Each Person serving on the Initial Board, whether as an original member thereof or as a member thereof appointed by Declarant to fill a vacancy, shall be deemed a member of the Corporation and an Owner solely for the purpose of qualifying to act as a member of the Board of Directors and for no other purpose. No such Person serving on the Initial Board shall be deemed or considered a member of the Corporation nor an Owner of a Lot for any other purpose (unless he is actually the Owner of a Lot and thereby a member of the Corporation).

Section 3. Additional Qualifications. Where an Owner consists of more than one Person or is a partnership, corporation, trust or other legal entity, then one of the Persons constituting the multiple Owner, or a partner or an officer or trustee shall be eligible to serve on the Board of Directors, except that no single Lot or Dwelling Unit may be represented on the Board of Directors by more than one Person at a time.

term, one-third (1/3) for a two (2) year term, and one-third (1/3) for a one (1) year term so that the terms of one-third (1/3) of the members of the Board shall expire annually. There shall be separate nominations for the office of each member of the Board to be elected at such first election after the Applicable Date. Each Director shall hold office throughout the term of his election and until his successor is elected and qualified. Subject to the provisions of Section 2 of this Article V as to the Initial Board, any vacancy or vacancies occurring in the Board shall be filled by a vote of a majority of the remaining members of the Board or by vote of the Owners if a Director is removed in accordance with Section 5 of this Article V. The Director so filling a vacancy shall serve until the next annual meeting of the members and until his successor is elected and qualified. At the first annual meeting following any such vacancy, a Director shall be elected for the balance of the term of the Director so removed or in respect to whom there has otherwise been a vacancy.

Section 5. Removal of Directors. A Director or Directors, except the members of the Initial Board, may be removed with or without cause by vote of a majority of the votes entitled to be cast at a special meeting of the Owners duly called and constituted for such purpose. In such case, his successor shall be elected at the same meeting from eligible Owners nominated at the meeting. A Director so elected shall serve until the next annual meeting of the Owners and until his successor is duly elected and qualified.

Section 6. Duties of the Board of Directors. The Board of Directors shall be the governing body of the Corporation representing all of the Owners and being responsible for the functions and duties of the Corporation, including but not limited to, providing for the administration of the Real Estate, the management, maintenance, repair, upkeep and replacement of the Common Properties (unless the same are otherwise the responsibility or duty of Owners), and the collection and disbursement of the Common Expenses. After the

Applicable Date, the Board may, on behalf of the Corporation, employ a reputable and recognized professional property management agent (herein called the "Managing Agent") upon such terms as the Board shall find, in its discretion, reasonable and customary. The Managing Agent, if one is employed, shall assist the Board in carrying out its duties, which include, but are not limited to:

- (c) maintenance of utilities used in connection with the Lots and Dwelling Units;
- (d) removal of trash and waste from the Real Estate on a basis of not less than weekly, provided further that only the Board or Managing Agent shall contract for such service and no Owner shall contract for such service;

- (j) keeping a current, accurate and detailed record of receipts and expenditures affecting the Common Properties and the business and affairs of the Corporation, specifying and itemizing the Common Expenses; all records and vouchers shall be available for examination by an Owner at any time during normal business hours;

"Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances;
- (n) making available to any Mortgagee or any holder, insurer or guarantor of a first mortgage, upon request, a copy of the Corporation's audited financial statement for the immediately preceding fiscal year free of charge to the party making such request.

Section 7. Powers of the Board of Directors. The Board of Directors shall have such powers as are reasonable and necessary to accomplish the performance of their duties. These powers include, but are not limited to, the power:

- (a) to employ a Managing Agent to assist the Board in performing its duties; provided that no employment agreement with the Declarant (or a corporation or other entity affiliated with the Declarant) as Managing Agent or for any other service shall be for more than three (3) years after the Applicable Date and after said date any such agreement shall be subject to termination by either party without cause and without payment of a termination fee upon ninety (90) days written notice to the other party;
- (b) to purchase, lease or otherwise obtain for the Corporation, to enable it to perform its functions and duties, such equipment, materials, labor and services as may be necessary in the judgment of the Board of Directors;

- (d) to employ, designate, discharge and remove such personnel as in the judgment of the Board of Directors may be necessary for the maintenance, upkeep, repair and replacement of the Common Properties;
- (e) to include the costs of all of the above and foregoing as Common Expenses and to pay all of such costs therefrom;
- (f) to open and maintain a bank account or accounts in the name of the Corporation;
- (g) to promulgate, adopt, revise, amend and alter from time to time such additional rules and regulations with respect to use, occupancy, operation and enjoyment of the Real Estate and the Common Properties (in addition to those set forth in this Declaration) as the Board, in its discretion, deems necessary or advisable, provided, however, that copies of any such additional rules and regulations so adopted by the Board shall be promptly delivered to all Owners.

Section 8. Limitation on Board Action. The Boards powers are subject to the following limitations. (a) After the Applicable Date, the authority of the Board of Directors to enter into contracts shall be limited to contracts involving a total expenditure of less than \$2,500.00 without obtaining the prior approval of a majority of the Owners, except that in the following cases such approval shall not be necessary.

- (i) contracts for replacing or restoring portions of the Common Properties damaged or destroyed by fire or other casualty where the cost thereof is payable out of insurance proceeds actually received;
- (ii) proposed contracts and proposed expenditures expressly set forth in the proposed annual budget as approved by the Owners at the annual meeting; and
- (iii) expenditures necessary to deal with emergency conditions in which the Board of Directors reasonably believes there is insufficient time to call a meeting of the Owners.

(b) The Board shall not, without the prior written approval of at least sixty-seven percent (67%) of the Owners (other than Declarant) and Mortgagees (whose mortgage interests have been made known to the Board of Directors) holding mortgages on Lots which have at least Sixty-Seven percent (67%) of the votes of Lots which are subject to mortgages:

- (i) by act or omission abandon, partition, subdivide, encumber, sell or transfer the Common Properties owned by the Corporation (provided, the granting of easements for public utilities or for other public purposes shall not be deemed a transfer within the meaning of this clause);
- (ii) by act or omission change, waive or abandon any scheme or regulations, or enforcement thereof, pertaining to the architectural design of the exterior appearance of Dwellings, the exterior maintenance of Dwellings, the maintenance of side walls in the Common Properties or common fences, or the upkeep of lawns in the Subdivision;
- (iii) fail to maintain fire and extended coverage insurance on Common Properties on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value based on current replacement costs; and
- (iv) use hazard insurance proceeds for losses to any of the Common Properties for other than the repair, replacement or reconstruction of Common properties.

