CHICAGO TITLE

DECLARATION OF COVENANTS AND RESTRICTIONS**THORNHILL**

This Declaration, made as of 10th day of JULY, 1988, by **BREWSTER DEVELOPMENT COMPANY, INC.**, an Indiana corporation, ("Declarant"), **HERMANN G. ALBERS** and **JEROLYN E. ALBERS**, husband and wife ("Albers") and **SABBY E. DODD** ("Dodd"),

W I T N E S S E T H :

WHEREAS, the following facts are true:

B. Declarant has or will construct certain improvements and amenities which shall constitute Community Area.

C. Declarant, Albers and Dodd desire to provide for the preservation and enhancement of the property values, amenities and opportunities in Thornhill and for the maintenance of the Tract and the improvements thereon, and to this end desire to subject the Tract together with such additions as may hereafter be made thereto (as provided in Paragraph 3) to the covenants, restrictions, easements, charges and liens hereinafter set forth, each of which is for the benefit of the Lots and lands in the Tract and the future owners thereof.

D. Declarant, Albers and Dodd deem it desirable, for the efficient preservation of the values and amenities in Thornhill, to create an agency to which may be delegated and assigned the powers of owning, maintaining and administering the Community Area, administering and enforcing the Restrictions, collecting and disbursing the Assessments and charges hereinafter created, and promoting the recreation, health, safety and welfare of the Owners of Lots in Thornhill.

E. Declarant has incorporated under the laws of the State of Indiana a not-for-profit corporation known as Thornhill Homeowners Association, Inc. for the purpose of exercising such functions.

NOW, THEREFORE, Declarant, Albers and Dodd hereby declare that all of the Lots and lands in the Tract and such additions thereto as may hereafter be made pursuant to Paragraph 3 hereof, as they are held and shall be held, conveyed, hypothecated or encumbered, leased, rented, used, occupied and

improved, are subject to the following Restrictions, all of which are declared to be in furtherance of a plan for the improvement and sale of Lots in the Tract, and are established and agreed upon for the purpose of enhancing and protecting the value, desirability and attractiveness of the Tract as a whole and of each of Residences, Lots and lands situated therein. The Restrictions shall run with the land and shall be binding upon Declarant, Albers and Dodd, their respective successors and assigns, and upon the parties having or acquiring any interest in the Tract or any part or parts thereof subject to such Restrictions, and shall inure to the benefit of Declarant, Albers and Dodd and their respective successors in title to the Tract or any part or parts thereof.

2. Declaration. Declarant, Albers and Dodd hereby expressly declare that the Tract and any additions thereto pursuant to Paragraph 3 hereof shall be held, transferred, and occupied subject to the Restrictions. The Owner of any Lot subject to these Restrictions, by (i) acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant, Albers, Dodd or a subsequent Owner of such Lot, or (ii) by the act of occupancy of any Lot, shall accept such deed and execute such contract subject to each Restriction and agreement herein contained. 3. Additions to the Tract. Declarant shall have the right to bring within the scheme of this Declaration and add to

the Tract real estate that is a Part of the Development Area or that is contiguous to the Development Area. In determining contiguity, public rights of way shall not be considered.

The additions authorized under this Paragraph 3 shall be made by the filing of record of one or more Supplemental Declarations with respect to the additional real estate and by filing with the Corporation any revisions to the General Plan of Development necessary to reflect the scheme of development of the additional real estate. Unless otherwise stated therein, such revisions to the General Plan of Development shall not bind Declarant to make the proposed additions. For purposes of this Paragraph 3, a Plat depicting a portion of the Development Area shall be deemed a Supplementary Declaration.

4. The Lakes. Declarant shall convey title to the Lakes to the Corporation. The Corporation shall be responsible for maintaining the Lakes. The Maintenance Costs of Lake 1 shall be assessed as a General Assessment against all Lots subject to assessment. The Maintenance Costs of Lake 2 and Lake 3 shall be assessed as a General Assessment against all Lots subject to assessment which abut such Lakes. Each Owner of a Lot that abuts a Lake shall be responsible at all times for maintaining so much of the bank of the Lake above the pool level as constitutes a part of, or abuts, his Lot and shall keep that portion of the Lake abutting his Lot free of debris and otherwise in reasonably clean condition. No boats shall be permitted upon any part of a Lake and no dock, pier, wall or other structure may be extended into a Lake without the prior written consent of the Architectural Review Board and such governmental authority as may have jurisdiction thereover. No swimming will be permitted in any Lake except if and to the extent authorized by the Board of Directors. Each Owner of a Lot abutting a Lake shall indemnify and hold harmless Declarant, the Corporation and each other Owner against all loss or damage incurred as a result of injury to any Person or damage to any property, or as a result of any other cause or thing, arising from or related to use of, or access to, a Lake by any Person who gains access thereto from, over or across such Owner's Lot. Declarant shall have no liability to any Person with respect to a Lake, the use thereof or access thereto, or with respect to any damage to any Lot resulting from a Lake or the proximity of a Lot thereto, including loss or damage from erosion.

5. The Parks. Declarant shall convey title to the Parks to the Corporation. The Corporation shall be responsible for maintaining the Parks and the Maintenance Costs thereof, together with any costs incurred by the Corporation in connection with the improvement thereof, shall be assessed as a General Assessment against all Lots subject to assessment. The use of the Parks shall be subject to rules and regulations

adopted by the Corporation which are not inconsistent with the provisions of this Declaration or any Supplemental Declaration.

6. Community Center. Declarant shall construct the Community Center and shall convey title to the Community Center to the Corporation upon completion of such construction subject to the right of Declarant to use the Community Center as provided in Paragraph 17. The Corporation shall be responsible for maintenance of the Community Center and the Maintenance Costs thereof shall be assessed as a General Assessment against all Lots subject to assessment. The Corporation may adopt such rules and regulations with respect to the use of the Community Center as it deems appropriate and may charge reasonable fees for the use thereof, but no rule, regulation or charge shall be inconsistent with the provisions of this Declaration or any Supplemental Declaration.

