Unless a delay is caused by strikes, war, court injunction or acts of God, the Owner of any Lot which on the date of purchase from Declarant is not improved with a Residence shall commence construction of a Residence upon the Lot within 180 days from the date the Owner acquired title thereto and shall complete construction of such Residence within two hundred seventy (270) days after the date of commencement of the building process. (ii) obtain injunctive relief to force the Owner to proceed with construction of any Residence, a Lot Development Plan for which has been approved by the Architectural Review Board upon application by such Owner; or

(iii) pursue other remedies at law or in equity as may be available to Declarant.

The failure of the Owner of a Lot to apply for approval of, or receive approval from, the Architectural Review Board of a Lot Development Plan shall not relieve such Owner from his obligation to commence and complete construction of a Residence upon the lot within the time periods specified herein. For the purposes of this subparagraph (h), construction of a Residence will be deemed "completed" when the exterior of the Residence (including but not limited to the Foundation, walls, roof, windows, entry doors, gutters, downspouts, exterior trim, paved driveway and landscaping) has been completed in conformity with the Lot Development Plan.

(i) *Mailboxes.* All mailboxes installed upon Lots shall be uniform and shall be of a type, color and manufacturer approved by the Architectural Review Board. (l) *Drainage.* In the event storm water drainage from any Lot or Lots flows across another Lot, provision shall be made by the Owner of such Lot to permit such drainage to continue, without restriction or reduction, across the downstream Lot and into the natural drainage channel or course, although no specific drainage easement for such flow of water is provided on the Plat. To the extent not maintained by the Drainage Board, the "Drainage Easements" reserved as drainage swales shall be maintained by the Owner of the Lot upon which such easements are located such that water from any adjacent Lot shall have adequate drainage along such swale. Lots within Williams Mill may be included in a legal drain established by the Drainage Board. In such event, each Lot in Williams Mill will be subject to assessment by the Drainage Board for the cost of maintenance of the portion of the Drainage System and/or the Lakes included in such legal drain, which assessment will be a lien against the Lot. The elevation of a Lot shall not be changed so as to affect materially the surface elevation or grade of surrounding Lots. Perimeter foundation drains, sump pump drains and downspouts shall not be outletted into streets or street rights-of-way. These drains shall be connected whenever

feasible into a subsurface drainage tile. Each Owner shall maintain the subsurface drains and tiles located on his Lot and shall be liable for the cost of all repairs thereto or replacements thereof.

Trees shall not be deemed "shrubs" unless planted in such a manner as to constitute a "hedge". No chain link fence shall be erected upon a Lot. No fence shall be erected or maintained on or within any Landscape Easement except such as may be installed by Declarant and subsequently replaced by the Corporation in such manner as to preserve the uniformity of such fence. In no event may any fence be erected or maintained on any Lot without the prior approval of the Architectural Review Board, which may establish design standards for fences and further restrictions without respect to fencing, including limitations on (or prohibition of) the installation of fences in the rear yard of a Lot and along the bank of any Lake. All fences shall be kept in good repair. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above the street shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting points 25 feet from the intersection of said street lines, or in the case of a street line with the edge of a driveway pavement or alley line. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstructions of such sight lines.

Under no circumstances shall shadowbox fencing be permitted on the perimeter boundaries of the Tract, unless installed by the Declarant.

All equipment for storage or disposal of such materials shall be kept clean and sanitary.

(f) *Livestock and Poultry.* No animal, livestock or poultry of any kind shall be raised, bred or kept on any Lot except that dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for commercial purpose. The owners of such permitted pets shall confine them to their respective Lots such that they will not be a nuisance. Owners of dogs shall so control or confine them so as to avoid barking which will annoy or disturb adjoining Owners.

(g) *Outside Burning.* No trash, leaves, or other materials shall be burned upon a Lot.

(h) *Antennas and Receivers.* No satellite receiver, down-link, or exterior antenna shall be permitted on any Lot without the prior written consent of the Architectural Review Board. The Architectural Review Board shall not be obligated to give its consent to the installation of any exterior television antenna if television reception is available from underground cable connections serving the Lot or to the installation of any other exterior antenna if all Owners of Lots within 200 feet of the Lot upon which the proposed antenna would be erected do not consent in writing to the installation thereof.

(i) *Exterior Lights.* No exterior lights shall be erected or maintained between the building line and rear lot line so as to shine or reflect directly upon another Lot.

(j) *Electric Bug Killers.* Electric bug killers, "zappers" and other similar devices shall not be installed at a location or locations which will result in the operation thereof becoming a nuisance or annoyance to other Owners and shall only be operated when outside activities require the use thereof and not continuously.

(n) *Maintenance of Lots Owned by Declarant.* Declarant shall have the responsibility to maintain all lots owned by Declarant.

8. *Williams Mill Homeowners Association, Inc.*

(a) *Membership.* Each Owner shall automatically be a member and shall enjoy the privileges and be bound by the obligations contained in the Articles and By-Laws. If a Person would realize upon his security and become an Owner, he shall then be subject to all the requirements and limitations imposed by this Declaration on other Owners, including those provisions with respect to the payment of Assessments.

