(bb) The design or color scheme of a proposed improvement is not in harmony with the general surroundings of the lot or with adjacent buildings or structures;

(cc) The proposed improvement, or any part thereof, would in the opinion of the Committee, be contrary to the interests, welfare or rights of all or any part of other Owners.

A license upon such terms and conditions as Indianapolis Water Company, the Developer, and the successors, assigns or licensees of either of them shall from time to time grant, for the use and enjoyment of the commons, Morse Reservoir and any recreational facilities, is granted to the persons who are from time to time members of the Association. Ownership of Morse Reservoir shall remain in Indianapolis Water Company, but ownership of any commons and recreational facilities shall be conveyed in fee simple title, free of financial encumbrances to the Association upon their completion. Such conveyance shall be subject to easements and restrictions of record, and such other conditions as the Developer may at the time of such conveyance deem appropriate. Such conveyance shall be deemed to have been accepted by the Association and those persons who shall from time to time be members thereof upon the recording of a deed or deeds conveying such commons and recreational facilities to the Association.

9. THE WEST HARBOUR PROPERTY OWNERS' ASSOCIATION, INC.

A. In General.

(i) There will be created, under the laws of the State of Indiana, a not-for-profit corporation to be known as the "West Harbour Property Owners' Association, Inc." which is referred to as the "Association". Every Owner of a residential lot in the Development shall be a member of a Association. All owners of lots within the Development shall be subject to all the requirements and limitations imposed in these Restrictions.

(ii) In addition to the foregoing, the Board of Directors of the Association may establish associate memberships in the Association for persons who may from time to time be owners of lots in other developments and who are not otherwise entitled to the benefits of membership by virtue of being Owners of residential lots within the Development. Associate members shall have none of the rights of members to vote at meetings of the Association. The Board of Directors of the Association may establish fees or charges for such associate memberships and rules and regulations concerning such associate memberships which may be different from those applicable to members generally.

All other powers that belong to it by law, including the power to levy a uniform annual charge or assessment against the lots within the Development. Such charge shall be at least \$120.00 per year for each residential lot in the Development. However, if the Board of Directors of the Association, acting in accordance with the By-Laws of the Association, shall so determine after consideration of the financial requirements of the Association, the annual charge may be greater than \$120.00. No charge shall ever be levied by the Association against the Developer.

(iii) Every such charge shall be paid by the members of the Association before the first day of March of the year for which the charge is made. The Board of Directors of the Association shall fix the amount of the annual charge by the first day of February of each year, and written notice of the charge so fixed shall be sent to each member.

(iii) Any charge levied or assessed against any lot, together with interest and other charges or costs as hereinafter provided, shall become and remain a lien upon that lot until paid in full, and shall also be a personal obligation of the Owner or Owners of that lot at the time the charge fell due. Such charge shall bear interest at the rate of 8% per annum until paid in full. If, in the opinion of the Board of Directors of the Association, such charge has remained due and payable for an unreasonably long period of time, the Board may, on behalf of the Association, institute such procedures, either at law or in equity, by foreclosure or otherwise, to collect the amount owing in any court of competent jurisdiction. The Owner of the lot or lots subject to the charge, shall, in addition to the amount of the charge at the time legal action is instituted, be obliged to pay any expense or costs, including attorneys' fees, incurred by the Association in collecting the same. Every Owner of a lot in the Development and any person who may acquire any interest in such lot, whether as an Owner or otherwise; is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an Owner of a lot in the Development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Restrictions.

(iv) The Association shall, upon demand, at any time, furnish a certificate in writing signed by an officer of the Association that the assessments on a specified lot have been paid or that certain assessments against said lot remain unpaid, as the case may be. A reasonable charge may be made by the Board of Directors of the Association for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

E. Suspension of Privileges of Membership.

Notwithstanding any other provision contained herein, the Board of Directors of the Association shall have the right to suspend the voting rights, if any, and the right to use the facilities of the Association of any member or associate member (i) for any period during which any of the Association's charges or any fines assessed under these Restrictions, or any other authority, owed by the member or associate member remains unpaid; (ii) during the period of any continuing violation of these restrictive covenants commencing with declaration of the existence of the violation by the Board of Directors of the Association; and/or (iii) during the period of any violation of the Articles of Incorporation, By-Laws or regulations of the Association.

10. USE OF THE RESERVOIR.

All operation of boats upon Morse Reservoir is pursuant to a license that has been exercised in accordance with the limitations made by the joint committee of the Developer and the Indianapolis Water Company made according to the procedures set out in the License Agreement recorded in Book 121, Instrument No. 4863, in the office of the Recorder of Hamilton County, Indiana. That committee has the power to assess fines for the violation of any limitations on boat traffic on Morse Reservoir in accordance with the schedule of fines promulgated by it. Every such fine shall be paid promptly upon its being assessed, and, if it is not, the Association shall add the amount of the fine to the annual charge made by the Association pursuant to subparagraph 9-C of these Restrictions, and the amount of such fine shall be collectible by the same means as are prescribed in said subparagraph for the collection of delinquent annual charges of the Association.

11. REMEDIES.

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer or Indianapolis Water Company (with respect to activities that affect Morse Reservoir), may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, but neither the Developer, Indianapolis Water Company, nor the Association shall be liable for damages of any kind to any person for failing either to abide by, enforce or carry out any of these Restrictions.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these Restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, recurrence or continuation of such violation or violations of these Restrictions.

12. EFFECT OF BECOMING AN OWNER.

Restrictions, and also, for themselves, their heirs, such personal representatives, successors and assigns, such Owners covenant and agree and consent to and with the Developer, Committee and the Association and to and with the Owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

13. TITLES.

The titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provision of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

14. DURATION.

The foregoing covenants and restrictions are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 2080, at which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years, unless changed in whole or in part by vote of those persons who are then the Owners of a majority of the numbered lots in the Development, or Indianapolis Water Company with regard to its Morse Reservoir.

15. SEVERABILITY.

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions.

Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.