7. Path. Declarant may, but is not obligated to, install the Path within the right-of-way of Ford Road at the approximate location depicted on the General Plan of Development. If installed, the Corporation shall operate and maintain the Path and the Maintenance Costs thereof shall be assessed as a General Assessment against all Lots subject to assessment. The Corporation may adopt such rules and regulations with respect to the use thereof as it may deem appropriate except that it may not preclude the use of the Path by bicycles and other non-motorized vehicles.

8. Drainage System. The Drainage System has or will be constructed for the purpose of controlling drainage within and adjacent to the Development Area and maintaining the water level in the Lakes. Declarant shall maintain the Drainage System in good condition satisfactory for the purpose for which it was constructed until the earlier of December 31, 1990, or the date the Drainage System is accepted as a legal drain by the Drainage Board. After the earlier of such dates, the Corporation shall maintain the Drainage System to the extent not maintained by the Drainage Board and the Maintenance Costs thereof shall be assessed against all Lots subject to assessment serviced by that part of the Drainage System with respect to which Maintenance Costs are incurred. Each Owner shall be individually liable for the cost of maintenance of any drainage system located entirely upon his Lot which is devoted exclusively to drainage of his Lot and is not maintained by the Drainage Board.

9. Maintenance of Entry Ways and Landscaping Easements. The Corporation shall maintain the Entry Ways and the Landscaping Easements and all improvements and plantings thereon, and the Maintenance Costs thereof shall be assessed as a General Assessment against all Lots subject to assessment. Grass, trees, shrubs and other plantings located on an Entry

Way or a Landscaping Easement shall be kept neatly cut, cultivated or trimmed as reasonably required to maintain an attractive entrance to Thornhill or a part thereof or a planting area within Thornhill. All entrance signs located on an Entry Way shall be maintained at all times in good and sightly condition appropriate to a first-class residential subdivision.

10. Construction of Residences.

(a) Land Use. Lots may be used only for residential purposes and only one Residence not to exceed two and one-half stories or 35 feet in height measured from finish grade to the underside of the eave line may be constructed thereon. No portion of any Lot may be sold or subdivided such that there will be thereby a greater number of Residences in Thornhill than the number of original Lots depicted on the Plats. Notwithstanding any provision in the applicable zoning ordinance to the contrary, no Lot may be used for any "Special Use" that is not clearly incidental and necessary to single family dwellings. No home occupation shall be conducted or maintained on any Lot other than one which does not constitute a "special use" and is incidental to a business, profession or occupation of the Owner or occupant of such Lot and which is generally or regularly conducted at another location which is away from such Lot. No signs of any nature, kind or description shall be erected, placed, or permitted to remain on any Lot advertising a permitted home occupation.

(b) Size of Residence. Except as otherwise provided herein, no residence may be constructed on any Lot unless such Residence, exclusive of open porches, attached garages and basements, shall have a ground floor area of 2,000 square feet if a one-story structure, or 1,200 square feet if a higher structure, but in the case of a building higher than one story, there must also be at least 500 square feet in addition to the ground floor area and the total floor area shall not be less than 2,000 square feet. Notwithstanding the foregoing, Residences constructed on Lots 8, 9 and 10 in Section One of Thornhill may have a minimum aggregate floor area of 1,750 square feet and the Owner of such Lots may construct on each of such Lots a detached garage for up to 5 cars. The Residence existing as of the date hereof on Lot 1 in Section One shall be deemed to comply with the requirements of this subparagraph (b) notwithstanding it may contain less floor area than required herein.

(c) Temporary Structures. No trailer, shack, tent, boat, basement, garage or other outbuilding may be used at any time as a dwelling, temporary or permanent, nor may any structure of a temporary character be used as a dwelling.

(d) Building Location and Finished Floor Elevation. Except for any building existing on the date hereof on Lot 10 in Section One of Thornhill, no building may be erected between the building line shown on a Plat and the front Lot line, and no structure or part thereof may be built or erected nearer than ten (10) feet to any side Lot line or nearer than twenty (20) feet to any rear Lot line. A minimum finished floor elevation, shown on the development plan for each Section, has been established for each Lot and no finished floor elevation with the exception of flood protected basements shall be constructed lower than said minimum without the written consent of the Architectural Review Board. Demonstration of adequate storm water drainage in conformity with both on-Lot and overall project drainage plans shall be a prime requisite for alternative finished floor elevations. Before construction commences, the finished floor elevation shall be physically checked on the Lot and certified by a licensed professional engineer or a licensed land surveyor.

(e) Driveways. All driveways shall be paved and maintained dust free.

(f) Yard Lights. If street lights are not installed in Thornhill, then each Owner shall install and maintain a light in operable condition on his Lot at a location, having a height and of a type, style and manufacture approved by the Architectural Review Board prior to the installation thereof. Each such light fixture shall also have a bulb of a maximum wattage approved by Architectural Review Board to insure uniform illumination on each Lot and shall be equipped with a photo electric cell or similar device to insure automatic illumination from dusk to dawn each day.

(g) Storage Tanks. Any gas or oil storage tanks used in connection with a Lot shall be either buried or located in a Residence such that they are completely concealed from public view.

(h) Construction. All construction upon a Lot shall be completed strictly in accordance with the Lot Development Plan approved by the Architectural Review Board. Unless a delay is caused by strikes, war, court injunction or acts of God, the Owner of any Lot (other than Lots 1, 8, 9 and 10 in Section One of Thornhill) which on the date of purchase is not improved with a Residence shall commence construction of a Residence upon the Lot within three (3) years from the date the Owner acquired title thereto and shall complete construction of such Residence within one (1) year after the date of commencement of the building process, but in no event later than four (4) years after

the date the Owner acquired title to the Lot unless such Lot is adjacent to a Lot upon which the Owner has constructed a Residence in which such Owner permanently resides. If the Owner fails to commence or complete construction of a Residence within the time periods specified herein, or if the Owner should, without Declarant's written approval, sell, contract to sell, convey, or otherwise dispose of, or attempt to sell, convey or otherwise dispose of, the Lot before completion of construction of a Residence on the Lot, then, in any of such events, Declarant may:

(i) re-enter the lot and divest the Owner of title thereto by tendering to the Owner or to the Clerk of the Circuit Court of Boone County the lesser of (i) the same net dollar amount as was received by Declarant from such Owner as consideration for the conveyance by Declarant of the Lot, together with such actual costs, if any, as the Owner may prove to have been incurred in connection with the commencement of construction of a Residence on the Lot and (ii) the then fair market value of the Lot, as determined by averaging two (2) appraisals made by qualified appraisers appointed by the Judge of the Boone County Circuit or Superior Court;

(ii) obtain injunctive relief to force the Owner to proceed with construction of any Residence, a Lot Development Plan for which has been approved by the Architectural Review Board upon application by such Owner; or

(iii) pursue other remedies at law or in equity as may be available to Declarant.

