolution concerning a proposed amendment must be adopted by the designated vote at a meeting of the members of the Association duly called and held in accordance with the provisions of the By-Laws.
- (iv) Adoption. Any proposed amendment to this Declaration must be approved by a two-thirds (2/3) majority vote of all Owners; provided however, that any such amendment shall require the prior written approval of Developer so long as Developer or any entity related to Developer owns any Lots within and upon the Real Estate. In the event any Lot is subject to a first mortgage, each Mortgagee shall be notified of the meeting and the proposed amendment in the manner as an Owner if the Mortgagee has given prior notice of its mortgage interest to the Board of Directors of the Association in accordance with the provisions of the foregoing paragraph 10.1.

(v) Special Amendments. No amendment to this Declaration shall be adopted which changes any provision of this Declaration which would be deemed to be of a material nature by the Federal National Mortgage Association under Section 402.02 of Part V, Chapter 4, of the Fannie Mae Selling Guide or any similar provision of any subsequent guidelines published in lieu of or in substitution for the Selling Guide, without the approval of all Mortgagees who have given prior notice of their mortgage interest to the Board of Directors of the Association in accordance with the provisions of the foregoing paragraph 10.1.

Any Mortgagee which has been duly notified of the nature of any proposed amendment shall be deemed to have approved the same if said Mortgagee or a representative thereof fails to appear at the meeting at which such amendment is to be considered (if proper notice of such meeting was timely given to such Mortgagee). In the event that a proposed amendment is deemed by the Board of Directors of the Association to be one which is not of a material nature, the Board of Directors shall notify all Mortgagees whose interests have been made known to the Board of Directors of the nature of such proposed amendment, and such amendment shall be conclusively deemed not material if no Mortgagee so notified objects to such proposed amendment within thirty (30) days of the date such notices are mailed and if such notice advises the Mortgagees of the time limitation contained in this provision.

11.2. By Developer, Developer hereby reserves the right, so long as it, or any entity related to Developer, owns any Lot within and upon the Real Estate, to make such amendments to this Declaration as may be deemed necessary or appropriate by Developer in its sole discretion, without the approval of any other person or entity, provided that Developer shall not be entitled to make any amendment which has a materially adverse effect on the rights of any Mortgagee, nor which substantially increases the obligations imposed by this Declaration on any Owner.

11.2. Recordings. Each amendment to the Declaration shall be executed by Developer only in any case where Developer has the right to amend this Declaration without any further consent or approval, and otherwise by the President or Vice President and Secretary of the Association; provided, that any amendment requiring the consent of Developer shall contain Developer's signed consent. All amendments shall be recorded in the office of the Recorder of Lebanon County, Indiana, and no amendment shall become effective until so recorded.

12.4. Severability. Invalidation of any of the covenants, restrictions or provisions contained in this Declaration by judgment or court order shall not in any way affect any of the other provisions hereof, which shall remain in full force and effect.

12.5. Titles. The underlined titles preceding the various paragraphs and subparagraphs of this Declaration are for the convenience of reference only, and none of them shall be used as an aid to the construction of any provisions of this Declaration. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

12.6. Applicable Law. This Declaration shall be governed, interpreted, construed and regulated by the laws of the State of Indiana.

12.7. Amendments. At any time prior to January 31, 1999, additional land within the tracts described in the attached Exhibit B may be annexed by Developer to the Real Estate

IN WITNESS WHEREOF, this Declaration has been executed by Developer as of the  
date first above written.

25. These covenants and restrictions (as the same may be amended from time to time as provided in the Declaration) shall run with the land and shall be binding upon all persons or entities from time to time having any right, title or interest in the Real Estate, or any part thereof, and on all persons or entities claiming under them; provided, however, that no termination of said covenants and restrictions shall effect any easement hereby created and reserved unless all persons entitled to the beneficial use of such easement shall consent thereto.

27. The lots in Eckenhoor, where applicable, shall be conveyed with easements over the adjacent lot or subject to easements for the benefit of the adjacent lot, as more particularly depicted on the Plat.   - b. The dominant tenement shall not use the easement for any other use including permanent installation of any sort (except fencing).
  - c. The servient tenement shall have the right at all reasonable times to enter the easement area, including crossing over the dominant tenement for such entry, in order to perform work related to the usage of the servient tenement.
  - d. The servient tenement shall have the right of drainage over, across and upon the easement for water resulting from the normal usage of the servient tenement and the dominant tenement shall maintain the easement area in such manner as will not interfere with such drainage.

c. The owner of the dominant tenement shall not attach any object to a wall or building belonging to the owner of the servient tenement.

f. The dominant tenement, except as otherwise provided in this paragraph, shall have the exclusive use of the surface of the easement area subject to the rights of any other easement holders (utilities, sewers, etc.), if any, and subject to minor encroachments, if any, existing at the time of the creation of the easement including overhangs, caves, etc. over the easement area which are part of the structure located on the servient tenement.
