VINTON WOODS — FOURTH SECTION

... The Top Construction Corp. by John Copenhaver, President, being the owner of the above described real estate, do hereby lay off, plat and subdivide the same into lots and streets in accordance with the following description:

be known and designated as "Vinton Woods - Fourth Section", an area of 100 acres. All streets heretofore dedicated are hereby dedicated to the public. Only one single family dwelling with accessory building not exceeding two stories in height may be erected or maintained on said lots. No fence, wall, hedge or shrub planting shall be erected on any lot. Residential buildings shall be designated as residential lots. Any single family dwelling with property lines established as soon as practicable between which lines and the property lines of the street, no structure shall be erected on any corner lot within the triangular area formed by the street property lines and a line connecting the outer ends of the property lines at elevations determined by the intersection of said street lines, or in the case of a rounded property corner, from the mid-intersection of the street lines extended, and shall be limited to a maximum height to prevent obstruction of the sight lines. No tree shall be permitted to remain within such distances of such intersections unless the same is pruned or cut back to a height of not more than four feet above the ground level. No temporary or permanent structures shall be erected on any lot in this addition having a ground floor area of less than 600 square feet, and one-half story house having a ground floor area of less than 600 square feet.

Subscribed before me, the undersigned, a Notary Public in and for said County and State, this 13th day of May, 1970. The TOP Construction Corp., by its above named and acknowledged executors, it being their voluntary act and used for the use and purposes