The failure of the Owner of a Lot to apply for approval of, or receive approval from, the Architectural Review Board of a Lot Development Plan shall not relieve such Owner from his obligation to commence and complete construction of a Residence upon the Lot within the time periods specified herein. For the purposes of this subparagraph (h), construction of a Residence will be deemed "completed" when the exterior of the Residence (including but not limited to the foundation, walls, roof, windows, entry doors, gutters, downspouts, exterior trim, paved driveway and landscaping) has been completed in conformity with the Lot Development Plan.

(i) Mailboxes. All mailboxes installed upon Lots shall be uniform and shall be of a type, color and manufacture approved by the Architectural Review Board. Such mailboxes shall be installed upon posts approved as to type, size and location by the Architectural Review Board.

(j) Septic Systems. No septic tank, absorption field or any other on-site sewage disposal system (other than a lateral main connected to a sanitary sewerage collection system operated by the Town of Zionsville or a successor public agency or public utility) shall be installed or maintained on any Lot.

(k) Water Systems. No private or semi-private water supply system may be located upon any Lot which is not in compliance with regulations or procedures adopted or established by the Indiana State Board of Health, or other civil authority having jurisdiction. To the extent that domestic water service is available from a water line located within 200 feet of the lot line maintained by the Town of Zionsville or a public or private utility company, each Owner shall connect to such water line to provide water for domestic use on the Lot and shall pay all connection, availability or other charges lawfully established with respect to connections thereto.

(l) Drainage. In the event storm water drainage from any Lot or Lots flows across another Lot, provision shall be made by the Owner of such Lot to permit such drainage to continue, without restriction or reduction, across the downstream Lot and into the natural drainage channel or course, although no specific drainage easement for such flow of water is provided on the Plat. To the extent not maintained by the Drainage Board, "Drainage Easements" reserved as drainage swales shall be maintained by the Owner of the Lot upon which such easements are located such that water from any adjacent Lot shall have adequate drainage along such swale. Lots within Thornhill may be included in a legal drain established by the Drainage Board. In such event, each Lot in Thornhill will be subject to assessment by the Drainage Board for the costs of maintenance of the portion of the Drainage System included in such legal drain, which assessment will be a lien against the Lot. The elevation of a lot shall not be changed so as to affect materially the surface elevation or grade of surrounding Lots. Perimeter foundation drains, sump pump drains, downspouts and water softener drains shall not be outletted into streets or street rights-of-way. These drains shall be connected whenever feasible into a subsurface drainage tile. Each Owner shall maintain the subsurface drains and tiles located on his Lot and shall be liable for the cost of all repairs thereto or replacements thereof.

11. Maintenance of Lots.

(a) Vehicle Parking. No camper, motor home, truck, trailer, boat or disabled vehicle may be parked or stored overnight or longer on any Lot in open public view.

(b) **Signs.** Except for such signs as Declarant may in its absolute discretion display in connection with the development of Thornhill and the sale of Lots therein and such signs as may be located on the Community Area, no sign of any kind shall be displayed to the public view on any Lot except that one sign of not more than four (4) square feet may be displayed at any time for the purpose of advertising the property for sale or for rent, or may be displayed by a builder to advertise the property during construction and sale.

(c) **Fencing.** No fence, wall, hedge or shrub planting higher than eighteen (18) inches shall be permitted between the front property line and the front building set-back line except where such planting is part of Residence landscaping and the prime root thereof is within four (4) feet of the Residence. Trees shall not be deemed "shrubs" unless planted in such a manner as to constitute a "hedge". ~~No chain link fence shall be erected upon a Lot if it would be visible from a street.~~ No fence shall be erected on any lot line and any fence along, but inside the property line, shall be subject to approval by the Architectural Review Board. All fences shall be kept in good repair and erected reasonably so as to enclose the property and decorate the same without hindrance or obstruction to any other property. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above the street shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting points 25 feet from the intersection of said street lines, or in the case of a street line with the edge of a driveway pavement or alley line. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

(d) **Vegetation.** An Owner shall not permit the growth of weeds and volunteer trees and bushes on his Lot, and shall keep his Lot reasonably clear from such unsightly growth at all times. If an Owner fails to comply with this Restriction, the Architectural Review Board shall cause the weeds to be cut and the Lot cleared of such growth at the expense of the Owner thereof and the Architectural Review Board shall have a lien against the cleared Lot for the expense thereof.

(e) **Nuisances.** No noxious or offensive activity shall be carried on upon any Lot nor shall anything be done thereon which may be, or may become, an annoyance or nuisance to the neighborhood. Barking dogs shall constitute a nuisance.

(f) Garbage and Refuse Disposal. No Lot shall be used or maintained as a dumping ground for trash. Rubbish, garbage or other waste shall be kept in sanitary containers out of public view. All equipment for storage or disposal of such materials shall be kept clean and sanitary.

(g) Livestock and Poultry. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose. The owners of such permitted pets shall confine them to their respective Lots such that they will not be a nuisance. Owners of dogs shall so control or confine them so as to avoid barking which will annoy or disturb adjoining Owners.

(h) Outside Burning. No trash, leaves, or other materials shall be burned upon a Lot if smoke therefrom would blow upon any other Lot and, then, only in acceptable incinerators and in compliance with all applicable legal requirements.

(i) Antennas and Receivers. No satellite receiver or down-link shall be permitted on any Lot, nor shall any exterior antenna be permitted thereon without the prior written consent of the Architectural Review Board. The Architectural Review Board shall not be obligated to give its consent to the installation of any exterior television antenna if television reception is available from underground cable connections serving the Lot or to the installation of any other exterior antenna if all Owners of Lots within 200 feet of the Lot upon which the proposed antenna would be erected do not consent in writing to the installation thereof.

(j) Exterior Lights. No exterior lights shall be erected or maintained between the building line and rear lot line so as to shine or reflect directly upon another Lot.

