5.1.2 A pro-rata share (as hereinafter defined) of any special assessments fixed, established, and determined from time to time, as hereinafter provided.

5.2 Liability for Assessments. Each assessment, together with any interest thereon and any costs of collection thereof, including attorneys' fees, shall be a charge on each Lot and shall constitute a lien from and after the due date thereof in favor of the Association upon each Lot. Each such assessment, together with any interest thereon and any costs of collection thereof, including attorneys' fees, shall also be the personal obligation of the Owner of each Lot at the time when the assessment is due. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No such sale or transfer shall relieve any Owner of the personal liability hereby imposed. The personal obligation for delinquent assessments shall not pass to any successor in title unless such obligation is expressly assumed by such successor.

5.3 Pro-rata Share. The pro-rata share of each Owner for purposes of this Section 5 shall be the percentage obtained by dividing one by the total number of Lots shown on the Plat or Plats of Franklin Lakes, as the same may be recorded from time to time, that have been conveyed by the Declarant to an Owner ("Pro-Rata Share").

5.3.1 Declarant and any individual or entity purchasing a Lot or Lots solely for the purpose of construction of a for-sale Dwelling Unit thereon (a "Builder") shall pay only twenty-five percent (25%) of the Regular Yearly Assessments and Special Assessments so long as any Dwelling Unit constructed upon a Lot by Declarant or Builder has not been conveyed to an Owner intending to occupy or rent said Dwelling Unit as a residence or leased to an individual or entity for use as a resident.

5.4 Basis of Annual Assessments. The Board of Directors of the Association shall establish an annual budget prior to the beginning of each fiscal year, setting forth all Common Expenses for the coming fiscal year, together with a reasonable allowance for contingencies and reserves of the Association. A copy of this budget shall be delivered to each Owner within thirty (30) days prior to the beginning of each fiscal year of the Association.

5.5 Basis of Special Assessments. Should the Board of Directors of the Association at any time during the fiscal year determine that the assessments levied with respect to such year are insufficient to pay the Common Expenses for such year, the Board of Directors of the Association may, at any time, and from time to time, levy such special assessments as it may deem necessary for meeting the Common Expenses. In addition, the Board of Directors of the Association shall have the right to levy at any time, and from time to time, one or more special assessments for the purpose of defraying, in whole, or in part, any unanticipated Common Expense not provided for by the Annual Assessments.

5.6 Date of Commencement of Yearly Assessments; Due Dates. The Regular Yearly Assessment provided for herein shall commence as to each Lot within a recorded plat the first day of the first month following the recording of such plat. The Board of Directors shall fix any increase in the amount of the yearly assessments at least thirty (30) days in advance of

the effective date of such increase. Written notice of any increase in the Regular yearly Assessment, and written notice of any Special Assessment and such other assessment notices as the Board of Directors shall deem appropriate, shall be sent to every Owner subject thereto. The due dates for all assessments, and the assessment and collection period (i.e., annual monthly, lump-sum or otherwise) for any Special Assessments, shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an Officer of the Association setting forth whether the assessment on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

5.7 Fiscal Year: Date of Commencement of Assessments: Due Dates. The fiscal year of the Association shall be established by the Association and may be changed from time to time by action of the Association. The annual assessments on each Lot in Franklin Lakes shall commence on the day on which Declarant first conveys ownership of the Lot to an Owner. The first annual assessment for each Lot shall be prorated for the balance of the fiscal year of the Association in which such assessment is made. The annual assessment for each year after the first assessment year shall be due and payable on the first day of each fiscal year of the Association. Annual assessments shall be due and payable in full as of the above date, except that the Association may from time to time by resolution authorize the payment of such assessments in installments.

5.8 Duties of the Association.

5.8.1 The Board of Directors of the Association shall cause proper books and records of the levy and collection of each annual and special assessment to be kept and maintained, including a roster setting forth the identification of each and every Lot and each assessment applicable thereto, which books and records shall be kept in the office of the Association and shall be available for the inspection and copying by each Owner for duty authorized representative of any Owner) at all reasonable times during regular business hours of the Association. The Board of Directors of the Association shall cause written notice of all assessments levied by the Association upon the Lots and upon the Owners to be mailed to the Owners or their designated representatives as promptly as practicable and in any event not less than thirty (30) days prior to the due date of such assessment or any installment thereof. In the event such notice is mailed less than thirty (30) days prior to the due date of the assessment to which such notice pertains, payment of such assessment shall not be deemed past due for any purpose if paid by the Owner within thirty (30) days after the date of actual mailing of such notice.