(b) *Powers.* The Corporation shall have such powers as are set forth in this Declaration and in the Articles, together with all other powers that belong to it by law.

(c) *Classes of Members.* The Corporation shall have two (2) classes of members as follows:

Class A. Every Person who is an Owner shall be a Class A member.

Class B. Declarant shall be a Class B member. No other person, except a successor to substantially all of the interest of Declarant in the Development Area, shall hold a Class B membership in the Corporation. The Class B membership shall terminate upon the resignation of the Class B member, when all of the Lots in the Development Area (as depicted on the General Plan of Development) have been sold, or on January 1, 2010, whichever first occurs.

(d) *Voting and Other Rights of Members.* The voting and other rights of members shall be as specified in the Articles and By-Laws, except that a Class B member shall have ten (10) votes for each Lot owned by the Class B member.

(e) *Reserve for Replacements.* The Board of Directors may establish and maintain the Reserve for Replacements by the allocation and payment to such reserve fund of an amount determined annually by the Board to be sufficient to meet the cost of periodic maintenance, repairs, renewal and replacement of the Community Area. In determining the amount the Board shall take into consideration the expected useful life of the Community Area, projected increases in the cost of materials and labor, interest to

be earned by such fund and the advice of Declarant or such consultants as the Board may employ. The Reserve for Replacements shall be deposited in a special account with a lending institution the accounts of which are insured by an agency of the United States of America or may, in the discretion of the Board, be invested in obligations of, or fully guaranteed as to principal by, the United States of America.

(f) *Limitations on Action by the Corporation.* Unless the Class B Member and at least two-thirds (2/3) of the Mortgages (based on one vote for each first mortgage owned) or two-thirds (2/3) of the Class A members (other than Declarant) have given their prior written approval, the Corporation, the Board of Directors and the Owners may not: (i) except as authorized by Paragraph 10(a), by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Community Area (but the granting of easements for public utilities or other public purposes consistent with the intended use of the Community Area shall not be deemed a transfer for the purposes of this clause); (ii) fail to maintain fire and extended coverage on insurable Community Area on a current replacement cost basis in an amount at least one hundred percent (100%) of the insurable value (based on current replacement cost); (iii) use hazard insurance proceeds for losses to any Community Area for other than the repair, replacement or reconstruction of the Community Area; (iv) change the method of determining the obligations, assessments, dues or other charges that may be levied against the Owner of a Residence; (v) by act or omission change, waive or abandon any scheme of regulations or their enforcement pertaining to the architectural design or the exterior appearance of Residences, or the maintenance and upkeep of the Community Area; or (vi) fail to maintain the Reserve or Replacements in the amount required by this Declaration.

(g) *Mergers.* Upon a merger or consolidation of another corporation with the corporation, its properties, rights and obligations may, as provided in its articles of incorporation or, alternately, the properties, rights and obligations of another corporation may by operation of law be added to the properties, rights and obligations of the Corporation as a surviving corporation pursuant to a merger. The surviving or consolidated corporation may administer the covenants and restrictions established by this Declaration within the Tract together with the covenants and restrictions established upon any other properties as one scheme. No other merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by this Declaration within the Tract except as hereinafter provided.

(h) *Termination of Class B Membership.* Wherever in this Declaration the consent, approval or vote of the Class B member is required, such requirement shall cease at such time as the Class B membership terminates, but no such termination shall affect the rights and powers of Declarant set forth in this declaration.

9. Assessments.

(a) Creation of the Lien and Personal Obligation of Assessments. Declarant hereby covenants, and each Owner of any Lot by acceptance of a deed thereto, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Corporation the following: (1) General Assessments; (2) Architectural Control Assessments and (3) Special Assessments, such Assessments to be established and collected as hereinafter provided.

All Assessments, together with interest thereon and costs of collection thereof, shall be a charge on the land and shall be a continuing lien upon the Lot against which each Assessment together with interest thereon and costs of collection thereof, shall also be the personal obligation of the Person who was the Owner of the Lot at the time when the Assessment became due.

(b) General Assessment.

(i) Purpose of Assessment. The General Assessment levied by the Corporation shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners of Lots, for the improvement, maintenance and operation of the Community Area and Lots, and for the performance of the duties and responsibilities of the Corporation established by this Declaration.

(ii) Basis for Assessment.

(1) Lots Generally. Each lot owned by a Person other than the Declarant or Builder of a Residence shall be assessed at a uniform rate without regard to whether a Residence has been constructed upon the Lot.

(2) Lots Owned by Declarant or Builder. No Lot owned by Declarant or the Builder of a Residence shall be assessed by the Corporation except such Lots as have been improved by the construction thereon of Residences which shall be subject to assessment as provided in Clause (1) above.

The basis of assessment may be changed with the assent of the Class B member and of (i) two-thirds (2/3) of the Class A members (excluding Declarant) or two-thirds (2/3) of the Mortgagees (based on one vote for each first mortgage owned) who are voting in person or by proxy at a meeting of such members duly called for this purpose.