(k) Electric Bug Killers. Electric bug killers, "zappers" and other similar devices shall not be installed at a location or locations which will result in the operation thereof becoming a nuisance or annoyance to other Owners and shall only be operated when outside activities require the use thereof and not continuously.

(l) Storage Building on Lot 10. The Owner of Lot 10 in Section One of Thornhill may maintain, rebuild, remodel and repair the storage building existing on such Lot as of the date hereof without the necessity of obtaining approval therefor from the Architectural Review Board, but such

storage building shall at all times be screened from Bentley Drive by a wood stockade fence not less than 6 feet high and trees set approximately 10 feet from the fence and planted approximately 10 feet apart.

12. Thornhill Homeowners Association, Inc.

(a) Membership. Each Owner shall automatically be a Member and shall enjoy the privileges and be bound by the obligations contained in the the Articles and By-Laws. If a Person would realize upon his security and become an Owner, he shall then be subject to all the requirements and limitations imposed by this Declaration on other Owners, including those provisions with respect to the payment of Assessments.

(b) Powers. The Corporation shall have such powers as are set forth in this Declaration and in the Articles, together with all other powers that belong to it by law.

(c) Classes of Members. The Corporation shall have three (3) classes of members as follows:

Class A. Every Person who is an Owner shall be a Class A member.

Class B. Declarant shall be a Class B member. No other Person, except a successor to substantially all of the interest of Declarant in the Development Area, shall hold a Class B membership in the Corporation. The Class B membership shall terminate upon the resignation of the Class B member, when all of the Lots in the Development Area (as depicted on the General Plan of Development) have been sold, or on December 31, 1998, whichever first occurs.

Associate Members. Individuals who are appointed by any Member which is not a natural person pursuant to the provisions of the Articles shall be Associate Members.

(d) Voting and Other Rights of Members. The voting and other rights of Members shall be as specified in the Articles and By-Laws.

(e) Reserve for Replacements. The Board of Directors shall establish and maintain the Reserve for Replacements by the allocation and payment to such reserve fund of an amount determined annually by the

Board to be sufficient to meet the cost of periodic maintenance, repairs, renewal and replacement of the Community Area. In determining the amount, the Board shall take into consideration the expected useful life of the Community Area, projected increases in the cost of materials and labor, interest to be earned by such fund and the advice of Declarant or such consultants as the Board may employ. The Reserve for Replacements shall be deposited in a special account with a lending institution the accounts of which are insured by an agency of the United States of America or may, in the discretion of the Board, be invested in obligations of, or fully guaranteed as to principal by, the United States of America.

(f) Limitations on Action by the Corporation. Unless the Class B Member and at least two-thirds of the Mortgagees (based on one vote for each first mortgage owned) or two-thirds (2/3) of the Class A members (other than Declarant) have given their prior written approval, the Corporation, the Board of Directors and the Owners may not: (i) except as authorized by Paragraph 15(a), by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Community Area (but the granting of easements for public utilities or other public purposes consistent with the intended use of the Community Area shall not be deemed a transfer for the purposes of this clause); (ii) fail to maintain fire and extended coverage on insurable Community Area on a current replacement cost basis in an amount at least one hundred percent (100%) of the insurable value (based on current replacement cost); (iii) use hazard insurance proceeds for losses to any Community Area for other than the repair, replacement or reconstruction of the Community Area; (iv) change the method of determining the obligations, assessments, dues or other charges that may be levied against the Owner of a Residence; (v) by act or omission change, waive or abandon any scheme of regulations or their enforcement pertaining to the architectural design or the exterior appearance of Residences, or the maintenance and up-keep of the Community Area; or (vi) fail to maintain the Reserve for Replacements in the amount required by this Declaration.

(g) Mergers. Upon a merger or consolidation of another corporation with the Corporation, its properties, rights and obligations may, as provided in its articles of incorporation, by operation of law be transferred to another surviving or consolidated corporation or, alternatively, the properties, rights

and obligations of another corporation may by operation of law be added to the properties, rights and obligations of the Corporation as a surviving corporation pursuant to a merger. The surviving or consolidated corporation may administer the covenants and restrictions established by this Declaration within the Tract together with the covenants and restrictions established upon any other properties as one scheme. No other merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by this Declaration within the Tract except as hereinafter provided.

13. Assessments.

(a) Creation of the Lien and Personal Obligation of Assessments. Declarant, Albers and Dodd hereby covenant, and each Owner of any Lot by acceptance of a deed thereto, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Corporation the following: (1) General Assessments, (2) Initial Assessment for Community Center and (3) Special Assessments, such Assessments to be established and collected as hereinafter provided.

All Assessments, together with interest thereon and costs of collection thereof, shall be a charge on the land and shall be a continuing lien upon the Lot against which each Assessment is made until paid in full. Each Assessment, together with interest thereon and costs of collection thereof, shall also be the personal obligation of the Person who was the Owner of the Lot at the time when the Assessment became due.

(b) General Assessment.

(i) Purpose of Assessment. The General Assessment levied by the Corporation shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners of Lots and for the improvement, maintenance and operation of the Community Area.

(ii) Base for Assessment.

(1) Lots Generally. Each Lot owned by a Person other than Declarant shall be assessed at a uniform rate without regard to whether a Residence has been constructed upon the Lot.

(2) Lots Owned by Declarant. No Lot owned by Declarant shall be assessed by the Corporation except such Lots as have been improved by the construction thereon of Residences which shall be subject to assessment as provided in Clause (1) above.

(3) Change in Basis. The basis for assessment may be changed with the assent of the Class B member and of (i) two-thirds (2/3) of the Class A members (excluding Declarant) or two-thirds (2/3) of the Mortgagees (based on one vote for each first mortgage owned) who are voting in person or by proxy at a meeting of such members duly called for this purpose.

(iii) Maximum Assessment.

(1) Until December 31, 1988, the Maximum General Assessment in any assessment year of the Corporation shall be Six Hundred Dollars (\$600.00).

(2) Thereafter, the Board of Directors may in any assessment year increase the Maximum General Assessment by an amount not in excess of eight percent (8%) of the amount of the Maximum General Assessment then in effect, to be effective the first day of the next assessment year.

