widow and unmarried,
I, the undersigned, Zella L. Schuchel, owner of the above described real estate, hereby certify that I do hereby lay off, give and subdivide the same in accordance with this plot and map hereon. This subdivision shall be known and designated as **SCOUTDALE**.

The streets, if not heretofore dedicated, are hereby dedicated to public use.
There are strips of ground 5 feet in width as shown on this plot which are hereby reserved for use as public utilities, for installation and maintenance of poles, wires, mains, ducts, pipes and conduits, subject at all times to the authority of the proper civil officers and to the governing Board of Public Works. No permanent or other structures shall be erected or maintained on these strips. The same shall take their place subject to the rights of such public utilities in the event of emergency or other lots in this subdivision, for ingress and egress, to and from the streets and through the several strips so reserved. Fences may be erected on said strips. There are also strips of ground shown on this plot and marked utility and drainage strips, said strips being reserved for utility and for the channeling of the existing water.

All drive way culvert pipe in this addition shall be a minimum of 12" in diameter and 16' in length.

All lots in this subdivision shall be known and designated as residential lots. No structure shall be erected, altered, placed or permitted to remain on any lot herein other than one story building, not to exceed 2 stories in height, and a private garage for not more than two cars, and residential accessory buildings.

No hotel, boarding house, double house, mercantile building, factory building, or buildings of any kind for commercial use shall be erected or maintained on any lot in this subdivision.

No building, structure, or appurtenance thereto, except fences shall be located within 5 feet of any side lot line, except where buildings are built upon more than one single lot, then this restriction shall apply to the side lot line of the extreme boundaries of the multiple lots. No residence buildings shall be erected or maintained nearer than 15 feet or 15% of the lot frontage, whichever is the lesser, to any lot or property line upon which it is situated, including detached garages.

No trailers, sheds, or out houses of a permanent nature shall be erected or situated on any lot except during the period of construction of a proper structure and for use by the builder for his material and tools.

Building lines as shown on this plat in feet back from the street property line are hereby established, between which line and the street property line there shall be erected or maintained no structure of any kind or part thereof other than a ancillary open porch.

No residence shall be erected or maintained on any lot or lots in this subdivision having a ground floor area exclusive of open porches and garages of less than 1000 square feet in the case of a one story structure, or 800 square feet in the case of a 1 1/2 or 2 story structure. The exterior of all dwellings, garages and accessory buildings shall be of stone, brick, or wood or any portion and combination of such materials, and shall be in keeping with the development of the community. All dwellings must be fully completed on the outside before being occupied. Building paper or other similar materials shall not constitute in whole or in any part of the outside finish of any building.

No residential building shall be erected, placed or altered on any lot in this subdivision until the building plans, specifications and plot plan showing the location of such building have been approved in writing as to the conformity and harmony of external design with existing structures in this subdivision and as to location of the building with respect to the topography and finished ground elevations, by a committee composed of Earl Schumaker, William Nordaish and Henry Nordaish or a representative of each designated by them. If the committee or its designated representative shall fail to act upon any plan submitted to it for its approval, within a period of 15 days from the submission date of the same, then the owner may proceed with the building according to the plan submitted, which plan, however, shall not be contrary to any provision named in this instrument, and the failure of such committee to act within 15 days shall be deemed an approval on the plans so submitted. Neither the members of such committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant.

Private water supply and/or sewage system may be located, constructed and maintained to serve any building lot in this subdivision, provided said systems are approved in writing by the proper public and/or civil authorities.

No noxious trade or activity shall be carried on upon any lot in this subdivision, nor shall anything be done herein which may become an annoyance or a nuisance to the neighborhood at large.

If the parties hereto or any of them or their heirs or assigns shall violate or attempt to violate any of the covenants, restrictions, provisions or conditions herein, it shall be lawful for any person owning real estate in this subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant, and to prevent him or them from doing so, or to recover damage or other dues for such violation.

These restrictions constitute covenants running with the land and shall be in effect for periods of 10 years from this date, provided that at the expiration of said term these restrictions shall be automatically renewed thereafter for periods of 10 years each, unless, at least one year prior to the expiration of the first 10 year period, the owners of owner of a majority of tracts in this addition shall execute and acknowledge a declaration in writing giving renewal, and said written declaration shall be recorded in the office of the Recorder of Marion County, Indiana, in which event the provisions above set out for renewal shall be nullified.