5.8.2 The Association shall promptly furnish to any Owner or Mortgagee upon request a certificate in writing signed by an officer of the Association, setting forth the extent to which assessments have been levied and paid with respect to such requesting Owner's or

Mortgagee's Lot. As to any persons relying thereon, such certificate shall be conclusive evidence of payment of any assessments therein stated to have been paid.

5.8.3 The Association shall notify any Mortgagee from which it has received a written request for notice of any default in the performance by any Owner of any obligation under the By-Laws or this Declaration which is not cured within sixty (60) days.

5.9 Non-payment of Assessments: Remedies of Association.

5.9.1 If any assessment is not paid on the date when due, then such assessment shall be deemed delinquent and shall together with any interest thereon and any cost of collection thereof, including attorneys' fees, become a continuing lien on the Lot against which such assessment was made, and such lien shall be binding upon and enforceable as a personal liability of the Owner of such Lot as of the date of levy of such assessment, and shall be enforceable against the interest of such Owner and all future successors and assignees of such Owner in such Lot: provided, however, that such lien shall be subordinate to any mortgage on such Lot recorded prior to the date on which such assessment becomes due.

5.9.2 If any assessment upon any Lot is not paid within fifteen (15) days after the due date, such assessment and all costs of collection thereof, including attorneys' fees, shall bear interest from the date of delinquency until paid at the annual interest rate allowable on judgments rendered in the State of Indiana at the time such assessment is due, and the Association may bring an action in any court having jurisdiction against the delinquent Owner to enforce payment of the same and/or to foreclose the lien against said Owner's Lot, and there shall be added to the amount of such assessment all costs of such action, including the Association's attorneys fees, and in the event a judgment is obtained, such judgment shall include such interest, costs, and attorneys' fees.

5.10 Adjustments. In the event that the amounts actually expended by the Association for Common Expenses in any fiscal year exceed the amounts budgeted and assessed for Common Expenses for that fiscal year, the amount of such deficit shall be carried over and become an additional basis for assessments for the following fiscal year. Such deficit may be recouped either by inclusion in the budget for annual assessments or by the making of one or more special assessments for such purpose, at the option of the Association. In the event that the amounts budgeted and assessed for Common Expenses in any fiscal year exceed the amount actually expended by the Association for Common Expenses for that fiscal year, a Pro-Rata Share of such excess shall be a credit against the assessment(s) due from each Owner for the next fiscal year(s).

6 ORGANIZATION AND DUTIES OF ASSOCIATION

6.1 Organization of Association. The Association shall be organized as a not-for-profit corporation under the laws of the State of Indiana, to be operated in accordance with The Articles of Incorporation which have been filed or will be filed by Declarant.

6.2 Membership. The members of the Association shall consist of the Declarant and the Owners of Lots in Franklin Lakes as the same may be Platted from time to time, provided that, in the event that any one Lot shall be owned by more than one person, partnership, trust, corporation or other entity, they shall be treated collectively as one member for voting purposes.

The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B members shall be the Declarant, who shall be entitled to three (3) votes for each Lot owned, and the first Board of Directors during their respective terms, who shall have no voting rights. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class membership: or

(b) On January 1, 2015.

6.3 Board Of Directors. The members shall elect a Board of Directors of the Association as prescribed by the By-Laws. The Board of Directors shall manage the affairs of the Association.

6.4 General Duties of the Association. The Association is hereby authorized to act and shall act on behalf of, and in the name, place and stead of, the individual Owners in all matters pertaining to the maintenance, repair and replacement, of the Common Amenities and street signs, the determination of Common Expenses, the collection of annual and special assessments, and the granting of any approvals whenever and to the extent called for by this Declaration, for the common benefit of all such Owners. The Association shall also have the right, but not the obligation, to act on behalf of any Owner or Owners in seeking enforcement of the Covenants contained in this Declaration. Neither the Association nor its officers or authorized agents shall have any liability whatsoever to any Owner for any action taken under color or authority of this Declaration, or for any failure to take any action called for by this Declaration, unless such act

or failure to act is in the nature of a willful or reckless disregard of the rights of the Owners or in the nature of willful, intentional, fraudulent, or reckless misconduct.