(3) The Maximum General Assessment may be increased beyond that specified in clause (2) above with the assent of the Class B member and of (i) a majority of the Class A members (excluding

Declarant) or a majority of the Mortgagees (based on one vote for each first mortgage owned) who are voting in person or by proxy at a meeting of such members duly called for this purpose.

(iv) Method of Assessment. By a vote of a majority of the Directors, the Board of Directors shall, on the basis specified in subparagraph (ii), fix the General Assessment for each assessment year of the Corporation at an amount not in excess of the current maximum permitted by subparagraph (iii) except that the General Assessment shall, without regard to the limitation imposed by subparagraph (iii), be fixed at an amount sufficient to meet the obligations imposed by this Declaration upon the Corporation. The Board of Directors shall establish the date(s) the General Assessment shall become due, and the manner in which it shall be paid.

(v) Allocation of Assessment. The cost of maintaining, operating, restoring or replacing the Community Area has been allocated in this Declaration among Owners of Lots on the basis of the location of the lands and improvements constituting the Community Area and the intended use thereof. In determining the General Assessment, costs and expenses which in accordance with the provisions of this Declaration are to be borne by all Owners shall first be allocated to all Owners. Costs and expenses which in accordance with the provisions of this Declaration are to be borne by the Owners of certain Lots shall then be allocated to the Owners of such Lots. The provisions of subparagraph (ii) for uniform assessment shall not be deemed to require that all assessments against vacant Lots or Lots improved with comparable types of Residences be equal, but only that each Lot be assessed uniformly with respect to comparable Lots subject to assessment for similar costs and expenses.

(c) Community Center Assessment. On the earlier of (i) the date a Lot is conveyed by Declarant to an

Owner (other than the holder of a first mortgage on such Lot in a conveyance which constitutes a deed in lieu of foreclosure), (ii) the date a Residence constructed on the Lot has been certified for occupancy by the Zoning Authority or (iii) the date a Residence on the Lot is first occupied by an Owner upon completion of construction thereof, there shall be due and payable to the Corporation by the Owner of such Lot the sum of Five Hundred Dollars (\$500.00) which shall be deposited in the Reserve for Replacements maintained by the Corporation.

(d) Special Assessment. The Corporation may levy in any fiscal year a Special Assessment applicable to that year and not more than the next four (4) succeeding fiscal years for the purpose of defraying, in whole or in part, the cost of any construction, repair, or replacement of a capital improvement upon the Community Area, including fixtures and personal property relating thereto, provided that any such Assessment shall have the assent of the Class B member and of a majority of the votes of the Class A members whose Lots are subject to assessment with respect to the capital improvement who are voting in person or by proxy at a meeting of such members duly called for this purpose.

(e) Date of Commencement of Assessments. The General Assessment shall commence with respect to assessable Lots within a Section on the first day of the month following conveyance of the first lot in the Section to an Owner who is not Declarant. The initial Assessment on any assessable Lot shall be adjusted according to the number of whole months remaining in the assessment year.

(f) Effect of Nonpayment of Assessments; Remedies of the Corporation. Any Assessment not paid within thirty (30) days after the due date may upon resolution of the Board of Directors bear interest from the due date at a percentage rate no greater than the current statutory maximum annual interest rate, to be set by the Board of Directors for each assessment year. The Corporation shall be entitled to institute in any court of competent jurisdiction any lawful action to collect the delinquent Assessment plus any expenses or costs, including attorneys' fees, incurred by the Corporation in collecting such Assessment. If the Corporation has provided for collection of any Assessment in installments, upon default in the payment of any one or more installments, the Corporation may accelerate payment and declare the entire

balance of said Assessment due and payable in full. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Community Area or abandonment of his Lot.

(g) Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein against a Lot shall be subordinate to the lien of any recorded first mortgage covering such Lot and to any valid tax or special assessment lien on such Lot in favor of any governmental taxing or assessing authority. Sale or transfer of any Lot shall not affect the assessment lien. The sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall, however, extinguish the lien of such Assessments as to payments which became due more than six (6) months prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

(h) Certificates. The Corporation shall, upon demand by an Owner, at any time, furnish a certificate in writing signed by an officer of the Corporation that the Assessments on a Lot have been paid or that certain Assessments remain unpaid, as the case may be.

(i) Exempt Property. The following property subject to this Declaration shall be exempt from the Assessments, charge and lien created herein: (1) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (2) the Community Area; (3) all properties exempt from taxation by state or local governments upon the terms and to the extent of such legal exemption. Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said Assessments, charges or liens.

(j) Annual Budget. By a majority vote of the Directors, the Board of Directors shall adopt an annual budget for the subsequent fiscal year, which shall provide for allocation of expenses in such a manner that the obligations imposed by the Declaration and all Supplemental Declarations will be met.

14. Architectural Control.

(a) The Architectural Review Board. An Architectural Review Board consisting of three (3) or more Persons as provided in the By-Laws shall be appointed

by the Class B member. At such time as there is no Class B member, the Architectural Review Board shall be appointed by the Board of Directors.

(b) **Purpose.** The Architectural Review Board shall regulate the external design, appearance, use, location and maintenance of the Tract and of improvements thereon in such manner as to preserve and enhance values and to maintain a harmonious relationship among structures, improvements and the natural vegetation and topography.

(c) **Conditions.** No improvements, alterations, repairs, change of colors, excavations, changes in grade or other work that in any way alters the exterior of any Lot or the improvements located thereon from its natural or improved state existing on the date such Lot was first conveyed in fee by the Declarant to an Owner shall be made or done without the prior approval of the Architectural Review Board, except as otherwise expressly provided in this Declaration. Prior to the commencement, erection or alteration of any Residence, building, fence, wall, swimming pool, tennis court, patio, or other structure by any Owner other than Declarant (and except as provided in Paragraph 11(1)), a Lot Development Plan shall be submitted to the Architectural Review Board, and no building, fence, wall, Residence or other structure shall be commenced, erected, maintained, improved, altered, made or done by any Person other than Declarant (or the Owner of Lot 10 to the extent permitted by Paragraph 11(1)) without the prior written approval of the Architectural Review Board. Such approval shall be in addition to, and not in lieu of, all approvals, consents, permits and/or variances required by law from governmental authorities having jurisdiction over Thornhill, and no Owner shall undertake any construction activity within Thornhill unless all legal requirements have been satisfied.

