In the event of any legal action being taken under the terms of this paragraph, the prevailing party shall be entitled to recover reasonable attorneys fees.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any

right available to him upon the occurrence, recurrence or continuation of such violation or violations of these Restrictions.

C. Enforcement by Metropolitan Development Commission. These Restrictions may be enforced by the Metropolitan Development Commission of Marion County, Indiana, or its successors or assigns, pursuant to whatever powers or procedures are statutorily available to it for such purpose.

D. Association's Right to Perform Certain Maintenance. In the event that the Owner of any lot in the Development shall fail to maintain his lot and any improvements situated thereon in accordance with the provisions of these Restrictions, the Association shall have the right, by and through its agents or employees or contractors, to enter upon said lot and repair, mow, clean or perform such other acts as may be reasonably necessary to make such lot and improvements situated thereon, if any, conform to the requirements of the Restrictions. The cost therefore to the Association shall be added to and become a part of the annual charge to which said lot is subject, and may be collected in any manner in which such annual charge may be collected. Furthermore, the Developer, Association or any public or governmental division or entity shall have the right to enter upon lots which abut or encroach a pond for purposes of maintenance or upkeep. Except for negligence or unworkmanlike products or services, neither the Association nor any of its agents, employees, or contractors shall be liable for any damage which may result from any maintenance work performed hereunder.

7. EFFECT OF BECOMING AN OWNER.

The Owners of any lot subject to these Restrictions, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent Owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the Owner acknowledges the rights and powers of the Developer and of the Association with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such Owners covenant and agree and consent to and with the Developer, the Association and to and with the Owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

8. TITLES.

The underlined titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provisions of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

9. DURATION.

The foregoing covenants and restrictions are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years, at which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years.

10. AMENDMENT.

This Declaration may be amended at any time by an instrument recorded in the Office of the Recorder of Marion County, Indiana, executed by the Association and at least 75% of the lot owners. Modification or waiver of any provisions of this Declaration shall be done one at a time and not as a whole.

11. SEVERABILITY.

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions. Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

12. LIEN OF ASSESSMENT.

All sums assessed by the Association, but unpaid, including installments of the Annual Assessment and Special Assessments, and any fines duly imposed by the Association, together with late charges, interest, attorney's fees and the costs of collection thereof, shall constitute a lien on the Owners lot prior to all other liens, except only:

- (a) Tax liens on the lot in favor of any assessing unit or special district; and
- (b) All sums unpaid on a first mortgage of record.

The sale or transfer of any lot by foreclosure or by deed in lieu of foreclosure (but not any other transfer), shall extinguish the Assessment lien for payments which became due prior to the date of such sale or transfer, but shall not extinguish the personal liability of the lot Owner for such assessments. No such sale or transfer shall relieve the lot Owner from liability for any assessments thereafter becoming due or from the lien thereof. The lien for sums assessed may be foreclosed by a suit by the Association or the Managing Agent on its behalf in like manner as a mortgage of such property. In any such foreclosure the Owner shall be required to pay a reasonable rental for the use and occupancy of the lot. The Association, upon the affirmative vote of 90% of all the Owners (so authorizing and setting up a special assessment to pay for the same), shall have the power to bid on the lot at any

foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

The initial assessment for Owners in the Development shall be \$100.00 per year, subject to changes as provided for in the By-Laws of the Association.

Every outdoor receptacle for ashes, trash, rubbish or garbage shall be installed underground or shall be so placed and kept as not to be visible from any street within the Development at any time, except at the times when refuse collections are being made.

G. Model Homes. No owner of any lot in the Development shall build or permit the building upon said lot of any dwelling house that is to be used as a model home or exhibit house without permission to do so from the Developer.

H. Temporary Structures. No temporary house, trailer, tent, garage or other outbuilding shall be placed or erected on any lot.

