OLD MILL PARK

SECTION THREE

OLD MILL PARK - SECTION 3 SUBDIVISION
COVENANTS, LIMITATIONS AND RESTRICTIONS

1. **PARK.** This Subdivision shall be known and designated as Old Mill Park - Section 3, a Subdivision located in Indianapolis, Marion County, Indiana.

2. **STREET DEDICATION.** The streets shown and not heretofore dedicated are hereby dedicated to the public.

3. **LAND USE.** All lots within this Subdivision shall be used exclusively for residential purposes.

4. **STRUCTURE OF LOT.** No lots in this Subdivision shall be subdivided to form units of less than one-half acre, nor shall there be more than one (1) single family dwelling to be erected, owned, placed or permitted to remain on any lot within this Subdivision.

5. **TYPE, SIZE AND NATURE OF IMPROVEMENTS PERMITTED.** Every lot within this Subdivision shall be improved in accordance with the following minimum standards:

 - a. No structure or building shall be erected, altered, placed or permitted to remain on any lot other than one (1) single family dwelling not to exceed two stories in height, one (1) car garage or detached garage for not more than three (3) cars, and such other out buildings as are usual and incidental to the use of such lot for single family residential purposes.
 - b. No structure of a temporary character, trailer, basement, tool, shack, garage, barn or other out building shall be erected, placed or altered on any lot within this Subdivision for use as a residence, either temporarily or permanently, or at any time for use for such purpose.
 - c. All materials used on the exterior of any single family residence, garage or out building constructed on any lot within this Subdivision shall be dimensioned to last at least fifty (50) years.
 - d. No fence, wall, hedge or shrub planting which obstructs site lines and elevations to be erected, placed or altered on any lot within this Subdivision by these Subdivision Restrictions shall be located so as to satisfy the setback (from the front, rear and side requirements of the D-3 Building District 3 Regulations in the Indianapolis Zoning Ordinance of Marion County, Indiana, 64-40-3, as amended, except that in the case where a dwelling, garage, out building or other structure is erected, placed or altered on one or more adjoining lots, this restriction shall only apply to the lot lines of the entire boundary of the multiple lots).
 - e. Every single family dwelling, garage, out building or other structure permitted to be erected, placed or altered on any lot within this Subdivision by these Subdivision Restrictions shall be located so as to satisfy the setback (from the front, rear and side requirements of the D-3 Building District 3 Regulations in the Indianapolis Zoning Ordinance of Marion County, Indiana, 64-40-3, as amended, except that in the case where a dwelling, garage, out building or other structure is erected, placed or altered on one or more adjoining lots, this restriction shall only apply to the lot lines of the entire boundary of the multiple lots).
 - f. Every single family dwelling erected, placed or altered on any lot within this Subdivision shall have a minimum finished floor area, exclusive of open porches, attached garages or car ports, of 1,200 square feet. In the case of a two story structure at least 660 square feet of the required minimum floor area shall be the first floor.
 - g. No individual sewage disposal system shall be installed for manure to be used to provide for the disposal of sewage on any lot within this Subdivision.
 - h. No individual water supply system shall be installed for use to be used to supply water to a single family residence constructed on any lot within this Subdivision. Individual water supply systems installed for auxiliary or ancillary purposes shall be permitted by these Subdivision Restrictions if otherwise permitted by law and in compliance with all applicable laws, ordinances, rules and regulations governing the construction or use thereof.
 - i. Any fuel oil for the storage of fuel erected, placed or altered on any lot within this Subdivision outside of any structure or building permitted by these Subdivision Restrictions shall be concealed or otherwise located below the surface of the ground.

6. **STORAGE AND DISPOSAL OF TRASH, RUBBISH OR GARBAGE.** No refuse pile or other unsightly or objectionable trash or articles or things shall be allowed or maintained on any lot within this Subdivision. Rubbish, trash, garbage or the like shall be kept only in sanitary containers and all incinerators shall be used for the storage or disposal thereof shall be kept in a clean and sanitary condition. Open-burning of trash, rubbish or other debris (other than fallen leaves) shall not be permitted on any lot within this Subdivision.