(d) **Procedures.** In the event the Architectural Review Board fails to approve, modify or disapprove in writing an application within thirty (30) days after notice of such application has been given to affected Owners in accordance with procedures published in the Register of Regulations, approval will be deemed granted; provided that if such procedures authorize a continuance of the consideration of the application on the notice of the applicant, such a motion shall constitute a waiver by the applicant of the thirty (30) day requirement. A decision of the Architectural Review Board may be appealed to the Board of Directors

which may reverse or modify such decision by a two-thirds (2/3) vote of the Directors then serving. The Architectural Review Board may establish committees consisting of two (2) or more of its members, which committees shall exercise such powers of the Board as may be delegated to them.

15. Community Area.

(a) Ownership. The Community Area shall remain private, and neither Declarant's execution or recording of an instrument portraying the Community Area, nor the doing of any other act by Declarant is, or is intended to be, or shall be construed as, a dedication to the public of such Community Area. Declarant or the Corporation may, however, dedicate or transfer all or any part of the Community Area to any public agency, authority or utility for use as roads, utilities, parks or other public purposes.

(b) Density of Use. Declarant expressly disclaims any warranties or representations regarding the density of use of the Community Area or any facilities located thereon.

(c) Obligations of the Corporation. The Corporation, subject to the rights of Declarant and the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Community Area and all improvements thereon (including furnishings and equipment related thereto), and shall keep the Community Area in good, clean, attractive and sanitary condition, order and repair.

(d) Easements of Enjoyment. No Person shall have any right or easement of enjoyment in or to the Community Area except to the extent granted by, and subject to the terms and provisions of, this Declaration or any Supplemental Declaration executed by Declarant. Such rights and easements as are thus granted shall be appurtenant to and shall pass with the title to every Lot for whose benefit they are granted. All Owners may use the Parks, the Community Center, the Picnic Area and the Path subject to the reserved rights of Declarant and the Corporation. The Owners of Lots abutting Lakes 2 and 3 may use such Lakes, but such use shall be limited to fishing and such other uses as may be authorized by resolution adopted by the Board of Directors. Lake 1 may be used by all Owners, but only for the purposes authorized by the Board of Directors.

(e) Extent of Easements. The easements of enjoyment created hereby shall be subject to the following:

(i) the right of the Corporation to establish reasonable rules for the use of the Community Area and to charge reasonable admission and other fees for the use of any recreational facilities located in or constituting a part of the Community Area except that no fee shall be charged to those specifically authorized to use such facilities by this Declaration or any Supplemental Declaration unless the Corporation is specifically authorized to do so by this Declaration or a Supplemental Declaration;

(ii) the right of the Corporation to suspend the right of an Owner and all Persons whose right to use the Parks, the Lakes, the Community Center and the Picnic Area derives from such Owner's ownership of a Lot to use such portions of the Community Area for any period during which any Assessment against his Lot remains unpaid for more than thirty (30) days after notice;

(iii) the right of the Corporation to suspend the right of an Owner or any Person claiming through the Owner to use the Parks, the Lakes, the Community Center and the Picnic Area for a period not to exceed sixty (60) days for any other infraction of this Declaration, any Supplemental Declaration, or the Register of Regulations;

(iv) the right of the Corporation to mortgage any or all of the Community Area and the facilities constructed thereon for the purposes of improvements to, or repair of, the Community Area or facilities constructed thereon, pursuant to approval of the Class B member and two-thirds (2/3) of the votes of the Class A members (excluding Declarant) or two-thirds (2/3) of the Mortgagees (based on one vote for each first mortgage owned), voting in person or by proxy at a regular meeting of the Corporation or a meeting duly called for this purpose;

(v) the right of the Corporation to dedicate or transfer all or any part of the

7

Community Area to any public agency, authority or utility, but no such dedication or transfer shall be effective unless an instrument signed by the Class B member and the appropriate officers of the Corporation acting pursuant to authority granted by two-thirds (2/3) of the votes of the Class A members (excluding Declarant) or two-thirds (2/3) of the Mortgagees (based on one vote for each first mortgage owned), agreeing to such dedication or transfer, has been recorded; and

(vi) the right of Declarant in any Supplemental Declaration or Plat to restrict the use of Community Area located in a Section to (a) Owners of Residences located in such Section or (b) to other Owners of less than all of the Lots in the Tract.

(f) Additional Rights of Use. The members of the family and the guests of every Person who has a right of enjoyment to the Community Area and facilities may use the Community Area and facilities subject to such general regulations consistent with the provisions of this Declaration and all Supplemental Declarations as may be established from time to time by the Corporation and included within the Register of Regulations.

(g) Damage or Destruction by Owner. In the event the Community Area is damaged or destroyed by an Owner or any of his guests, tenants, licensees, agents, or member of his family, such Owner authorizes the Corporation to repair said damaged area; the Corporation shall repair said damaged area in a good workmanlike manner in conformance with the original plans and specifications of the area involved, or as the area may have been modified or altered subsequently by the Corporation in the discretion of the Corporation. The amount necessary for such repairs shall become a Special Assessment upon the Lot of said Owner.

(h) Conveyance of Title Declarant may retain the legal title to the Community Area or any portion thereof until such time as it has completed improvements thereon, but notwithstanding any provision herein, the Declarant hereby covenants that it shall convey the Parks, the Lakes, the Community Center and the Picnic Area to the Corporation, free and clear of all liens and financial encumbrances except as other-

wise provided herein, not later than two (2) years from the date such Community Area or portion thereof is subjected to this Declaration. Owners shall have all the rights and obligations imposed by this Declaration with respect to such Community Area prior to conveyance, except that the Corporation shall not be liable for payment of taxes and insurance for such Community Area until title is conveyed.