I. Ditches and Swales. It shall be the duty of every Owner of every lot in the Development on which any part of an open storm drainage ditch or swale is situated to keep such portion thereof as may be situated upon his lot continuously unobstructed and in good repair, and to provide for the installation of such culverts upon said lot as may be reasonably necessary to accomplish the purposes of this subsection. Further, drainage easements shall not be altered in any fashion.

J. Utility Services. No utility services shall be installed under finished streets except by jacking, drilling or boring.

K. Wells and Septic Tanks. No water wells shall be drilled on any of the lots nor shall any septic tanks be installed on any of the lots in the Development, unless public sewer tap-in is unavailable.

6. REMEDIES.

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, but, except for negligence or unworkman like product or services, neither the Developer nor the Association shall be liable for damages of any kind to any person for failing either to abide by, enforce or carry out any of these Restrictions. In the event of any legal action being taken under the terms of this paragraph, the prevailing party shall be entitled to recover reasonable attorneys fees.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, recurrence or continuation of such violation or violations of these Restrictions.

C. Enforcement by Metropolitan Development Commission. These Restrictions may be enforced by the Metropolitan Development Commission of Marion County, Indiana, or its successors or assigns, pursuant to whatever powers or procedures are statutorily available to it for such purpose.

D. Association's Right to Perform Certain Maintenance. In the event that the Owner of any lot in the Development shall fail to maintain his lot and any improvements situated thereon in accordance with the provisions of these Restrictions, the Association shall have the right, by and through its agents or employees or contractors, to enter upon said lot and repair, mow, clean or perform such other acts as may be reasonably necessary to make such lot and improvements situated thereon, if any, conform to the requirements of the Restrictions. The cost therefore to the Association shall be added to and become a part of the annual charge to which said lot is subject, and may be collected in any manner in which such annual charge may be collected. Furthermore, the Developer, Association or any public or governmental division or entity shall have the right to enter upon lots which abut or encroach a pond for purposes of

maintenance or upkeep. Except for negligence or unworkmanlike products or services, neither the Association nor any of its agents, employees, or contractors shall be liable for any damage which may result from any maintenance work performed hereunder.

7. EFFECT OF BECOMING AN OWNER.

The Owners of any lot subject to these Restrictions, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent Owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the Owner acknowledges the rights and powers of the Developer and of the Association with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such Owners covenant and agree and consent to and with the Developer, the Association and to and with the Owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

8. TITLES.

The underlined titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provisions of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

9. DURATION.

The foregoing covenants and restrictions are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years, at which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years.

10. AMENDMENT.

This Declaration may be amended at any time by an instrument recorded in the Office of the Recorder of Marion County, Indiana, executed by the Association and at least 75% of the lot owners. Modification or waiver of any provisions of this Declaration shall be done one at a time and not as a whole.

11. SEVERABILITY.

CHICAGO TITLE

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions. Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

12. LIEN OF ASSESSMENT.

All sums assessed by the Association, but unpaid, including installments of the Annual Assessment and Special Assessments, and any fines duly imposed by the Association, together with late charges, interest, attorney's fees and the costs of collection thereof, shall constitute a lien on the Owners lot prior to all other liens, except only:

- (a) Tax liens on the lot in favor of any assessing unit or special district; and
- (b) All sums unpaid on a first mortgage of record.

The sale or transfer of any lot by foreclosure or by deed in lieu of foreclosure (but not any other transfer), shall extinguish the Assessment lien for payments which became due prior to the date of such sale or transfer, but shall not extinguish the personal liability of the lot Owner for such assessments. No such sale or transfer shall relieve the lot Owner from liability for any assessments thereafter becoming due or from the lien thereof. The lien for sums assessed may be foreclosed by a suit by the Association or the Managing Agent on its behalf in like manner as a mortgage of such property. In any such foreclosure the Owner shall be required to pay a reasonable rental for the use and occupancy of the lot. The Association, upon the affirmative vote of 90% of all the Owners (so authorizing and setting up a special assessment to pay for the same), shall have the power to bid on the lot at any foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

The initial assessment for Owners in the Development shall be \$100.00 per year, subject to changes as provided for in the By-Laws of the Association.
