covenants and agrees, and each Owner of any Lot within the Original
Real Estate or the Additional Real Estate, by acceptance of a
deed therefor, whether or not it shall be so expressed in such

If any assessment is thus delinquent, it shall bear interest from the due date at the rate of seven percent (7%) per annum, and Declarant may bring an action at law against the Owner of such Lot to collect the same or foreclose the lien against the Lot, or both, and there shall be added to the amount of such assessment all attorney fees and other costs of collection. Such assessment shall be paid without relief from valuation or appraisement laws. If any Owner fails to pay any such assessment

within thirty (30) days after the due date, all rights to use and enjoy the Common Properties shall be suspended until all amounts then delinquent have been paid in full.

Section 4. Subordination of the Lien to Mortgages.

The lien of any assessment provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the Lots subject to assessment; PROVIDED, HOWEVER, that such subordination shall apply only to the assessments which have become due and payable prior to the sale of such property pursuant to a decree of foreclosure of any such mortgage.

Such sale shall not relieve such property from liability for any assessments thereafter becoming due nor from the lien of any subsequent assessment.

subject to the lien hereof shall become subject to the lien of a mortgage, (a) the foreclosure of the lien hereof shall not operate to affect or impair the lien of the mortgage; and (b) the foreclosure of the lien of the mortgage or the acceptance of a deed in lieu of foreclosure by the mortgage shall not operate to affect or impair the lien hereof, except that the lien hereof for said charges as shall have accrued up to the foreclosure or the acceptance of a deed in lieu of foreclosure shall be subordinate to the lien of the mortgage; and the foreclosure or deed in lieu grantee shall take title free of the lien hereof for all such charges that have accrued up to the time of the foreclosure or deed given in lieu of foreclosure.

At any time or from time to time hereafter that Declarant deems appropriate, Declarant may convey the Common Properties or any part thereof to a Not-For-Profit Corporation hereafter to be tormed under the Indiana Not-For-Profit Corporation Act (hereinafter called "The Corporation"). Upon such conveyance, all obligations of Declarant with respect to the Common Properties or the portion thereof thus conveyed shall cease and terminate, and thereafter The Corporation shall have the rights and duties In this Declaration with respect to the Common provided Properties or portions thereof thus conveyed and the provisions set forth hereinafter in this Declaration shall be applicable to The Corporation, the Common Properties or the portions thereof thus conveyed, and The Woodlands Property. Any liens in favor of Declarant upon any Lots for assessments theretofore due hereunder shall survive such conveyance.

Declarant prior to making such conveyance shall cause The Corporation to be formed with Articles of Incorporation and By-Laws which contain such terms and provisions as are deemed appropriate by Declarant but shall not be in conflict with any terms and conditions with respect to The Corporation hereinafter set forth.

Such conveyance shall be made by quitclaim deed, subject to no exceptions except the lien of current taxes and all easements, highways, rights-of-way, agreements, covenants, conditions, restrictions and other matters of record as of the time of conveyance, including all matters which Declarant has caused to be placed of record and all matters provided for in this Declaration, and concurrently with such conveyance Corporation shall be deemed

to have assumed and agreed to pay, upon demand, to Declarant, an amount equal to all unpaid assessments then owed to Declarant, and upon payment by Corporation to Declarant of any assessment.

Corporation shall be subrogated to Declarant's rights with regard to such assessment and the lien thereof.

Section 2. Membership in Corporation. Declarant and every owner shall be members of the Corporation, and every person who owns any parcel of real estate lying within any Supplemental Real Estate shall be entitled to be a member as provided below.

- (a) <u>Voting Rights</u>. The Corporation shall have three classes of membership, with the following rights:
  - (i) Class A. Class A members shall be all Owners except Class B members and Class C members. Each Class A member shall be entitled to one (1) vote for each Lot of which such member is the Owner with respect to each matter submitted to a vote of members;
  - (ii) Class B. Class B members shall be Declarant and all successors and assigns of Declarant designated by Declarant as Class B members in a written notice mailed or delivered to the resident agent of the Corporation at the principal office of the Corporation. Each Class B member shall be entitled to four (4) votes for each Lot of which it is the Owner and four (4) votes for each one-half (1/2) acre or part thereof of the Original Real Estate and the Additional Real Estate of which it is the Owner which is not within the area included within a recorded subdivision plat, on all matters requiring a vote of members of The Corporation;
  - (iii) <u>Class C.</u> Class C members shall be all persons who are owners of parcels of real estate lying within the Supplemental Real Estate who have paid the initial fee of \$100. to either Declarant or Corporation, but not both, and the annual fee for the then current year provided for in Section 2 of Article III hereof. Class C members shall have no vote upon any matter except as hereinafter specifically provided.

Article III hereof, and this Section 2 of this Article IV may only be amended by the affirmative vote of two-thirds (2/3) of the Class A members, two-thirds (2/3) of the Class B members, and two-thirds (2/3) of all record owners of real estate lying within the Supplemental Real Estate (whether or not such record owners are Class C members).

Section 3. Creation of Lien. The Declarant, for each Lot owned by it, and each Other Signatory, for each Lot owned by such Other Signatory, within the Original Real Estate and the Additional Real Estate and for their respective heirs, administrators, executors, successors and assigns, hereby covenants and agrees, and each Owner of any Lot by acceptance of a deed therefor, whether or not so expressed in such deed, shall be deemed to covenant and agree, to pay to The Corporation:

- (a) Annual assessments or charges, and
- (b) Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

The annual and special assessments with respect to each Lot, together with interest, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. Notwithstanding the foregoing, no assessment shall be owed or payable by peclarant with respect to any Lot or other real estate owned by Declarant while the same is owned by Declarant, nor shall any assessment become a lien on any such Lot or other real estate.

