INDIANAPOLIS, INDIANA

THIS DECLARATION of Covenants, Conditions, Commitments, Restrictions, Easements, and Assessments, hereinafter referred to as the "Declaration" or the "Covenants," is made this 23RD day of SEPTEMBER, 1994 by Irongate Developers, Inc., an Indiana Corporation, hereinafter referred to as "Declarant" or "Developer,"

WITNESSETH:

WHEREAS, Declarant is the owner of a certain 26.37-acre parcel of real property, hereinafter referred to as the "Real Estate," as described in Exhibit "A" attached hereto and by reference is made a part hereof;

WHEREAS, Declarant hereby subdivides said Real Estate into a subdivision of single-family lots known and designated as IRONGATE-SECTION ONE, hereinafter referred to as the "Subdivision", as per plat thereof recorded on the 21TH day of SEPTEMBER, 1994 under Instrument No. 1994-0146311 in the records of the Office of the Recorder of Marion County, Indiana, and by reference made a part hereof; and

WHEREAS, Declarant establishes a system of assessments and charges, hereinafter referred to as the "Assessments," to provide for maintenance of the Common Property in the Development, for insurance coverage, and for mutual enforcement of the Covenants; and

WHEREAS, Assessments shall be borne by Lot Owners of the Development, hereinafter referred to as the "Owners."

NOW, THEREFORE, Declarant hereby affirms that the Real Estate described in Exhibit "A" attached hereto and by reference made a part hereof shall be held, subdivided, sold and conveyed subject to the following Covenants which purport to protect the value and desirability of the Development, and which shall run with the Real Estate and shall be binding on all parties having any right, title or interest in the Real Estate or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each Owner thereof.

ARTICLE I
DEFINITIONS

A. The following are the definitions of terms used in this Declaration:

1. "Assessment" shall mean that share of the Common Expenses imposed upon each Lot, as determined and levied pursuant to the provisions of Article XVII herein.
2. "Association" shall mean Irongate Homeowners' Association, Inc. or an organization of similar name, its successors and assigns, and shall be created as an Indiana not-for-profit corporation. Its membership shall consist of Owners who pay mandatory assessments for liability insurance, project sign maintenance, storm water detention area maintenance, maintenance of landscaped areas in landscape easements, management fees and other expenses as determined by the Association.

3. "Builder" shall mean the contractor(s) constructing the first residence on each lot, which may be the Developer for one or more Lots.
4. "Committee" shall mean the Irongate Development Control Committee, composed of three (3) members appointed by Developer who shall be subject to removal by Developer at any time with or without cause as long as Developer owns one (1) lot. Developer by appointment shall fill vacancies which may occur from time to time on the Committee until such time as the Subdivision is completely developed, at which time the Association shall appoint the Committee from its membership.
5. "Common Expenses" shall mean the actual and estimated cost to the Association for maintenance, management, operation, repair, improvement, and replacement of the Common Property as hereinafter defined and including, but not limited to, the maintenance of the storm water detention areas, but excluding normal mowing and cleaning of such areas, etc., and any other costs or expenses incurred by the Association for the benefit of the Common Property, including the cost of insurance as required herein. Common Expenses shall not include any costs or expenses incurred in connection with the initial installation and completion of streets, utility lines and mains, the drainage system, or other public improvements constructed by Developer.
6. "Common Property/Common Area" shall mean all real and personal property which is in the nature of common or public improvements. It is anticipated all future sections may have certain additional amenities. On Lots 1 and 50 in Section 1 and on Lots 51 and 102 in Section 2 there are landscape, utility, and sign easements.
7. "Dwelling Unit" shall mean a single-family residence, including attached garage, situated upon a Lot in the Development.

No Lot may be subsequently subdivided for development purposes, except to adjust for minor side yard infractions which may occur.
9. "Owner" shall mean a person who acquires any right, title or interest, legal or equitable, in and to a Lot, but shall exclude those persons having such interest merely as security for the performance of an obligation. The Owner of Block "A" in Section 1 and Block "B" in Section 2 shall not be an Owner as defined under this Declaration.

The same sight line limitations shall apply to any lot within ten (10) feet from the intersection of a street line with the edge of a driveway. No trees shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at a height sufficient to prevent obstruction of such sight lines.

