Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments.

933
3

The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in The Properties and in particular for the improvement and maintenance of properties, services, and facilities devoted to this purpose and related to the use and enjoyment of the Common Properties situated upon the Properties, including, but not limited to, the payment of taxes and insurance thereon and repair, replacement and additions thereto, and for the cost of labor, equipment, materials management and supervision thereof.

Section 3. Basis and Amount of Annual Assessments.

The annual assessment shall be \$30.00 per each Original Lot sold by Developer, its representatives or assigns, by Land Contract or Deed and the assessment shall be distributed evenly against each Original Lot, provided that in cases where an Owner owns more than one lot in a single plat or subdivision the assessment for the first lot owned shall be \$30.00, but each additional lot in the same subdivision shall bear an annual assessment of \$15.00. From all such assessments, the association shall pay for the cost of the maintenance of parks, equipment, general upkeep of the Heritage Lake Area, management and operation thereof. In no event shall any assessment or charge or special assessment as provided below be levied against or be due from Developer for any lots owned by it, or otherwise.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year on each Original Lot sold by the Developer, its representatives or assigns, a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, provided any such assessment shall have the affirmative of two-third (2/3) of the votes of all voting members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Annual Assessments.

Subject to the limitations of Section 3 hereof, and for the periods therein specified, the Association may change the maximum and basis of the assessments fixed by Section 3 hereof prospectively for any such period provided that any such change shall have the assent of two-thirds (2/3) of the voting members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least (30) days in advance and shall set forth the purpose of the meeting, provided further that the limitations of Section 3 hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation and under Article II, Section 2, hereof.

Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Section 11. Exempt Property.

The following property subject to this Declaration shall be exempted from the assessments, charge and lien created herein; (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (b) all Common Properties as defined in Article I, Section 1 hereof; (c) all properties exempted from taxation by the laws of the State of Indiana upon the terms and to the extent of such legal exemption; (d) all properties owned by the Developer, its successors and assigns, and held by them or any of them for sale or resale, including any lots which may have been reacquired by the Developer.

**ARTICLE VI
COMMITTEES**

In the event said Board or its designated committee fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, or in any event, if no suit to enjoin the addition, alteration or change has been commenced prior to the completion thereof, approval will not be required and this Article will be deemed to have been fully complied with.

Section 2. Environmental Control Committee. No building, fence, wall or other structure may be commenced, erected or maintained upon The Properties until plans for the same have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors, or by Environmental Control Committee composed of three (3) or more representatives appointed by the Board. Consideration of location of wells, septic systems, destruction of trees and other vegetation and such other matters as may affect the environment and ecology of the Heritage Lake area shall be proper concerns of the Board or Committee. In the event said Board or its representatives fail to approve or disapprove of an application within 30 days from date of receipt of application, approval will not be required.

ARTICLE VII
BUILDING AND USE LIMITATIONS

Section 1. All lots not otherwise specifically designated upon a recorded plat or recorded Declaration by Developer shall be used for residential purposes only, and no business, commercial or manufacturing enterprise shall be conducted on said premises. No building shall be erected, altered, placed or permitted to remain on any lot other than one single family dwelling not exceeding two and one-half stories in height, and one private garage or boathouse, or combination garage and boathouse for family automobiles and boats, in keeping with the dwelling so erected.

Section 2. No trailer or similar type structure, basement, tent, shack garage, barn or other outbuilding shall at any time be used as a residence, temporarily or permanently, nor shall any structure of a temporary character or any building in the process of construction, be used as a residence.

No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purposes.

No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in a sanitary container. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

No "For Sale" sign or advertising device of any kind shall be erected on any lot except on a new residence previously unoccupied which is offered by the developer or builder. Entrance upon any lot for removal of such violation shall not be regarded as trespass.

The outside finishing of all buildings must be completed within one (1) year after construction has started, and no asphalt shingles, imitation brick, building paper, insulation board or sheathing or similar non-exterior materials shall be used for the exterior finish of any such building; exterior finish shall be wood, asbestos shingles, siding, logs, brick, stone or concrete.

Every dwelling house shall have not less than 680 square feet of ground floor enclosed living space exclusive of porches, breezeways, carports, patios, pool areas, garages and other accessory uses. Prior approval of construction shall first be secured from the Architectural and Environmental Control Committee as provided in Article VI.