(iii) Method of Assessment. By a vote of a majority of the Directors, the Board of Directors shall, on the basis specified in subparagraph (ii), fix the General Assessment for each assessment year of the Corporation at an amount sufficient to meet the obligations imposed by this Declaration upon

the Corporation. The Board of Directors shall establish the date(s) the General Assessment shall become due, and the manner in which it shall be paid. The foregoing notwithstanding, until December 31, 1998, the uniform rate of the General Assessment for each Lot in the Tract shall be \$225 per month, payable on the first day of each calendar quarter, beginning on January 1, 1998.

(c) *Special Assessment.* In addition to such other Special Assessments as may be authorized herein, the Corporation may levy in any fiscal year a Special Assessment applicable to that year and not more than the next four (4) succeeding fiscal years for the purpose of defraying, in whole or in part, the cost of any construction, repair, or replacement of a capital improvement upon the Community Area, including fixtures and personal property relating thereto, provided that any such Assessment shall have the assent of the Class B member and of a majority of the votes of the Class A members whose Lots are subject to assessment with respect to the capital improvement who are voting in person or by proxy at a meeting of such members duly called for this purpose.

(d) *Date of Commencement of General Assessments.* The General Assessment shall commence with respect to assessable Lots on the first day of the month following conveyance of the first Lot in the Section to an Owner who is not Declarant. (e) *Effect of Nonpayment of Assessments: Remedies of the Corporation.* Any Assessment not paid within thirty (30) days after the due date may upon resolution of the Board of Directors bear interest from the due date at a percentage rate no greater than the current statutory maximum annual interest rate, to be set by the Board of Directors for each assessment year. The Corporation shall be entitled to institute in any court of competent jurisdiction any lawful action to collect a delinquent Assessment plus any expenses or costs, including attorneys' fees, incurred by the Corporation in collecting such Assessment. If the Corporation has provided for collection of any Assessment or installments, upon default in the payment of any one or more installments, the Corporation may accelerate payment and declare the entire balance of said Assessment due and payable in full. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Community Area or abandonment of his Lot.

(f) *Subordination of the Lien to Mortgages.* The lien of the Assessments provided for herein against a Lot shall be subordinate to the lien of any recorded first mortgage covering such Lot and to any valid tax or special assessment lien on such Lot in favor of any governmental taxing or assessing authority. Sale or transfer of any Lot shall not affect the assessment lien. The sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall, however, extinguish the lien of such Assessments as to payments which became due more than six (6) months prior to such

the Corporation. The Board of Directors shall establish the date(s) the General Assessment shall become due, and the manner in which it shall be paid. The foregoing notwithstanding, until December 31, 1998, the uniform rate of the General Assessment for each Lot in the Tract shall be \$ _____ per month, payable on the first day of each calendar quarter, beginning on January 1, 1998.

(c) *Special Assessment.* In addition to such other Special Assessments as may be authorized herein, the Corporation may levy in any fiscal year a Special Assessment applicable to that year and not more than the next four (4) succeeding fiscal years for the purpose of defraying, in whole or in part, the cost of any construction, repair, or replacement of a capital improvement upon the Community Area, including fixtures and personal property relating thereto, provided that any such Assessment shall have the assent of the Class B member and of a majority of the votes of the Class A members whose Lots are subject to assessment with respect to the capital improvement who are voting in person or by proxy at a meeting of such members duly called for this purpose.

(d) *Date of Commencement of General Assessments.* The General Assessment shall commence with respect to assessable Lots on the first day of the month following conveyance of the first Lot in the Section to an Owner who is not Declarant. The initial General Assessment on an assessable Lot shall be adjusted according to the days remaining in the month in which the Lot became subject to assessments.

(e) *Effect of Nonpayment of Assessments: Remedies of the Corporation.* Any Assessment not paid within thirty (30) days after the due date may upon resolution of the Board of Directors bear interest from the due date at a percentage rate no greater than the current statutory maximum annual interest rate, to be set by the Board of Directors for each assessment year. The Corporation shall be entitled to institute in any court of competent jurisdiction any lawful action to collect a delinquent Assessment plus any expenses or costs, including attorneys' fees, incurred by the Corporation in collecting such Assessment. If the Corporation has provided for collection of any Assessment or installments, upon default in the payment of any one or more installments, the Corporation may accelerate payment and declare the entire balance of said Assessment due and payable in full. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Community Area or abandonment of his Lot.

(f) *Subordination of the Lien to Mortgages.* The lien of the Assessments provided for herein against a Lot shall be subordinate to the lien of any recorded first mortgage covering such Lot and to any valid tax or special assessment lien on such Lot in favor of any governmental taxing or assessing authority. Sale or transfer of any Lot shall not affect the assessment lien. The sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall, however, extinguish the lien of such Assessments as to payments which became due more than six (6) months prior to such

sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

(g) *Certificates.* The Corporation shall, upon demand by an Owner, at any time, furnish a certificate in writing signed by an officer of the Corporation that the Assessments on a Lot have been paid or that certain Assessments remain unpaid, as the case may be.

