## SECTION 1 SECONDARY PLAT

SEC. 25-18N-4E

### DECLARATION OF COVENANTS

The utility easements shown on the within plat are reserved as an easement for use by the city or county in which this subdivision is located, owners in this subdivision, and public utility companies for the installation, use, maintenance, repair and removal of sewers, water mains, utility poles, wires and other facilities and utilities necessary or incidental to the common welfare and use and occupancy for residential purposes of the houses to be erected in this subdivision. No building or other structure, except walks or driveways, shall be erected or maintained upon, over, under, or across any such utility easement for any use except as set forth herein. The owners in this subdivision shall take their title to the land contained in such utility easement subject to the perpetual easement herein reserved.

The drainage easements shown on the within plat are reserved for the drainage of storm water, whether by swale, ditch or storm sewer. No structure other than storm water drainage structures, retaining walls, or elevated walks and driveways shall be erected in, on, over, under, or across any such easement; except that a drainage easement may also be used as a utility easement, and structures permitted in a utility easement may be erected thereon, provided that they do not interfere with the flow of water. The owners in this subdivision shall take their title to the land contained in such drainage easements subject to the perpetual easement herein reserved.

In the event storm water drainage from any lot or lots flows across another lot, provision shall be made to permit such drainage to continue without restriction or reduction, across the downstream lot and into the natural drainage channel or course, even though no specific drainage easement for such flow of water is provided on the within plat.

Easement Maintenance. On drainage easements, the Town of Fishers shall be responsible for the care, maintenance, repair and/or replacement of actual structures in place, such as sewer pipes, manholes, casting, etc., and each property owner as it pertains to his lot or lots shall maintain surface drainage systems and open swales. The Town shall have access rights over and across said easements.

No lot in this subdivision shall be used or maintained as a dumping ground for rubbish, trash, garbage, or other waste, and such items shall not be kept, except in sanitary containers.

No campers, trailers, boats, or similar vehicles shall be parked on any lot in this subdivision unless the same shall be parked in such a manner that it is not visible to the occupants of other lots in this subdivision or the users of any streets in this subdivision.

No animals, livestock or poultry of any description shall be raised, bred, or kept on any lot, except that dogs, cats, or other household pets may be kept, provided that they are not kept, bred, or maintained for commercial purposes.

The right to enforce the within restrictions, limitations, and covenants by injunction is hereby dedicated and reserved to the owners of lots in this subdivision, their heirs and assigns, who shall be entitled to such relief without being required to show any damage of any kind to such owner or owners, by or through any such violation or attempted violation. Said provisions shall be and continue in full force and effect for a period of twenty (2) years from the date of this plat and thereafter unless and until by a vote of the then owners of a two-thirds majority of the total lots in this subdivision it is agreed to change to covenants in whole or in part. Invalidation of any one of these covenants by judgement or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

Owners of Lots within Lantern Farms Section 1 shall be members of an incorporated association known as Lantern Farms Property Owners Association, Inc. and shall be subject to an additional declaration of covenants recorded in Hamilton County, Indiana, as Instrument #90-22332.

**SECTION  
SECONDARY F**  
SEC. 25-18N-4E

**DECLARATION OF COVEN.**

The undersigned, Thompson Land Company, Inc. by Corby D. Thompson, President, and Jeffsey E. Thompson, Secretary, of Hamilton County, in the State of Indiana, being the owners of record of all of the within described real estate, do hereby lay off, plat and subdivide into lots and streets such tracts and do hereby dedicate for public use any of such streets not previously dedicated, in accordance with the within plat. The following restrictions, limitations, and covenants are hereby imposed and shall run with the land contained in such plat.

The within plat shall be known and designated as Lantern Farms, Section 1, a subdivision in The Town of Fishers, Delaware Township, Hamilton County, in the State of Indiana.

No more than one building shall be erected or used for residential purposes on any lot in this subdivision.

The area of the main structure, exclusive of one-story open porches and garages, shall be not less than one thousand four hundred (1400) square feet in the case of a one-story structure, nor less than one thousand eight hundred (1800) square feet in the case of a multiple story structure. All garages shall be attached to the residence dwelling and be a minimum of two car size.

No trailer, tent shack attached shed, basement, garage, or temporary building shall be used for temporary or permanent residence on any lot in this subdivision. An attached garage, tool shed, or detached storage building erected or used as an accessory to a residence in this subdivision shall be of a permanent type of construction and conform to the general architecture and appearance of such residence.