Section 3. Building Location. No building shall be located on any property nearer than 25 feet to the front property line or nearer than 20 feet on any side street line. No building shall be located nearer than 10 percent to the width of the property on which such building is to be placed to any sideline, except that a three foot minimum side yard shall be permitted for a garage or other permitted accessory building which is located toward the rear of the property. For the purposes of this Covenant, steps, porches and open porches shall not be considered as a part of the building provided, however, that this shall not be construed to permit any portion of the building to encroach upon adjoining property.

Section 4. Easements are reserved along and within eight feet of rear, front and sidelines of all original lots in the subdivision for the construction and perpetual maintenance of conduits, poles, wires and fixtures for electric lights, telephones and other public

537

Said easement to also extend along any owner's side and rear property lines in cases of fractional lots. The person owning more than one lot may build on any such lot line and the easement shall be inoperative as to said line provided that such building shall be placed thereon prior to the instigation of use of this easement for one of the foregoing purposes.

It shall not be considered a violation of the provision of easement if wires or cables carried by such pole lines pass over some portion of said properties not within the eight foot wide easement as long as such lines do not hinder the construction of buildings on the property.

Section 5. All dwellings shall be served by a sewage disposal system. During the initial development of the subdivision, private septic tanks and drainfields or dry well installations constructed in compliance with the regulations of the State of Indiana Health Department may be installed. All toilet facilities must be located inside a dwelling.

Section 6. All dwellings shall be served by a potable water supply system. All wells on individual lots shall be drilled by a well driller licensed by State of Indiana.

Section 7. At some time subsequent to the initial development, it may be necessary to construct a community water supply and/or sewage disposal system. The construction of such public systems may be financed, in whole or in part, by the creation of a special assessment district which shall include all original lots, and that each owner shall execute any petition circulated for the purpose of creating such a special assessment district and will vote in favor of the creation of such a district in any referendum called for that purpose.

Each owner will pay such special assessments as may be levied against his lot by such special assessment district and shall take the necessary steps as required by the appropriate state, county and township agencies to connect, at his own expense, his water intake and sewage discharge facilities to such community system within 90 days following the completion of said system or systems.

Any owner of real property in said plat of Hill Springs shall have the right to prosecute any proceedings at law or in equity against any person or persons violating or attempting to violate any covenant contained herein, either to prevent him or them from doing so or to recover damages or other dues for such violations. Invalidation of any one of these covenants by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

The foregoing Building and Use Limitations shall not apply to the Common Properties.

Provided, however, that no such agreement to change shall be effective unless made and recorded three (3) years in advance of the effective date of such change, and unless written notice of the proposed agreement is sent to every owner at least ninety (90) days in advance of any action taken.

CORRECTION SUPPLEMENT TO
HERITAGE LAKE
RESTRICTIVE COVENANTS

This Correction Supplement corrects two errors in the Supplement to the Heritage Lake Restrictive Covenants, recorded on March 11, 1977 in Misc. Record Number 47 at page 62. The Heritage Lake Restrictive Covenants were recorded on June 18, 1971 in Misc. Vol. 39, page 293, and supplemented by an instrument recorded on July 12, 1971, in Misc. Vol. 39, page 329; by an instrument recorded on August 26, 1971, in Misc. Vol. 39, page 425; by an instrument recorded on November 29, 1971, in Misc. Record 39, page 566; by an instrument recorded on May 13, 1974, in Misc. Record 43, page 175; and by an instrument recorded May 13, 1974, in Misc. Record 43, page 164, all instruments being recorded in the Office of the Recorder of Putnam County ("Restrictive Covenants"). Pursuant to Section 5 of Article V of the Restrictive Covenants, the members of the Heritage Lake Property Owners Association ("Association") adopted at the annual meeting of the members of the Association held February 26, 1977, the following resolution to change as provided therein the annual assessments to be made on and after April 1, 1978, pursuant to Sections 3 and 7 of Article V of the Restrictive Covenants:

WHEREAS, the Board of Directors of Heritage Lake Property Owners Association ("Association") adopted a resolution at its annual meeting held December 2, 1976, proposing (i) an increase in the annual lot assessment to be made on April 1, 1978, and (ii) for each year thereafter, an adjustment of the annual lot assessment in proportion to the increase or decrease in the Consumer Price Index; and
