NOW, THEREFORE, Amenity Declarant hereby declares that all of the Lots and land in the Property and such additions thereto as may hereafter be made pursuant to Section 3 hereof, as they are held and shall be held, owned, conveyed, hypothecated or encumbered, leased, rented, used, occupied and improved, are subject to the following Restrictions, all of which are declared, established and agreed upon for the purpose of enhancing and protecting the value, desirability and attractiveness of the Property as a whole and of each of the Residences, Lots and lands situated therein. Section 1. Definitions. Capitalized terms used in this Amenity Declaration shall have the meaning given such terms in Exhibit C attached hereto and made a part hereof, unless the context clearly requires otherwise.

Section 2. Amenity Declaration and Relation to Neighborhood Declarations and Neighborhoods Associations.

(A) Amenity Declaration. Amenity Declarant hereby expressly declares that the Property and any additions thereto pursuant to Section 3 below shall be held, transferred, and occupied subject to the Restrictions. The Owner of any Lot subject to the Restrictions, by (i) acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from a Title Holder, Designated Builder, the Amenity Declarant or a subsequent Owner of such Lot or Residence, or (ii) by the act of occupancy of any Lot or Residence, shall accept such deed, execute such contract and take such occupancy subject to each Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, each Owner acknowledges the rights and powers of Amenity Declarant and of the Amenity Association with respect to the Restrictions, and also for itself, its heirs, personal representatives, successors and assigns, covenants, agrees and consents to and with Amenity Declarant, the Amenity Association, and the Owners and subsequent Owners of each of the Lots affected by the Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

(B) Relation to Neighborhood Declarations. This Amenity Declaration is intended primarily to address the Amenity Area and the Boulevard Enhancements and shall be in addition to each Neighborhood Declaration. In the event of a conflict between the terms of this Amenity Declaration and any Neighborhood Declaration, the terms of this Amenity Declaration shall control.

(C) Relation of Amenity Association to Neighborhood Associations. The Amenity Association is intended primarily to address the Amenity Area and the Boulevard Enhancements and shall be in addition to each Neighborhood Association. In the event of a conflict between the terms of the Amenity Articles and the Amenity By-Laws, on the one hand, and the articles of incorporation and bylaws of any Neighborhood Association, on the other hand, the terms of the Amenity Articles and the Amenity By-Laws shall control.

Section 3. Additions to and Withdrawals from the Property.

(A) Additions. As of the date of the execution of this Amenity Declaration the Property comprises the Real Estate. Amenity Declarant in its discretion shall have the right, and hereby reserves on to itself the unilateral right, at any time, and from time to time, at any time prior to the Applicable Date, to add to the Property and subject to this Amenity Declaration all or any part of the Additional Real Estate; provided, however, that the addition of any parts of the Additional Real Estate not owned by the Declarant at the time the same are subjected to this Amenity Declaration shall require the written consent of such Owner. Any portion of the Additional Real Estate shall be added to the Property, and therefore and thereby becomes a part of the Property and subject in all respects to this Amenity Declaration and all rights, obligations, and privileges herein, when Amenity Declarant records of the Recorder of Hamilton County, Indiana an instrument so declaring the same to be part of the Property, which instrument may be contained in a Plat. Upon recording of any such instrument on or before the Applicable Date, the real estate described therein shall, for all purposes, thereafter be deemed a part of the Property and the Owners of any Lots within such real estate shall be deemed for all purposes, to have and be subject to all of the rights, duties, privileges, and obligations of Owners and Lots within the Property. No single exercise of Amenity Declarant's right and option to add and expand the Property as to any part or parts of the Additional Real Estate shall preclude the Amenity Declarant from thereafter from time to time further expanding and adding to the Property to include other portions of the Additional Real Estate, and such right and option of expansion may be exercised by Amenity Declarant from time to time as to all or any portions of the Additional Real Estate so long as such expansion is accomplished on or before the expiration of the Applicable Date. Such expansion of the Property is in the discretion of the Amenity

Declarant and nothing contained in this Amenity Declaration or otherwise shall require the Amenity Declarant to expand the Property beyond the Real Estate, or to any portions of the Additional Real Estate, which the Amenity Declarant may voluntarily and in its discretion from time to time subject to this Amenity Declaration.

(B) Withdrawals. So long as it has a right to annex Additional Real Estate pursuant to Section 3, Amenity Declarant reserves the right in its discretion to amend this Amenity Declaration and for any purpose including, without limitation, the purpose of removing any portion of the Property, which has not yet been improved with Residence(s), from the coverage of this Amenity Declaration. Such amendment shall not require the consent of any Person other than the owner(s) of the property to be withdrawn, if not the Amenity Declarant.

Section 4. Amenity Area. The development, ownership and maintenance of any Amenity Area shall be in accordance with the following and other applicable provisions of this Amenity Declaration:

(A) Development and Construction of Amenity Area. Subject to force majeure, the Amenity Association shall substantially complete the development and construction of the Amenity Area not later than three hundred sixty five (365) days after the recordation with the Recorder of Hamilton County, Indiana of all Plats for the entirety of the Property and the collection of all Amenity Contributions applicable thereto (the "Completion Date"); provided, however, that if both the Amenity Association and the Amenity Declarant agree, in writing, that the total Amenity Contributions are insufficient to complete the construction and development of the Amenity Area, then the Amenity Contribution contributed by each Plat Owner, less such Plat Owners pro-rata share of all amounts paid to the Amenity Declarant per the terms of Section 8(A) below, shall be refunded, without interest, to Neighborhood Association established pursuant to the Neighborhood Declaration to which such Plat Owner's Plat(s) are subject.

(B) Maintenance. The Amenity Association shall be responsible for maintaining the Amenity Area, and the Maintenance Costs thereof shall be assessed as a Annual Amenity Assessment against all Lots as set forth below in Section 7;

(D) Density of Use. Amenity Declarant expressly disclaims any warranties or representations regarding the density or intensity of use of the Amenity Area or the Amenities.

(E) Management and Control. The Amenity Association, subject to the rights of Amenity Declarant, shall be responsible for the exclusive management and control of the Amenity Area and shall keep the Amenity Area and Amenities in good, clean, attractive and sanitary condition, order and repair.

(F) Easements of Enjoyment. No Person shall have any right or easement of enjoyment in or to the Amenity Area except to the extent granted by, and subject to the terms and provisions of, this Amenity Declaration. Such rights and easements as are thus granted shall be appurtenant to and shall pass with the title to every Lot for whose benefit they are granted.

(G) Extent of Easements. The easements of enjoyment created hereby shall be subject to the following:

1. 2. The right of the Amenity Association, as to Amenity Area, to suspend the right of an Owner and all Persons whose right to use the Amenity Area derives from

3. The right of the Amenity Association, as to Amenity Area, to suspend the right of an Owner or any Person claiming through the Owner (including Occupants) to use all or any portion of such Amenity Area for a period not to exceed sixty (60) consecutive days for any other infraction of this Amenity Declaration, or any rules or regulations adopted by the Amenity Association.

4. The right of the Amenity Association, as to Amenity Area, to mortgage any or all of such Amenity Area and the Amenities for the purposes of improvements to, or repair of, such Amenity Area and the Amenities, pursuant to approval of the Amenity Board.

(H) Rights of Use. Each Owner and Occupant, and the members of their family and their guests, may use the Amenity Area and the Amenities (or part thereof) on the same terms and subject to the same limitations as such Person subject to such general, uniform rules, regulations, policies and procedures consistent with the provisions of this Amenity Declaration as may be established from time to time by the Amenity Association. Except as otherwise provided herein, the Amenity Association may restrict use of the Amenity Area and the Amenities by guests of Persons whose use thereof is authorized in this Amenity Declaration.