5. Maintain the exterior of all improvements in a state of good repair.

Requirement to Mow Grass in Public Rights-of-Way: All Owners shall be required to mow the grass in public rights-of-way including the areas between the sidewalk and the curb for their respective Lots. On Lots 1 and 50 in Section 1 and on Lots 51 and 102 in Section 2, the grass in the landscape easement and right-of-way for Mitthoeffer Road shall be maintained by the Association.

Said easements shall be perpetual from the date of this Instrument as subscribed to by the Developer, its successors and assigns. No permanent or other structures may be erected or maintained in said easements except for temporary structures, fences, driveways and walkways. The Owners of Lots in the Development shall take title to said Lots subject to the rights of said companies and agencies and the other owners of said Lots in the Development for purposes of ingress and egress and maintenance and repair in, along and through said easements so reserved.

ARTICLE V MISCELLANEOUS PROVISIONS AND PROHIBITIONS

1. shall not be kept, bred, or maintained for any commercial purpose;
 2. shall not become a nuisance to other Owners; and
 3. shall be leashed upon leaving Owner's property.

Not more than three (3) pets of 20 pounds or less, not more than two (2) pets of 21 to 75 pounds, and not more than 1 pet 76 to 150 pounds shall be permitted to be domiciled in a Dwelling Unit or on a Lot. Pets which exceed 150 pounds shall be approved by the Committee.

- D. Vehicle Parking: Any motor vehicle which is inoperative and not being used for normal transportation will not be permitted to remain on any street or lot except within a closed garage. Motor vehicles may not be parked upon grassy or landscaped areas. Owners of all Lots in the Development shall comply at all times with the provisions of the Development and Grading Plans for the Plat as approved by the Department of Capital Asset Management, City of Indianapolis, Indiana, and with the requirements of all drainage permits issued for any Lot within the Development. Any field tile or underground drain encountered during the construction of any improvements within the Development shall be perpetuated. All Lot Owners in the Development, their successors, and assigns, shall comply with the Indiana Drainage Code of 1965, and all amendments thereto.

ARTICLE VI SUBMITTAL AND APPROVAL OF PLANS

- A. Submittal of Plans: No building, wall or other structure, except original construction of buildings by or on behalf of Declarant or a Builder, may be commenced, erected or maintained in the Development, nor may any exterior additions, changes, or alterations therein or thereto be made until the plans and specifications for said additions, changes or alterations are submitted to and approved in writing by the Committee for harmony of external design and location in relation to surrounding structures and topography.
- B. Approval of Plans: Approvals, determinations, permissions or consents of and for plans required herein shall be deemed granted if

given in writing and signed with respect to Developer by an authorized Officer or agent thereof, or with respect to the Committee by two of its authorized designee(s).

ARTICLE VII
RULES GOVERNING BUILDING ON SEVERAL CONTIGUOUS LOTS HAVING ONE OWNER

Whenever two or more contiguous Lots in the Development are owned by the same Owner, and said Owner proposes to use two or more of said Lots as a site for one (1) Dwelling Unit, said Owner shall apply in writing to the Committee for permission to use said Lots for this purpose. If permission is granted, the Lots constituting the site for said Dwelling Unit shall be treated as a single Lot for the purpose of applying these restrictions while the Lots remain improved with one (1) Dwelling Unit. No two-family dwellings shall be permitted in the Development.

ARTICLE VIII
REMEDIES

- A. Available Remedies: In the event of a violation, or threatened violation, of any of the Covenants herein recited, Declarant, the Owners and all other parties claiming under them ("Interested Parties"), individually or through the Association, shall have the right to enforce the Covenants contained herein, and may pursue any and all remedies, at law or in equity, available under applicable Indiana law, with or without proving any actual damages, and including the right to secure injunctive relief or to secure removal by due process of any structure not in compliance with the Covenants contained herein, and shall be entitled to recover reasonable attorneys' fees and the costs and expenses incurred as a result thereof.
- B. Government Enforcement: The Metropolitan Development Commission, its successors and assigns, shall have no right, power or authority to enforce any Covenants contained in this Declaration other than those Covenants which expressly run in favor of the Metropolitan Development Commission; provided further, that nothing herein shall be construed to prevent the Metropolitan Development Commission from enforcing any provisions of the Subdivision Control Ordinance, 58-AO-3, as amended, or any conditions attached to approval of the plat of Irongate Subdivision, Section One, by the Plat Committee, and any subsequent sections approved thereafter.
- C. Delay or Failure to Enforce: No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these Covenants shall be held to be a waiver by that party (or any estoppel of that party to assert) of any right available to him upon the occurrence, recurrence or continuation of such violation or violations of these Covenants.