(h) *Annual Budget.* By a majority vote of the Directors, the Board of Directors shall adopt an annual budget for the subsequent fiscal year, which shall provide for allocation of expenses in such a manner that the obligations imposed by the Declaration and all Supplemental Declarations will be met.

10. *Architectural Control*

(a) *Architectural Review Board.* An Architectural Review Board consisting of two (2) or more persons as provided in the By-Laws shall be appointed by the Class B member. At such time as there is no Class B member, the Architectural Review Board shall be appointed by the Board of Directors.

(b) *Purpose.* The Architectural Review Board shall regulate the external design, appearance, use, location and maintenance of the Tract and of improvements thereon in such manner as to preserve and enhance values and to maintain a harmonious relationship among structures, improvements and the natural vegetation and topography.

(c) *Conditions.* Except as otherwise expressly provided in this Declaration, no improvements, alterations, repairs, change of colors, excavations, changes in grade, planting or other work that in any way alters any Lot or the exterior of the improvements located thereon from its natural or improved state existing on the date such Lot was first conveyed in fee by Declarant to an Owner shall be made or done without the prior approval of the Architectural Review Board of a Lot Development Plan therefore. Prior to the commencement by any Owner other than Declarant of (i) construction, erection or alteration of any Residence, building, fence, wall, swimming pool, tennis court, patio, or other structure on a Lot or (ii) any plantings on a Lot, a Lot Development Plan with respect thereto shall be submitted to the Architectural Review Board, and no building, fence, wall, Residence or other structure shall be commenced, erected, maintained, improved, altered, made or done, or any plantings made, by any person other than Declarant without the prior written approval of the Architectural Review Board of a Lot Development Plan relating to such construction, erection, alteration or plantings. Such approval shall be in addition to, and not in lieu of, all approvals, consents, permits and/or variances required by law from governmental authorities having jurisdiction over Williams Mill, and no Owner shall undertake any construction activity within Williams Mill unless all legal requirements have been satisfied.

Each Owner shall complete all improvements to a Lot strictly in accordance with the Lot Development Plan approved by the Architectural Review Board. As used in this subparagraph (c), "plantings" does not include flowers, bushes, shrubs or other plants having a height of less than eighteen (18) inches.

(d) *Procedures.* In the event the Architectural Review Board fails to approve, modify or disapprove in writing a Lot Development Plan within sixty (60) days after notice of such plan has been duly filed with the Architectural Review Board in accordance with procedures established by Declarant or, if Declarant is no longer a Class B member, the Board of Directors' approval will be deemed denied. A decision of the Architectural Review Board (including a denial resulting from the failure of such Board to act on the plan within the specified period) may be appealed to the Board of Directors which may reverse or modify such decision (including approval of a Lot Development Plan deemed denied by the failure of the Architectural Review Board to act on such plan within the specified period) by a two-thirds vote of the Directors then serving.

(e) *Guidelines and Standards.* The Architectural Review Board shall have the power to establish and modify from time to time such written architectural and landscaping design guidelines and standards as it may deem appropriate to achieve the purpose set forth in subparagraph (b) to the extent that such design guidelines and standards are not in conflict with the specific provisions of this Declaration. Any such guideline or standard may be appealed to the Board of Directors which may terminate or modify such guideline or standard by a two-thirds (2/3) vote of the Directors then serving.

(f) *Application of Guidelines and Standards.* The Architectural Review Board shall apply the guidelines and standards established pursuant to subparagraph (e) in a fair, uniform and reasonable manner consistent with the discretion inherent in the design review process. In disapproving any Lot Development Plan, the Architectural Review Board shall furnish the applicant with specific reasons for such disapproval and may suggest modifications in such plan which would render the plan acceptable to the Board if resubmitted.

(g) *Design Consultants.* The Architectural Review Board may utilize the services of architectural, engineering and other Persons possessing design expertise and experience in evaluating Lot Development Plans. No presumption of a conflict of interest or impropriety shall be drawn or assumed by virtue of the fact that any of such consultants may, from time to time, represent Persons filing Lot Development Plans with the Architectural Review Board.

(h) *Exercise of Discretion.* Declarant intends that the members of the Architectural Review Board exercise discretion in the performance of their duties consistent with the provisions of subparagraph (f), and every Owner by the purchase of a Lot shall be conclusively presumed to have consented to the exercise of discretion by such members. In any judicial proceeding challenging a determination by the

Architectural Review Board and in any action initiated to enforce this Declaration in which an abuse of discretion by the Architectural Review Board is raised as a defense, abuse of discretion may be established only if a reasonable Person, weighing the evidence and drawing all inferences in favor of the Board, could only conclude that such determination constituted an abuse of discretion.

11. Community Area

(a) *Ownership.* The Community Area shall remain private, and neither Declarant's execution or recording of an instrument portraying the Community Area, nor the doing of any other act by Declarant is, or is intended to be, or shall be construed as, a dedication to the public of such Community Area. Declarant or the Corporation may, however, dedicate or transfer all or any part of the Community Area to any public agency, authority or utility for use as roads, utilities, parks or other public purposes.