(I) Damage or Destruction by Owner. In the event the Amenity Area or any or the Amenities is damaged or destroyed by any Owner or Occupant or any of their family members, guests, licensees or agents, such Owner authorizes the Amenity Association to repair said damaged area and the Amenity Association shall repair said damaged area in a good workmanlike manner in conformance with the original plans and specifications of the area involved, or as the area may have been modified or altered subsequently by the Amenity Association in the discretion of the Amenity Association. An amount equal to the costs incurred to effect such repairs shall be assessed against such Owner as a Special Assessment and shall constitute a lien upon the Lot of said Owner, which may be collected per the terms of Section 7 below.

(J) Conveyance of Title. Amenity Declarant may but is not obligated to retain the legal title to the Amenity Area and the Amenity Facilities until the Applicable Date; provided, however, that the Amenity Declarant hereby shall convey to the Association the title, by quitclaim deed, prior to the Applicable Date.

(K) Use and Improvements. Unless approved by the Amenity Declarant, in its sole discretion, prior to the Applicable Date, or by the Amenity Board, in its sole discretion, after the Applicable Date, no permanent improvements shall be made to or installed on any Amenity Area. The use of the Amenity Area shall be subject to uniform rules, regulations, policies and procedures adopted by the Amenity Board, in its discretion, which shall not be inconsistent with the provisions of this Amenity Declaration.

Grass, trees, shrubs and other plantings located on the Amenity Area and Boulevard Segment for which the Amenity Association has maintenance responsibility shall be irrigated and shall be kept properly and neatly cut, cultivated or trimmed as reasonably required and otherwise maintained at all times in good and sightly condition appropriate to a first-class master planned, mixed-use community.

Section 7. Assessments.

(A) Creation. Each Owner (other than Exempt Owners) of any Lot by acceptance of a deed thereto, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Amenity Association: (i) Annual Amenity Assessments, (ii) Capital Assessments and (iii) Special Assessments to be established and collected as hereinafter provided.

(B) Lien and Personal Obligation. All Assessments, together with interest thereon and costs of collection thereof, shall be a charge on the land and shall be a continuing lien upon the Lot against which each Assessment is made until paid in full. The Amenity Board, in its discretion, is hereby fully authorized to record with the Recorder of Hamilton County a written instrument evidencing the lien, against the applicable Lot, for any delinquent Assessments. Each Assessment, together with interest thereon and costs of collection thereof, shall also be the personal obligation of the Person who was the Owner of the Lot at the time when the Assessment became due. Notwithstanding the foregoing, and, except as hereinafter provided, without limiting the personal obligation of any such Person, the Amenity Board, in its discretion may, from time to time, elect to require the collection of any Assessments by and through a Neighborhood Association, which shall then, per the terms of this Amenity Declaration, allocate and pro-rate the Assessments of the Amenity Association to Owners within the Neighborhood made the subject of such Neighborhood Association, and such Neighborhood Association, along with the Owners within the Neighborhood made the subject of such Neighborhood Association, shall be personally liable therefore.

(C) Annual Amenity Assessment.

1. The Annual Amenity Assessment levied by the Amenity Association shall be used exclusively for the Amenity Obligations. The

Amenity Board, in its discretion, from time to time may but shall not be obligated to establish and maintain a reserve fund for replacements by the allocation from the Annual Amenity Assessment and the payment to such reserve fund of an amount determined annually by the Amenity Board, in its discretion, to be sufficient to meet the cost of periodic significant capital repairs, renewals and replacements of the Amenities. The Annual Amenity Assessment shall be paid annually, on a date established by the Amenity Board.

2. The Annual Amenity Assessment shall be allocated, pro-rata and uniformly, among all Owners other than an Exempt Owner. The Amount of the Annual Assessment to be paid by each such Owner, other than an Exempt Owner, shall be equal to the lesser of (i) the Annual Budget divided by four hundred (400) or (ii) the Annual Budget divided by the total number of lots that are not occupied by an Exempt Owner.

(D) Capital Assessment. The Amenity Board, in its discretion, may levy against all Owners other than Exempt Owners, in any calendar year, a Capital Assessment applicable to that year and not more than the next four (4) succeeding calendar years for the purpose of defraying, in whole or in part, the cost of any repair, or replacement of a capital improvement upon the Amenity Area, including any of the Amenities.

(E) Special Assessments. In the event the Amenity Assessment for any calendar year after the Applicable Date is inadequate to cover the costs incurred by the Amenity Association to satisfy the Amenity Obligations in such calendar year, the Amenity Board in its discretion may levy upon all Owners other than Exempt Owners, as a Special Assessment, an Assessment to cure such inadequacy. Such Special Assessment shall be allocated among the Owners in the same manner as the Annual Amenity Assessment is allocated among Owners.

(F) Effect of Nonpayment of Assessments; Remedies of the Amenity Association. Any Assessments not paid within thirty (30) days after the due date may, upon resolution of the Amenity Board, bear interest from the due date at a percentage rate no greater than the current statutory maximum annual interest rate, to be set by the Amenity Board for each Assessment year. The Amenity Association shall be entitled to institute in any court of competent jurisdiction any lawful action to collect a delinquent Assessment and to foreclose the lien of such delinquent Assessments in the same manner in which mortgages are foreclosed in the State of Indiana, and shall also be entitled to collect any expenses or costs, including reasonable attorney's fees incurred by the Amenity Association in collecting such Assessment. If the Amenity Association has provided for collection of any Assessment in installments, upon default in the payment of any one or more installments, the Amenity Association may accelerate payment and declare the entire balance of said Assessment due and payable in full. No Owner may waive or otherwise escape liability for the Assessments provided for herein by nonuse of the Amenity Area or the Amenities or by abandonment of a Lot.

(G) Subordination of the Lien to Mortgages. To the extent specified herein, the lien of the Assessments provided for herein against a Lot shall be subordinate to the lien of any recorded first mortgage covering such Lot and to any valid tax or special assessment lien on such Lot in favor of any governmental taxing or assessing authority. Sale or transfer of any Lot shall not affect the lien of any Assessment. The sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall, however, extinguish the lien of such Assessments as to payments which became due more than six (6) months prior to such sale or transfer and no sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

(H) Certificates. The Amenity Association shall, upon demand in writing by an Owner, at any time, furnish a certificate in writing signed by an officer of the Amenity Association that the Assessments by the Amenity Association on a Lot have been paid or

that certain such Assessments remain unpaid, as the case may be.

(I) Amenity Association's Annual Budget. By a majority vote of the Amenity Directors, the Amenity Board in its discretion shall adopt the Amenity Association's Annual Budget for the subsequent calendar year, which shall provide for allocation of expenses in such a manner that the Amenity Obligations will be met. The Amenity Board may from time to time, in its discretion, include in the Amenity Association's Annual Budget a capital reserve in an amount sufficient to meet the projected need with respect to both amount and timing of significant reconstruction, repair or replacement of the Amenities.

(J) Violation Assessment. In addition to all other Assessments authorized in this Amenity Declaration, the Amenity Board, in its discretion, may levy a Violation Assessment against an Owner, (i) for a violation of this Amenity Declaration or (ii) for damages if any portion of the Amenity Area or the Amenities is damaged due to the willful or negligent act or omission of such Owner or Owner's guest or invitee. Any such Violation Assessment shall be a lien on the subject Owner's Lot and may be collected per the terms of Section 7 above. In the event of such damage, the Amenity Board shall have the right to undertake the necessary maintenance, repair or replacement. The choice between repair and replacement is in the discretion of the Amenity Board.