ARTICLE IX
EFFECT OF BECOMING AN OWNER

The Owner of any Lot subject to the Covenants, by the acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Developer or a subsequent Owner of said Lot, shall accept said deed and execute said contract subject to all Covenants and Agreements contained herein. By acceptance of said deed or the execution of said contract, the Owner acknowledges the rights and powers of Interested Parties with respect to the Covenants, and also, for themselves, their heirs, personal representatives, successors and assigns. Said Owner shall covenant and agree with and consent to Developer and with and to the Owners and subsequent Owners of each of the Lots affected by the Covenants to keep, observe, comply with and perform said Covenants and Agreements

ARTICLE X

Notwithstanding the preceding sentence, all easements created or reserved by this Declaration shall be perpetual unless otherwise expressly indicated herein.
- B. Amendment of Declaration: As long as Developer is a Class B member as defined in Article XV, Section B.2., Developer hereby reserves the right to make such amendments to this Declaration as Developer may deem necessary or appropriate without the approval of any other person or entity, in order to bring this Declaration into compliance with the requirements of any public agency having jurisdiction thereof or any agency guaranteeing, insuring, or approving mortgages, or to change or modify Covenants for amendments to the Plat or Article III Restrictions which would apply to future construction so long as Developer owns any Lots within the Development; provided that Developer shall not be entitled to make any amendment which will have a materially adverse effect on the rights of any Mortgagee, nor which will substantially impair the benefits of the Covenants to any Owner or substantially increase the obligations imposed by the Covenants on any Owner without the prior written approval of said Mortgagees and Owners. Upon conversion of Class B membership to Class A membership as provided in Article XV, Section B.2, the Covenants may be amended upon the approval of 75% of the Lot Owners.

ARTICLE XII
SEVERABILITY

The within Covenants shall run with the land and shall be binding on all parties claiming under them. ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

- A. Membership: Every Owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from the ownership of any Lot. In addition, the Association, and/or its members therein, may be members in any one or more umbrella or joint homeowners' associations, if any, composed of associations and/or members from surrounding areas or, if organized by the Builders or Lot Owners of a community.
- B. Classes of Membership: The Association shall have two (2) classes of voting members:
1. Class A: Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.
 2. Class B: The Class B member(s) shall be the Declarant, who shall be entitled to three (3) votes for each Lot owned, and the members of the first Board of Directors during their respective terms, who shall have no voting rights. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:
 - a. When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership; or
 - b. on March 1, 1998.
- C. Board of Directors: The members shall elect a Board of Directors of the Association as prescribed by the Association's By-Laws. The Board of Directors shall manage the affairs of the Association. The initial Board of Directors shall be appointed by Developer and shall manage the affairs of the Association until Developer transfers control of the Association to the Owners as required herein.
- D. Responsibilities of the Association: The Association is hereby authorized to act and shall act on behalf of, and in the name, place, and stead of, the individual Owners in all matters pertaining to the determination of Common Expenses, the collection of annual and special Assessments, and the granting of any approvals whenever and to the extent called for by the Declaration for the common benefit of all such Owners. The Association shall also have the right, but not the obligation, to act on behalf of any Owner or Owners seeking enforcement of the Covenants contained in this Declaration. Neither the Association nor its officers or authorized agents shall have any liability whatsoever to any Owner for any action taken under color of authority of the Declaration or for any failure to take any action called for by the Declaration, unless such act or failure to act is in the nature of a willful or reckless disregard of the rights of the Owners or in the nature of willful, intentional, fraudulent, or reckless misconduct. The Association shall procure and maintain casualty insurance, liability insurance and such other insurance as it

deems necessary or advisable. The Association by its Board of Directors may contract for management services and such other services as the Association deems necessary or advisable.