No fences shall be erected in this subdivision between the building lines and the right-of-way lines of the streets as shown on the within plat, except with approval of the Architectural Control Committee, which fences shall not exceed 42 inches in height and shall be of a decorative nature.

No building, structure or accessory building shall be erected closer to the sidewalk of any lot than ten (10) feet. Where buildings are erected on more than one single lot, this restriction shall apply to the sidelines of the extreme boundaries of the multiple lots.

No structure in this subdivision shall exceed 2 and 1/2 stories or twenty-five (25) feet in height measured from finished grade to the under side of the eave line, and no structure other than an open porch shall be erected between the building lines and the right-of-way lines of the street as designed on the within plat.

The utility easements shown on the within plat are reserved by the city or county in which this subdivision is located, and public utility companies for the repair and removal of sewers, water mains, utility poles and utilities necessary or incidental to the common use for residential purposes of the houses to be erected or other structures, except walks or driveways upon, over, under, or across any such except as set forth herein. The owner in this subdivision shall not use the land contained in such utility easement subject to herein reserved.

The drainage easements shown on the within plat are reserved by storm water, whether by swale, ditch or storm sewer water drainage structures, retaining walls, or shall be erected in, on, over, under, or across any drainage easement may also be used as a utility easement. The utility easement may be erected therein, provided with the flow of water. The owner in this subdivision shall not use the land contained in such drainage easements subject to herein reserved.

In the event storm water drainage from any lot or provision shall be made to permit such drainage to reduce, across the downstream lot and into the course, even though no specific drainage easement is provided on the within plat.