Section 4. Purpose of Assessments. The assessments levied by The Corporation shall be used exclusively to promote the recreation, health, safety and welfare of the residents of The Woodlands Property and for the improvement and maintenance of the Common Properties. This shall include but not be limited to the payment of taxes and insurance for the Common Properties, grass cutting, repair, replacement and improvements of the

Common Properties, and for such other matters as are deemed proper by the Board of Directors of The Corporation.

Section 5. Maximum Annual Assessments. From the date of conveyance of any of the Common Properties to The Corporation, until the next March 1, the annual assessment shall be Seventy Five Dollars (\$75.00) upon each Lot owned by someone other than Declarant prorated for a partial year.

- (a) On or after March 1 of the year immediately following such conveyance, the annual assessment may be increased each year by the Board of Directors of The Corporation not more than five percent (5%) above the annual assessment for the previous year without a vote of the membership;
- (b) On or after March 1 of the year immediately following the year of such conveyance, the annual assessment may be increased above five percent (5%) by the affirmative vote of two-thirds (2/3) of the members of each class of members entitled to vote who are in attendance in person or by proxy at a meeting called for this purpose.

Section 6. Special Assessment for Capital Improvements. In addition to the annual assessments authorized above, the Comporation may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Properties, including fixtures and personal property related thereto, PROVIDED THAT any such assessment shall have the assent of two-thirds (2/3) of the votes of the members of each class of members entitled to

vote who are in attendance in person or by proxy at a meeting duly called for this purpose.

under Sections 5 and 6. Written notice of any meeting called for the purpose of taking any action authorized under Section 5 or section 6 of this Article VI shall be sent to all members not less than ten (10) days nor more than thirty (30) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast fifty percent (50%) of all the votes of each class of membership entitled to vote shall constitute a quorum. If the required quorum is not present, subsequent meetings may be called subject to the same notice requirements, and the required quorum at each subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than thirty (30) days following the preceding meeting.

Payment: The Board of Directors of the Corporation shall fix the amount of the annual assessment against each but other than those ewed by Declarant at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject to the payment thereof as herein provided. The due date of such annual assessment may be fixed or changed from time to time by the Board of Directors of The Corporation. The Corporation shall, upon demand, furnish a certificate signed by an officer of The Corporation setting forth whether the assessments on a specified Lot have been paid. Such certificates shall be conclusive evidence of

**261** 100

payment of any assessment therein stated to have been paid. If the same is not furnished within ten (10) days after receipt by an officer of the Corporation of a written request for such certificate by any person, the person (other than an Owner) shall have the right to assume that no assessments are owed, and the lien of such assessment shall terminate upon the person who made such a request purchasing or acquiring a mortgage upon such Lot.

Section 9. Effect of Nonpayment of Assessments: Remedies of The Corporation. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum. The Board of Directors of the Corporation shall have the right to suspend the use and enjoyment of the Common Properties of such delinquent member, and The Corporation may bring an action at law against the Owner personally obligated for the payment of the same, or foreclose the lien against the property, and interest, costs and reasonable attorneys' fees for the prosecution of any such action shall be added to the amount of such assessment. Each such Owner, by his acceptance of a deed to a Lot, hereby expressly vests in The Corporation of its agents the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of The Corporation in a like manner as a mortgage on real property.

The lien provided for in this section shall be in favor of The Corporation. The Corporation, acting on behalf of all Owners, shall have the power to bid in an interest foreclosed at

P. 04

foreclosure sale and to acquire and hold, lease, mortgage and convey the same; and to subrogate so much of its right to such liens as may be necessary or expedient to an insurance company continuing to give total coverage notwithstanding nonpayment of such defaulting Owner's portion of the premium. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Properties or abandonment of his Lot.

Section 10. Subordination of the Lien to Mortgages. The lien of any assessment provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the Lots subject to assessment; PROVIDED, HOWEVER, that such subordination shall apply only to the assessments which have become due and payable prior to the sale of such property pursuant to a decree of foreclosure of any such mortgage. Such sale shall not relieve such property from liability for any assessments thereafter becoming due nor from the lien of any subsequent assessment.

Section 11. "Jumior Lien" Provision. If any premises subject to the lien of any assessment shall become subject to the lien of a mortgage, (a) the foreclosure of the lien of such assessment shall not operate to affect or impair the lien of the mortgage; and (b) the foreclosure of the lien of the mortgage or the acceptance of a deed in lieu of foreclosure by the mortgages shall not operate to affect or impair the lien of such assessment, except that the lien of such assessment for said charges as shall have accrued up to the foreclosure or the acceptance of a deed in lieu of foreclosure shall subordinate to the lien of the mortgage and the foreclosure purchaser or deed in lieu grantee shall take title free of the lien of such assessment for all such charges that have accrued up to the time of the foreclosure or deed given in lieu of foreclosure.

261 102

Section 12. Management Agreements. Each Owner hereby agrees to be bound by the terms and conditions of all management agreements entered into by The Corporation.

Section 13. Insurance. The Board of Directors of the Corporation or its duly authorized agent, shall have the authority to and shall obtain insurance for all the Common Properties agains loss or damage by fire or other hazards in an amount sufficient to cover the full replacement cost of any repair or reconstruction ork in the event of damage or destruction from any hazard, and shall also obtain a broad form public liability policy covering all Common Properties and all damage or injury caused by the negligence of The Corporation or any of its agents. Said insurance may include coverage against vandalism.

#### ARTICLE VII

#### General Provisions