Section 8. Amenity Area Contribution Immediately upon the recordation with the Recorder of Hamilton County, Indiana of each and every Plat of the each part of the Real Estate, the Plat Owner thereof shall pay to the Amenity Association the sum of one thousand dollars (\$1,000.00) multiplied by the total number of Lots within such Plat. Immediately upon the recordation with the Recorder of Hamilton County, Indiana of each and every Plat of the each part of the Additional Real Estate that has been added or annexed to the Amenity Declaration per the terms of Section 3 above, the Plat Owner thereof shall pay to the Amenity Association a sum of money (the "Per Lot Sum"), determined by the Amenity Declarant in its sole discretion, multiplied by the total number of Lots within such Plat, which Per Lot Sum may exceed but shall not be less than the sum of one thousand dollars (\$1,000.00). The Amounts paid to the Amenity Association pursuant to this Section 8 shall be referred to, throughout this Amenity Declaration, as the "Amenity Contribution".

(A) The sum of all Amenity Contributions paid over time shall be used and released by the Amenity Association to fund (i) the acquisition of the Amenity Area at a cost of twenty five thousand dollars (\$25,000.00) per acre, (ii) all engineering, architectural and other soft costs incurred by the Amenity Association incident to the design and construction of the Amenity Area, (iii) all legal fees and expenses incurred by the Amenity Declarant or the Title Holders incident to the preparation of legal documents pertaining to the Amenity Area including, without limitation, the costs of preparing this Amenity Declaration and the Amenity Association and the costs of revising Neighborhood Declarations and corresponding associations to comport with the terms of the Amenity Declaration and the Amenity Association and (iv) the costs of developing the Amenity Area and constructing the Amenities.

(B) The obligation to pay the Amenity Area Contribution shall be the personal obligation of each Plat Owner and such Plat Owner's Amenity Area Contribution shall be a lien on the real estate within the subject Plat and, in the event of a failure to timely pay the Amenity Area Contribution, the Amenity Association shall be entitled to collect the Amenity Area Contribution, along with reasonable attorneys' fees, costs and interest in the manner and per the terms set forth above in Section 7.

Section 9. Enforcement. The Amenity Association, the Amenity Declarant, any Neighborhood Association, any Neighborhood Declarant and any Owner, together or individually, shall have the right to enforce, by proceeding at law or in equity all Restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Amenity Declaration, but neither the Amenity Declarant, nor any Neighborhood Association, nor any Neighborhood Declarant nor any Owner shall be liable for damage of any kind to any Person for failure to enforce or carry out any of the Restrictions. No delay or failure by any Person to enforce any of the Restrictions or to invoke any available remedy with respect to a violation or violations thereof shall under any circumstances be deemed or held to be a waiver by that Person of the right to do so thereafter, or an estoppel of that Person to assert any right available to him upon the occurrence, recurrence or continuation of any violation or violations of the Restrictions. In

any action to enforce this Amenity Declaration, the prevailing party shall be entitled to recover costs of litigation and reasonable attorneys' fees.

Section 10. Amendments.

(A) By Declarant. The Amenity Declarant hereby reserves the right, at any time prior to the Applicable Date, to unilaterally amend and revise the provisions, standards, covenants and restrictions contained in this Amenity Declaration, unless the amendment of a particular provision of this Amenity Declaration is explicitly prohibited by this Amenity Declaration. Such amendments shall be in writing, executed by Amenity Declarant, and recorded with the Recorder of Hamilton County, Indiana.

(B) By Amenity Board. After the Applicable Date, this Amenity Declaration may be amended at any time by an instrument signed by a majority of the votes of the Amenity Board cast at a meeting of the Amenity Board duly called for the purpose of amending this Amenity Declaration; provided, however, that any such amendment that affects the rights and powers of the Amenity Declarant under this Amenity Declaration shall be ineffective absent the Amenity Declarant's written consent.

(C) Prohibited Amendments. Any amendments to any Neighborhood Declarations that attempt to terminate, modify, revise or amend, in any manner, the application to the subject Neighborhood of this Amenity Declaration or any or all of the covenants, conditions, Restrictions or agreements set forth in this Amenity Declaration are prohibited and shall be null and void and without any force or effect.

(D) Effective Date. Any amendment shall become effective upon its recordation in the Office of the Recorder of Hamilton County, Indiana.

Section 11. Interpretation. The underlined titles preceding the various Sections and Sub-Sections of this Amenity Declaration are for convenience of reference only, and none of them shall be used as an aid to the construction of any provision of this Amenity Declaration. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter. The word "herein" shall mean the entire Amenity Declaration and shall not mean only the paragraph or Section in which the word "herein" appears.

Section 12. Duration. This Amenity Declaration and its covenants and Restrictions are for the mutual benefit and protection of the present and future Neighborhoods, Owners, the Amenity Association, and Amenity Declarant, and shall run with the land and shall be binding on all parties and all Persons claiming under them until January 1, 2070, at which time this Amenity Declaration and its covenants and Restrictions shall be automatically extended for successive periods of ten (10) years, unless amended per the terms and conditions set forth in Section 10.

Section 13. Severability. Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every one of the Restrictions, and of and from every combination of the Restrictions. Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

Section 14. Right to Approve Additional Covenants. Prior to the Applicable Date, no Person shall record any declaration of covenants, conditions and restrictions, or similar instrument affecting any portion of the Property without Amenity Declarant's review and written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed and recorded by Amenity Declarant.

Each Owner of a Lot subject to a Drainage Easement shall be required to keep the portion of said Drainage Easement on his Lot free from obstructions so that surface water drainage will be unimpeded. No temporary or permanent structures, except walks or driveways, to the extent permitted by applicable law and approved in accordance with this Declaration, shall be erected or maintained upon the Drainage Easements.

5.3 Landscape Maintenance Access Easements. Developer hereby declares, creates, grants and reserves the Landscape Maintenance Access Easements for the benefit of the Owners and the Association for purposes of maintaining and preserving the Common Property in accordance with the provisions of this Declaration.

5.8 Relocation of Easements. Developer reserves the right to relocate any easement granted herein without notice to or the consent of any Owner(s); provided, however, that such relocation shall not materially diminish or unreasonably disrupt the essential function or resulting benefit of the easement being relocated with respect to any Lot.

Owners of Lots within Gristmill Villas shall not impede agents or representatives of companies contracted by the Association (the "Vendor") from providing Maintenance Services to the Owner's Lot. If an obstruction exists on a Lot (e.g., vehicle parked in driveway during a snow plow, obstructions in the yard during a mow, locked fence gate) at the time a Vendor performs a Maintenance Service, then Vendor will perform the Maintenance Service around such obstruction, and Vendor is not obligated to return during the subject Maintenance Service event (e.g., weather event, mowing).

The Association shall only be responsible for the Maintenance Services enumerated above. All other maintenance, repair and replacement of the landscaping on a Lot within Gristmill Villas shall be the responsibility of the Owner. Such Owner-responsible maintenance shall include the use of any installed irrigation systems in a routine manner that results in a good and well-maintained condition of the lawn and plantings on the Owner's Lot with Gristmill Villas.

In the case of contiguous Lots owned by a single Owner, such Lots may be used for a single Dwelling and considered to be a single Lot for building line purposes under this Declaration only with the written approval of the Committee and subject to any subdivision or platting requirements of the City of Westfield to combine said Lots. Owners desiring such approval must submit a written request to the Committee. In the event approval is granted, the affected Lots shall continue to be treated as a single Lot so long as each remains improved only with a single Dwelling.