6.5 Amendment of Declaration. The Association shall have the right to amend this Declaration at any time, and from time to time, upon the recommendation of an amendment by the Association by its Board of Directors, and the subsequent approval of such amendment by both the Owners of at least two-thirds of the Lots and the Mortgagees of at least two-thirds of the Mortgagees requesting notice of such actions provided, however, that any such amendment of this Declaration shall require prior written approval of Declarant so long as Declarant owns at least three (3) Lots within Franklin Lakes. Each such amendment must be evidenced by a written instrument, signed and acknowledged by duly authorized officers of the Association, and by Declarant when its approval is required, setting forth facts sufficient to indicate compliance with this paragraph, including as an exhibit or addendum thereto a certified copy of the minutes of the Association meeting at which the necessary actions were taken, and such amendment shall not be effective until recorded in the Office of the Recorder of Johnson County. No such amendment shall effect a modification of zoning covenants or commitments undertaken in connection with any rezoning without the prior approval of the Johnson County Plan Commission.

6.6 Insurance. The Association shall maintain in force adequate public liability insurance protecting the Association against liability for property damage and personal injury with the amount of such coverage in no event to be less than One Million Dollars (\$1,000,000.00) for any single occurrence, occurring on or in connection with any and all Common Amenities. The Association shall also maintain in force adequate fire and extended coverage insurance, insuring all Common Property against fire, and extended coverage insurance, insuring all Common Amenities against fire, windstorm, vandalism, and such other hazards as may be insurable under standard "extended coverage" provisions, in an amount equal to the full replacement value of such Common Area improvements. The Association shall notify all Mortgagees which have requested notice of any lapse, cancellation, or material modification of any insurance policy. All policies of insurance shall contain an endorsement or clause whereby the insurer waives any right to be subrogated to any claim against the Association, its officers, Board members, the Declarant, any property manager, their respective employees and agents, the Lot Owners and occupants, and also waives any defenses based on co-insurance or on invalidity arising from acts of the insured, and shall cover claims of one or more insured parties against other insured parties.

The Association shall maintain a fidelity bond indemnifying the Association, the Board of Directors and the Lot Owners for loss of funds resulting from fraudulent or dishonest acts of any director, officer, employee or anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The fidelity bond should cover the maximum amount of funds which will be in the custody of the Association or its management agent at any time, but in no event shall such fidelity bond coverage be less than the sum of three (3) months' assessments on all Lots in Franklin Lakes, plus the Association's reserve funds.

The Association shall cause all insurance policies and fidelity bonds to provide at least ten (10) days written notice to the Association, and all Mortgagees who have requested such notice, before the insurance policies or fidelity bonds can be canceled or substantially modified for any reason.

6.7 Condemnation. Destruction. In the event that any of the Common Amenities shall be condemned or taken by any competent public authority, or in the event the same shall be damaged or destroyed by any cause whatsoever, the Association shall represent the interests of the Owners in any proceedings, negotiations, insurance adjustments, settlements, or agreements in connection with such condemnation, damage, or destruction. Any sums recovered by the Association shall be applied, first, to the restoration and repair of any Common Area condemned, damaged, or destroyed, to the extent such restoration or repair is practicable, and the balance of such sums shall either be held as a reserve for future maintenance of the Common Area or turned over to the Owners in proportion to their Pro-Rata Shares, whichever may be determined by a majority vote of the members of the Association. Each Owner shall be responsible for pursuing his own action for damages to his Lot, either by reason of direct damage thereto or by reason of an impairment of value due to damage to the Common Amenities: provided, however, that upon request of any Owner(s), the Association shall pursue such claims on such requesting Owner(s) behalf, and shall turn any recoveries for such Owners over to such Owners directly. The Association shall notify all Mortgagees of which it has notice of any condemnation, damage, or destruction of any Common Area.