Section 9. Compensation. No Director shall receive any compensation for his services as such except to such extent as may be expressly authorized by a majority vote of the Owners. The Managing Agent, if any is employed, shall be entitled to reasonable compensation for its services, the cost of which shall be a Common Expense.

Section 10. Non-Liability of Directors. The Directors shall not be liable to the Owners or any other Persons for any error or mistake of judgment exercised in carrying out their duties and responsibilities as Directors, except for their own individual willful misconduct, bad faith or gross negligence. The Corporation shall indemnify and hold harmless and defend each of the Directors against any and all liability to any person, firm or corporation arising out of contracts made by the Board on behalf of the Corporation, unless any such contract shall have been made in bad faith. It is intended that the Directors shall have no personal liability with respect to any contract made by them on behalf of the Corporation.

Section 11. Additional Indemnity of Directors. The Corporation shall indemnify, hold harmless and defend any Person, his heirs, assigns and legal representatives, made a party to any action, suit or proceeding by reason of the fact that he is or was a Director of the Corporation, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense of such action, suit or proceeding, or in connection with any appeal therein, except as otherwise specifically provided herein in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Director is liable for gross negligence or misconduct in the performance of his duties. The Corporation shall also reimburse to any such Director the reasonable costs of settlement of or judgment rendered in any action, suit or proceeding, if it shall be found by a majority vote of the Owners that such Director was not guilty of gross negligence or misconduct. In making such findings and notwithstanding the adjudication in any action, suit or proceeding against a Director, no Director shall be considered or deemed to be guilty of or liable for negligence or misconduct in the performance of his duties where, acting in good faith, such Director relied on the books and records of the Corporation or statements or advice made by or prepared by

the Managing Agent (if any) or any officer or employee thereof, or any accountant, attorney or other person, firm or corporation employed by the Corporation to render advice or service unless such Director had actual knowledge of the falsity or incorrectness thereof; nor shall a director be deemed guilty of or liable for negligence or misconduct by virtue of the fact that he failed or neglected to attend a meeting or meetings of the Board of Directors.

Section 12. Bond. The Board of Directors shall provide surety bonds and shall require the Managing Agent (if any), the treasurer of the Corporation, and such other officers as the Board deems necessary, to provide surety bonds, indemnifying the Corporation against larceny, theft, embezzlement, forgery, misappropriation, wrongful abstraction, willful misapplication, and other acts of fraud or dishonesty, in such sums and with such sureties as may be approved by the Board of directors and any such bond shall specifically include protections for any insurance proceeds received for any reason by the Board. The expense of any such bonds shall be a Common Expense. The amount of the bonds shall be based upon the judgment of the Board of Directors and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Corporation or its management agent at any given time during the term of the bond. In no event shall the aggregate amount of such bonds be less than a sum equal to three (3) months aggregate assessments on all units plus reserve funds.

Section 13. Initial Management. The Initial Board has entered, or will hereafter enter, into a management agreement with Declarant (or a corporation or other entity affiliated with Declarant) for a term which will expire not later than December 31, 1988, under which Declarant (or such affiliate of Declarant, as appropriate) will provide supervision, fiscal and general management and maintenance of the Common Properties and, in general, perform all of the duties and obligations of the Corporation. Such management agreement is or will be subject to termination by Declarant (or its affiliate, as

appropriate) at any time prior to the expiration of its term, in which event the Corporation shall thereupon and thereafter resume performance of all of its duties, obligations and functions. Notwithstanding anything to the contrary contained in this Declaration, so long as such management agreement remains in effect, Declarant (or its affiliate, as appropriate) shall have, and Declarant hereby reserves to itself (or to its affiliate, as appropriate), the exclusive right to manage the Real Estate and Common Properties and to perform all the functions of the Corporation.

ARTICLE VI

Real Estate Taxes; Utilities

Section 1. Real Estate Taxes. Real estate taxes on each Lot, and on any Dwelling Unit or other improvements on each Lot, are to be separately assessed and taxed to each Lot and shall be paid by the Owner of such Lot. Section 2. Utilities. Each Owner shall pay for his own utilities which, to the extent possible, shall be separately metered to each Lot and Dwelling Unit. All fixtures and equipment installed within or as part of a Dwelling Unit, commencing at the points where the utility lines, pipes, wires, conduits or systems enter the Lot upon which said Dwelling Unit is located, shall be maintained and kept in repair by the Owner thereof. Each Owner shall promptly perform all maintenance and repair of his Lot and Dwelling Unit which, if neglected, might adversely affect any other Lot or Dwelling Unit or any part of the Common Properties. Such maintenance and repairs include but are not limited to internal water lines, plumbing, electric lines, gas lines, appliances, and all other fixtures, equipment and accessories belonging to the Owner and a part of or appurtenant to his Dwelling Unit or Lot.

Section 2. Common Properties and Exteriors of Dwelling Units and Lawns By the Corporation.

(a) Maintenance, repairs, replacements and upkeep of the Common Properties shall be furnished by the Corporation, as a part of its duties, and the cost thereof shall constitute a part of the Common Expenses.

(b) In addition to maintenance of Common Properties, the Corporation, as part of its duties, and as part of the Common Expenses, shall provide for:

- (i) maintenance, repairs, replacement and upkeep of the exteriors of each Dwelling Unit. Such exteriors including, but not limited to, roofs, gutters, doors, windows (excluding glass which shall be considered a part of interior maintenance) and exterior walls shall be considered part of the Common Properties for purposes of maintenance only;
- (ii) maintenance of the lawns, which shall be considered part of the Common Properties for purposes of maintenance only. Maintenance of lawns shall include but shall not be limited to the fertilizing, mowing and replanting when necessary of the grass; and the care, fertilizing, trimming, removal and replacement of trees planted by the Declarant. It shall not include watering of lawns, which shall be the obligation of lot Owners, nor the care and maintenance of shrubs, trees which were not planted by Declarant, flowers or other plants on any Lot.

The Board of Directors may adopt such other rules and regulations concerning maintenance, repair, use and enjoyment of the Common Properties (or items deemed Common Properties for purposes of maintenance only) as it deems necessary.