- F. Transfer of Control of Association: Developer shall transfer control of the Association to the Owners no later than the earlier of:
1. four (4) months after three-fourths (3/4) of the Lots in the Development have been conveyed to Owners; or
 2. five (5) years after the first Lot is conveyed to an Owner in the development.

ARTICLE XVI
INSURANCE

- A. Public Liability Insurance for Common Property: The Association shall maintain in force adequate public liability insurance protecting the Association against liability for property damage and personal injury occurring on or in connection with any and all of the Common Property, if any, as the Board of Directors shall deem appropriate.
- B. Comprehensive Public Liability Insurance: The Association also shall maintain in force comprehensive public liability insurance and such other liability insurance, with such coverages and limits, as the Board of Directors shall deem appropriate. All such policies of insurance shall contain an endorsement or clause whereby the insurer waives any right to be subrogated to any claim against the Association, its officers, the Board of Directors, the Developer, any Managing Agent, their respective employees and agents, or the Owners, and shall further contain a clause whereby the insurer waives any defenses based on acts of individual Owners whose interests are insured thereunder, and shall cover claims of one or more insured parties against other insured parties. All such policies shall name the Association, for the use and benefit of the Owners, as the insured; shall provide that the coverage thereunder is primary even if an Owner has other insurance covering the same loss; shall show the Association or insurance trustee, in trust for each Owner and Mortgagee, as the party to which proceeds shall be payable; shall contain a standard mortgage clause and shall name Mortgagees as Mortgagee; and shall prohibit any cancellation or substantial modification to coverage without at least thirty (30) days prior written notice to the Association and to the Mortgagees. Such insurance shall inure to the benefit of each individual Owner, the Association, the Board of Directors and any managing agent or company acting on behalf of the Association. The individual Owners, as well as any lessees of any Owners, shall have the right to recover losses insured for their benefit.
- C. Professional Management Firm Insurance: A professional management firm shall provide insurance coverage to the same extent as the Association would be required to provide if it were managing its own operation and shall submit evidence of such coverage to the Association.
- D. Owner's Responsibility for Loss: Each Owner shall be solely responsible for loss of or damage to the improvements and his personal property located on his Lot, however caused. Each Owner shall be solely responsible for obtaining his own insurance to cover any such loss and risk.

ARTICLE XVII
COVENANT FOR ASSESSMENTS

- A. Purpose of Assessments: The Assessments levied by the Association shall be used exclusively for the purpose of improving, repairing,

replacing and maintaining project sign structures; maintaining the landscaping for said project signs and landscaping in the landscaping easements on Lots 1 and 50 in Section 1 and on Lots 51 and 102 in Section 2, including utilities and maintenance for a sprinkler system and entrance street light; maintaining storm water retention areas; providing insurance coverage therefor; and paying for any other expenses related to the Association.