16. Easements.

(a) Plat Easements. In addition to such easements as are created elsewhere in this Declaration and as may be created by Declarant pursuant to written instruments recorded in the office of the Recorder of Boone County, Indiana, Lots are subject to drainage easements, sewer easements, utility easements, entry way easements, landscaping easements, lake access easements and non-access easements, either separately or in any combination thereof, as shown on the Plats, which are reserved for the use of Owners, public utility companies and governmental agencies as follows:

(i) Drainage Easements (DE) are created to provide paths and courses for area and local storm drainage, either overland or in adequate underground conduit, to serve the needs of Thornhill and adjoining ground and/or public drainage systems; and it shall be the individual responsibility of each Owner to maintain the drainage across his own Lot. Under no circumstance shall said easement be blocked in any manner by the construction or reconstruction of any improvement, nor shall any grading restrict, in any manner, the waterflow. Said areas are subject to construction or reconstruction to any extent necessary to obtain adequate drainage at any time by any governmental authority having jurisdiction over drainage, by Declarant, and by the Architectural Review Board, but neither Declarant nor the Architectural Review Board shall have any duty to undertake any such construction or reconstruction. Said easements are for the mutual use and benefit of the Owners.

(ii) Sewer Easements (SE) are created for the use of the local governmental agency having jurisdiction over any storm and

sanitary waste disposal system which may be designed to serve Thornhill for the purpose of installation and maintenance of sewers that are a part of said system.

(iii) Utility Easements (UE) are created for the use of Declarant, the Corporation and all public utility companies, not including transportation companies, for the installation and maintenance of mains, ducts, poles, lines and wires, as well as for all uses specified in the case of sewer easements.

(iv) Entry Way Easements (EWE) are created for the use by Declarant, the Architectural Review Board and the Corporation for the installation, operation and maintenance of the Entry Ways.

(v) Landscaping Easements (LE) are created for the use by Declarant, the Architectural Review Board and the Corporation for the planting and maintenance of trees, shrubs and other plantings.

(vi) Lake Access Easements (LAE) are created for the use of Declarant, the Corporation, the Drainage Board and the Town of Zionsville for the purpose of gaining access to the Lakes, the Drainage Facilities and the sanitary sewer lift station in the course of maintenance, repair or replacement of any thereof.

(vii) Non-Access Easements (NAE) are created to preclude access from certain Lots to abutting rights-of-way across the land subject to such easements.

All easements mentioned herein include the right of reasonable ingress and egress for the exercise of other rights reserved. No structure, including fences, shall be built on any drainage, sewer or utility easement, but a paved driveway necessary to provide access to a Lot from a public street shall not be deemed a "structure" for the purpose of this Restriction.

(b) General Easement. There is hereby created a blanket easement over, across, through and under the Tract for ingress, egress, installation, replacement,

repair and maintenance of underground utility and service lines and systems, including but not limited to water, sewers, gas, telephones, electricity, television, cable or communication lines and systems. By virtue of this easement it shall be expressly permissible for Declarant or the providing utility or service company to install and maintain facilities and equipment on the Tract and to excavate for such purposes if Declarant or such company restores the disturbed area as nearly as is practicable to the condition in which it was found. No sewers, electrical lines, water lines, or other utility service lines or facilities for such utilities may be installed or relocated in a Section except as proposed and approved by Declarant prior to the conveyance of the first lot in a Section to an Owner or by the Architectural Review Board thereafter. Should any utility furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, Declarant or the Corporation shall have the right to grant such easement on the Tract without conflicting with the terms hereof. This blanket easement shall in no way affect any other recorded easements on the Tract, shall be limited to improvements as originally constructed, and shall not cover any portion of a lot upon which a Residence has been constructed.

(c) Public Health and Safety Easements. An easement is hereby created for the benefit of, and granted to, all police, fire protection, ambulance, delivery vehicles, and all similar persons to enter upon the Community Area in the performance of their duties.

(d) Drainage Board Easement. An easement is hereby created for the benefit of, and granted to, the Drainage Board to enter the Tract and all Lots therein to the extent necessary to exercise its rights with respect to any legal drain constituting a part of the Drainage System.

(e) Crossing Underground Easements. Easements utilized for underground service may be crossed by driveways, walkways, Lake Access Areas and the Path provided prior arrangements are made with the utility company furnishing service. Such easements as are actually utilized for underground service shall be kept clear of all other improvements, including buildings, patios, or other pavings, other than crossings, driveways, walkways, Lake Access Areas or the Path, and neither Declarant nor any utility

company using the easements shall be liable for any damage done by either of them or their assigns, agents, employees, or servants to shrubbery, trees, flowers or other improvements of the Owner located on the land covered by said easements.

(f) Declarant's Easement to Correct Drainage. For a period of ten (10) years from the date of conveyance of the first Lot in a Section, Declarant reserves a blanket easement and right on, over and under the ground within that Section to maintain and to correct drainage of surface water in order to maintain reasonable standards of health, safety and appearance. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or to take any other similar action reasonably necessary, following which Declarant shall restore the affected property to its original condition as nearly as practicable. Declarant shall give reasonable notice of its intention to take such action to all affected Owners, unless in the opinion of Declarant an emergency exists which precludes such notice.

(g) Water Retention. The Owner of each Lot, by acceptance of a deed thereto, consents to the temporary storage (detention) of storm water within the drainage easements (DE) on such Owner's Lot.

(h) Special Landscaping Easement. An easement is hereby created for the benefit of, and granted to, Albers to enter upon the northerly thirty (30) feet of Lots 17 through 21 in Section One of Thornhill for the purpose of maintaining the tree plantings located within such easement area.

17. Declarant's Use During Construction. Notwithstanding any provisions to the contrary contained herein or in any other instrument or agreement, Declarant or its sales agents or contractors may maintain during the period of construction and sale of Lots and Residences in the Tract or the Development Area, upon such portion thereof as is owned or leased by Declarant, such facilities as in the sole opinion of Declarant may be reasonably required, convenient or incidental to the construction and sale of Lots and Residences, including, but without limiting the generality thereof, a business office, storage area, construction yards, signs, model Residences and sales offices. In addition, Declarant reserves the right to maintain a sales office in the Community Center during the period that it is engaged in the sale of Lots in Thornhill.

18. Enforcement. The Corporation, any Owner or Declarant shall have the right to enforce, by proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration and of any Supplemental Declarations, but neither Declarant nor the Corporation shall be liable for damage of any kind to any Person for failure either to abide by, enforce or carry out any of the Restrictions. No delay or failure by any Person to enforce any of the Restrictions or to invoke any available remedy with respect to a violation or violations thereof shall under any circumstances be deemed or held to be a waiver by that Person of the right to do so thereafter, or an estoppel of that Person to assert any right available to him upon the occurrence, recurrence or continuation of any violation or violations of the Restrictions.