(c) Notwithstanding any obligation or duty of the Corporation to repair or maintain any of the Common Properties (or items deemed Common Properties for purposes of maintenance only), if, due to the willful, intentional or negligent acts or omissions of an Owner or of a member of his family or of a guest, tenant, invitee or other occupant or visitor of such Owner, damage shall be caused to the Common Properties (or items deemed as such for purposes of maintenance only), or if maintenance, repairs or replacements shall be required thereby which would otherwise be at the Common Expense, then such Owner shall pay for such damage and such maintenance, repairs and replacements, as may be determined by the Corporation, unless such loss is covered by the Corporation's insurance with such policy having a waiver of subrogation clause. If not paid by such Owner upon demand by the Corporation, the cost of repairing such damage shall be added to and become a part of the assessment to which such Owner's Lot is subject.

(d) The authorized representatives of the Corporation, the Board and the Managing Agent for the Corporation (if any) shall be entitled to reasonable access to any Lot as may be required in connection with maintenance, repairs or replacements of or to the Common Properties and items deemed as Common Properties for purposes of maintenance only, including, but not limited to, access to any easements reserved by any subdivision plat of any portion of the Real Estate for such purposes.

After the Applicable Date, the Architectural Review Board shall be appointed by the Board of Directors.

83 69125

Section 2. Purposes. The Architectural Review Board shall regulate the external design, appearance, use, location and maintenance of the Real Estate and of improvements thereon in such manner as to reserve and enhance values and to maintain a harmonious relationship among structures, improvements and the natural vegetation and topography.

Section 3. Conditions. No improvements, alterations, repairs, change of colors, excavations, changes in grade or other work which in any way alters the exterior of any Lot or the improvements located thereon from its natural or improved state existing on the date such Lot was first conveyed in fee by the Declarant to an Owner shall be made or done without the prior approval of the Architectural Review Board, except as otherwise expressly provided in this Declaration. No building, fence, wall, Dwelling Unit, or other structure shall be commenced, erected, maintained, improved, altered, made or done on any Lot without the prior written approval of the Architectural Review Board; provided this restriction shall not be applicable to the original construction of a Dwelling Unit on a Lot whether such construction occurs before or after the Applicable Date.

Section 4. Procedures. In the event the Architectural Review Board fails to approve, modify or disapprove in writing an application within thirty (30) days after such application (and all plans, drawings, specifications and other items required to be submitted to it in accordance with such rules as it may adopt) have been given to it, approval will be deemed granted by the Architectural Review Board. A decision of the Architectural Review Board may be appealed to the Board of Directors which may reverse or modify such decision by a two-thirds (2/3) vote of the Directors then serving. The Architectural Review Board may establish committees consisting of two (2) or more of its members, which committees shall exercise such powers of the Board as may be delegated to them.

ARTICLE IX

Party Walls

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of any Dwelling Unit upon the Real Estate and which connects two Dwelling Units shall constitute a party wall and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligent or intentional or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall, proportionately.

Section 3. Destruction by Fire or Other Casualty. If any party wall is destroyed or damaged by fire or other casualty, then, to the extent that such damage is not covered by insurance and repaired out of the proceeds of same, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent, intentional or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, to the extent that such damage is not covered and paid by the insurance provided for herein, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of

this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators. (Should any party refuse to appoint an arbitrator within ten days after written request therefor from another party, the Board of Directors of the Corporation shall select an arbitrator for the refusing party.)

ARTICLE X

Assessments

Section 1. Annual Accounting. Annually, after the close of each fiscal year of the Corporation and prior to the date of the annual meeting of the Corporation next following the end of such fiscal year, the Board shall cause to be prepared and furnished to each Owner a financial statement prepared by a certified public accountant or firm of certified public accountants then serving the Corporation, which statement shall show all receipts and expenses received, incurred and paid during the preceding fiscal year.

Section 2. Proposed Annual Budget. Annually, on or before the date of the annual meeting of the Corporation, the Board of Directors shall cause to be prepared a proposed annual budget for the current fiscal year estimating the total amount of the Common Expenses for the current fiscal year and shall furnish a copy of such proposed budget to each Owner at or prior to the time the notice of such annual meeting is mailed or delivered to such Owners. The annual budget shall be submitted to the Owners at the annual meeting of the Corporation for adoption and, if so adopted, shall be the basis for the Regular Assessments (hereinafter defined) for the current fiscal year. At the annual meeting of the Owners, the budget may be approved in whole or in part or may be amended in whole or in part by a majority vote of the Owners; provided that any increase of more than ten percent (10%) must be approved by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy; provided further, however, that in no event shall the annual meeting of the

Owners be adjourned until an annual budget is approved and adopted at such meeting, either the proposed annual budget or the proposed annual budget as amended. The annual budget, the Regular Assessments and all other sums assessed by the Corporation shall be established by using generally accepted accounting principles applied on a consistent basis. The annual budget and the Regular Assessments shall, in addition, be established to include the establishment and maintenance of two replacement reserve funds for capital expenditures and replacement and repair of the Common Properties (one replacement reserve fund shall be for capital expenditures and replacement and repair of Common Properties owned by the Corporation and not deemed Common Properties for purposes of maintenance only and the other replacement reserve fund shall be for capital expenditures and replacement and repair of those items deemed Common Properties for purposes of maintenance only as defined in Article VI, Section 2(b)), which replacement reserve funds shall be used for those purposes and not for usual and ordinary repair expenses of the Common Properties. Such replacement reserve funds for capital expenditures and replacement and repair of the Common Properties shall be maintained by the Corporation in separate interest bearing accounts with one or more banks or savings and loan associations authorized to conduct business in Marion County, Indiana selected from time to time by the Board. The failure or delay of the Board of Directors to prepare a proposed annual budget and to furnish a copy thereof to the Owners shall not constitute a waiver or release in any manner of the obligations of the Owners to pay the Common Expenses as provided, whenever determined. Whenever, whether before or after the annual meeting of the Corporation, there is no annual budget approved by the Owners as herein provided for such current fiscal year, the Owners shall continue to pay Regular Assessments based upon the last approved budget or, at the option of the Board, based upon one hundred and ten percent (110%) of such last approved budget, as a temporary budget.

Section 3. Regular Assessments. The annual budget as adopted by the Owners shall, based on the estimated cash requirement for the Common Expenses in the current fiscal year as set forth in said budget, contain a proposed assessment against each Lot, which shall be computed at follows: all estimated Common Expenses except the estimated cost of the master casualty insurance policy provided for in Article XII Section 1 shall be divided by the total number of Lots in the subdivision to determine quotient A; the estimated cost of said master casualty insurance policy shall be divided on a pro-rata basis for each Dwelling Unit based upon the square feet of living area in each Dwelling Unit, including garages but excluding basements to determine quotient B ; quotients A and B shall be added together and the sum shall be the Regular Assessment for each Lot. The portion of the Regular Assessment attributable to the replacement reserve funds shall be computed in the same manner as set forth above for the computation for quotient A.