1. Each owner covenants and agrees to pay the Association¹.
 - a. A Pro Rata Share (as hereinafter defined) of the annual Assessments established and determined from time to time as hereinafter provided.
 - b. A Pro Rata Share (as hereinafter defined) of any special Assessments established and determined from time to time, as hereinafter provided.
- B. Pro Rata Share: The pro rata share for each Owner for purposes of this paragraph shall be the percentage obtained by the fraction of one over the total number of lots (1/Total no. of Lots) within the Plat.
- C. Liability for Assessments: The Assessment on each Lot, together with any interest thereon and any costs for collection thereof, including attorneys' fees, shall be a charge on each Lot and shall constitute a lien upon each Lot from and after the due date thereof in favor of the Association. Each such Assessment, together with any interest thereon and any costs for collection thereof, including attorneys' fees, shall also be the personal obligation of the Owner of each Lot at the time the Assessment is due. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such Assessments as to payments which become due prior to such sale or transfer. The lien for any Assessment shall for all purposes be subordinate to the lien of any Mortgagee whose mortgage was recorded prior to the date such Assessment first became due and payable. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof, nor shall any sale or transfer relieve any Owner of the personal liability hereby imposed. The personal obligation for delinquent Assessments shall not pass to any successor in title unless such obligation is expressly assumed by such successor.
- D. Basis of Annual Assessments: The Board of Directors of the Association shall establish an annual budget at the beginning of each fiscal year, setting forth all anticipated Common Expenses for the coming fiscal year, together with a reasonable allowance for contingencies and reserves for periodic repair and replacement of the Common Property. A copy of this budget shall be delivered to each Owner of the Association.
- E. Basis of Special Assessments: Should the Board of Directors of the Association at any time during the fiscal year determine that the Assessments levied for such year may be insufficient to pay the Common Expenses for such year, the Board of Directors shall call a special meeting of the Association to consider imposing such special Assessments as may be necessary for meeting the Common Expenses for such year. A special Assessment shall be imposed only with the approval of sixty-six percent (66%) of the Owners, and shall be due and payable on the date(s) determined by such Owners, or if not so determined, then as may be determined by the Board of Directors.
- F. Fiscal Year; Date of Commencement of Assessments; Due Date: The fiscal year of the Association shall be the calendar year and may be changed from time to time by action of the Association. The annual Assessments on each Lot in the Development shall commence no sooner than on the first day of the first month following the month in which Declarant

first conveys ownership of any Lot to an Owner; provided, that if any Lot is first occupied (or residential) purposes prior to being conveyed by Declarant, full Assessments shall be payable with respect to such Lot commencing on the first day of the first month following the date of such occupancy. The Declarant shall have the right, but not the obligation, to make up any deficit in the budget for the Common Expenses for any year in which Declarant controls the Association, subject to its right to be reimbursed therefor as provided herein.

The first annual Assessment shall be made for the balance of the fiscal year of the Association in which such Assessment is made and, with respect to particular Lots, shall become due and payable on the date of initial transfer of title to a Lot to the Owner thereof. The annual Assessment for each year after the first assessment year shall be due and payable on the first day of each fiscal year of the Association. Annual Assessments shall be due and payable, in full, as of the above date, except that the Board of Directors may, from time to time by resolution, authorize the payment of such Assessments in monthly, quarterly, or semi-annual installments.

G. Duties of the Association:

1. Books and Records: The Board of Directors of the Association shall cause proper books and records of the levy and collection of each annual and special Assessment to be kept and maintained, including a roster setting forth the identification of each Lot and each Assessment applicable thereto, which books and records shall be kept by the Association and shall be available for the inspection and copying by each Owner (or duly authorized representative of any Owner) at all reasonable times. Except as may be otherwise provided in the Association's By-Laws, the Association shall cause financial statements to be prepared at least annually for each fiscal year of the Association, and shall furnish copies of the same to any Owner or Mortgagee upon request. The Board of Directors of the Association shall cause written notice of all Assessments levied by the Association upon the Lots and upon the Owners to be delivered to the Owners or their designated representatives. Notices of the amounts of special Assessments shall be sent as promptly as practical and, in any event, not less than thirty (30) days prior to the due date of such Assessment or any installment thereof. In the event such notice is delivered less than thirty (30) days prior to the due date of the Assessment to which such notice pertains, payment of such Assessment shall not be deemed past due for any purpose if paid by the Owner within thirty (30) days after the date of actual delivery of such notice.
2. Certificate of Assessments: Upon request the Association shall promptly furnish to any Owner, prospective purchaser, title insurance company, or Mortgagee, a certificate in writing signed by an officer of the Association, setting forth the extent to which Assessments have been levied and paid with respect to any Lot in which the requesting party has a legitimate interest. For any person relying thereon, such certificate shall be conclusive evidence that of any Assessment therein stated has been paid.
3. Request for Notice from Mortgagee: The Association shall notify any Mortgagee from which it has received a request for notice:
 - a. of any default in the performance of any obligation under this Declaration by any Owner which is not remedied within sixty (60) days;
 - b. of any condemnation or casualty loss that affects either a material portion of the Development of the Lot securing its mortgage;

- c. of any lapse, cancellation, or material modification of any insurance policy required to be maintained by the Association; and
- d. of any proposed action which requires the consent of the Mortgagees or a specified percentage thereof, as set forth in the Declaration.