(b) *Density of Use.* Declarant expressly disclaims any warranties or representations regarding the density of use of the Community Area or any facilities located thereon.

(c) *Obligations of the Corporation.* The Corporation, subject to the rights of Declarant and the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Community Area and all improvements thereon (including furnishings and equipment related thereto), and shall keep the Community Area in good, clean, attractive and sanitary condition, order and repair.

(d) *Easements of Enjoyment.* No person shall have any right or easement of enjoyment in or to the Community Area except to the extent granted by, and subject to the terms and provisions of, this Declaration or any Supplemental Declaration executed by Declarant. Such rights and easements as are thus granted shall be appurtenant to and shall pass with the title to every Lot for whose benefit they are granted.

(e) *Extent of Easements.* The easements of enjoyment created hereby shall be subject to the following:

(i) the right of the Corporation to establish reasonable rules for the use of the Community Area;

(ii) the right of the Corporation to suspend the right of an Owner and all Persons whose right to use the Community Area derives from such Owner's ownership of a Lot to use such portions of the Community Area for any period during which any Assessment against his Lot remains unpaid for more than thirty (30) days after notice;

(iii) the right of the corporation to suspend the right of an Owner or any Person claiming through the Owner to use the Community Area for a period not to exceed sixty (60) days for any other infraction of this Declaration, any Supplemental Declaration or the Register of Regulations;

(iv) the right of the Corporation to mortgage any or all of the Community Area and the Facilities constructed therein for the purposes of improvements to, or repair of, the Community Area or facilities constructed thereon, pursuant to approval of the Class B member and two-thirds (2/3) of the votes of the Class A members (excluding Declarant) or two-thirds (2/3) of the Mortgagees (based on one vote for each first mortgage owned), voting in person or by proxy at a regular meeting of the Corporation or a meeting duly called for this purpose; and

(v) the right of the Corporation to dedicate or transfer all or any part of the Community Area to any public agency, authority or utility, but no such dedication or transfer shall be effective unless an instrument signed by the Class B member, if any, and the appropriate officers of the Corporation acting pursuant to authority granted by two-thirds (2/3) of the votes of the Class A members (excluding Declarant) or two-thirds (2/3) of the Mortgagees (based on one vote for each mortgage owned), agreeing to such dedication or transfer, has been recorded.

(f) *Additional Rights of Use.* The members of the family and the guests of every Person who has a right of enjoyment to the Community Area and Facilities subject to such general regulations consistent with the provisions of this Declaration and all Supplemental Declarations as may be established from time to time by the Corporation and included within the Register of Regulations.

(g) *Damage or Destruction by Owner.* In the event the Community Area, Residence or Lot is damaged or destroyed by an Owner or any of his guests, tenants, licensees, agents, or member of his family, such Owner authorizes the Corporation to repair said damaged area. If the Corporation shall undertake the repair of the damaged area, the repair shall be in a good and workmanlike manner, in conformance with the original plans and specifications of the area involved or as the area may have been modified or altered subsequently by the Corporation, in the discretion of the Corporation. An amount equal to the costs incurred to effect such repairs shall be assessed against such Owner as a Special Assessment and shall constitute a lien upon the Lot of said Owner.

(h) *Conveyance of Title.* Declarant may retain the legal title to the Community Area or any portion thereof until such time as it has completed improvements thereon but notwithstanding any provision herein, the Common Area shall be conveyed to the Association not later than two (2) years from the date the Common Area or part thereof is subjected to this Declaration. Owners shall have all the rights and obligations imposed

by this Declaration with respect to such Community Area prior to conveyance, except that the Corporation shall not be liable for payment of taxes and insurance for such Community Area until title is conveyed.

12. Additional Duties and Responsibilities of the Association. The Association shall provide snow removal for all streets and all private driveways. The Association shall provide trash removal for all Lots on a periodic basis, not less often than once per week, as determined by the Association. The Association shall be responsible for the repair and maintenance of the irrigation system located on each Lot except for such repair and maintenance resulting from the damage or neglect of the Lot Owner. The Association shall not have the responsibility for the replacement of the irrigation system on each Lot. The Association shall be responsible for the maintenance of the lawn of each lot, including grass mowing, fertilization, trimming of bushes and shrubs in mulch beds, edging, and leaf removal. The Lot Owner shall have the duty and responsibility to replace all plant material installed on his Lot. For the additional duties to be performed by the Association hereunder, the Association shall have a blanket easement upon, across, over, and under each Lot.