Immediately following the adoption of the annual budget, each Owner shall be given written notice of such assessment against his respective Lot (herein called the "Regular Assessment"). In the event the Regular Assessment for a particular fiscal year is initially based upon a temporary budget, such Regular Assessment shall be revised, within fifteen (15) days following adoption of the final annual budget by the Owners, to reflect the assessment against each Lot based upon such annual budget as finally adopted by the Owners. The aggregate amount of the Regular Assessments shall be equal to the total amount of expenses provided and included in the final annual budget, including reserve funds as hereinabove provided. The Regular Assessment against each Lot shall be paid in advance in equal quarterly installments commencing on the first day of the first month of each fiscal year and quarterly thereafter through and including the first day of the last quarter of such fiscal year. Payment of the quarterly installments of the Regular Assessment shall be made to the Board of Directors or the Managing Agent, as directed by the

Board of Directors; provided, however, Owners may elect to pay quarterly assessments semi-annually or annually, in advance. At the election and option of the Board, the Regular Assessment may be required to be paid by the Owners in advance in equal monthly installments rather than quarterly installments. In the event the Regular Assessment for a particular fiscal year of the Corporation was initially based upon a temporary budget,

- (a) if the Regular Assessment based upon the final annual budget adopted by the Owners exceeds the amount of the Regular Assessment based upon the temporary budget, that portion of such excess applicable to the period from the first day of the current fiscal year to the date of the next payment of the Regular Assessment which is due shall be paid with such next payment and such next payment, and all payments thereafter during such fiscal year, whether quarterly or monthly, shall be increased so that the Regular Assessment as finally determined shall be paid in full by the remaining payments due in such fiscal year, or
- (b) if the Regular Assessment based upon the temporary budget exceeds the Regular Assessment based upon the final annual budget adopted by the Owners, such excess shall be credited against the next payment or payments of the Regular Assessment coming due, whether quarterly or monthly, until the entire amount of such excess has been so credited; provided, however, that if an Owner had paid his Regular Assessment either semi-annually or annually in advance, then the adjustments set forth under (a) or (b) above shall be made by a cash payment by, or refund to, the Owner on the first day of the second month following the determination of the Regular Assessment based upon the annual budget finally adopted by the Owners.

The Regular Assessment for the current fiscal year of the Corporation shall become a lien on each separate Lot as of the first day of each fiscal year of the Corporation, even though the final determination of the amount of such Regular Assessment may not have been made by that Date. The fact that an Owner has paid his Regular Assessment for the current fiscal year in whole or in part based upon a temporary budget and thereafter, before the annual budget and Regular Assessment are finally determined, approved and adjusted as herein provided, sells, conveys or transfers his Lot or any interest therein, shall not relieve or release such Owner or his successor as owner of such Lot from payment of the Regular Assessment for such Lot as finally determined, and such Owner and his successor as owner of such Lot shall be jointly and severally liable for the Regular Assessment as finally determined. Any statement of unpaid assessments furnished by the Corporation

pursuant to Section 2 of Article XI hereof prior to the final determination and adoption of the annual budget and Regular Assessment for the year in which such statement is made shall state that the matters set forth therein are subject to adjustment upon determination and adoption of the final budget and Regular Assessment for such year, and all parties to whom any such statement may be delivered or who may rely thereon shall be bound by such final determinations. Quarterly or monthly (if so determined by the Board) installments of Regular Assessments shall be due and payable automatically on their respective due dates without any notice from the Board or the Corporation, and neither the Board nor the Corporation shall be responsible for providing any notice or statements to Owners for the same.

Each Owner shall prepay to the Corporation at the time his Lot is conveyed to such Owner an amount equal to thirteen (13) monthly installments of the amount required to pay for the Lot Owner's pro-rata portion of the master casualty insurance policy based upon the budget for the current fiscal year and the Owner shall maintain such prepayment account at all times. The Corporation shall hold such pre-paid funds in a separate escrow account for the purchase of insurance as provided in Article XII, Section 1.

Section 4. Special Assessments. From time to time Common Expenses of an unusual or extraordinary nature or not otherwise anticipated may arise. At such time, unless otherwise provided in this Declaration, the Articles, the By-Laws or the Act, the Board of Directors shall have the full right, power and authority to make special assessments which, upon resolution of the Board, shall become a lien on each Lot, prorated in equal shares (herein called "Special Assessment"); provided, that any such assessment shall have the assent of sixty-seven percent (67%) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose. Without limiting the generality of the foregoing provisions, Special Assessments may be made by the Board of Directors from time to time to pay for capital expenditures and to pay for the

cost of any repair or reconstruction of damage caused by fire or other casualty or disaster to the extent insurance proceeds are insufficient therefor under the circumstances described in this Declaration.

Section 5. Failure of Owner to Pay Assessments. (a) No Owner may exempt himself from paying Regular Assessments and Special Assessments, or from contributing toward the expenses of administration and of maintenance and repair of the Common Properties and items deemed Common Properties for purposes of maintenance only, and toward any other expense lawfully agreed upon, by waiver of the use or enjoyment of the Common Properties or by abandonment of the Lot belonging to him. Each Owner shall be personally liable for the payment of all Regular and Special Assessments. Where the Owner constitutes more than one Person, the liability of such Persons shall be joint and several. If any Owner shall fail, refuse or neglect to make any payment of any Regular Assessments or Special Assessments when due, the lien for such Assessment on the Owner's Lot and Dwelling Unit may be filed and foreclosed by the Board for and on behalf of the Corporation as a mortgage on real property or as otherwise provided by law. Upon the failure of an Owner to make timely payments of any Regular Assessments or Special Assessments, when due, the Board may in its discretion, accelerate the entire balance of the unpaid Assessments and declare the same immediately due and payable, notwithstanding any other provisions hereof to the contrary. In any action to foreclose the lien for any Assessments, the Owner and any occupant of the Lot and Dwelling Unit shall be jointly and severally liable for the payment to the Corporation of reasonable rental for such Lot and Dwelling Unit, and the Board shall be entitled to the appointment of a receiver for the purpose of preserving the Lot and Dwelling Unit and to collect the rentals and other profits therefrom for the benefit of the Corporation to be applied to the unpaid Regular Assessments or Special Assessments. The Board may, at its option, bring a suit to recover a money judgment for any unpaid Regular

Assessment or Special Assessment without foreclosing or waiving the lien securing the same. In any action to recover a Regular Assessment or Special Assessment, whether by foreclosure or otherwise, the Board, for and on behalf of the Corporation, shall be entitled to recover from the Owner of the respective Lot and Dwelling Unit costs and expenses of such action incurred (including but not limited to reasonable attorneys' fees) and interest from the date such Assessments were due, until paid, at a rate equal to the "prime interest rate" then being charged by Indiana National Bank to its largest and best corporate customers (or if said Bank is no longer in existence, then such rate charged by another national bank in Marion County, Indiana selected by the Board).