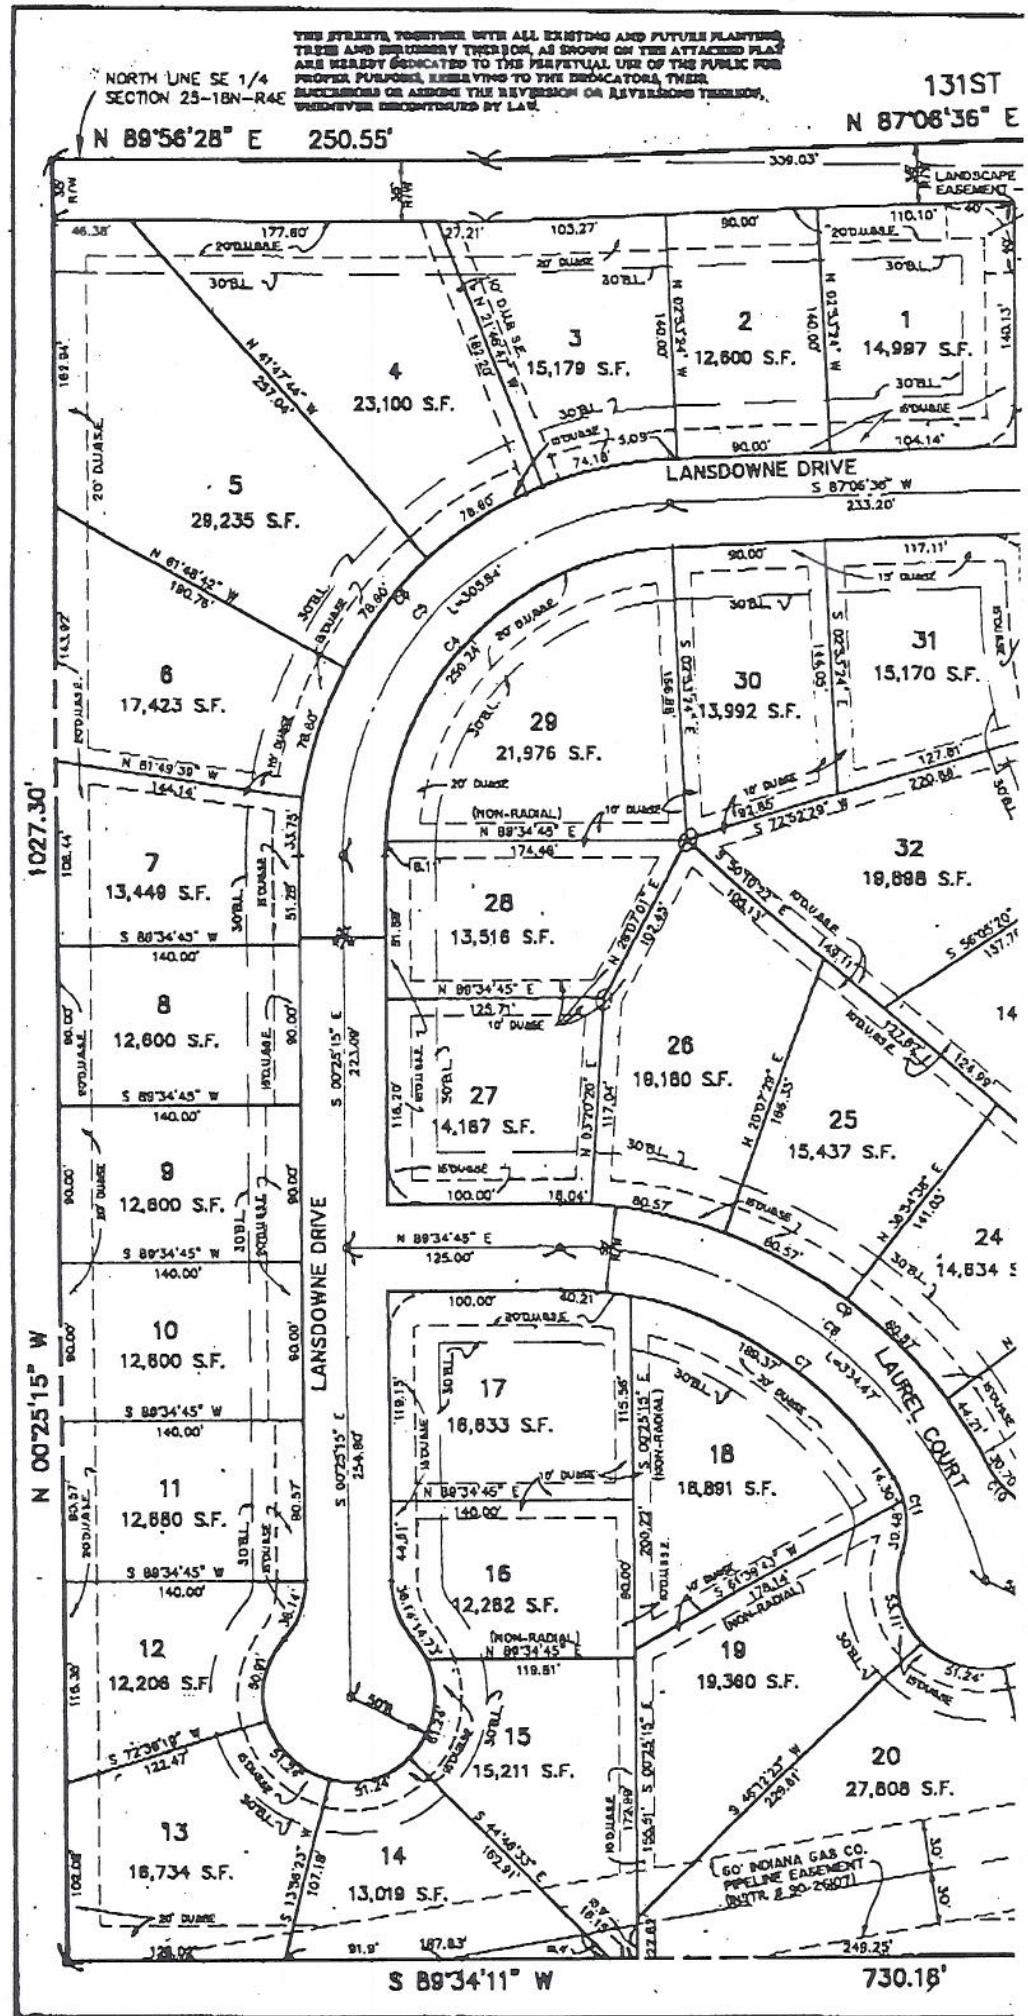

Easement Maintenance: On drainage easements, responsible for the care, maintenance, repair & structures in place, such as sewer pipes, manholes & owner as it pertains to his lot or lots shall maintain open swales. The Town shall have access rights over

No lot in this subdivision shall be used or maintained for rubbish, trash, garbage, or other waste, and such sanitary containers.

No campers, trailers, boats, or similar vehicles shall be used in this subdivision unless the same shall be parked in such to the occupants of other lots in this subdivision or subdivision.

No animals, livestock or poultry of any description shall be kept, bred, or maintained for commercial purposes on any lot, except that dogs, cats, or other household pets if they are not kept, bred, or maintained for commercial
