A copy of this budget shall be delivered to each Owner of the Association.

A special Assessment shall be imposed only with the approval of sixty-six percent (66%) of the Owners, and shall be due and payable on the date(s) determined by such Owners, or if not so determined, then as may be determined by the Board of Directors.

F. Fiscal Year; Date of Commencement of Assessments; Due Date: The fiscal year of the Association shall be the calendar year and may be changed from time to time by action of the Association. The annual Assessment for each year after the first assessment year shall be due and payable on the first day of each fiscal year of the Association. 2. Certificate of Assessments: Upon request the Association shall promptly furnish to any Owner, prospective purchaser, title insurance company, or Mortgagee, a certificate in writing signed by an officer of the Association, setting forth the extent to which Assessments have been levied and paid with respect to any Lot in which the requesting party has a legitimate interest. For any person relying thereon, such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

1. Lien for Non-Payment of Assessment: If any Assessment is not paid on the date when due, then such Assessment shall be deemed delinquent and shall, together with any interest thereon and any cost of collection thereof, including attorneys' fees, become a continuing lien on the Lot against which such Assessment was made, and such lien shall be binding upon and enforceable as a personal liability of the Owner of such Lot as of the date of levy of such Assessment, and shall be enforceable against the interest of such Owner and all future successors and assignees of such Owner in said Lot; provided however, that the lien of the Assessment provided for herein shall be subordinate to the lien of any first mortgage.

2. Initiation of Action by Association for Non-Payment of Assessment: If any Assessment upon any Lot is not paid within thirty (30) days after the due date, such Assessment and all cost of collection thereof, including attorneys' fees, shall bear interest from the date of delinquency until paid at a rate of Prime Rate, as set by Bank of America.

J. Initial Assessments: During the first year in which the date when the Declaration is recorded, the annual Assessment per Lot shall not exceed seventy-five dollars (\$75.00) for Class A members, payable annually. Regular Assessments may be increased up to 15% each year without a vote of the membership; provided that proper notice is given to the Owners, not less than thirty (30) days in advance of the meeting to approve the annual budget. K. Notice and Quorum for any Action to Increase Assessments In Excess of 15% and Any Amendment to the Declaration: Written notice of any meeting called for the purpose of increasing the regular or special Assessments of the Association shall be sent to all Owners not less than thirty (30) days in advance of the meeting. At the first such meeting called, the presence of Owners or of proxies entitled to cast sixty-six percent (66%) of all the votes shall constitute a quorum. If the required quorum is not present, another meeting may be called, subject to the same notice requirement, and the required quorum shall be thirty percent (30%) of all the votes. Once a Quorum is present, a majority of the lots represented must approve the assessment or amendment.

L. Subordination of the Lien to Mortgages: The Lien of the assessments provided for herein shall be subordinated to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.