(b) The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Notwithstanding anything contained in this Section or elsewhere in this Declaration, the Articles or the By-Laws, any sale or transfer of a Lot and Dwelling Unit to a Mortgagee pursuant to a foreclosure on its mortgage or conveyance in lieu thereof, or a conveyance to any person at a public sale in the manner provided by law with respect to mortgage foreclosures, shall extinguish the lien of any unpaid installment of any Regular Assessment or Special Assessment as to such installments which became due prior to such sale, transfer or conveyance; provided, however, that the extinguishment of such lien shall not relieve the prior owner from personal liability therefor. No such sale, transfer or conveyance shall relieve the Lot and Dwelling Unit or the purchaser at such foreclosure sale, or grantee in the event of conveyance in lieu thereof, from liability for any installments of Regular Assessments or Special Assessments thereafter becoming due or from the lien therefor. Such unpaid share of any Regular Assessments or Special Assessments, the lien for which has been divested as aforesaid, shall be deemed to be a Common Expense, collectible from all Owners (including the party acquiring the subject Lot and Dwelling Unit from which it arose).

Section 6. Initial Budgets and Assessments.

Notwithstanding anything to the contrary contained herein, in the Articles, in the By-Laws, in the Act or otherwise, until the Applicable Date the annual budget and all Regular Assessments and Special Assessments shall be established by the Initial Board without meetings of or concurrence of the Owners. The agency, power of attorney and proxy granted to the Declarant by each Owner pursuant to Section 2 of Article V hereof shall be deemed to cover and include each Owner's right to vote on and approve the annual budget and any Regular Assessments and Special Assessments until the Applicable Date.

Further, until the Applicable Date, the Regular Assessments are and shall be established as follows:

- (a) From the date of the first conveyance of a Lot by Declarant to any other Person until the earlier of the Applicable Date or December 31, 1984,
  - (i) the Regular Assessment shall be Twenty-Seven and 50/100 Dollars (\$27.50) per month on each Lot owned by someone other than Declarant, pro-rated on a daily basis for any period of time less than a month (the amount required to fund the insurance escrow shall be in addition to the Regular Assessment), and
  - (ii) the Regular Assessment shall be twenty-five percent (25%) of the amount of the Regular Assessment for each Lot owned by Declarant until sixty (60) days after completion of a Dwelling Unit on a Lot at which time the Regular Assessment for that Lot shall be raised to the full amount set forth in subparagraph (i).
- (b) After December 31, 1984 (if the Applicable Date has not then occurred) and for each year thereafter until the Applicable Date, the Regular Assessment upon each Lot may be increased by the Board by an amount not greater than an amount equal to the same percentage of the Regular Assessment provided under subparagraph (a) above as the percentage increases, if any, in the Consumer Price Index between the Index figure for the month of July, 1983 and the Index figure for the last month of the year preceding the year for which such increase is to be effective. Such increases may be made by the Board annually on, or effective on, January 1 of each year until the Applicable Date. As used herein, "Consumer Price Index" means the "Consumer Price Index for All Urban Consumers, U.S. City Average of all items (CPI-U, reference base of 1967=100.)" published by the Bureau of Labor Statistics of the U.S. Department of Labor. If the publication of the Consumer Price Index of the U.S. Bureau of Labor Statistics is either discontinued, or revised by changes in the weights assigned by the 1972-73 Consumer Expenditure Survey to the expenditure groups, in the sample of items priced, in the sample of places where the pricing takes place or in the statistical methods employed in the calculation of the Consumer Price Index, then, and in

any of such event, comparable statistics on the purchasing power of the consumer dollar published by a responsible financial periodical selected by the Corporation shall be substituted for said Consumer Price Index and used for making such computations.

Notwithstanding the foregoing or anything else contained herein, until the Applicable Date (whether before or after December 31, 1984), the Regular Assessment to be paid by Declarant for each Lot owned by Declarant shall be twenty-five percent (25%) of the Regular Assessment for Owners (other than Declarant) of Single Family Lots until sixty (60) days after completion of a Dwelling Unit on a Lot at which time the Regular Assessment for that Lot shall be raised to one hundred percent (100%) of the Regular Assessment.

#### ARTICLE XI

##### Mortgages

Section 1. Notice to Corporation. Any Owner who places a first mortgage lien upon his Lot, or the Mortgagee, shall notify the Secretary of the Corporation thereof and provide the name and address of the Mortgagee. A record of such Mortgagee and name and address shall be maintained by the Secretary and any notice required to be given to the Mortgagee pursuant to the terms of this Declaration, the By-Laws or otherwise shall be deemed effectively given if mailed to such Mortgagee at the address shown in such record in the time provided. Unless notification of any such mortgage and the name and address of Mortgagee are furnished to the Secretary, either by the Owner or the Mortgagee, no notice to any Mortgagee as may be otherwise required by this Declaration, the By-Laws or otherwise shall be required and no Mortgagee shall be entitled to vote on any matter to which he otherwise may be entitled by virtue of this Declaration, the By-Laws, a proxy granted to such Mortgagee in connection with the mortgage, or otherwise.

The Corporation shall, upon request of a Mortgagee who has furnished the Corporation with its name and address as hereinabove provided, furnish such Mortgagee with written notice of any default in the performance by its borrower of any obligations of such borrower under this Declaration or the By-Laws which is not cured within sixty (60) days.

Section 2. Notice of Certain Actions or Conditions. The Corporation shall, upon request of a Mortgagee (or insurer or guarantor) who has furnished the Corporation with its name and address as hereinabove provided, furnish such Mortgagee (or insurer or guarantor) with written notice of:

- (i) any condemnation loss or any casualty loss which affects a material portion of the subdivision or any Dwelling Unit on which there is a first mortgage;
- (ii) any default in the performance by its borrower of any obligations of such borrower under this Declaration or the By-Laws which is not cured within sixty (60) days;
- (iii) any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Corporation; and
- (iv) any proposed action which would require the consent or approval of Mortgagees.