13. Easements.

(a) Plat Easements. In addition to such easements as are created elsewhere in this Declaration and as may be created by Declarant pursuant to written instruments recorded in the Office of the Recorder of Hamilton County, Indiana, Lots are subject to drainage easements, sewer easements, utility easements, entry way easements, landscape easements and non-access easements, either separately or in any combination thereof, as shown on the Plats, which are reserved for the use of Declarant, Owners, the Corporation, the Architectural Review Board, public utility companies and governmental agencies as follows:

(i) Drainage Easements ("DE") are created to provide paths and courses for area and local storm drainage, either overland or in adequate underground conduit, to serve the needs of Williams Mill and adjoining ground and/or public drainage systems; and it shall be the individual responsibility of each Owner to maintain the drainage across his own Lot. Under no circumstance shall said easement be blocked in any manner by the construction or reconstruction or any improvement, nor shall any grading restrict, in any manner, the waterflow. Said areas are subject to construction or reconstruction to any extent necessary to obtain adequate drainage at any time by any governmental authority having jurisdiction over drainage, by Declarant, and by the Architectural Review Board, but neither Declarant nor the Architectural Review Board shall have any duty to undertake any such construction or reconstruction. Said easements are for the mutual use and benefit of the Owners.

(ii) Sewer Easements ("SE") are created for the use of the local governmental agency having jurisdiction over any storm and sanitary waste disposal system

which may be designed to serve Williams Mill for the purpose of installation and maintenance of sewers that are a part of said system.

(iii) Utility Easements ("UE") are created for the use of Declarant, the Corporation and all public utility companies, not including transportation companies, for the installation and maintenance of mains, ducts, poles, lines and wires, as well as for all uses specified in the case of sewer easements.

(iv) Entry Way Easements ("EWE") are created for the use of Declarant, the Architectural Review Board and the Corporation for the installation, operation and maintenance of the Entry Ways.

(v) Landscape Easements ("LSE") are created for the use of Declarant, the Architectural Review Board and the Corporation for the planting and maintenance of trees, shrubs and other plantings.

(vi) Community Area Access Easements ("CAAE") are created for the purpose of gaining access to the Community Area in the course of maintenance, repair or replacement thereof.

(vii) Non-Access Easements ("NAE") are created to preclude access from certain Lots to abutting rights-of-way across the land subject to such easements.

(viii) Private Drive Easements ("PDE") are created for the purpose of providing vehicular and pedestrian access to and from the Lots.

All easements mentioned herein include the right of reasonable ingress and egress for the exercise of other rights reserved. No structure, including fences, shall be built on any drainage, sewer or utility easement if such structure would interfere with the utilization of such easement for the purpose intended or violate any applicable legal requirement or the terms and conditions of any easement specifically granted to a Person who is not an Owner by an instrument recorded in the Office of the Recorder of Hamilton County, but a concrete or asphalt driveway necessary to provide access to a Lot from a public street and a sidewalk installed by or at the direction of Declarant (and replacements thereof shall not be deemed a "structure" for the purpose of this Restriction.)

(b) *General Easement.* There is hereby created a blanket easement over, across, through and under the Tract for ingress and egress, installation, replacement repair and maintenance of underground utility and service lines and systems, including but not limited to water, sewers, gas, telephones, electricity, television, cable or communication lines and systems. By virtue of this easement it shall be expressly permissible for Declarant or the providing utility or service company to install and maintain Facilities and equipment on the Tract and to excavate for such purposes if Declarant or such company restores the disturbed area as nearly as is practicable to the condition to which it was

found. No sewers, electrical lines, water lines, or other utility service lines or Facilities for such utilities may be installed or relocated except as proposed and approved by Declarant prior to the conveyance of the first Lot to an Owner or by the Architectural Review Board thereafter. Should any utility furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, Declarant or the Corporation shall have the right to grant such easement on the Tract without conflicting with the terms thereof. This blanket easement shall in no way affect any other recorded easements on the Tract and shall be limited to improvements as originally constructed, and shall not cover any portion of a lot upon which a Residence has been constructed.

(c) *Public Health and Safety Easements.* An easement is hereby created for the benefit of, and granted to, all police, fire protection, ambulance, delivery vehicles, and all similar persons to enter upon the Community Area in the performance of their duties.

(d) *Drainage Board Easement.* An easement is hereby created for the benefit of, and granted to, the Drainage Board to enter the Tract and all Lots therein to the extent necessary to exercise its rights with respect to any legal drain constituting a part of the Drainage System.

(e) *Crossing Underground Easements.* Easements utilized for underground service may be crossed by driveways, walkways, Lake Access Easements and Community Area Access Easements provided prior arrangement are made with the utility company furnishing service. Such easements as are actually utilized for underground service shall be kept clear of all other improvements, including buildings, patios or other pavings, other than crossings, driveways, walkways, Lake Access Easements or Community Area Access Easements, and neither Declarant nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, agents, employees, or services to shrubbery, trees, flowers or other improvements of the Owner located on the land covered by said easements.

(f) *Declarant's Easement to Correct Drainage.* For a period of ten (10) years from the date of conveyance of the first Lot, Declarant reserves a blanket easement and right on, over and under the ground to maintain and to correct drainage of surface water in order to cut any trees, bushes or shrubbery, make any gradings of the soil, or to take any other similar action reasonably necessary, following which Declarant shall restore the affected property to its original condition as nearly as practicable. Declarant shall give reasonable notice of its intention to take such action to all affected Owners, unless in the opinions of Declarant an emergency exists which precludes such notice.