6.4 Sidewalks. Each Lot must include sidewalks situated parallel to each Lot line that adjoins the right-of-way of any public or private street. Sidewalks shall be constructed and located in accordance with plans and specifications provided by the Committee. Except to the extent a temporary waiver is obtained from the Committee by the affected Owner, completion of all required sidewalks shall be a prerequisite to the occupancy of each Dwelling under this Declaration. Such temporary waiver may be requested only where inclement weather or other causes beyond the affected Owner's reasonable control result in the inability to complete the sidewalks prior to the Dwelling being fully ready for occupancy. Owners shall be responsible for maintaining sidewalks along the Owner's Lot frontage free of obstruction, which shall include the removal of snow.

6.5 Construction, Completion, and Restoration of Dwellings. Except as approved by the Committee, every Dwelling, building, structure, and improvement to be constructed, erected, or placed on any Lot shall be built of new building materials and no pre-existing Dwelling, building, structure, or improvement may be relocated to or otherwise placed upon any Lot. The exterior construction of a Dwelling, building, structure or improvement shall be completed no later than twelve (12) months from the commencement of on-site construction activities related thereto. Restoration, replacement, or removal of any Dwelling, building, structure, or improvement partially or totally damaged or destroyed by fire or other casualty shall be commenced no more than ninety (90) days after the occurrence of such casualty and continuously and diligently prosecuted to completion thereafter. The Owner of the Lot upon which any Dwelling, building, structure or improvement partially or totally damaged or destroyed by fire or other casualty is or was located shall provide to the Association, no more than thirty (30) days from the date on which such casualty occurred, written notice of such Owner's intent to restore or remove such Dwelling, building, structure or improvement.

Mailbox posts shall include a metal guard or protector, as determined by the Committee, to prevent damage to the mailbox post from lawn equipment.

6.10 Yard Lights. Each Dwelling shall include outdoor dusk-to-dawn lights that operate on a photocell and are located on the front façade of a Dwelling. Each Lot Owner shall keep the light located on such Owner's Lot in good and operable condition and repair at all times. Notwithstanding this requirement, no exterior lighting shall be directed outside the boundaries of any Lot, nor shall any lighting be used which constitutes more than normal convenience lighting or lighting required under this Declaration Section.

6.11 Fences. All fences require review and approval by the Committee prior to installation. For purposes of this Declaration, a fence is defined as that which is installed in proximity of the Lot boundary lines for the purposes of enclosing any portion of the Lot. Fences are required to be black aluminum with a "wrought iron" design and maximum height of forty-eight inches (48"). Fences shall match in size, color, shape and spacing throughout the Development. Shadow box, stockade-type, wood, and privacy fences are not permitted; however, the Committee, in its sole discretion, may consider and approve a privacy panel located along the side of a deck or patio which is intended to screen the patio or deck from an adjacent Lot.

No part of any fence may extend forward on the affected Lot beyond the plane of the primary rear wall of the Dwelling nor be located in a manner that impedes or restricts drainage of any Lot. Fences may not encroach into easements that otherwise prohibit the installation of fences (e.g., drainage and utility easements). Underground "pet fences" (e.g., Invisible Fence®) are permitted throughout the entire Lot; however, shall be subject to review and approval by the Committee prior to installation.

The Association shall not be responsible for the edging or trimming of fences on Lots within Gristmill Villas, nor shall the Association or its Vendors be responsible for any damage that may occur to said fences as part of its routine performance of Maintenance Services, as set forth in Section 5.9 of this Declaration. An above-ground spa or hot tub in a rear yard may be permitted if approved by the Committee and only if it is appropriately landscaped and screened, as deemed appropriate by the Committee. No swimming pool of any type shall be permitted on any Lot except as approved by the Committee. Notwithstanding the foregoing, temporary wading pools measuring no more than six (6) feet in diameter are permitted without Committee approval in a rear yard. Such temporary wading pools must be drained and stored indoors on a nightly basis.

A basketball goal shall be located a minimum of ten (10) feet from the public right-of-way line.

6.17 Playground Equipment. Playsets and other recreational equipment (e.g., trampolines) or items (collectively, "Recreational Equipment") are permitted on Lots within Gristmill Trails; however, must be reviewed and approved by the Committee prior to placement or installation. Recreational Equipment is not permitted on Lots within Gristmill Villas. All approved Recreational Equipment must be located: (i) behind the Dwelling in the rear yard; (ii) a minimum of ten (10) from the Lot's property line; and, (iii) may not be located within any drainage easement on the Lot. All Recreational Equipment shall be kept in good condition and repair, as reasonably necessary as determined by the Committee.

6.18 Flag Poles. Flagpoles must be approved by the Committee. No flagpoles shall exceed twenty (20) feet in height. Flags exceeding thirty (30) square feet are prohibited. No more than two (2) flags may be flown from a single flagpole at any time. Only one (1) flagpole will be allowed on each respective Lot.

6.19 Exterior Antennae. No antenna or satellite dish may be erected on any Dwelling or Lot without Committee approval. Approved satellite dishes must be no more than twenty-four inches (24") in diameter and must be mounted in an inconspicuous location as approved by the Committee. Only one (1) satellite dish will be approved for each Lot.

6.20 Parking. Overnight parking on any street in the Development is prohibited. Temporary parking of vehicles on the street is permitted only when the Owner of such Lot hosts a social function for which available driveway space is insufficient to accommodate all guests. Other types of vehicles may not be parked in open public view in the Development except as provided in Section 6.30.

6.21 Additional Restrictions and Building Standards. Lots and Dwellings shall be constructed and maintained in compliance with, and Owners shall abide by, all additional rules and restrictions, as well as all construction material specifications and similar standards, adopted by the Committee from time to time.

6.22 Subdivision of Lots. No Lot shall hereafter be subdivided into parcels for additional residential purposes, except as approved by the Committee.

6.23 Motor Vehicle Repair. The repair or storage of inoperative motor vehicles or the material alteration of motor vehicles shall not be permitted on any Lot, unless entirely within a permitted Dwelling's garage.

6.24 Noxious or Offensive Activities. No noxious, unlawful or otherwise disruptive or offensive activity shall be carried on upon any Lot; nor shall anything be done thereon which may become an annoyance or nuisance to other Owners and/or their guests.

6.25 Lot and Dwelling Maintenance. Each Owner shall keep their Lot(s) and the Dwelling thereon in a good and well-maintained condition, free and clear of rubbish and trash and in good repair. Lot Owners shall keep their Lots reasonably clear from unsightly weeds and growth at all times. Lawns shall be groomed, well maintained, and regularly cut. Grass shall not be permitted to exceed an average of six (6) inches in height, or as otherwise regulated by the City of Westfield's municipal code, whichever is more restrictive. Owners shall be responsible for all costs incurred to repair or replace curbs and/or gutters along the front of the Owner's Lot resulting from drainage occurring during construction on a Lot.

6.26 Business Activity. No business shall be conducted on any Lot, other than home occupations permitted by the City of Westfield's applicable zoning ordinances, as may be amended from time to time. Notwithstanding the above, and to the extent such a limitation is consistent with applicable law, no school, preschool, daycare facility, church or similar institution of any kind shall be maintained, conducted or operated upon any Lot.