6.8 Lake Area. Except as otherwise provided, access to any lake area, if any, that is a part of the Common Area owned by the Association may be restricted by the Board of Directors of the Association. Except as otherwise provided, no individual using Lake, if any, has the right to cross another lot or trespass upon shoreline not within a Common Area owned by the Association, subject to the rights of the Declarant, the Association, their employees, heirs, successors and assigns as set forth in the Declaration. No one shall do or permit any action or activity which could result in pollution of any Lake, diversion of water, elevation of any Lake level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper Lake management except as provided in the Declaration. Any Lake may not be used for swimming, ice skating, boating, or for any other purpose, except for drainage of the Property, unless expressly and specifically approved by the Association Board of Directors in writing and allowed by law. Only the Declarant and the Association shall have the right to store items or develop recreational facilities upon any Common Area owned by the Association adjacent to a Lake.

6.9 Development and Sale Period. Nothing contained in this paragraph shall be construed or interpreted to restrict the activities of Declarant or a Builder in connection with the development of the Property and sale of Lots. During the Development Period, Declarant or a Builder shall be entitled to engage in such activities and to construct, install, erect and maintain such facilities, upon any portion of the Property at any time owned or leased by Declarant or a Builder, as in the sole opinion of Declarant or a Builder may be reasonably required, or

convenient or incidental to, the development of the Property and sale of the lots; such facilities may include, without limitation, storage areas, signs, parking areas, model residences, construction offices, sales offices and business offices.

6.10 Mortgagees' Rights. The mortgagees shall have the right, at their option, jointly or severally, to pay taxes or other charges which are in default or which may or have become a charge against the Common Area, to pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for the Common Area, and Mortgagees making such payment shall be owed immediate reimbursement therefor from the Association.

7 EXPANSION OF SUBDIVISION

7.1 Method and Scope of Expansion. Declarant, at its option, and from time to time, may expand Franklin Lakes to include all or any parts of the tract described in the attached Exhibits B and C, by the addition of further sections consisting of one or more Lots and any Common Area which in the discretion of Declarant is appropriate for addition with such section. Such further sections, if added, shall be added by the recordation of a Plat of such section, consistent in detail and layout with Plats of sections previously recorded, and by the recordation of a supplemental declaration imposing upon such section the terms and conditions of this Declaration, together with any provisions particular to such section. Declarant hereby covenants that no real estate shall be added thereto which is not within that described in Exhibits B and C.

7.2 Time for Expansion. No additional sections shall be added after the date which is twenty (20) years after the date on which the first Plat for Franklin Lakes was recorded.

8 GENERAL PROVISIONS

8.1 Covenants Run With the Land. The Covenants created by this Declaration shall attach to and run with the Real Estate and shall be binding upon every person who may hereafter come into ownership, occupancy or possession of any portion of the Real Estate.

8.2 Scope of Covenants. Declarant and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be expressed in such deed, are deemed to have agreed to each and every one of the various terms, Covenants, conditions, contained in this Declaration, and the same shall be of mutual and reciprocal benefit to Declarant and each Owner of each Lot. Declarant and each Owner shall be entitled to enforce this Declaration against any Owner to the full extent permitted herein and under applicable law, and shall have all rights and remedies for such enforcement at law or in equity. Each Owner shall be liable for any failure to fully comply with all of the terms, Covenants, and conditions, contained in this Declaration only so long as each such Owner shall have any interest in any Lot; provided, however, that the relinquishing of

all of such interest shall not operate to release any Owner from liability for a failure to comply with this Declaration which occurred while said Owner had such interest.

8.3 Attorneys' Fees. As to any legal or equitable proceedings for the enforcement of, or to restrain the violation of this Declaration, or any provision thereof, if the party bringing such action is successful in obtaining any remedy against any defaulting Owner, such defaulting Owner shall pay the reasonable attorneys' fees of such successful party, in such amount as may be fixed by the Court in such proceedings.

8.4 Failure to Enforce Not a Waiver of Rights. The failure of Declarant, the Association, or any Owner to enforce any term, Covenant, or condition, herein contained shall in no event be deemed to be a waiver of the right to do so thereafter, nor of the right to enforce any other such term, Covenant or condition.