19. Limitations on Rights of the Corporation. As long as there is a Class B member, the Corporation may not use its resources nor take a public position in opposition to the General Plan of Development or to changes thereto proposed by Declarant. Nothing in this paragraph shall be construed to limit the rights of the Members acting as individuals or in affiliation with other Members or groups as long as they do not employ the resources of the Corporation or identify themselves as acting in the name, or on the behalf, of the Corporation.

20. Approvals by Declarant. As long as there is a Class B member, the following actions shall require the prior approval of Declarant: the addition of real estate to the Tract; dedication or transfer of the Community Area; mergers and consolidations of Sections within the Tract or of the Tract with other real estate; mortgaging of the Community Area; amendment of this Declaration and any Supplemental Declaration; and changes in the basis for assessment, the maximum General Assessment or the amount, use and time of payment of the initial assessment for the Community Center.

21. Mortgages

(a) Notice to Corporation. Any Owner who places a first mortgage lien upon his Residence or the Mortgagee shall notify the Secretary of the Board of Directors of such mortgage and provide the name and address of the Mortgagee. A record of such Mortgagee's name and address shall be maintained by the Secretary and any notice required to be given to the Mortgagee pursuant to the terms of the Declaration any Supplemental Declaration, the Articles or the By-Laws (the "Organizational Documents") shall be deemed effectively given if mailed to such Mortgagee at the address shown in such record in the time provided. Unless notification of any such mortgage and the name and address of Mortgagee are furnished to the Secre-

tary, either by the Owner or the Mortgagee, no notice to any Mortgagee as may be otherwise required by the Organizational Documents shall be required and no Mortgagee shall be entitled to vote by virtue of the Organizational Documents or a proxy granted to such Mortgagee in connection with the mortgage.

(b) Notices to Mortgagees. The Corporation shall promptly provide to any Mortgagee of whom the Corporation has been provided notice under subparagraph (a) above notice of any of the following:

- (i) Any condemnation or casualty loss that affects a material portion of the Community Area;
- (ii) Any delinquency in the payment of any Assessment owed by the Owner of any Residence on which said Mortgagee holds a mortgage or any default by an Owner under the Organizational Documents, if said delinquency or default continues for more than sixty (60) days;
- (iii) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Corporation;
- (iv) Any proposed action that requires the consent of a specified percentage of Mortgagees; and,
- (v) Any proposed amendment of the Organizational Documents effecting a change in (A) the interests in the Community Area appertaining to any Residence or the liability for Maintenance Costs appertaining thereto, (B) the vote appertaining to a Residence or (C) the purpose for which any Residence or the Community Area are restricted.

(c) Notice of Unpaid Assessments. The Corporation shall, upon request of a Mortgagee, a proposed mortgagee, or a proposed purchaser who has a contractual right to purchase a Residence, furnish to such mortgagee or purchaser a statement setting forth the amount of the unpaid Assessments against the Residence and the Owners, and any Mortgagee or grantee of the Residence shall not be liable for, nor shall the Residence conveyed be subject to a lien for, any unpaid Assessments in excess of the amount set forth in such statement.

(d) Financial Statements. Upon the request of any Mortgagee, the Corporation shall provide to said Mortgagee the most recent financial statement prepared on behalf of the Corporation.

(e) Payments by Mortgagees. Any Mortgagee may (i) pay taxes or other charges that are in default and that may or have become a lien upon the Community Area or any part thereof and (ii) pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage for the Community Area in case of a lapse of a policy. A Mortgagee making such payments shall be entitled to immediate reimbursement from the Corporation.

22. Amendments.

(a) Generally. This Declaration may be amended at any time by an instrument signed by (i) the appropriate officers of the Corporation acting pursuant to the authority granted by not less than two-thirds (2/3) of the votes of the Class A members cast at a meeting duly called for the purpose of amending this Declaration and, to the extent required by Paragraph 20, (ii) Declarant.

(b) By Declarant. Declarant hereby reserves the right unilaterally to amend and revise the standards, covenants and restrictions contained in this Declaration during the period prior to December 31, 1995. Such amendments shall be in writing, executed by Declarant, and recorded with the Recorder of Boone County, Indiana. No such amendment, however, shall restrict or diminish the rights or increase or expand the obligations of Owners with respect to Lots conveyed to such Owners prior to the amendment or adversely affect the rights and interests of Mortgagees holding first mortgages on Residences at the time of such amendment. Declarant shall give notice in writing to such Owners and Mortgagees of any amendments. Except to the extent authorized in Paragraph 15(b), Declarant shall not have the right at any time by amendment of this Declaration to grant or establish any easement through, across or over any Lot which Declarant has previously conveyed without the consent of the Owner of such Lot.

(c) Effective Date. Any amendment shall become effective upon its recordation in the Office of the Recorder of Boone County, Indiana.

23. Interpretation. The underlined titles preceding the various paragraphs and subparagraphs of this Declaration are for convenience of reference only, and none of them shall be used as an aid to the construction of any provision of this Declaration. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

24. Duration. The foregoing covenants and restrictions are for the mutual benefit and protection of the present and future Owners, the Corporation, and Declarant, and shall run with the land and shall be binding on all parties and all Persons claiming under them until January 1, 2018, at which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years, unless changed in whole or in part by vote of those Persons who are then the Owners of a majority of the Lots in the Tract.

25. Severability. Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions. Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

26. Non-Liability of Declarant. Declarant shall not have any liability to an Owner or to any other Person with respect to drainage on, over or under a Lot. Such drainage shall be the responsibility of the Owner of the Lot upon which a Residence is constructed and of the builder of such Residence and an Owner, by an acceptance of a deed to a Lot, shall be deemed to agree to indemnify and hold Declarant free and harmless from and against any and all liability arising from, related to, or in connection with drainage on, over and under the Lot described in such deed. Declarant shall have no duties, obligations or liabilities hereunder except such as are expressly assumed by Declarant, and no duty of, or warranty by, Declarant shall be implied by or inferred from any term or provision of this Declaration.

IN TESTIMONY WHEREOF, witness the signatures of Declarant, Albers and Dodd as of the date set forth above.