6.27 Animals. No animals, livestock, reptiles or poultry shall be raised, bred or kept on any Lot except that dogs, cats and other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose. Furthermore, no more than two (2) outdoor pets (excluding fish) may be kept on a Lot. The demeanor of any animal kept outside must be such as to not to create a nuisance to adjoining Lot Owners, which includes that no household pet shall be permitted to reside outside of the Dwelling between dusk and dawn. This determination shall be made by the Board in accordance with Section 7.9. Any animal determined to be causing a nuisance or unreasonable noise or disturbance shall be removed from the Development upon ten (10) days' notice from the Board. No external compound, cages, kennels or hutches shall be permitted on a Lot. Any animal beyond the confines of the Lot must be attended to and be on a leash no longer than six (6) feet in length. Solid waste material must be picked up immediately by an Owner if outside the confines of the Owner's Lot. Solid waste material on a Lot must be picked up regularly (e.g., once a week) by the Owner of the Lot. The lack of removal of solid waste material may be determined a nuisance by the Board. If a Lot Owner in Gristmill Villas fails to remove solid waste material and it impedes or complicates the ability of the Association to provide Maintenance Services, then that Lot may be subject to an additional maintenance fee surcharge as a result of the increased cost to provide Maintenance Services to said Lot.

6.28 Compliance with Drainage Requirements. Each Owner of a Lot shall comply at all times with the provisions of any drainage plan as approved for the Development of all or any part of the

Real Estate. It shall be the duty of every lot owner to keep open storm drainage ditches and/or swales unobstructed and in good maintenance and repair. Water must be discharged into the under drains provided on each Lot from sump pumps, geo-thermal systems or other forced water discharges. Under no circumstances shall the above-mentioned water sources be allowed to discharge above ground into the street or adjacent lots.

6.29 Signs. No signs of any type may be erected, posted or displayed on any Lot except street identification signs erected by the Builder, the Developer, or the Association and except one (1) temporary sign no more than six (6) square feet in area advertising the Lot upon which such sign is located for sale or rent. This restriction shall not apply to Builder who may erect such signs as are authorized by the Developer, nor shall it apply to temporary signs otherwise permitted by the City of Westfield's zoning ordinance (e.g., political signs, garage and yard sale signs, real estate for sale signs).

6.30 Automobiles, Recreational Vehicles, Boats, Travel Trailers. No recreational vehicle, mobile home, boat, personal watercraft, snowmobile, travel trailer or similar vehicle or equipment shall be parked or stored on any Lot for a period in excess of forty-eight (48) hours during any calendar month, unless the same is in the garage and completely out of view. Commercial vehicles and trucks exceeding a three-quarter (3/4) ton rating are prohibited, unless such commercial vehicles or trucks are kept in the garage and completely out of view. No junk or derelict vehicle or other vehicle not properly registered shall be kept on a Lot.

6.31 Garage and Yard Sales; Holiday Lights. There shall be no more than two (2) garage or yard sales held by the Owner or residents of any Lot during any twelve (12) month period. Christmas lights and other holiday or occasion-themed decorations may be erected no sooner than five (5) weeks prior to, and removed no later than two (2) weeks after, such holiday or occasion.

6.32 Lakes. All lakes, ponds and streams within the Development, if any, shall be aesthetic amenities only and no other use thereof, including without limitation, swimming, boating, fishing, playing or use of personal flotation devices shall be permitted except in accordance with all applicable Standards. Neither Developer, Builder nor the Association shall be responsible for any loss, damage or injury to any person or property arising out of the authorized or unauthorized use of the lakes, ponds or streams within the Development.

6.33 Trash. No burning of any trash and no accumulation or storage of litter, new or used building materials or refuse of any kind shall be permitted on any Lot. This provision shall not apply to any Lots owned by Builder and held for sale.

ARTICLE VII **ASSOCIATION**

7.1 Membership. Each Owner shall, automatically upon becoming an Owner, be and become a member of the Association and shall remain a member of the Association until such time as his ownership of a Lot ceases, at which time his membership will terminate and the new Owner of his Lot shall be and become a member of the Association.

7.2 Classes of Membership. The Association shall have two (2) classes of voting membership:

(a) Class A Members. Class A Members shall be all Owners, except the Developer (if the Class B membership exists) and the Builder. Class A members shall be

entitled to one (1) vote for each Lot owned but shall have no vote until Class B membership ceases to exist.

(b) Class B Members. The Class B member shall be the Developer. The Class B member shall be entitled to the number of votes necessary to constitute sixty percent (60%) of the total voting power of the Association. The Class B membership shall automatically cease to exist as such and shall be converted to Class A membership upon the occurrence of the earliest of the following:

(i) The sale of eighty-five percent (85%) of the Lots to individual Owners (other than Builder); or

(ii) The Applicable Date.

7.3 Co-Owners. Where more than one person or entity constitutes the Owner of a particular Lot, all such persons or entities shall be members of the Association, but the vote in respect of such Lot shall be exercised as the persons or entities holding an interest in such Lot determine among themselves. In the absence of such a determination, the vote in respect of such Lot may not be cast. In no event shall more than one (1) vote be cast with respect to such Lot.

7.4 Board of Directors. The Board shall manage the affairs of the Association.

7.5 Responsibilities of the Association. The responsibilities of the Association include, but shall not be limited to: (a) the administration and enforcement of the covenants, conditions and restrictions contained in this Declaration; (b) the maintenance and upkeep of the Common Property and the establishment and enforcement, from time to time, of rules and regulations governing the use thereof; (c) the payment of all assessments and charges against the Common Property, if any; and (d) maintaining the policy or policies of insurance required to be maintained by the Association by this Declaration. The Association may fulfill any or all of its responsibilities under this Declaration by contracting with a professional management company upon such terms and conditions as may be agreed upon between the Board and such management company; provided, however, that no such agreement shall be for a term longer than twelve (12) months.

7.6 Correction of Violations. In the event of an Owner's breach of any Standard, the Association may impose such fines, penalties, or other sanctions as it may determine to be reasonable and appropriate in its sole discretion and may pursue any and all other remedies provided under this Declaration or otherwise available at law or in equity. In addition, upon reasonable notice to the affected Owner and acting pursuant to a duly adopted resolution of the Board, Developer, Builder, or the Association may enter upon a Lot in order to correct, or direct an Owner to correct, a violation or breach of any Standard. Any costs or expenses incurred by the Association, Developer or Builder in correcting or attempting to correct a violation or breach under this Section 7.6 (including court costs, legal expenses, and reasonable attorneys' fees), as well as any unpaid fines imposed under this Section, shall be a charge against the affected Lot and a personal obligation of such Owner. The Association shall have a lien against said Lot for such costs, expenses, and amounts, together with all costs of collection. Such lien shall be subordinate to any Mortgage and other liens made superior by applicable law and may be imposed and foreclosed against the Lot in the manner that mechanics' liens are imposed and foreclosed in Indiana. Any lien sought to be imposed pursuant to this Section shall be perfected upon the filing in the office of the Recorder of Hamilton County, Indiana, at any time after the date payment is due, a notice of the intention to hold a lien in the same manner that a notice of intention to hold a mechanic's lien is filed in Indiana.

7.7 Compensation. No director of the Association shall receive compensation for his services as director.

7.8 Non-Liability of Directors and Officers. The directors and officers of the Association shall not be liable to the Owners or any other persons for any error or mistake of judgment in carrying out their duties and responsibilities as directors or officers of the Association, except for their own individual willful misconduct, bad faith or gross negligence.

7.9 Owner Disputes. In addition to the responsibilities set forth in Section 7.5 above, the Board shall, upon the receipt of a detailed written complaint from an Owner summarizing a dispute between such Owner and any other Owner(s) regarding the application of this Declaration or any rule or regulation promulgated hereunder, conduct a hearing to resolve such dispute. Such hearing shall be held no later than thirty (30) days after the Board's receipt of the complaint upon no fewer than five (5) days' written notice to the affected Owners. The Board shall serve as arbitrator at the hearing, shall entertain and review such evidence and arguments as it deems appropriate, and shall issue a written decision to the affected Owners no more than thirty (30) days after the hearing is concluded. No Owner involved in such dispute shall institute legal action regarding that dispute until the arbitration provided for in this Section has been completed or all affected Owners have waived this requirement for arbitration.