8.5 Rights of Mortgagees. Except to the extent otherwise provided in Section 5, no breach of this Declaration shall defeat or render invalid the lien of any mortgage now or hereafter executed upon any portion of the Real Estate; provided, however, that if all or any portion of said Real Estate is sold under a foreclosure of any mortgage, any purchaser at such sale and his successors and assigns shall hold any and all land so purchased subject to this Declaration. The provisions of Section 7 hereinabove notwithstanding, neither the Owners nor the Association shall have any right to make any amendment to this Declaration which materially impairs the rights of any Mortgagee holding, insuring, or guaranteeing any mortgage on all or any portion of the Real Estate at the time of such amendment.

8.6 Effect of Invalidation. If any provision of this Declaration is held to be invalid by any court, the invalidity of such provision shall not affect the validity of the remaining provisions hereof.

8.7 Section Headings. Section headings used herein are used for convenience only and are not intended to be a part of this Declaration or in any way to define, limit, or describe the scope and intent of the particular sections to which they refer.

8.8 Notices. All notices in connection with this Declaration shall be made in writing and shall be deemed delivered (a) upon personal delivery to the individual person, if any, designated in writing by the Owner, as listed in the roster of Owner's names and addresses referred to in Section 5; or (b) seventy-two hours after the deposit thereof in any United States main or branch post office, first class postage prepaid, properly addressed to the addressee thereof at the address listed in the said roster.

8.9 Limitations and Declarant's Rights. Any notice to or approval by Declarant under any provision of this Declaration shall not be necessary after such time as Declarant owns fewer than three (3) Lots within Franklin Lakes.

8.10 Deed Clause to Implement Declaration. Each Owner covenants and agrees that it will not execute or deliver any deed or conveyance of a fee title interest in any Lot, or any portion thereof, unless such deed or conveyance contains a clause substantially as follows:

"By acceptance and recording of this conveyance, the Grantee herein covenants and agrees to be bound by the Declaration of Covenants and Restrictions For Franklin Lakes pertaining to the Real Estate hereby granted, which is recorded in the Office of the Recorder of Johnson County, Indiana", and properly identifying the instrument number therein. However, the failure to include such clause shall not have any effect on this Declaration or the enforceability thereof against any Owner of any interest in any portion of the Real Estate.

8.11 Provision Against Merger. Declarant hereby intends that the Real Estate shall be subject to this Declaration, that the Covenants contained herein shall not be merged into the title of the Declarant regardless of whether Declarant is the fee title owner of all or any part of the Real Estate at the time this Declaration is executed or recorded.

8.12 Rights to Common Amenities. Title to all Common Amenities shall be held in the Association, and each Owner shall have, as non-exclusive, reciprocal easements appurtenant to his Lot, the right to the use of all Common Amenities as open spaces and the right of access to and use of the Drainage System, the Sewage System, and all utility lines and mains abutting or adjacent to his Lots provided, however, that no Owner's use of any Common Area shall materially interfere with any other Owner's use thereof. In the event that any Owner's use of any Common Area causes such an interference, the Association or any Owner shall have all rights and remedies provided at law or in equity, for such interference.

8.13 Reservations of Declarant. The provisions of Section 6 hereof notwithstanding, Declarant hereby reserves the right to make such amendments to this Declaration as may be deemed necessary or appropriate by Declarant, so long as Declarant owns at least three (3) Lots within Franklin Lakes without the approval or consent of the Owners or Mortgagees of the Lots provided that Declarant shall not be entitled to make any amendment which has a materially adverse effect on the rights of any Mortgagee, nor which substantially impairs the benefits of this Declaration to any Owner, or substantially increases the obligations imposed by this Declaration on any Owner.

8.14 Transfer of Control of Owner's Association and Quitclaim Deed of Common Amenities. Declarant shall transfer control of the Owner's Association to the Lot Owners and give a Quitclaim Deed for the Common Amenities to the Association no later than four months after three-fourths (3/4) of the Lots have been conveyed to Lot purchasers.

In Witness Whereof, the Declarant has caused this Declaration to be executed on the date first above written.