7. **ANIMALS.** No animals, livestock or poultry of any kind shall be reared, bred or kept on any lot within this Subdivision, except dogs, cats or other animals generally and customarily recognized as household pets, provided that they are not kept, bred or maintained for any commercial purpose.

8. **REHABILITATION.** No removal or offensive activity shall be carried out or permitted to exist on any lot within this Subdivision, nor shall anything be done theron which may in fact become an annoyance or hazard to the owners of other lots. Any structure or building permitted to be constructed on any lot which may be in whole or in part destroyed by fire, vindictive or for any other reason, shall be rebuilt and restored to its previous condition within a reasonable length of time and all debris accumulated in connection therewith shall be removed within a reasonable time after any such occurrence.

9. **FIRE SALE OR ADVERTISING SIGNS.** No sign of any kind shall be displayed to the public view on any lot within this Subdivision unless a professional sign of not more than one (1) square foot, one (1) sign of not more than one (1) square foot advertising any such lot or the improvements thereon for sale or rent, or signs used by a builder or developer to advertise a lot or any improvement constructed thereon during construction or the sales period.

10. **MATERIALS.** Requirements for the installation and maintenance of public utilities, sewer or drainage facilities as shown on the recorded plan of this Subdivision and designated as "Drainage, Utility and Sewer Requirements" shall be subject to public utility companies and the City of Indianapolis for the installation, maintenance, operation and maintenance of lines, wires, sewer, septic, drains, storm and any other public improvements located under or above ground. Easements designated as "Drainage Easements" as so recorded plan of this Subdivision are agreements hereby granted for the collection, transmission or distribution of surface water drainage through this Subdivision. No change shall be made in the drainage area or elevation of any lot within this Subdivision, whether in connection with the construction of any drainage facility or otherwise, so as to modify, alter or change the location or depth of any drainage facility, ditch or creek located within any such Drainage Easement without the approval of, or as required by, the county or municipal authorities from whom approval was required by law on any lot which would prohibit, impede, restrict or alter the natural flow of surface water drainage. No permanent structure or building permitted on any lot within this Subdivision shall be erected or maintained within any designated easement area.

11. **VEHICLES, REPAIR OR MATERIALS SHIPPED BY MOTOR VEHICLES.** The results or products of any motor vehicles or vehicles, alterations of 4 (four) vehicles shall in no event be parked on any lot within this Subdivision unless covered by lot coverage provided to be necessitated by these Subdivision Restrictions.

12. **RIGHTS OF PROPRIETORSHIP.** In the event of the violation, in the discretion of the owner, of any of the Subdivision Restrictions herein contained, it is the intent of the persons in ownership from time to time of lots in this Subdivision, and the Board of Commissioners of Marion County, Indiana, and the City of Indianapolis, to confer with the Subdivision restrictions and take such legal and equitable remedies in law or equity, available under the laws of Indiana, with or without prior written notice to the owner, to correct such violation and recover removal of any actual damage, including the right to sue for damages and attorney's fees, and to cause to be removed any building, structure, improvement or fixture in violation of these Subdivision Restrictions and, until an action is taken to recover the same, attorneys' fees and other legal, court and expenses incurred as a result thereof.

13. **GENERAL.** These Subdivision Restrictions may be amended or changed upon the express written approval of the fee simple owner or owners of the majority of the lots in this Subdivision, which amendment or change shall become a part of the original restrictions of the lots in the Office of the Recorder of Marion County, Indiana. These Subdivision Restrictions shall run with the land and shall be binding on all parcels created under them for a period of twenty-five (25) years from the date of recordation, and shall automatically terminate at successive periods of ten (10) years each unless prior to the expiration of any such period, 20% of the lots in the Subdivision are amended or in part as provided above. Invalidation of any portion of these Subdivision Restrictions by judgment or decree shall be as to the effect of any of the other provisions hereof which shall remain in full force and effect.