ARTICLE VIII **ASSESSMENTS**

8.1 Covenant for Assessments. Each Owner of any Lot (excluding Developer and Builder), by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association assessments for the purposes herein provided, such assessments to be established and collected as hereinafter provided. The assessments, together with costs of collection and reasonable attorneys' fees and interest from the date such assessments are due at the rate of twelve percent (12%) per annum, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessments are made. Each such assessment, together with costs of collection and reasonable attorneys' fees and interest from the date such assessment is due at the rate of twelve percent (12%) per annum, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

8.2 Purpose of Annual Assessments. The annual assessments levied by the Association shall be used exclusively: (a) for the maintenance and upkeep of the Common Property; (b) to pay the premiums for the insurance required to be maintained by the Association by this Declaration; (c) to promote the health, safety and welfare of the Owners and residents occupying the Lots; (d) to pay all assessments and charges against the Common Property; and (e) for the effective management and operation, and the performance of the responsibilities and duties, of the Association. A portion of the annual assessments may be set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of any buildings, structures or other amenities that are part of the Common Property.

8.3 Annual Budget. The Board shall adopt an annual budget for the Association (the "Annual Budget").

8.4 Annual Assessments. The Board shall establish an annual assessment for each calendar year (the "Annual Assessment"), which shall commence for each Lot on the date of closing of the sale of each Lot to an Owner other than the Developer or Builder.

(a) Uniform Assessment. Each Lot owned by a Person other than Developer or Builder shall be assessed at a uniform rate without regard to whether a Dwelling has been constructed upon the Lot and may be collected on an annual or monthly basis. Neither the Developer nor any Builder shall be required to pay any Annual Assessments or Special Assessments; provided, however, that notwithstanding anything in this Declaration to the contrary, any exemptions from any Assessments set forth in this Declaration with respect to Builders shall be inapplicable to Lots owned by a Builder and improved by an occupied Dwelling. Developer shall, however, provide to the Association such funds as are necessary (as reasonably determined by the Board) for the Association to carry out its responsibilities under this Declaration in the event receipts from Annual Assessments and special assessments imposed are insufficient for that purpose. This subsidy obligation shall continue until the sale of eight-five percent (85%) of the Lots to Owners (other than Builder).

(b) Method of Assessment During Development Period. Prior to the end of the Development Period, the Board shall, without notice to or approval or a vote by the Members, on the basis specified herein, fix the Annual Assessment for each assessment year of the Association at an amount sufficient to meet the Annual Budget. The Annual Assessment may increase or decrease each calendar year to satisfy the Annual Budget as determined by the Board in its sole discretion.

(c) Method of Assessment After Development Period. After the end of the Development Period, the Annual Budget must reflect the estimated revenues and expenses for the budget year, and the estimated surplus or deficit as of the end of the current budget year. The Association shall provide each Owner with: (i) a copy of the proposed Annual Budget; or (ii) written notice that a copy of the proposed Annual Budget is available upon request at no charge to the Owner. At the same time, the Association shall provide each Owner with a written notice of the amount of any increase or decrease in the Annual Assessment paid by the Owners that would occur if the proposed Annual Budget is approved. After all of the foregoing take place, the Association shall hold a meeting pursuant to the following subparagraph (i) and (ii):

(i) After the end of the Development Period, and subject to subparagraph (ii) below, the Annual Budget must be approved at a meeting of the Members by a majority of the Members of the Association in attendance at a meeting called and conducted in accordance with the requirements of this Declaration, the Association's Articles and the Association's By-Laws. For purposes of this meeting, a Member is considered to be in attendance at the meeting if the Member attends: (1) in person; (2) by proxy; or, (3) by any other means allowed under Indiana law or under this Declaration, the Association's Articles or the Association's By-Laws.

(ii) If the number of Members in attendance at the meeting held under subparagraph (i) above does not constitute a quorum as defined in the Association's By-Laws, then the Board may adopt an Annual Budget for the Association for the ensuing year in an amount that does not exceed One Hundred and Ten Percent (110%) of the amount of the Annual Budget last approved by the Association.

8.5 One-Time Assessment. Upon the closing of the initial conveyance of each Lot by Developer to an Owner other than Builder, the purchase of such Lot and/or Dwelling shall pay to the Association, as a contribution to its working capital and start-up fund, an amount of Two Hundred and Fifty Dollars and 00/100 (\$250.00) against such Lot, which payment shall be non-refundable and shall not be considered as an advance payment of any Assessment or other charge owned the Association with respect to such Lot. Such working capital and start-up fund shall be held and used by the Association for payment of, or reimbursement to Developer for advances made to pay, expenses of the Association for its early period of operation, and enable the Association to have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary by the Board.

8.6 Special Assessments for Capital Improvements and Operating Deficits. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year for the purpose of collecting or reimbursing in whole or in part, the cost of any construction, reconstruction, repair or replacement of the Common Property, or to recover or offset an operating deficit incurred by the Association, provided that any such special assessment shall have the assent of two-thirds (2/3) of the total voting power of the Association at a meeting duly called for this purpose.

8.7 Special Assessments for Breaches of Standards. In addition to the corrective actions and remedies provided for herein, the Association may establish and levy a special assessment on a Lot to secure the personal liability of the Owner of that Lot for costs and expenses incurred by the Association or the Committee in correcting or attempting to correct such Owner's breach of any Standard.

8.8 Assessment of Villas Maintenance Fee. Lots in Gristmill Villas shall be subject to an additional annual assessment of a separate maintenance fee pursuant to Section 5.9 (the "Villas Maintenance Fee"). Owners of Lots in Gristmill Villas shall be assessed a Maintenance Fee each year in consideration of services provided. Such Maintenance Fee shall not apply to Gristmill Trails and shall be in addition to any other general Annual Assessments or special assessments. The Villas Maintenance Fee shall be established by the Board each year and shall be due and payable with the general Annual Assessment; however, the Board may allow for the Villas Maintenance Fee to be separately paid in installments. The Villas Maintenance Fee shall be based upon the Board's annual estimate of the expenses it expects the Association to incur in the providing of the Maintenance Services. If the Board determines the estimate that formed the basis for the Villas Maintenance Fee is inaccurate, then the Board may revise such estimate and the resulting Villas Maintenance Fee assessment, in which the remaining installments of the Villas Maintenance Fee shall be adjusted accordingly.

8.9 Notice and Quorum for Any Action Authorized Under Article VIII. Written notice of any meeting of the members of the Association called for the purpose of taking any action requiring a vote of the members of the Association under Article VIII shall be sent to all members of the Association not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to sixty percent (60%) of the total voting power of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the total voting power represented at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

8.10 Date of Commencement of Annual Assessments; Due Dates. The annual assessment or prorated portion thereof for each Lot Owner of the Development shall commence on the day of the conveyance of the Lot from Developer or Builder to an Owner (other than the Builder). The Board shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of the

commencement of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due date(s) shall be January 1st of each calendar year, unless otherwise established by the Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

8.11 Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, together with costs of collection and reasonable attorneys' fees, to recover a money judgment and such amounts may be further enforced by imposition of a lien and foreclosure of such lien against such Owner's Lot in the manner that mechanics' liens are imposed and foreclosed in Indiana. Any lien sought to be imposed pursuant to this Section shall be perfected upon the filing in the office of the Recorder of Hamilton County, Indiana, at any time after the date payment is due, a notice of the intention to hold a lien in the same manner that a notice of intention to hold a mechanic's lien is filed in Indiana.

