

## Pleasant View Estates

THIRD SECTION

The other legate, however, of the Order, Cardinal Hans Baldung Grien, Bishop of Constance, was deputed to represent the Pope at the Diet of Augsburg, held in 1518, in which he was present when the Diet, in 1519, issued the Edict of Worms.

The undersigned, owner of the above described real estate in the County of Hendricks, Indiana, hereby certify that they do own said real estate in the County of Hendricks, Indiana, and that the same is situated in the town of Linton, in the State of Indiana. The subject is a residential dwelling house, having a frontage of 10 feet, a depth of 20 feet, and a total area of 200 square feet. The house is a single family dwelling, built of wood, with a gabled roof, and a chimney. It is surrounded by trees and shrubs, and is located on a hillside overlooking a valley. The house is in good condition, and is suitable for habitation. There are signs of ground surface erosion, particularly along the edges of the property, and there is some evidence of soil loss due to wind and water. The property is zoned R-1, Residential.

#### BUILDING SET-BACK

There are signs of ground

surface erosion, particularly along the edges of the property, and there is some evidence of soil loss due to wind and water. The property is zoned R-1, Residential.