H. Association Remedies for Non-Payment of Assessments:

1. Lien for Non-Payment of Assessment: If any Assessment is not paid on the date when due, then such Assessment shall be deemed delinquent and shall, together with any interest thereon and any cost of collection thereof, including attorneys' fees, become a continuing lien on the Lot against which such Assessment was made, and such lien shall be binding upon and enforceable as a personal liability of the Owner of such Lot as of the date of levy of such Assessment, and shall be enforceable against the interest of such Owner and all future successors and assignees of such Owner in said Lot; provided however, that the lien of the Assessment provided for herein shall be subordinate to the lien of any first mortgage.
2. Initiation of Action by Association for Non-Payment of Assessment: If any Assessment upon any Lot is not paid within thirty (30) days after the due date, such Assessment and all cost of collection thereof, including attorneys' fees, shall bear interest from the date of delinquency until paid at a rate of eighteen percent (18%) per annum. The Association may bring an action against the delinquent Owner in any court having jurisdiction to enforce payment of the same and/or to foreclose the lien against Owner's Lot. There shall be added to the amount of such Assessment all costs of such action, including the Association's attorneys' fees, and in the event a judgment is obtained, such judgment shall include such interest, costs, and attorneys' fees.

I. Adjustments: In the event that the amounts actually expended by the Association for Common Expenses in any fiscal year exceed the amounts budgeted and assessed for Common Expenses for that fiscal year, the amount of such deficit shall be carried over and become an additional basis for Assessments for the following year, except that so long as the Declarant controls the Association, Declarant may, at its sole discretion, make up such deficit; provided, however, that Declarant shall be reimbursed by the Association for such funded deficits, together with interest at 18% per annum until so reimbursed, from available surpluses in later years or through a special assessment at the time of transfer of control of the Association to the Owners.

J. Initial Assessments: During the first year in which the date when the Declaration is recorded, the annual Assessment per Lot shall not exceed sixty dollars (\$60.00) for Class A members, payable annually. This amount shall not indicate amounts of future annual Assessments. Future Assessments shall be based on an annual budget and shall be for a full year. Regular Assessments may be increased up to 15% each year without a vote of the membership; provided that proper notice is given to the Owners not less than thirty (30) days in advance of the meeting to approve the annual budget. The Declarant, at its sole discretion, may advance to the Association any of the first year deficit and may be reimbursed by subsequent assessments.

K. Notice and Quorum for any Action to Increase Assessments In Excess of 15% or to Amend the Declaration: Written notice of any meeting called for the purpose of increasing the regular or special Assessments of the Association or an Amendment to the Declaration shall be sent to all Owners not less than thirty (30) days in advance of the meeting. At

the first such meeting called, the presence of Owners or of proxies entitled to cast sixty-six percent (66%) of all the votes shall constitute a quorum. If the required quorum is not present, another meeting may be called, subject to the same notice requirement, and the required quorum shall be thirty percent (30%) of all the votes. Once a Quorum is present, a majority of the lots represented must approve the assessment or amendment.

- L. Subordination of the Lien to Mortgage: The Lien of the Assessments provided for herein shall be subordinate to the Lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. If and to the extent this Paragraph is inconsistent with any other paragraph in the Declaration, then this paragraph shall prevail.

ARTICLE XVIII
ANNEXATION

- A. Effective Date for Assessments and Voting Rights: The regular assessment provided for in the Declaration shall commence for each Lot within the annexed area on the first day of the first month following the conveyance of the Lot to the Owner by the Declarant. A Builder may delay the commencement of a Lot assessment during the construction period for a maximum of six (6) months and upon the approval of Declarant. Voting rights of the Owners of the Lots within the annexed property shall be effective upon the same date, except the Declarant shall have the voting rights provided for in Article XV, Section B.
- B. Improvements: All improvements intended for future sections shall be substantially completed prior to annexation. Any future improvements shall be consistent with the initial improvements within the Real Estate in terms of quality of construction and shall be approved by the appropriate governmental agencies.

1. A description of the property to be annexed;

 5. A cross-reference to this Declaration, as amended; and
 6. Any other information which the Declarant may deem necessary to identify the annexed area.