8.12 Subordination of the Lien to Mortgages. The lien of the assessments provided for in Article VIII shall be subordinate to the lien of any Mortgage on the Lot. Sale or transfer of any Lot shall not affect the lien of the assessments provided for in Article VIII. However, the sale or transfer of any Lot pursuant to foreclosure or any proceeding in lieu thereof with respect to a Mortgage, shall extinguish the lien of the assessments provided for in Article VIII as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

8.13 Springmill Trails Amenity Center Assessment and Capital Fund Assessment. Each Owner and Lot shall be subject in all respects to the Declaration of Covenants and Restrictions of The Springmill Trails Residential District #2 Amenity Center Association, Inc. recorded in the office of the Recorder of Hamilton County, Indiana, on November 20, 2012, as Instrument No. 20122071974, and as may be amended from time to time (the "Amenity Declaration"), and all of the restrictions, assessments, charges and agreement set forth therein.

(a) The Board shall designate one (1) representative to sit on the Board of the Springmill Trails Amenity Center Association, Inc. (the "SMT Amenity Association"). The Developer, or its designee, shall be the Association's representative until the earlier of the elimination of Class B membership or the Applicable Date.

(b) Owners shall be obligated to pay assessments due under the Amenity Declaration (the "Amenity Center Assessments"), which are separate from the Association's general Annual Assessment and special assessments set forth herein. The Association shall collect the SMT Amenity Association Assessments from Owners of Lots within Gristmill Villas and Gristmill Trails, on behalf of the SMT Amenity Association. The Association shall then pay those collected Amenity Center Assessments to the SMT Amenity Association, on behalf of the Owners of Lots within Gristmill Villas and Gristmill Trails.

(c) Immediately upon the recordation with the office of the Recorder of Hamilton County, Indiana of each and every Plat, a sum of One Thousand Dollars and 00/100 (\$1,000.00) per Lot (the "SMT Amenity Contribution") is paid to the SMT Amenity

Association. Each initial Owner of a Lot, at the time the initial Owner acquires its Lot from Builder, shall pay the Developer One Thousand Dollars and 00/100 (\$1,000.00) to reimburse Developer for Developer's prior payment to the SMT Amenity Association of the SMT Amenity Contribution.

ARTICLE IX DESIGN REVIEW COMMITTEE

9.1 Creation. There shall be and hereby is, created and established a Design Review Committee (the "Committee"). The Committee shall perform the functions provided for herein. Until the earlier of the elimination of Class B membership or the Applicable Date, the Committee shall consist of three (3) members appointed, from time to time, by Class B Members. Such members shall be subject to removal by Class B Members at any time with or without cause. After the earlier of the elimination of Class B membership or the Applicable Date, the Committee shall be a standing committee of the Association, consisting of five (5) persons appointed, from time to time, by the Board.

9.2 Purposes and Powers of the Committee. The Committee shall regulate (a) the external design, construction, appearance and location of the Dwellings, buildings, structures, and improvements on the Lots; and (b) the removal or addition of any tree, vegetation or landscaping feature or element, from or to any Lot. The Committee shall promulgate, and shall subsequently have the right to modify, supplement, amend, and repeal at any time from time to time, architectural and ecological guidelines, standards, rules and regulations (collectively, the "Guidelines") for the review, approval, and completion of the items and actions referred to in this Section. The Guidelines shall include, but shall not be limited to, standards for landscaping, fences, and mailboxes. The Guidelines may set forth requirements in addition to those set forth in the Declaration or any Plat as long as such Guidelines are not inconsistent therewith. The Guidelines shall be binding on all Owners. In addition, the PUD Ordinance contains certain architectural and lot landscaping requirements which must be observed by Owners.

9.3 Approval Procedures and Standards. No Dwelling, building, fence, invisible fence, wall, or other permanent or temporary structure, or improvement of any kind shall be constructed, erected, placed or maintained on any Lot, nor shall any exterior change (including changes in the exterior color and/or material of a Dwelling or other improvement) or alteration of such Lot or a Dwelling or improvement thereon (including material changes in landscaping elements or features) be made without the prior written approval of the Committee. Such approval shall be obtained based upon a written application made to the Committee by the Owner of the affected Lot requesting authorization for such Owner's intended addition or change to his Lot from the Committee. Such written application shall be in the form prescribed from time to time by the Committee, and may include, as required by the Committee, any or all of the following: a proposed site plan; a proposed landscaping plan; architectural plans, including floor plans, cross sections, and elevations; material specifications and samples; and certifications of conformance with applicable building, zoning and similar codes. The Committee shall approve or disapprove in writing any application submitted to it within thirty (30) days of such submission. Written disapproval shall specify the reason(s) for such disapproval, which may include:

- (a) an inadequate or incomplete application;
- (b) an application proposing an improvement or change that, if completed or made on the Lot, would: (i) result in the violation of a duly adopted Standard, or (ii) be aesthetically or otherwise inconsistent with or detrimental to the character, utility, function, or value of the Development as a whole or the affected Neighborhood therein; or

(c) an application proposing an improvement or change that would be dangerous, potentially damaging, or otherwise detrimental to the health, safety and welfare of any Owner or other person or property in the Development.

9.4 Enforcement. The Committee shall have the right to enforce this Article and impose fines for the violation thereof as provided for in Section 14.1 of this Declaration, any organizational document of the Association or any statute, law, rule or regulation. The Committee may, in its sole and exclusive discretion, refer such violations to the Board for enforcement under Section 7.6.

9.5 Committee Liability. The approval of plans and related application materials by the Committee shall not constitute a representation or warranty as to the legal or technical adequacy, completeness, or quality of such plans and materials, and neither the Committee nor the Association nor any member thereof shall be in any manner liable or responsible for defects or omissions in those plans or materials, any aspect of work performed there under, or alleged damages or losses connected with the Committee's approval or disapproval of any matter. Owners are responsible to obtain approvals as may be required from other governing bodies including but not limited to the City of Westfield and utility companies. Owners are responsible to comply with building permit requirements and "call before you dig" guidelines. The Association is not responsible for Owners negligence in complying with third party regulations and guidelines.

9.6 Processing and Review Fees. The Committee may charge a reasonable fee for the processing and review of plans and related application materials.

ARTICLE X **MORTGAGES**

10.1 Notice to Association. Any Mortgagee who places a Mortgage lien upon a Lot may notify the Secretary of the Association of the existence of such Mortgage and provide the name and address of such Mortgagee. A record of such Mortgagee's name and address shall be maintained by the Secretary of the Association and any notice required to be given to the Mortgagee pursuant to the terms of this Declaration, the by-laws of the Association or otherwise shall be deemed effectively given if mailed to such Mortgagee at the address shown in such record in the time provided. Unless notification of any such Mortgage and the name and address of Mortgagee are furnished to the Secretary, as herein provided, no notice to any Mortgagee as may be otherwise required by this Declaration, the by-laws of the Association or otherwise shall be required, and no Mortgagee shall be entitled to vote on any matter to which it otherwise may be entitled by virtue of this Declaration, the by-laws of the Association, a proxy granted to such Mortgagee in connection with the mortgage, or otherwise.

10.2 Notice to Mortgagees. The Association, upon request, shall provide to any Mortgagee a written certificate or notice specifying defaults known to the Association, if any, of the Owner of the corresponding Lot in the performance of such Owner's obligations under this Declaration or any other applicable documents.

ARTICLE XI
AMENDMENT

11.1 Amendment by Association. Except as otherwise provided in this Declaration or by applicable statute, amendments to this Declaration shall be proposed and adopted in the following manner:

(a) Notice. Notice of the subject matter of any proposed amendment shall be included in the notice of the meeting at which the proposed amendment is to be considered.