Section 3. Notice of Unpaid Assessments. The Corporation shall, upon request of a Mortgagee, a proposed mortgagee, or a proposed purchaser who has a contractual right to purchase a Lot, furnish to such Mortgagee or purchaser a statement setting forth the amount of the unpaid Regular Assessments or Special Assessments or other charges against the Lot, which statement shall be binding upon the Corporation and the Owners, and any Mortgagee or grantee of the Lot shall not be liable for nor shall the Lot conveyed be subject to a lien for any unpaid assessments or charges in excess of the amounts set forth in such Statement or as such assessments may be adjusted upon adoption of the final annual budget, as referred to in Section 3 of Article X hereof.

Section 4. Unpaid Taxes and Insurance. Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which have or may become a lien against any Common Properties (excluding items deemed Common Properties for maintenance only) and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for any Common Properties (excluding items deemed Common Properties for maintenance only), and the Mortgagees making such payments shall be owed immediate reimbursement therefor by the Corporation.

ARTICLE XII

Insurance

Section 1. Casualty Insurance. (a) The Corporation shall purchase a master casualty insurance policy with an "agreed amount and inflation guard endorsement" and a "blanket building endorsement" affording fire and extended coverage insurance insuring each Dwelling Unit in an amount consonant with the full replacement value of the improvements which, in whole or in part, comprise the Dwelling Units, excluding all floor, ceiling and wall coverings and fixtures, betterments and improvements installed by any Owner and excluding any personal property owned by any Owner whether located on any Lot or elsewhere. If the Board of Directors can obtain such coverage for reasonable amounts it shall also obtain "all risk" coverage. The Board of Directors shall be responsible for reviewing at least annually the amount and type of such insurance and shall purchase such additional insurance as is necessary to provide the insurance required above. If deemed advisable by the Board, the Board may cause such full replacement value to be determined by a qualified appraiser. The cost of any such appraisal shall be a Common Expense. Such insurance coverage shall be for the benefit of each Owner, and, if applicable, the Mortgagee of each such Owner.

(b) The Corporation shall purchase a casualty insurance policy with an "agreed amount and inflation guard endorsement" affording fire and extended coverage insurance insuring all Common Properties owned by the Corporation including, but not limited to, streets, utilities and recreational equipment in an amount consonant with the full replacement value of the improvements. If the Board of Directors can obtain such coverage for reasonable amounts it shall also obtain "all risk" coverage for said improvements. The Board of Directors shall be responsible for reviewing at least annually the amount and type of such insurance and shall purchase such additional insurance as is necessary to provide the insurance required above. If deemed advisable by the Board, the Board may cause

such full replacement value to be determined by a qualified appraiser. The cost of any such appraisal shall be a Common Expense of all Owners. Such insurance coverage shall be for the benefit of each Owner, and, if applicable, the Mortgagee of each Owner.

(c) All proceeds payable as a result of casualty losses sustained which are covered by insurance purchased by the Corporation as hereinabove set forth shall be paid to it or to the Board of Directors. In the event that the Board of Directors has not posted surety bonds for the faithful performance of their duties as such Directors or if such bonds do not exceed the funds which will come into its hands, and there is damage to a part or all of the Common Properties resulting in a loss, the Board of Directors shall obtain and post a bond for the faithful performance of its duties in an amount to be determined by the Board, but not less than 150% of the loss, before the Board shall be entitled to receive the proceeds of the insurance payable as a result of such loss. The sole duty of the Board in connection with any such insurance proceeds shall be to receive such proceeds as are paid and to hold the same for the purposes elsewhere stated herein, and for the benefit of the Owners of the Corporation. The proceeds shall be used or disbursed by the Corporation or the Board, as appropriate, only in accordance with the provisions of this Declaration.

Such casualty insurance policies, and "all risk" coverages if obtained, shall (to the extent the same are obtainable) contain provisions that the insurer (a) waives its right to subrogation as to any claim against the Corporation, the Board of Directors, its agents and employees, Owners, their respective agents and guests, and (b) waives any defense based on the invalidity arising from the acts of the insured, and providing further, if the Board of Directors is able to obtain such insurance upon reasonable terms (i) that the insurer shall not be entitled to contribution against casualty insurance which may be purchased by individual Owners, and (ii) that

notwithstanding any provision thereof giving the insurer an election to restore damage in lieu of a cash settlement, such option shall not be exercisable in the event the Corporation does not elect to restore.

Section 2. Public Liability Insurance. The Corporation shall also purchase a master comprehensive public liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time; provided, such coverage shall be for at least One Million Dollars (\$1,000,000.00) for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Such comprehensive public liability insurance policy shall cover all of the Common Properties and shall insure the Corporation, the Board of Directors, any committee or organ of the Corporation or Board, any Managing Agent appointed or employed by the Corporation, all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the Real Estate, all Owners of Lots and all other persons entitled to occupy any Lot or Dwelling Unit. Such public liability insurance policy shall contain a "severability of interest" clause or endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Corporation or other Owners.

Section 3. Other Insurance. The Corporation shall also obtain any other insurance required by law to be maintained, including but not limited to workmen's compensation and occupational disease insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate, including but not limited to, liability insurance on vehicles owned or leased by the Corporation and officers' and directors' liability policies. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of each Owner, the Corporation, the Board of Directors and any Managing Agent acting on behalf of the Corporation. Each Owner shall be

deemed to have delegated to the Board of Directors his right to adjust with the insurance companies all losses under the policies purchased by the Board of Directors the proceeds of which are payable to the Board or the Corporation.

Section 4. General Provisions. The premiums for all insurance hereinabove described shall be paid by the Corporation as part of the Common Expenses. When any such policy of insurance hereinabove described has been obtained by or on behalf of the Corporation, written notice of the obtainment thereof and of any subsequent changes therein or termination thereof shall be promptly furnished to each Owner or Mortgagee whose interest may be affected thereby, which notice shall be furnished by the officer of the Corporation who is required to send notices of meetings of the Corporation. All policies shall also contain an endorsement to the effect that such policy shall not be terminated for non-payment of premiums without at least thirty (30) days prior written notice to the Mortgagee of each Lot.