WITNESSETH That:

WHEREAS, T&T Developers, Inc., was the Declarant in the above-referenced Declaration; and

1. Sub-section 5.9.1, which reads:

If any assessment is not paid on the date when due, then such assessment shall be deemed delinquent and shall together with any interest thereon and any cost of collection thereof, including attorneys' fees, become a continuing lien on the Lot against which such assessment was made, and such lien shall be binding upon and enforceable as a personal liability of the Owner of such Lot as of the date of levy of such assessment, and shall be enforceable against the interest of such Owner and all future successors and assignees of such Owner in such Lot; provided, however, that such lien shall be subordinate to any mortgage on such Lot recorded prior to the date on which such assessment becomes due.

shall be deleted and replaced with the following:

~~**Section 5 of Mortgagees.** Except to the extent otherwise provided in Section 5, no breach of this Declaration shall defeat or render invalid the lien of any mortgage now or hereafter executed upon any portion of the Real Estate; provided, however, that if all or any portion of said Real Estate is sold under a foreclosure of any mortgage, any purchaser, conveyance by delivery of a deed in lieu of foreclosure, any purchaser, or Grantee, at such sale or conveyance, and his successors and assigns shall hold any and all land so purchased subject to this Declaration; provided, however, any such sale or conveyance shall extinguish any assessment and lien created by Section 5 which is unpaid upon the date of such sale or conveyance. COVENANTS, CONDITIONS, AND RESTRICTIONS FOR FRANKLIN LAKES AS RECORDED IN BOOK 98, PAGE 97, IN THE OFFICE OF THE RECORDER OF JOHNSON COUNTY, INDIANA, AS INSTRUMENT No. 95000278, AND THE "AMENDMENT AND SUPPLEMENT TO DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS FOR FRANKLIN LAKES" AS RECORDED IN BOOK _____, PAGE _____ IN THE OFFICE OF THE RECORDER OF JOHNSON COUNTY, INDIANA, AS INSTRUMENT No. 95000276 (THE "DECLARATIONS") AND SHALL RUN WITH THE LAND.

DRAINAGE COVENANT:

Drainage swales (ditches) along dedicated roadways and within the right-of-way, or on dedicated easements, are not to be altered, dug out, filled in, tiled or otherwise changed without the written permission of the City of Franklin and the Franklin Lakes Homeowners Association. Property owners must maintain these swales as sodded grassways, or other non-eroding surfaces. Water from roofs or parking areas must be contained on the property long enough so that said drainage swales or ditches will not be damaged by such water. Driveways may be constructed over these swales or ditches only when appropriate sized culverts or other approved structures have been permitted by the City of Franklin and the Franklin Lakes Homeowners Association.

Any property owner altering, changing, damaging, or failing to maintain these drainage swales or ditches will be held responsible for such action and will be given 10 days notice by certified mail to repair said damage, after which time, if no action is taken, the City of Franklin or the Franklin Lakes Homeowners Association will cause said repairs to be accomplished and the bill for said repairs will be sent to the affected property owner for immediate payment. Failure to pay will result in a lien against the property.

EASEMENTS:

"DRAINAGE AND UTILITY EASEMENT": The strips of ground or areas indicated as "Drainage & Utility Easement" (D. & U. E.) are reserved for the use of the City of Franklin, Public Utilities, and the Franklin Lakes Homeowners Association, to install, inspect, repair, replace, and maintain water and sewer mains, poles, ducts, lines, wires, and drainage facilities, subject at all times to the proper authorities and to the easement herein reserved; no permanent or other structures are to be erected or maintained upon said strips or areas of land; owners of lots in this subdivision shall take title to their lots subject to said easement rights.

"SIDEWALK EASEMENT": The strips of ground or areas indicated as "Sidewalk Easement" (S. E.) are reserved for the use of the City of Franklin to construct and install, improve, alter, maintain, reconstruct, repair, remove, and/or replace an asphalt or concrete public sidewalk; subject at all times to the proper authorities and to the easement herein reserved; no permanent or other structures are to be erected or maintained upon said strips or areas of land; owners of lots in this subdivision shall take title to their lots subject to said easement rights.