(b) Resolution. A resolution to adopt a proposed amendment may be proposed by the Board or Owners having in the aggregate at least a majority of the total voting power of the Association.

(c) Meeting. The resolution concerning a proposed amendment must be adopted by the designated vote at a meeting of the members of the Association duly called and held in accordance with the provisions of the by-laws of the Association.

(d) Adoption. Any proposed amendment to this Declaration must be approved by a vote of not less than two-thirds (2/3) of the total voting power of the Association; provided, however, that any such amendment shall require the prior written approval of Developer and Builder so long as Developer or Builder owns any Lot and not more than seven (7) years have elapsed since the recording of this Declaration. In the event any Lot is subject to a Mortgage, the Mortgagee shall be notified of the meeting and the proposed amendment in the same manner as an Owner if the Mortgagee has given prior notice of its Mortgage interest to the Board in accordance with the provisions of the foregoing Section 10.1.

11.2 Recording. Each amendment to the Declaration made pursuant to Section 11.1 above shall be executed by the President or Vice President and Secretary of the Association. All amendments shall be recorded in the Office of the Recorder of Hamilton County, Indiana, and no amendment shall become effective until so recorded.

11.3 Amendment by Developer. (a) Developer without Owner consent, may subject any additional real estate to the provisions of this Declaration by the execution and recording of a supplement hereto. Such annexation shall not require the consent of the Owners or the Association. Notwithstanding the foregoing, Developer is not obligated to subject any additional real estate to this Declaration. Any annexation made under this Subsection 11.3 shall be evidenced by filing a supplement to this Declaration, which shall be recorded in the Office of the Recorder of Hamilton County, Indiana. Such a supplement to this Declaration may contain such additional covenants, conditions, restrictions, easements and liens as Developer shall deem appropriate to impose upon the additional real estate being annexed conditions, restrictions, easements or liens. Annexed additional real estate shall enjoy the benefit of all Common Property in the Development. (b) Developer may also amend the Declaration without Owner consent to correct errors, to make changes required by applicable law or regulation or to qualify Dwellings for FHA financing.

ARTICLE XII **INSURANCE**

12.1 **Liability Insurance.** The Association shall maintain at all times a policy or policies of comprehensive general liability insurance insuring the Association, the Board, Developer, Builder, and the Owners against liability for personal injury or property damage occurring in or about, or arising in connection with, the Common Property or any other areas of the Property maintained by the Association, or the acts or omissions of the Association. Such insurance shall be in such coverage amounts as the Board may determine, in its sole discretion, are appropriate from time to time.

12.2 **Other Insurance.** The Association may maintain officers' and directors' liability insurance and such insurance or extended coverage insurance insuring the Common Property in such amounts, against such perils, for such time periods and under such circumstances as the Board determines, in its sole discretion, are appropriate and in the best interest of the Development.

12.3 **Insurance Proceeds.** Any and all insurance proceeds received by the Association shall be held by the Association and used for the benefit of the Owners, the Common Property and the Lots, as the Board shall, from time to time, determine. No Owner shall have any right in or to the proceeds of any such insurance.

12.4 **Casualty.** If any portion of the Common Property is damaged or destroyed, the Association shall restore the affected portion of the Common Property to substantially the same condition as existed immediately prior to such damage or destruction to the extent reasonably practicable. If such damage or destruction is not covered by insurance maintained by the Association, or the proceeds are insufficient to fully restore the affected portion of the Common Property as a result thereof, then the Association shall effect the restoration thereof in such a manner as the Association may determine appropriate in its sole judgment and shall levy a special assessment against each Owner for any deficiency in proportion to his respective share thereof.

ARTICLE XIII **REAL ESTATE TAXES AND ASSESSMENTS**

13.1 **Real Estate Taxes.** Each Owner shall be responsible for and pay all taxes and assessments, general and special, levied or imposed upon his respective Lot and its improvements. The Association shall be responsible for and pay all real estate taxes and assessment levied against the Common Property.

13.2 **Allocation.** Prior to the time the Auditor of Hamilton County, Indiana, or any other applicable taxing authority, establishes separate tax parcels for each Lot, Developer (or, if the Class B membership no longer exists, Builder) shall allocate the real estate taxes and assessments upon the Real Estate among and against the Lots and against the remainder of the Real Estate in a fair and equitable manner as determined by Developer in its sole discretion. The allocation made in accordance with the terms hereof shall be binding upon Seller and all Owners.

ARTICLE XIV
GENERAL PROVISIONS

14.1 Right of Enforcement. Each Owner, tenant, or occupant of a Lot shall comply with all Standards. Violation or threatened violation of any Standard shall be grounds for an action by Developer, Builder, the Association, the Committee, any Owner, and all persons or entities claiming under them, against the person or entity violating or threatening to violate any such Standard. Available relief in any such action shall include: recovery of damages or other sums due for such violation; injunctive relief against any such violation or threatened violation; declaratory relief and the recovery of costs and reasonable attorneys' fees incurred by any party successfully enforcing such covenants and restrictions; provided, however, that neither Developer nor Builder nor the Association nor the Committee shall be liable for damages of any kind to any person for failing to enforce or carry out any such Standards. In addition, the Board in its discretion may impose a fine of up to One Hundred Dollars (\$100.00) per violation and additional fines for continuing violations. Such fines shall become liens on a Lot if not paid within the time frame established by the Board.

14.2 Government Enforcement. Neither the City of Westfield, nor any other political subdivision or agency, nor any of their respective successors and assigns, shall have the right, power or authority to enforce any Standard other than those covenants, conditions, restrictions or limitations, if any, that expressly run in favor of such entities.

14.3 Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to any violation or threatened violation of any Standard shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to it or him upon the occurrence, recurrence or continuance of such violation or violations of such covenants, conditions or restrictions.

14.4 Duration. These covenants, conditions and restrictions and all other provisions of this Declaration (as the same may be amended from time to time as herein provided) shall run with the land and shall be binding on all parties, entities and persons from time to time having any right, title or interest in the Real Estate, or any part thereof, and on all persons claiming under them, until the Applicable Date, and thereafter shall be automatically be extended for successive periods of ten (10) years each, unless, prior to the commencement of any such extension period, by vote of the majority of the total voting power of the Association, it is agreed that this Declaration shall be terminated in its entirety; provided, however, that no termination of the Declaration shall affect any easement hereby created and reserved unless all persons entitled to the beneficial use of such easement shall consent thereto.

14.5 Severability. Invalidation of any of the covenants, conditions or restrictions contained in this Declaration by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

14.6 Titles. The underlined titles preceding the various Sections and Subsections of this Declaration are for the convenience of reference only, and none of them shall be used as an aid to the construction of any provisions of this Declaration. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

14.7 Applicable Law. This Declaration shall be governed, interpreted, construed and regulated by the laws of the State of Indiana.

14.8 Sales Offices and Models. Notwithstanding anything to the contrary contained in this Declaration or any Plat of all or any part of the Real Estate now or hereafter recorded in the office of the Recorder of Hamilton County, Indiana, Builder, any entity related to Builder, and any other person or entity with the prior written consent of Builder shall, during the Development Period, be entitled to construct, install, erect and maintain such facilities upon any portion of the Real Estate owned by Builder or such person or entity as, in the sole opinion of Builder, may be reasonably required or convenient or incidental to the development of the Real Estate and the sale of Lots and the construction of residences thereon. Such facilities may include, without limitation, storage areas, parking areas, signs, model residences, construction offices and sales offices; provided, however, that such facilities shall comply with applicable law and ordinances.

IN WITNESS WHEREOF, this Declaration has been executed by the Developer as of the date first above written.
