The Board of Directors shall fix any increase in the amount of the annual assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be delivered to every owner subject thereto. The due dates for all assessments shall be established by the Board of Directors, however, the initial due date for annual assessments shall be January 1st, and subject to collection and late charges beginning on January 31st.

(ii) Purpose of Assessments. The annual assessment levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the owners of the Lots and for the improvement, maintenance and operation of the Common Area, plus other maintenance and services provided by the Association deemed appropriate by the Board of Directors.

(iii) Basis for Assessment.

(a) Lots Generally. Each Lot owned by a person other than Developer and builder shall be assessed at a uniform rate without regard to whether a Residence has been constructed upon the Lot.

Declaration of Covenants Page - 21

(b) Lots Owned by Declarant. No Lot owned by Declarant shall be assessed by the Association except such Lots as have been improved by the construction thereon of Residences which shall be subject to assessment as provided in Clause (i) above.

(iv) Method of Assessment. By a vote of a majority of the Board of Directors, the Board of Directors shall, on the basis specified in subparagraph (iii) above, shall fix the General Assessment for each assessment year of the Association at an amount sufficient to meet the obligations imposed by this Declaration upon the Association. The Board of Directors shall establish the date(s) the General Assessment shall become due, and the manner in which it shall be paid.

D. Special Assessment. In addition to such other Special Assessments as may be authorized herein, the Board of Directors may levy in any year a Special Assessment(s) for the purpose of enforcing these covenants and restrictions, for legal expenses, for collection expenses, other activity that is the responsibility of the Lot Owner hereunder but which such Owner has not undertaken as required hereunder, and/or defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain or for operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of a majority or the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

E. Effect of Nonpayment of Assessments; Remedies of the Association. Any Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at ten percent (10%) per annum plus a late charge not exceeding twenty five (25) dollars. The Association shall be entitled to initiate any lawful action to collect delinquent Assessment plus any expenses or costs, including attorneys' fees, incurred by the Association in collecting such Assessment. If the Association has provided for collection of any Assessment in installments, upon default in the payment of any one or more installments, the Association may accelerate payment and declare the entire balance of said Assessment due and payable in full. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

F. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein against a Lot shall be subordinate to the lien or any recorded first mortgage covering such Lot and to any valid tax or special assessment lien on such Lot in favor of any governmental taxing or assessing authority. Sale or transfer of any Lot shall not affect the assessment lien. The sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall, however, extinguish the lien of such Assessments as to payments which became due more than six (6) months prior to such sale or transfer. No sale transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

G. Certificates. The Association shall, upon reasonable demand by a Lot Owner, at any time, furnish a letter in writing signed by an officer of the Association, as to the accounting status of Assessments on a Lot showing the balance due the Association, if any.

H. Annual Budget. By majority vote of the Directors, the Board of Directors shall adopt an annual budget for the subsequent fiscal year, which shall provide for the allocation of expenses in such a manner that the obligations imposed by the Declaration and all Supplemental Declarations can effectively be met. The annual budget shall be submitted to all interested Lot Owners at least thirty (30) days prior to the start of the fiscal year.

I. Suspension of Privileges of Membership Notwithstanding any other provision contained herein, the Board of Directors of the Association shall have the right to suspend the voting rights, if any, and the services to be provided by the Association together with the right to use the facilities of the Association, of any member