(g) *Water Retention.* The Owner of each Lot, by acceptance of a deed thereto, consents to the temporary storage (retention) of storm water within the drainage easements (DE) on such Owner's Lot.

(h) *Street Lights.* The owner of each Lot on which a street light is installed by Declarant consents to the placement of a street light on such Lot and agrees that the Corporation shall have the right to enter upon the Lot for the purpose of maintaining the street light.

14. *Declarant's Use During Construction.* Notwithstanding any provisions to the contrary contained herein or in any other instrument or agreement, Declarant or its sales agents or contractors may maintain during the period of construction and sale of Lots and Residences in the Tract or the Development Area, upon such portion thereof as is owned or leased by the Declarant, upon such facilities as in the sole opinion of Declarant may be reasonably required, convenient or incidental to the construction and sale of Lots and Residences, including, but without limiting the generality thereof, a business office, storage area, construction yards, signs, model Residences and sales offices.

15. *Enforcement.* The Corporation, any Owner or Declarant shall have the right to enforce, by proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration and of any Supplemental Declaration, but neither Declarant nor the Corporation shall be liable for damage of any kind to any Person for failure either to abide by, enforce or carry out any of the Restrictions.

No delay or failure by any Person for failure either to abide by, enforce or carry out any of the Restrictions or to invoke any available remedy with respect to a violation or violations thereof shall under any circumstances be deemed or held to be a waiver by that Person of the right to do so thereafter, or an estoppel of that Person to assert any right available to him upon the occurrence, recurrence or continuation of any violation or violations of the Restrictions. In any action to enforce this Declaration, the Person seeking enforcement shall be entitled to recover all costs of enforcement, including attorney's fees, if it substantially prevails in such action.

16. *Limitations on Rights of the Corporation.* As long as there is a Class B member, the Corporation may not use its resources nor take a public position in opposition to the General Plan of Development or to changes thereto proposed by Declarant. Nothing in this paragraph shall be construed to limit the rights of the Members acting as individuals or in affiliation with other Members or groups as long as they do not employ the resources of the Corporation or identify themselves as acting in the name, or on the behalf, of the Corporation.

17. *Approvals by Declarant.* As long as there is a Class B member, the following actions shall require the proper approval of Declarant: declarations within the Tract or of the Tract with other real estate; mortgaging of the Community Area; amendment of this Declaration and any Supplemental Declaration; and changes in the basis for assessment or the amount, use and time of payment of the initial Assessment for the Community Area.

18. *Mortgages.*

(a) *Notice to Corporation.* Any Owner who places a first mortgage lien upon his Residence or the Mortgagee shall notify the Secretary of the Board of Directors of such Mortgage and provide the name and address of the Mortgagee. A record of such Mortgagee's name and address shall be maintained by the Secretary and any notice required to be given to the Mortgagee pursuant to the terms of the Declaration, any Supplemental Declaration, the Articles or the By-Laws (the "Organizational Documents") shall be deemed effectively given if mailed to such Mortgagee at the address shown in such record in the time provided. Unless notification of any such mortgage and the name and address of Mortgagee are furnished to the Secretary, either by the Owner or the Mortgagee, no notice to any Mortgagee as may be otherwise required by the Organizational Documents shall be required and no Mortgagee shall be entitled to vote by virtue of the Organizational Documents or a proxy granted to such Mortgagee in connection with the mortgage.

(b) *Notices to Mortgagees.* The Corporation shall promptly provide to any Mortgagee of whom the Corporation has been provided notice under subparagraph (a) above notice of any of the following:

(i) Any condensation or casualty loss that affects a material portion of the Community Area;

(ii) Any delinquency in the payment of any Assessment owned by the Owner of any Residence on which said Mortgagee holds a mortgage or any default by an Owner under the Organizational Documents, if said delinquency or default continues for more than sixty (60) days;

(iii) Any lapse, cancellation or material modifications of any insurance policy of fidelity bond maintained by the Corporation;

(iv) Any proposed action that requires the consent of a specified percentage of Mortgages; and,

(v) Any proposed amendment of the Organizational Documents effecting a change in (A) the interests in the Community Area appertaining to any Residence or the liability for Maintenance Costs appertaining thereto, (B) the vote appertaining to a Residence or (C) the purposes for which any Residence or the Community Area are restricted.

(c) *Notice of Unpaid Assessment.* The Corporation shall, upon request of a Mortgagee, a proposed mortgage, or a proposed purchaser who has a contractual right to purchase a Residence, furnish to such mortgagee or purchaser a statement setting forth the amount of the unpaid Assessments against the Residence and the Owners, and any

Mortgagee or grantee of the Residence shall not be liable for, nor shall the Residence conveyed be subject to a lien for, any unpaid Assessments in excess of the amount set forth in such statement.

(d) *Financial Statements.* Upon the request of any Mortgagee, the Corporation shall provide to said Mortgagee the most recent financial statement prepared on behalf of the Corporation.