In no event shall any distribution of insurance proceeds be made by the Board of Directors directly to an Owner where there is a mortgagee endorsement on the certificate of insurance or insurance policy or the Board has notice of a Mortgagee as it applies to such Owner's share of such proceeds. In such event any remittances shall be to the Owner and his Mortgagee jointly. The same restriction on distribution shall apply to the distribution of any condemnation awards in connection with any taking of any of the Common Properties. Notwithstanding the foregoing, under no circumstances shall any distribution of insurance proceeds in excess of amounts needed to repair damage or pay off any first mortgage or any condemnation awards be made by the Corporation to any Owners or Mortgagees if to do so would be in violation of the Act or if the same would constitute a distribution of earnings, profits or pecuniary gain to the members of the Corporation; in any such event, any such insurance proceeds or condemnation awards shall be retained by the Corporation for use in the payment of its expenses of operation.

Section 5. Insurance by Owners. Each Owner shall be solely responsible for and may obtain such additional insurance as he deems necessary or desirable, at his own expense, affording coverage upon his personal property, his Lot, his Dwelling Unit, the contents of his Dwelling Unit, his personal property stored anywhere on the Real Estate, and for his personal liability, but all such insurance shall contain the same provisions for waiver of subrogation as referred to in the foregoing provisions for the master casualty insurance policy to be obtained by the Corporation.

ARTICLE XIII

Casualty and Restoration; Condemnation; Termination

Section 1. Casualty and Restoration. In the event of damage to or destruction of the structure or exterior of any Building or Dwelling Unit or in the event of damage to or destruction of any of the Common Properties due to fire or any other casualty or disaster, the Corporation shall promptly cause the same to be repaired and reconstructed. The proceeds of insurance carried by the Corporation, if any, shall be applied to the cost of such repair and reconstruction.

If the insurance proceeds, if any, received by the Corporation as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and reconstruction, or in the event there are no insurance proceeds, (i) the cost for restoring the damage and repairing and reconstructing a Building or Dwelling Unit so damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if any) shall be assessed by the Corporation against all of the Owners in equal shares and (ii) the cost for restoring the damage and repairing and reconstructing any Common Properties (excluding items deemed Common Properties for maintenance only) so damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if any) shall be assessed by the Corporation against all of the Owners in equal shares. Any such amounts assessed against the Owners shall be assessed as part of the Common Expenses and shall constitute a lien from the time of assessment as provided herein.

For purposes of this Article, repair, reconstruction and restoration shall mean construction or rebuilding the Building so damaged or destroyed to as near as possible the same condition as it existed immediately prior to the damage or destruction and with the same type of architecture.

Immediately after a fire or other casualty or disaster causing damage to any property for which the Board of Directors or Corporation has the responsibility of maintenance and repair hereunder, the Board shall obtain reliable and detailed estimates of the cost to place the damaged property in a condition as good as that before the casualty. Such costs may include professional fees and premiums for such bonds as the Board of Directors desires or deems necessary.

Encroachments upon any Lot which may be created as a result of such reconstruction or repair of any Building shall not constitute a claim or basis of a proceeding or action for the Owner upon whose Lot such encroachment exists, provided that such reconstruction was either substantially in accordance with the original plans and specifications or as the Building was originally constructed.

Section 2. Total or Partial Condemnation. (a) In the event of the condemnation of all or any part of the Common Properties or of all or any part of any Building, Dwelling Unit or Lot, the Board is hereby authorized to negotiate with the condemning authority and/or to contest an award made for the appropriation of such Common Properties, Buildings or Dwelling Units. For the purpose of such negotiation and/or of contest of such award to the Board as to Buildings and Dwelling Units and Lots, the Board is hereby declared to be the agent and attorney-in-fact of any Owner affected by the condemnation. This appointment of the Board shall be deemed coupled with an interest and shall be irrevocable. Nothing contained herein, however, shall preclude any Owner from asserting any rights or claims to compensation which cannot be legally asserted by the Board.

(b) Awards for the taking of all or part of a Building, Dwelling Unit or Lot shall be collected by the Board and distributed to the affected Owners. To the extent possible, negotiated awards or awards resulting from a contest shall specify the allocation of the award among Owners affected. In the event that an Owner does not agree with the distribution of an award, said Owner shall be entitled to have the dispute settled by arbitration. The protesting Owner shall appoint one arbitrator, the Board acting as agent for all other affected Owners shall appoint one arbitrator and the two appointed arbitrators shall appoint a third arbitrator. A majority decision of the arbitrators shall be binding on all Owners and shall be enforceable.

Section 3. Termination. In the event of condemnation of two-thirds (2/3) or more of the Dwelling Units in the subdivision, the remaining Owners may, by a majority vote terminate this Declaration and dissolve the Corporation, provided, however, that the restrictions set forth in the subdivision Plat and in Article XIV shall remain in full force and effect in accordance with the terms of the Plat and Article XVIII of this Declaration.

#### ARTICLE XIV

##### Restrictions, Covenants and Regulations

Section 1. Restrictions on Use. The following covenants and restrictions on the use and enjoyment of the Lots, Dwelling Units and Common Properties shall be in addition to any other covenants or restrictions contained herein and in any subdivision plat of any part of the Real Estate heretofore or hereafter recorded, and all such covenants and restrictions are for the mutual benefit and protection of the present and future Owners and shall run with the land and inure to the benefit of and be enforceable by any Owner, or by the Corporation. Present or future Owners or the Corporation shall be entitled to injunctive relief against any violation or attempted violation of any such covenants and restrictions, and shall, in addition, be entitled to damages for any injuries or losses

resulting from any violations thereof, but there shall be no right of reversion or forfeiture resulting from such violation. These covenants and restrictions are as follows:

- (a) All Lots and Dwelling Units shall be used exclusively for residential purposes and for occupancy by a single family.
- (b) Nothing shall be done or kept in any Dwelling Unit, or on any Lot, or on the Common Properties which will cause an increase in the rate of insurance on any Dwelling Unit or the contents thereof or on any Common Properties. No Owner shall permit anything to be done or kept in his Dwelling Unit or on his Lot or on any of the Common Properties which will result in a cancellation of insurance on any Dwelling Unit or any part of the Common Properties, or which would be in violation of any law or ordinance or the requirements of any insurance underwriting or rating bureau.
- (c) No nuisance shall be permitted and no waste shall be committed in any Dwelling Unit or on any Lot.
- (d) No Owner shall cause or permit anything to be hung or displayed on the outside of the windows of his Dwelling Unit or place on the outside walls of any building, and no sign, awning, canopy, shutter or radio or television antenna or other attachment or thing shall be affixed to or placed upon the exterior walls or roofs or any other parts of any Dwelling Unit without the prior consent of the Architectural Review Board.
- (e) No animals, livestock or poultry of any kind shall be raised, bred or kept in any Dwelling Unit or on any Lot or any of the Common Properties, except that pet dogs, cats or customary household pets may be kept in a Dwelling Unit, provided that such pet is not kept, bred or maintained for any commercial purpose, and does not create a nuisance. Pets shall be taken outdoors only under leash or other restraint and while attended by its owner and an Owner shall be fully liable for any injury or damage to persons or property, including the Common Properties, caused by his pet. The tethering of pets in any area outside an Owner's fenced Lot does not constitute "attended". The Board may adopt such other rules and regulations regarding pets as it may deem necessary from time to time including, but not limited to, a requirement that any Owner desiring to bring or maintain a pet on the Real Estate shall deposit with the Board a security deposit in an amount to be determined by the Board to cover any damage that may be caused by such pet to the Common Properties. Any such security deposit shall be returned to the Owner when the pet is permanently removed from the Real Estate, except to the extent said deposit has been used or is needed to repair damage caused by such pet. Any requirement for the depositing of such security deposit shall not be deemed to release or in any way limit an Owner's responsibility and liability for injury and damage caused by his pets. Any pet which, in the judgment of the Board, is causing or creating a nuisance or unreasonable disturbance or noise, shall be permanently removed from the Real Estate within ten (10) days after written notice from the Board to the respective Owner to do so.

- (f) Nothing shall be done or permitted in any Dwelling Unit or on any Lot which will impair the structural integrity of any of the Common Properties or which would structurally change any of the Common Properties. No Dwelling Unit or Lot shall be used in any unlawful manner or in any manner which might cause injury to the reputation of the subdivision developed or to be developed on the Real Estate, or which might be a nuisance, annoyance, inconvenience or damage to other Owners and occupants of Dwelling Units or neighboring property, including without limiting the generality of the foregoing, noise by the use of any musical instruments, radio, television, loud speakers, electrical equipment, amplifiers or other equipment or machines or loud persons.
- (g) No clothes, sheets, blankets, rugs, laundry or other things shall be hung out or exposed on, or so as to be visible from, any part of the Common Properties or any public street. The Common Properties shall be kept free and clear of rubbish, debris and other unsightly materials.
- (h) No industry, trade, or other commercial or religious activity, educational or otherwise, designed for profit, altruism or otherwise, shall be conducted, practiced or permitted on the Real Estate.
- (i) No "for sale", "for rent" or "for lease" signs, or other signs, or other window or advertising display shall be maintained or permitted on any part of the Real Estate, any Lot or any Dwelling Unit without the prior consent of the Board; provided, however, that the right is reserved by the Declarant (including a Builder) and the Board to place or allow to be placed "for sale" or "for lease" signs on or about the Real Estate in connection with any unsold or unoccupied Lots and Dwelling Units and nothing contained herein shall be construed or interpreted to affect or restrict the activities of Declarant (including a Builder) in the marketing, advertising or sale of Lots or Dwelling Units as a part of the development of this subdivision.
- (j) All Owners and members of their families, their guests, or invitees, and all occupants of any Dwelling Unit or other persons entitled to use the same and to use and enjoy the Common Properties or any part thereof, shall observe and be governed by such rules and regulations as may from time to time be promulgated and issued by the Board governing the operation, use and enjoyment of the Common Properties.
- (k) No boats, campers, trailers of any kind, buses, mobile homes, trucks, motorcycles, mini bikes, mopeds, or any other vehicles of any description other than normal passenger automobiles, shall be permitted, parked or stored anywhere within the Real Estate; provided, however, that nothing herein shall prevent the parking or storage of such vehicles completely enclosed within a garage. No repair work shall be done on the Real Estate on any vehicles, including passenger vehicles.
- (l) No Owner shall remove any tree planted by Declarant for a period of two years after first occupancy of a Dwelling Unit without the written approval of the Board.

- (m) Each Owner shall keep his Lot in good order, condition and repair and free of debris including, but not limited to, the pruning, trimming and cutting of all trees and shrubbery, all in a manner and with such frequency as is consistent with good property management. In the event an Owner of any Lot shall fail to so maintain his Lot, the Corporation after notice to the Owner and approval by two-thirds (2/3) vote of all Owners, shall have the right to enter upon said Lot to correct, repair, maintain and restore the Lot. All costs incurred by the Corporation related to such correction, repair, maintenance or restoration shall be and constitute a Special Assessment against such Lot, payable by the Owner upon demand by the Corporation.
- (n) All garbage, trash and refuse shall be stored in appropriate containers inside the Dwelling Units (including garages) and shall be kept therein until not earlier than sundown of the evening before scheduled trash collection. Garbage, trash and refuse shall be placed in sealed disposable plastic bags or other containers approved by the Board for scheduled trash collection and shall be placed at such locations for trash collection as are designated by the Board.
- (o) Common Properties shall be used and enjoyed only for the purposes for which they are designed and intended, and shall be used subject to the rules and regulations from time to time adopted by the Board.

Notwithstanding anything to the contrary contained herein or in the Articles or By-Laws, including but not limited to any covenants and restrictions set forth herein or otherwise, Declarant shall have, until the Applicable Date, the right to use and maintain the Common Properties and any Lots and Dwelling Units owned by Declarant and other portions of the Real Estate (other than individual Dwelling Units and Lots owned by Persons other than Declarant), all of such number and size and at such locations as Declarant in its sole discretion may determine, as Declarant may deem advisable or necessary in its sole discretion to aid in the construction and sale of Lots and Dwelling Units or for the conducting of any business or activity attendant thereto, including, but not limited to, model Dwelling Units, storage areas, construction yards, signs, construction offices, sales offices, management offices and business offices. Declarant shall have the right to relocate any or all of the same from time to time as it desires. At no time shall any of such facilities so used or maintained by Declarant be or become part of the Common Properties, unless so designated by Declarant, and Declarant shall have the right to remove the same from the Real Estate at any time.

ARTICLE XV

record any such amendments. The right of the Declarant to act pursuant to rights reserved or granted under this Section 2 shall terminate at such time as the Declarant no longer holds or controls title to any part or portion of the Real Estate.

ARTICLE XVI

All present and future Owners, Mortgagees, tenants and occupants of the Lots and Dwelling Units, and other Persons claiming by, through or under them, shall be subject to and shall comply with the provisions of this Declaration, the Articles, the By-Laws and the rules and regulations as adopted by the Board of Directors, as each may be amended or supplemented from time to time.