(e) *Payments by Mortgagees.* Any Mortgagee may (i) pay taxes or other charges that are in default and that may or have become a lien upon the Community Area or any part thereof and (ii) pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage for the Community Area in case of a lapse of a policy. A Mortgagee making such payments shall be entitled to immediate reimbursement from the Corporation.

19. Amendments.

(a) *Generally.* This Declaration may be amended at any time by an instrument signed by (i) the appropriate officers of the Corporation acting pursuant to the authority granted by not less than two-thirds (2/3) of the votes of the Class A members cast at a meeting duly called for the purpose of amending this Declaration and, to the extent required herein (ii) Declarant.

(b) *By Declarant.* Declarant hereby reserves the right unilaterally to amend and revise the standards, covenants and restrictions contained in this Declaration during the period prior to December 31, 2010. Such amendments shall be in writing, executed by Declarant, and recorded with the Recorder of Hamilton County, Indiana. No such amendment, however, shall restrict or diminish the rights or increase or expand the obligations of Owners with respect to Lots conveyed to such Owners prior to the amendment or adversely affect the rights and interests of Mortgagees holding first mortgages on Residences at the time of such amendment. Declarant shall give notice in writing to such Owners and Mortgagees of any amendments. Except to the extent authorized herein, Declarant shall not have the right at any time by amendment of this Declaration to grant or establish any easement through, across or over any Lot which Declarant has previously conveyed without the consent of the Owner of such Lot.

(c) *Effective Date.* Any amendment shall become effective upon its recordation in the Office of the Recorder of Hamilton County, Indiana.

20. Interpretation. The aforesaid titles preceding the various paragraphs and subparagraphs of this Declaration are for convenience of reference only, and none of them shall be used as an aid to the construction of any provision of this Declaration. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

21. Duration. The foregoing covenants and restrictions are for the mutual benefit and protection of the present and future Owners, the Corporation, and Declarant, and shall run with the land and shall be binding on all parties and all Persons claiming under them until January 1, 2020, at which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) year, unless changes in whole or in part by vote of those Persons who are then the Owners of a majority of the Lots in the Tract.

22. Severability. Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions. Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

23. Non-Liability of Declarant. Declarant shall not have any liability to an Owner or to any other Person with respect to drainage on, over or under a Lot. Such drainage shall be the responsibility of the Owner of the Lot upon which a Residence is constructed and of the builder of such Residence and an Owner, by an acceptance of a deed to a Lot, shall be deemed to have agreed to indemnify and hold Declarant free and harmless from and against any and all liability arising from, related to, or in connection with drainage on, over and under the Lot described in such deed. Declarant shall have no duties, obligations or liabilities hereunder except such as are expressly assumed by Declarant, and no duty of, or warranty by, Declarant shall be implied by or inferred from any term or provision of this Declaration.

24. Private Streets. Declarant hereby covenants that it shall convey and transfer the Private Streets included in and constituting a part of the Real Estate to the Association upon the completion of such Private Streets. The Private Streets so conveyed by Declarant to the Association shall, at the time of such conveyance, be subject to all easements, covenants, conditions, limitations and restrictions then of record, but shall be free and clear of all liens and financial encumbrances, other than the lien of the then-current non-delinquent installment of real estate taxes and assessments and subsequent installments thereof, which shall thereafter be paid when due by the Association, and shall be further subject to the terms and provisions of this Declaration. Declarant reserves unto itself, its successors and assigns, and hereby establishes for each Owner(s) of Lots, their guests and invitees, and all public and quasi-public vehicles, an easement for ingress and egress on and over the Private Streets. The terms "public vehicles" and "quasi-public vehicles" shall include, but shall not be limited to, vehicles operated for police and fire protection, ambulances and other emergency vehicles, for trash and garbage collection, and for mail and other delivery services operated in the performance of their duties.

25. Notice of Private Street. Each Owner, by the acceptance of a deed to a Lot, acknowledges that all streets in Williams Mill are Private Streets and that the maintenance, repair and replacement of such Private Streets is the sole responsibility of the Association as described herein; each Owner further agrees that by the acceptance of a deed to a Lot he waives the right

to request the dedication of the Private Street to the City of Carmel, Indiana, or to the Board of Hamilton County Commissioners.

26. Dedication of Streets. In the event the Tract is annexed to the City of Carmel by January 27, 2002, the Association shall petition the City of Carmel Board of Public Works and Safety to accept the dedication of the Private Streets in Williams Mill as public streets.

27. Limited Drainage Easement ("LDE"). The designation "Limited Drainage Easement" ("LDE") identifies the part of the Tract reserved for a drainage easement pursuant to a Grant of Drainage Easement by and between Pittman Development, Inc. ("Grantor") and JEC Partnership, L.P. ("Grantee") dated the 30th day of June, 1997, as recorded in the Office of the Recorder of Hamilton County, Indiana. No improvements of any kind or nature may be constructed or placed within the Limited Drainage Easement.

IN TESTIMONY WHEREOF, Declarant has executed this Declaration as of the date set forth above.
